Kukhona umKristu uqobo, kukhona umzenzisi uqobo, niyabo, lokho nje ukulingisa. Ngakho uyakuthola lokho, ngakho konke kuhambisana ndawonye. Manje, asikwazi ukukwehlukana. UNkulunkulu uvumela imvula ine.

<sup>45</sup> Sengathi Angangivumela ngikhulume lapha kancanyana nje. Bangaki abashumayeli olapha, phakamisani izandla zenu. Macala onke, abashumayeli, asibone izandla zenu. Awu, uNkulunkulu anibusise, bazalwane. Manje, manje, ningakuthathi lokhu kube yimfundiso manje, kodwa, ngaphambi nje kokuba sisondele kulendaba ebalulekile, ngizonitshela ukuthini. Bangaki abantu abangamaPentecostali olapha na? Phakamisani izandla zenu, macala onke ndawo zonke. Awu, nonke ningamaPentecostal. Kulungile. Ngizonitshela ukuthi nganginani ngenkathi ngiqala ukufika endaweni yenu, isikhundla.

Ngangikhona lapha enhla eIndiana, endaweni ethize ebizwa ngeMishawaka. Iqembu lokuqala labantu abangamaPentecostal ukuze ngilibone, babebizwa nge—ngePentecostal Assemblies ka Jesu Kristu, ngiyakholwa, noma into efana naleyo, isigejane esimangalisayo sabantu. Manje sebezihlelele bahlangana futhi bazibiza ngeUnited Pentecost. Baqembuka kuwo onke, ngenxa yempikiswano yombhaphathizo wamanzi. Lokho akubenzi babe ngumzenzisi. Bangingi abayibo uqobo, uMoya oNgcwele wangoqobo ngempela, umKristu ozelwe ngokusha ezikhundleni zabo. NoNkulunkulu wabapha uMoya oNgcwele ngokubhaphathizwa e “Gameni likaJesu,” futhi upha abanye umbhaphathizo kaMoya oNgcwele, ngokubhaphathizelwa ku “Yise, iNdodana, uMoya oNgcwele.” Ngakho, “UNkulunkulu ubapha uMoya oNgcwele, koMlalelayo,” ngakho ubani—ubani onawo, ubani owaMlalelayo na? Nakho la okhona.

<sup>46</sup> Uma nje ukhohlwa, nalabo ofuna ukuba yindlela eyodwa, mababenjalo, futhi qhubekani nje nibe abazalwane. Yilokho kuphela. Ninga... Kwenziwe yini, kwakungukubaqembula, ukuqembuka. Niyabo? Yini na? Kwakungukubaqembula,

ukuzimbula, ukuqembula ubuzalwane, nizimisa futhi nizehlukanisa nina. Qha, mnumzane, asehlukene, simunye. Kunjalo.

<sup>47</sup> Kodwa ngenkathi ngimi lapho, ngangiqaphele labobantu. Manje, mina, ngisanda kuphuma nje ebandleni elidadlana eliyiBaptisti yangaseNingizimu, ngani, ngangibabona labobantu, ngahamba ngangena lapho futhi babeshaya izandla zabo, bememeza, “Ngingomunye wabo, ngingomunye wabo, ngiyajabula ngithi ngingomunye wabo!”

<sup>48</sup> Ngacabanga, “Wo! Wewu!” Into yokuqala uyazi, nakho kwehla omunye edlula lapho, esina kakhulu ngempela njengoba besina. “Tu-tu-tu-tu-tu,” Ngacabanga, “ukuziphatha okunjani-ke lokhu kwebandla! Angikaze ngizizwe izinto ezifana nalokho.” Ngangilokhu ngibaqaphele, ngapha nangapha. Ngimangele, “Awu, kwenzenjani kodwa ezweni ngalabobantu na?”

<sup>49</sup> Manje, ningizwile ngixoxa ngomlando ngempilo yami, lapho engadibana khona nalowomhlangano lapho. Kodwa lokhu yiyonanto eyodwa engingakaze ngiyixoxe, angikaze ngiyixoxe ngaphambili, emphakathini. Ngakho ba... Manje, uma ufuna ukukwesula kwisiqophamazwi sakho, ngani, ungenzenjalo. Kulungile. Manje, kulokhu ngaqaphela, futhi manje ngacabanga, “Awu, labobantu ngabantu abajabule ukwedlula bonke abantu esengake ngababona empilweni yami.” Babengenamahloni ngenkolo yabo. Thina maBaptisti sithi ukuba namahlonyana amancane nje, ngasikhathi, niyazi. Niyabo? Futhi uma eyokhuleka, uyazi, aya emva kwesishayisa moya, uyazi. Futhi—futhi, kodwa thina... Kodwa labobantu wayengenjalo, mfowethu, ba—babenenkolo kwingaphakathi lonke, ngaphandle, nasendaweni yonke kubo.

<sup>50</sup> Awu, ngiyakhumbula ngalobobusuku ngenkathi ngifika emsamo. Bathi, “Bonke abashumayeli emsamo.” Kwakuyingqungquthela. Babefanele babenayo enhla lapha eNyakatho, ngesizathu se—ngesizathu senkinga yamakhaladi, umthetho kaJim Crow waseNingizimu. Ngakho bonke babehlangene lapho bevela ndawo zonke. Ngakho, ngangihlezi phezulu lapho. Futhi wathi... Awu, manje kukhona... Ngabezwa bonke abashumayeli ngalolonke lolosuku nalobobusuku. Bathi umshumayeli othize omdala, wayeyindoda endala elikhaladi yaphuma yeza, inamayoyosana nje ezinwele eziyisiyengelezi ekhanda layo, *kanjalo*, igqoke elikhulu elide elidala ijazi eliwumjiva labashumayeli elimisise okomsila, uyazi, ukhololo oyivelvethe, futhi isimo sezulu sasishisa. Umfo ndini omdala ephumela lapho *kanje*. Wathi, “Bantwana bami abathandekayo,” wathi, “Ngifuna ukunitshela,” ezofakaza. Ngangithi angibe ngomncane kunabo bonke ngihlezi emsamo. Ngakho-ke wayesethi, “Nginyanitshela!” Wathatha itekisi yakhe ngale kuJobe, “Wawukuphi lapho Ngibeka izisekelo zomhlaba na? Ngitshele ukuthi zibekwe phezu kwani.”

<sup>51</sup> Bonke laba abanye abashumayeli babekade beshumayela ngoKristu, ngasohlangothini olwejwayelekile. Ngabalalela, ngabajabulela. Kodwa hhayi lowomfana omdala! Wabuyela ngaphambili cishe kweminyaka eyizinkulungwane eziyishumi ngaphambi kokuba kuze kuqale izwe. Wenyukela emaZulwini wayesehla eqonda ezibhakabhakeni, ukuthi kwakwenzekani. Ababeshumayela ngakho, beqhubeka, emini; wayeshumayela ngokuthi kwakwenzekani eZulwini. Wambuyisa uKristu ekuvundleni kothingo lwenkosazana, emuva phambili ndawo ndawo kwiPhakade. Ngani, yayikade ingakashumayeli cishe imizuzu emihlanu yaze yathi leyonsizwa endala, kwabakhona Okuyibambayo. Yagxuma yaya phezulu emoyeni yahlanganisa izithende zayo phaqa, futhi yampopolozu, “Huu!” Yayinendawo ethi impela ayibe ngangalena enginayo phezulu lapha. Yathi, “Aninayo indawo eyenele mina ukuba ngishumayele,” futhi yasuka yahamba.

<sup>52</sup> Awu, ngacabanga, “Uma lokho kuzokwenza lokho endodeni ethi ayibe neminyaka engamashumi ayisishiyagalombili ubudala, kuzokwenzani kimi na?” Yilokho engikufunayo. Yilokho engikufunayo.

<sup>53</sup> Kodwa okwangitholayo kwaba yilokhu. Manje, sikhuluma ngamademoni manje. Okwangitholayo, ngaqaphela amadoda amabili. Omunye wayehlezi ngakwelinye icala, nomunye ngakwelinye. Futhi kwakuthi uma kwehla uMoya, lawomadoda ayesukuma futhi akhulume ngezilimi amemeze, futhi ajike abemhlophe wonke umlomo. Futhi ngacabanga, “O, he, ukuba nje bengingaba nalokho!” Niyabo? “Kuyisimanga! O, lokho yi... Nje ngiyakuthanda lokho!” Awu, ngaphuma ngaya ensimini kakolweni. Futhi nganixoxela ngomlando wempilo yami. Nawufunda encwadini. Ngalala ubusuku bonke. Futhi ngibuya ngakusasa ekuseni, ngakho ngacabanga ukuthi nje ngizokuhlola. Nginendlela yokwenza izinto ezingaziwa-muntu kuphela nguNkulunkulu nami. Ngakho, lokho, ngithatha umfanekiso bese ngiyodibana nomoya womuntu. Ukubona khona lapha emsamo. Niyabo? Futhi ngakho ngase-ke ngikhuluma neyodwa yalawomadoda. Ngiyawabona, ayehlala asondelane ndawonye, futhi nje ayebamba izandla futhi asine amemeze. Ngacabanga, “O, he, lokho kuzwakala kuyikho ngempela kimi!”

<sup>54</sup> Ngase ngibamba esinye sezandla zayo. Ngathi, “Sawubona, mnumzane?”

<sup>55</sup> Yathi, “Sawubona.” Indoda elunge kabi, uhlobo lomfo ongumnumzane ohloniphekile. Wathi...

Ngathi, “Ungumfundisi na?”

Yathi, “Qha, mnumzane. Ngiyilunga nje elingumuntu-nje.”

<sup>56</sup> Futhi ngathi ukuqhubeka nengxoxo encane nayo ukuze ngibambe umoya wayo. Niyabo? Yayingakwazi lokho. Akekho

owayekwazi. Angizange ngisho lutho ngakho. Iminyaka kamuva, ngaphambi kokuba ngikusho. Ngakho ba...Kodwa ngenkathi sengithola, kwaba yiqiniso, kuphelele phaqa, indoda engumKristu! Leyondoda ngokoqobo yayingongcwele kaNkulunkulu. Ngacabanga, “Mfowethu, kuhle lokho.”

<sup>57</sup> Kodwa ingxenye eyinqaba, sengithola enye indoda, kwakuphambene. Yayihlala ngisho nanowesifazane owayengesuye umkayo. Kunjalo. Futhi ngakubona kuvumbuluka kuyo, umbono. Ngacabanga, “O, he, akukwazi ukuba njalo.” Nendoda...Ngacabanga, “Manje, manje, lomoya ophakathi kwalababantu uphambene. Yilokho okukuwo.”

<sup>58</sup> Ngakho ngalobobusuku ngenkathi i...ngaya emhlanganweni, nezibusiso zazezela, ngangikhuleka kuNkulunkulu, noMoya oNgcwele, iNgelosi yeNkosi inikeza ubufakazi ukuthi kwakunguMoya oNgcwele. NoMoya ofanayo owayehlela kulendoda wawehlela kuleyondoda. Futhi kwakuthi uma uMoya wehla, omabili ayesukuma, futhi omabili amemeze futhi akhale kakhulu futhi adumise iNkosi, futhi akhulume ngezilimi futhi asine. Ngathi, “A—a—angikutholi nje, Nkosi. I...angikuboni eBhayibhelini, lapho lokho okungaba ngokufanele.” Manje ngathi, “Mhlawumbe ngiyadukiswa.” Niyabo? Ngathi...Manje, lapha, a—angi...Ngi—ngingofuna isisekelo ngempela eBhayibhelini. Kufanele kube yiLokhu. Niyabo? Ngathi, “Nkosi, Uyasazi isimo sami, futhi ngi—ngifanele ngikubone eZwini laKho. Futhi a—angiqondi. Uma uMoya oNgcwele wehlela kulendoda, uMoya oNgcwele wehlela kuleyondoda, futhi eyodwa yawo ingongcwele nenye ingumzencisi. Futhi ngiyazi ukuthi kunjalo.” Ngiyakwazi. Ngaphandle...Ngangingayithatha indoda ngiphume nayo futhi ngikufakazise kuyo, noma ngiyibizele phandle khona lapho futhi ngiyitshele ngakho.

<sup>59</sup> Njengoba bengingenza kuleyondoda ihlezi khona lapha ebusuku izolo, ibingelutho kuphela umkhohlisi, uma wake wabakhona ohlezi lapho. Futhi bekufanele ngikukhiphe, kodwa ibizosukuma futhi iqale ukuqophisana. Ngakho ngavele ngakuyeka kanjalo nje, ngesizathu somhlangano, kodwa bengiyazi. Yebo, mnumzane.

Nanso eyodwa, emabili, ehlezi ngemuva khona lapho, ngobunye ubusuku, esonta kwelinye ibandla khona lapha edolobheni. Abagxeki bangempela! Ngibabonile. Kodwa, uma beningakwenza, ngaphakathi kuqala inkathazo. Sengike ngakwenza izikhathi eziningi. Ngivele ngibayeke nje. Kulungile konke. UNkulunkulu uyazi, UnguMahluleli. Ake bangibize kanye, khona-ke uyobona kwenzeka into ethize, niyabo, mdedele.

Njengedemoni, angizange ngilibize idemoni liphume. Livele lifike kimi langicela inselelo. Kuba lapho-ke uNkulunkulu

ahamba khona wasebenza, niyabo, kunjalo, futhi nibonile ukuthi kwenzekeni. Kulungile. Kodwa ngavele nje ngakuyeka. Kwenza umhlangano waba lukhuni, ngoba lowomoya wawungena ngqo ube phezu kwami ngaso sonke isikhathi, niyabo. Futhi ngakho ngavele ngaqhubeka.

<sup>60</sup> Kodwa manje, lamadoda, angikuqondanga. Futhi kwaba seminyakeni emibili kamuva, noma emithathu, ngenkathi ngiphezulu eGreen's Mill, eIndiana, lapha, endaweni ebekelwe amavulandlela. Ngangingemuva emgedeni omdala lapho engihamba ngiyokhuleka khona. Futhi emuva lapho, ngathi, "Nkosi, angazi ukuthi kwenzekani kuleloqembu labantu. Abantu abalunge ukwedlula bonke engake-ngababona empilweni yami, futhi a—angiqondi ukuthi lokho kwenzeka kanjani ukuthi kube umoya omubi. Uma ku...uma ke... Uyabazi ubuqotho benhliziyo yami. Uyazi ukuthi ngiKuthanda kangakanani nokuthi ngiKukhonze kangakanani. NoMoya ofanayo olapha, kanye nami, wawuphezu kwalabobantu. Futhi nanku Wawuphezu kwalowomfo, lapho, ofanayo nje." Ngakho angiqondanga.

<sup>61</sup> NeNkosi yehla ngomusa waYo futhi yangibonisa. Nakhu lapho okwakukhona. Kufanele kube ngokomBhalo, kuqala. Yathi "Cosha iBhayibheli lakho." Futhi ngalicosha iBhayibheli lami. Ngithi ngalibamba leloBhayibheli imizuzu eyishumi kungekho-muntu...kungafiki-Zwi. Ngalinda nje imizuzwana embalwa. NgaYizwa isho futhi, "Vula kumaHeberu 6 bese uqala ukufunda." Futhi ngakwenza. Futhi sekufika ezansi lapho, lapho Elathi khona, "Imvula ifika kaningi phezu komhlabathi ukuwunisela nokuwulungisa, ukuwulimela i... kepha ameva namakhakhasi, okuseduze nokwaliwa, ukuphela kwawo ngukushiswa." Futhi ngakubamba khona lapho.

Ngacabanga, "Nakho. Akabongwe uNkulunkulu! Nakho." Niyabo?

<sup>62</sup> Manje, uJesu wathi, "Kwaphuma umhlwanyeli ehlwanyela izimbewu," Akashongo na? Manje, nonke ningamaKristu lapha. Bonke baphakamise izandla zabo, empeleni, amaPentecostal, amaKristu azelwe ngokusha. Kulungile. Ba...Futhi Wathi, "Kwaphuma umhlwanyeli, ehlwanyela izimbewu. Futhi esalele..." Ukuphumula kwakhe, ukufa, phakathi nendawo. Niyabo? "Futhi esalele, isitha siyafika futhi sahlwanyela ukhula kuleyonsimu." Yini ukhula na? Ukhula, ukhula lukakolo nezinto. Manje, "Futhi kwathi umlimi (umshumayeli) ebona lolukhula lumila, wathi, 'Angihambe ngilusiphule.' Wathi, 'Qha, qha. Uzosiphula nokolo futhi. Yeka kukhule kokubili ndawonye.'"

<sup>63</sup> Kukhona insimu kakolo phandle lapha. Kukhona izintandela, amabhola embabazane, ukhula olunuka kabi, konke okunye kuyo. Kunjalo na? Kodwa, manje, phakathi lapho kukhona ukolo. Manje, imvula ifika kaningi phezu komhlabathi,

ukuwunisela. Manje, eyani imvula na? Ayisiyo eyokunisela ibhola lembabazane. Manje qaphela futhi unake. Ayisiyo eyokunisela intandela. Imvula ithunyelelwa ukolo, kodwa ibhola lembabazane nokhula nakho kome nje njengawo ukolo. Nemvula efanayo ena phezu kukakolo inela phezu kokhula. Nokhula oludadlana luyoma luthi mpo kanjalo, futhi luthokozile lujabula, ngokulinganayo nje njengoba ukolo omncane uyoma futhi uzimele wona.

<sup>64</sup> “Kepha niyakubazi ngezithelo zabo.” Nakho lapho okhona. Niyabo? Manje, uMoya oNgcwele ofanayo ungabusisa umzencisi. Lokho kwashaya abanye benu nina baka Arminius kwanikhipha, kodwa lelo yiQiniso. Lelo yiQiniso. Benifundiswe ubungcwele, engikholelwayo ebungcwele, nami. Kodwa uMoya ofanayo, imvula inela abalungileyo nabangalungile, kodwa niyakubazi ngezithelo zabo.

<sup>65</sup> Uma ngibuka ngaphandle lapha futhi ngihambe ukuyothola ukolo, ngiwuthole ukolo, kodwa ukhula lonke seluqalile. Futhi uphila ngemvula efanayo ene kukolo. Futhi imvula ayithunyelwanga ukhula, yathunyelelwa uKolo. Kodwa imvula ngokuba sensimini, ukolo u...ukhula lusensimini kakolo, lwazusa okuningi nje ngokufanayo emvuleni njengoba kwenza bonke abanye. Nemvula efanayo eyenza ukolo uphile, yenza ukhula luphile.

<sup>66</sup> Zonke izinto emvelweni kufanekisa okomoya, njengoba sifundisa. Nakho-ke, ubudemoni, amademoni elingisa ubuKristu, nokho, nesibusiso. Lokho akusilo ubisi oselwengulwe ulaza, bazalwane, uma ningakuthatha. Niyabo? Niyabo? Manje, yi—yiQiniso.

<sup>67</sup> Ngakho, angisindisiwe namhlanje ngoba ngikwazi ukumemeza. Ngisindisiwe hhayi ngoba ngizwa sengathi ngisindisiwe. Ngisindisiwe ngoba ngahlangana nezimo zikaNkulunkulu zaleliBhayibheli. UJesu wathi, “Ozwa amaZwi aMi akholwe NgoNgithumileyo, unokuPhila okuphakade, futhi akasayi ekulahlweni, kepha usephumile ekufeni wangena ekuPhileni.” Ngiyakukholwa lokho. Kunjalo. Futhi phezu kwalezozimo ngisindisiwe, ngoba uNkulunkulu washo njalo.

<sup>68</sup> Uma engitshela ukuthi wena usindisiwe ngoba omunye umuntu ethe, “Ukuvunguza komoya onamandla kungishaye ebusweni,” lokho kuyisimangaliso, kodwa ngifuna ukwazi ukuthi lokho kuvunguza komoya onamandla kuvelaphi ngaphambi kokuba kungishaye ebusweni, niyabo. Manje, nhloboni yokuphila ozoyiphila emva kokuba lokho kuvunguza komoya onamandla sekukushayile na? Niyabo? Niyabo, kungezithelo zakho owaziwa ngazo. Ngakho, amademoni angasebenza khona impela phakathi kwamaKristu. Niyakukholwa lokho na? Bukani uPawulu, uPawulu wathi. . .

<sup>69</sup> Manje nakhu lapho iMvula yoSuku lwaMuva...Uma ekhona noma yimuphi wenu lapha, ningithethelele uma ngisho noma yini ephambene nani. Akukho engingaphinde ngikusho okuphambene nani kunoma bengingakusho kuma Assemblies, noma ubani, amaBaptisti, kumbe noma ubani omunye. YiQiniso eliyiQiniso. Lapho enehla khona, kwaba yilokhu: nenza abaprofethi ngalabobantu nezinto okungesibo abaprofethi. Abaprofethi abasibo aba “bekwa izandla” bese bethunywa. Abaprofethi bayazalwa. Niyabo? EBhayibhelini, kukhona *isiphiwo* sokuprofetha. Laba lapho-ke iphutha lenu, phakathi kwesiphiwo sokuprofetha nomprofethi. Isiphiwo. . .

<sup>70</sup> “UNkulunkulu, endulo nangezindlela eziningi wakhuluma koyise ngabaprofethi, ngalolu izinsuku zokugcina ngeNdodana yaKhe, uKristu Jesu.” NoMzimba kaKristu uneziphiwo zokomoya eziyisishiyagalolunye zisebenza kuwo. Futhi singahle sibe phezu kwalona wesifazane kulobubusuku, isiprofetho, singahle singahlali kuye izinsuku zonke zokuphila kwakhe. Singahle sibe phezu kwalona wesifazane ngobusuku obulandelayo. Singahle sibe phezu kwalona wesilisa ngokulandelayo. Singahle sibe phezu kwalowo emuva lapho, ngokulandelayo. Lokho akumenzi owesifazane abe ngumprofethi, akwenzi-muntu abe ngumprofethi. Yisiphiwo sokuprofetha kuwe.

<sup>71</sup> Futhi ngaphambi kokuba lowo wesilisa noma lesosiprofetho sinikezwe ebandleni, sifanele sihlolwe phambi kwabahluleli bakamoya ababili noma abathathu. Kunjalo na? Ngokwalokhu, manje, uPawulu wathi, “Nonke ningaprofetha, ngamunye ngamunye.” Uma kukhona okwembulwa kulona, lowo omunye akathule. Awu, lokho kwakungenza sonke isigejane sabaprofethi ngaleyonkathi, ngokokufundisa kwanamhlanje. Qha, bandla lePentekoste, sinezinto zonke esezingamathize thize. Futhi yingalesosizathu uNkulunkulu engenakunena, size siqondise lento naphezu kweBhayibheli. Kunjalo. Ufanele uthole indlela eyiyo. Uzoyakha kanjani indlu ngaphandle kokubuka epulanini na? Niyabo? Ufanele uqale ngokuyikho.

<sup>72</sup> Manje, phakathi lapho, umprofethi, awuzange ubone muntu ema phambi kuka Isaya, uMose. Oyedwa wama, uKora, ngelinye ilanga, futhi wazama ukuphikisana naye, futhi uNkulunkulu wathi, “Zahlukanise, Ngizovula umhlabathi.” Umprofethi uyazalwa. “Iziphiwo nokubiza...-phandle kokuphenduka.” Lokho ukwazi phakade kukaNkulunkulu, kusukela ebunganeni kwenyuke. Yonke into yayihambisana ngokufanele ngokuphelele, lokho impela akusho kwakuyiqiniso futhi kwaqinisekiswa futhi kwakhishwa. YiZwi likaNkulunkulu, liza kumprofethi. Kodwa isiphiwo sokuprofetha sisebandleni.

<sup>73</sup> Manje wena uthe, “Awu, abaprofethi bayiTestamente eliDala.” O, qha! ITestamente eliSha lalinabaprofethi.

<sup>74</sup> UAgabu wayengu—wayengumprofethi weTestamente eliSha. Buka uMoya wokuprofetha owawehlela lapho futhi utshela uPawulu ngakho. Nangu uAgabu ehla eJerusalema, futhi wafumana uPawulu, futhi wazibopha ngoqhotho lwakhe, wayesephendukela ngale wayesethi, “ISHO KANJE INKOSI, umuntu ozibophe ngalokhu uzoboshwa ngamaketango uma efika eJerusalema.” UAgabu, owasukuma futhi washo, washo kungakenzeki ukuthi kwakuzokwenzekani, wayengumprofethi, engisiyo indoda enesiphiwo sokuprofetha.

<sup>75</sup> Nesiphiwo sokuphulukisa nazo zonke lezoziphiwo, mngane wami oyiPentekoste, ukuthole kuxovekile. Iziphiwo zisebandleni, zithobela noma yibaphi abantu ebandleni, noma ubani obhaphathizelwe eMzimbeni. “NgaMoya munye thina sonke sibhaphathizelwe kuwo.” NeBhayibheli lathi . . .

“Awu, nginaso isiphiwo sokuphulukisa.”

<sup>76</sup> Awu, iBhayibheli lathi, “Vumani isono senu komunye, futhi nikhulekelane.” Wonke umuntu ukhulekela omunye. Asisilo iqembu elehlukene; sibuthene ndawonye, iqembu elibuthene. Niyabo?

Manje, futhi lapho asebenza kanjalo-ke amademoni ngezinye izikhathi.

<sup>77</sup> Manje qaphela ukuthi uPawulu wathini, “Uma omunye ekhuluma ngezilimi nomunye ahumushe, futhi noma yini ayishilo, makuhlolwe ngaphambi—ngaphambi kokuba ibandla likwazi ukukwamukela.”

<sup>78</sup> Manje, ngeke kube ukucashunwa komBhalo, noma enye into enjengalokho. UNkulunkulu akaziphindi Yena. Kodwa kuyoba yisexwayiso ebandleni. Bese-ke uma umahluleli olungileyo ethi, “Asikwemukele lokho. Kulungile, bekungokweNkosi.” Owesibili athi, “Asikwemukele.” Umlomo wofakazi ababili noma abathathu, lonke izwi maliqiniswe. Khona-ke ibandla likwamukele futhi lihambe lisilungiselele. Uma lokho kungafezeki, okushiwo yilesa, khona-ke unomoya omubi phakathi kwakho. Kunjalo. Futhi uma kwenzeka, khona-ke bonga uNkulunkulu, uMoya kaNkulunkulu uphakathi kwakho. Niyabo? Manje, yilapho-ke okufanele uqaphele khona futhi unake. Ngakho, ungazami ukucindezela. Ngangingeke ngizenze ngibe namehlo ngasandu nginaluhlaza, niyabo, ngifanele ngeneliswe amehlo aluhlaza. Manje, yilapho-ke amademoni asebenza khona endaweni yabantu bakamoya.

<sup>79</sup> Manje sinokuthize okujulile okuzayo lapha, futhi ngiyethemba akujulile kakhulu. Manje ngale kuSamuweli wokuQala 28, ngifuna ukufunda omunye umBhalo lapha ngaso lesisikhathi. Ngifuna nilalelisise. Futhi ngifuna ukuletha “amademoni,” nginikhombise ukuthi asebenza kanjani ebandleni ngqo, nokuthi uSathane unento-mbumbulu kanjani ngayo yonke into yangempela ekhona. Manje ningabona,

ngokweBhayibheli, ukuthi amademoni afika phakathi kwamaKristu futhi ayalingisa.

<sup>80</sup> Futhi izikhathi eziningi simemezele ukuthi abantu bangamaKristu ngenkathi bethi, “Ngikholwa uJesu Kristu.” Ngani, odeveli bakholwa into efanayo, futhi bathuthumele. Leso akusiso isibonakaliso sokuthi usindisiwe. Ngobunye balobubusuku ngifuna ukungena ekukhethweni, futhi-ke nizobona ukuthi insindiso isho ukuthini. Niyabo? Akukho owawungakwenza ngayo, endaweni yokuqala, noma indawo yesibili, noma akukho lutho ongakwenza ngayo. UNkulunkulu usindisa umuntu, ngaphandle kombandela. Mfana, lokho kucwile kwajula, akuzange na? Manje, ungafanele nje ukukhiphe lokho enqubweni yakho, sisekukho. Kulungile.

<sup>81</sup> UAbrahama wayengukuqala kokukholwa kwethu. Kunjalo na? O, uAbrahama wayenesethembiso. Futhi uNkulunkulu wambiza uAbrahama ngoba wayengumuntu omkhulu, ngiqagele na? Qha, mnumzane. Wehla evela eBabiloni, e—ezweni lamaKhaledi, emzini wase Uri, futhi uNkulunkulu wambiza futhi wenza isivumelwano saKhe naye, esingenambandela. “Ngizokusindisa. Futhi akusuwe kuphela, Abrahama, kodwa iNzalo yakho,” ngokungenambandela.

<sup>82</sup> UNkulunkulu wenza isivumelwano nomuntu, nomuntu asephule isivumelwano sakhe ngaso sonke isikhathi. Umuntu akazange asigcine isivumelwano sakhe noNkulunkulu. Umthetho awuzange ugcinwe. Abakwazanga ukugcina umthetho. UKristu wafika futhi wephula umthetho, qobo lwaKhe, ngoba umusa wase uele ulungiselele uMsindisi. UMose walungiselela indlela yokuphunyuka, kwase-ke kuba ukuphunyuka, ngiqonde ukusho njalo, kwase-ke kuba abantu, emva kwalokho, babesalokhu befuna ukwenza okuthize. Umuntu uhlala njalo ezama ukwenza okuthize ukuba azisindise yena, kanti ungeke ukwenze. Kuyimvelo yakhe. Wathi nje angathola ukuthi wayehamba-ze, ensimini yase-Edene, wenza izibhincio ezinkulu zamaqabunga omkhiwane. Kunjalo na? Kodwa wathola ukuthi azisebenzanga. Akukho umuntu angakwenza okungakusindisa. Usindisa uNkulunkulu, ngaphandle kombandela, kusukela phansi emnyakeni. Futhi-ke uma usindisiwe, usindisiwe.

<sup>83</sup> Buka uAbrahama. Lapho lowomfo ayeyikho, wawelega ngale, noNkulunkulu umupha izwe lasePalastine futhi wamtshela ukuba angasuki lapho. Noma yimuphi umJuda osuka ePalastine wayehlubuka. UNkulunkulu wamtshela ukuba ahlale lapho. Uma uNkulunkulu ekutshela ukuba wenze enye into, futhi ungakwenzi, khona-ke uhlubukile. Kunjalo na? Kulungile, kufika isomiso, ukuvivinya ukholo luka Abrahama. Futhi esikhundleni sokuba uAbrahama ahlale lapho, qha, akahlalanga lapho, wasuka wabaleka, wathatha uSara futhi wahamba cishe

amamayela angamakhulu amathathu (ngifisa sengathi ngabe benginesikhathi ukufika kulokho) wehlela kwelinye izwe.

<sup>84</sup> Futhi esefike ezansi lapho, wase-ke ethola lenkosi enkulu ezansi lapho, uAbimeleki. Wayengumfo oseyinsizwa futhi wayefuna isithandwa, ngakho wafumana umka-Abrahama, uSara, futhi wathandana naye. Futhi uAbrahama wathi, “Manje, umtshela ukuthi ungudadewethu nami ningumfowenu.”

<sup>85</sup> Ngakho lokho kwamthokozisa uAbimeleki, ngakho wathi, “Kulungile, sizovele simthathe simwezele enqabeni.” Futhi ngiqagele owesifazane wazilungisa kahle, futhi wayezomshada ngosuku olulandelayo.

<sup>86</sup> Futhi uAbimeleki wayeyindoda elungileyo, indoda enokulunga. Futhi ngalobo busuku, esalele, iNkosi yabonakala kuye futhi yathi, “Ufana nomuntu ofileyo.” Yathi, “Indoda i...Owesifazane onaye phandle lapho ozomshada, uganile endodeni.” Manje qaphela. “Uganile endodeni.”

<sup>87</sup> Ngani, wathi, “Nkosi, Uyabazi ubuqotho behliziyo yami, elungileyo, indoda engcwele. Uyabazi ubuqotho behliziyo yami. Leyondoda ingitshela ukuthi lowo bekungu ‘dade’ wabo. Futhi akashongo yini kimi, yena qobo lwakhe, ukuthi lowo bekungu ‘mfowethu’ na?”

<sup>88</sup> Wathi, uNkulunkulu wathi, “BeNgibazi ubuqotho behliziyo yakho, futhi yingalesosizathu ngakuvimbela ukuba ungoni kiMi. Kodwa lowo ngumprofethi waMi!” Haleluya!

<sup>89</sup> Wayeyini na? Wahlubuka, futhi omncane, umkhohlisi onamanga. Kunjalo na? O, qha, awekho amanga amancane amhlophe. Kuphakathi kokuthi angamanga amnyama noma awasiwo amanga nhlobo. Indoda ihlezi phandle lapho ikhuluma amanga aluhlaza cwe, ithi lowo kwakungu “dade” wabo kanti kwakungumkayo, icasha obala, futhi yahlubuka.

<sup>90</sup> Futhi nansi indoda eyayilungile imi phambi kukaNkulunkulu, futhi yathi, “Nkosi, Uyayazi inhliziyo yami.”

<sup>91</sup> “Kodwa Angizukuwuzwa umkhuleko wakho, Abimeleki kodwa mthathe...mbuyisele emuva futhi ucele owesilisa akukhulekele. Ungumprofethi waMi; Ngizomuzwa.” Yebo, umhlubuki, umqambimanga, kodwa, “Lowo ngumprofethi waMi.” YiQiniso lelo na? Lelo yiBhayibheli.

<sup>92</sup> Manje, unгахambi uze uyoshona kude ngapha ngasohlangothini lukaCalvin, “Uma kuke kwaba semseni, kuhlala kusemseni,” ngoba uzongena ehlazweni. Niyabo? Manje, umzuzu nje, sizothola isikhathi kuleliviki ukuba sikukhuphule lokho futhi nginikhombise ukuthi kuyileveli kanjani. Kodwa ungacabangi ukuthi ngoba nje wenze okuthize okuyiphutha ukuthi usuphele ingunaphakade. Ungumntwana kaNkulunkulu, uzalwa nguMoya kaNkulunkulu,

ningamadodana namadodakazi kaNkulunkulu, nezithelo zizozifakazela. Nakho lapho okhona.

<sup>93</sup> Manje, silapha, sihlezi ezweni. Manje, ngifuna ukufunda lapha, ivesi 6.
