Kodwa ingaphakathi lalowomoya ngumphefumulo, futhi ulawulwa yinto eyodwa, intando yakho yokuzikhethelela. Ungemukela lokho okushiwo ngudeveli noma wemukele lokho okushiwo nguNkulunkulu. Nalokho kuyonquma ukuthi moya muni ophakathi lapho. Uma kunguMoya kaNkulunkulu, Uyozondla ngezinto zikaNkulunkulu, futhi Ungeke uzondle nganoma yini okungokwezwe. UJesu wathi, “Uma nithanda izwe noma izinto zezwe, yingoba uthando lukaNkulunkulu alukaze ngisho lungene kulengxenyengaphakathi.” USathane ukudukisile. “Futhi akusinkwa sodwa umuntu ayakuphila ngaso, kodwa ngamaZwi onke aphuma emlonyeni kaNkulunkulu.”

Qaphelani manje, sithola ukuthi u “hamba-ze,” uyakhanuka futhi unqunu.

⁵⁴ Nezwe libonakala lisonyakeni omubi kakhulu kakhulu owake wabakhona. Akukaze kunoma yimuphi unyaka abesifazane baze baziphathe kanjalo, akukaze kodwa nje ngaphambi kwembubhiso yezwe lamandulo ngaphambi kokubhujiswa ngamanzi. NoJesu wabhekisa kulo. Sizongena kulokho emva kwesikhashana.

⁵⁵ Ngabe uNkulunkulu uselahlekelwe ngukulawula, noma ngabe Uvumela nje okunye okusebenzayo ukuba kulawule na? Ngiyamangala. Impendulo eqinisileyo kulombuzo ingukuthi, ngombono wami, kukhona imimoya emibili ephikisanayo ezweni namhlanje, esebenzayo. Manje, ngeke kwabakhona angaphezu kwamabili, amakhanda amabili. ⁵⁶ Imimoya emibili. Owodwa wayo, uMoya oNgcwele kaNkulunkulu; omunye, umoya kadeveli, usebenza ekudukeni. Abantu bomhlaba manje benza ukuzikhethelela kwabo.

UMoya oNgcwele ulapha ubizela ngaphandle uMlobokazi kaKristu. Ukwenza ngokuqinisekisa iZwi laKhe lesithembiso kuYe, salonyaka, kukhombisa ukuthi UnguKristu.

Uma umunwe ufanele unyakaze kulonyaka, umunwe uzonyakaza. Uma unyawo lufanele lunyakaze kulonyaka,

unyawo luzonyakaza. Uma iso lizobona kulonyaka, iso lizobona. Niyabo?

UMoya kaNkulunkulu, lapho Ukhulela esithombeni esigcwele sikaNkulunkulu, ngunyaka esiphila kuwo manje. UMoya oNgcwele ulapha uqinisekisa uMlayezo wehora. NoMoya oNgcwele wenza lokhu, ukuze kuthi abantu abakholwa nguNkulunkulu bazobizelwa ngaphandle kwalenxushunxushu.

Umoya ongengcwele kadeveli ulapha ubiza ibandla lakhe ngokuduka, njengokwejwayelekile, ngempendukezela yeZwi likaNkulunkulu, njengoba enza ekuqaleni. Niyabo? Ubuyela ngqo kulesosikhathi sembewu futhi, kusukela e-Edene, nanku futhi.

⁵⁷ Manje, emuva ukwedlula lapho, ni belong-...eminye iminyaka, nanisonta emahlelweni, nanisonta ku *leli, lelo*, noma *elinye*. Kwenzekani ohlangeni lwehlelo na? Luyoma nkwe. UMoya uqhubeka nokushiya futhi uqhubekela phambili, futhi Uphethela eMbewini. Niyabo?

NjengoJohane, uJohane wokuQala 4:5 nelesi 6, uma nifuna ukukubhala phansi lokho, ukubeka ngokuthi, “umoya wokuduka.”

UEva akazange nje ahambe aphume kalula, ngamabomu, athi, “Angimkholwa uNkulunkulu.” Qhabo. Kwaba ngokuduka akukholwayo.

⁵⁹ USathane akaphumi neze wayesethi, “O, awu, lelo akusilo ngisho neZwi likaNkulunkulu.” Wavuma ukuthi kwakuyiZwi likaNkulunkulu, kodwa wafaka ukuhumusha okungokwakhe kuLo. Okungokuthi, uNkulunkulu ngokucacile wabatshela ukuba bangakwenzi.

Kwenzani lokhu na? “Kwenza amandla okuduka, ukuba abantu bakholwe ngamanga, futhi balahlwe yiwo.” Manje uma nifuna ukukufunda lokho, kwabaseThesalonika besiBili 2:11

⁶⁰ Njengoba nginayo cishe, imiBhalo embadlwana lapha, futhi ngeke sikwazi ukuyifunda yonke. Owodwa ngasikhathi, ngizoninika yona. Njengoba kubonakala kuyisimanga, ukuthi niyawubuza noma okuthize, futhi singahle siwubhale phansi futhi siwufundele ukuni—nisiza.

⁶¹ “Enza amandla okuduka,” njengoba iBhayibheli lathi kuyoba yiwo, kwabaseThesalonika besiBili. “Manje, lomuntu wesono uyofika abe khona, bese ehlala ethempelini likaNkulunkulu, ezikhombisa ukuthi wayenguNkulunkulu, futhi abangele abantu ukuba bangene emandleni okuduka, ukuba bakholwe ngamanga; futhi, bawakholwe, bayolahlwa yiwo.”

Leyo yinto efanayo ayenza kuEva. Umnika... Akamtshelelanga neze—neze ukuthi iZwi lalingaqinisile, kodwa umnika amandla okuduka, ukuthi wakholwa ngamanga.

⁶² Umoya wokuduka ungokadeveli. “Odeveli manje besebenza kubantwana bokungalaleli.” Ukungalaleli kukuphi? Abalaleli kukuphi abantwana balolusuku na? Njengoba wayenjalo uEva, ekuqaleni, iZwi likaNkulunkulu leqiniso. Kunjalo. Manje uma beningafuna ukuthola lokho . . .

Asikuphenye, kwabase-Efesu 2, umzuzu nje, ngoba kubonakala kukuhle ukuthi si . . . Ngizoma umzuzu nje, uma ningekho ekujaheni okukhulu, futhi ngifunde okunye kwalokhu. Kwabase-Efesu 2:1 kuya kwele 2.

UAbrahama wazala uIsaka; uIsaka wazala uJakobe; uJakobe wazala okhokho, uLevi.

Manje, manje-ke, niyabo, nakhu kufika ekubonakaleni okupheleleyo, ukumiselwa ngaphambili.

⁶⁵ Manje, kulemiLayezo, ngifuna uku—uku—ukugcizelela izinto enginitshele zona eMlayezweni, walokhu ukuKhanya kwakusihlwa uNkulunkulu athi kwakuzofika phezu komhlaba.

⁶⁶ Futhi qaphelani, manje-ke. “Isilo esasizofika phezu komhlaba, siyodukisa bonke labo abamagama abo ayengalotshwanga eNcwadini yokuPhila yeWundlu, elihlatshweyo ngaphambi kokusekelwa kwezwe.”

⁶⁷ Ekucabangeni kwakhe uqobo uNkulunkulu; uNkulunkulu, uMoya omkhulu. Ekuqaleni, ngaphambi kokuba kubekhona ukuqala, WayenguNkulunkulu, futhi benazi yini ukuthi nanikuYe ngaleyonkathi na? Uma ungumKristu manje, wawukuYe ngaleyonkathi.

Futhi manje senyuke naYe, ngoMoya waKhe, saya esiHlalweni sobukhosi somusa, sihlezi ndawonye ezindaweni zaseZulwini kuKristu Jesu. Njalo!

⁶⁸ Ngokuba njengoba imbewana yokuphila kwemvelo yehliswa, ibumbeka isuka kubaba iya kubaba, iya kubaba, iya kubaba, kunjalo nokuPhila kukaKristu kuyabumbeka.

Yingalesosizathu uNkulunkulu esebenzisa uMoya kaElija izikhathi ezinhlanu ezehlukene. Kuyini na? Kungukumukezelana.

⁶⁹ Njengokuphila kwakho kwemvelo nje nokhondolo kumukezelwa kusuka ekuzalaneni kwemvelo kukayihlo, unjalo noMoya kaNkulunkulu, owamiselwa ngaphambili ngaphambi kokusekelwa kwezwe.

Futhi lapho lonke nya iZwi likaNkulunkulu, ekupheleleni, seliyophethela emzimbeni womuntu owawubizwa ngoJesu Kristu, phakathi lapho uNkulunkulu wangenza ukuba ngikhokhele izono zami, kuYe lapho. Kodwa uma nihlaliswe lapho, niyowasebenzisa, ngokuba nimiselwe ukwenza lokho enikwenzayo.

⁷⁰ “UFaro,” ngakweliny’icala, “wavuselwa leyonhloso,” iBhayibheli lasho, ukuba abe nguFaro. “UJuda Iskariyotho wavuselwa ukuba abe yindodana yokulahlwa.”

Manje qaphelani lamaQiniso amakhulu esisondela kuwo.

⁷¹ Manje siyabona ukuthi ibandla lenqaba ukwemukela iZwi likaNkulunkulu ukuba libuse phezu kwabo, futhi bemukela uBaraba esikhundleni. Manje, uma nifuna umBhalo kulokho, nguMathewu 27:15 kuya kwelama acabanga 23. Kwenzani lokhu na? Sikhundla sini lokhu okwasenzayo na? Manje ama acabanga. Lapho ibandla lezwe, empilweni yalo ehleliwe yolungile, umuntu ongcwele, njengoba babecabanga ukuthi babeyibo, futhi babeyibo emehlweni abantu, babethela uJesu, futhi bathi, “Ngeke sibe naloMuntu ukuba abuse phezu kwethu.” NoJesu wayengukugcwala kweZwi likaNkulunkulu. ⁷² Qaphelani lapho ibandla lezwe lingamemukeli uJesu, iZwi, libonakaliswa ngalolosuku, ngoba (ngani na?) babenaLo lihunyushwe ngenye indlela. Kodwa babefanele bazi ukuthi WayeyileloZwi, ngoba yonke into uNkulunkulu ayethe Wayezoyenza, Wayenza. Futhi Wathi kubo, “Hlolani imiBhalo yalelihora; futhi uma Ngingahlangabezani nesidingakalo esakhuluma ngaMi ukuthi ngiyosenza, khonake ningaNgikholwa.”

Bathi, “Sikholwa uMose.”

⁷³ Wathi, “Ukuba benikholwa wuMose, beniyokholwa yiMi, ngokuba uMose wakhuluma ngaMi.” Futhi noma kunjalo abakubonanga. Yena impela uNkulunkulu waseZulwini efa esiphambanweni, futhi esho amazwi afanayo umprofethi athi Wayezowasho, futhi noma kunjalo abakubonanga. Niyabo?

Babengesibo abohlobo lwaKhe. Babengesilo iZwi, bengesilo iZwi; futhi bona, nokho, babe—babekholwa impela. Kodwa babengesilo iZwi, ngokuba La—Lalizoyiqonda indawo yaLo lalelihora.

⁷⁴ Qaphelani ukuthi imiBhalo ibophelana kahle kanjani ndawonye kuyo yonke iminyaka. Qaphelani manje.

Futhi lapho ibandla lezwe lingenakuba neZwi likaNkulunkulu ukuba libuse phezu kwabo, bemukela umbulali, uBaraba. Kwenzani lokhu na? Kwaphakamisa uSathane,

unkulunkulu walonyaka omubi, waya endaweni ayelokhu eyifuna njalo.

Manje lalelani. Ngokuba, uSathane akukhulunywa ngaye engkulunkulu wanoma yimuphi omunye unyaka kodwa lonyaka. Akukhulunywanga ngaye engkulunkulu wonyaka kaNowa. Akukhulunywanga ngaye e—engkulunkulu wonyaka kaMose, unkulunkulu wonyaka kaElija. Kodwa, lonyaka omubi, uyi...O, ningakugeji! Ungukulunkulu walonyaka omubi, ukhonzwa yizigidi zezigidigidi zabantu, futhi abakwazi. Kodwa ake sitedele umBhalo umembule kulokhu ukusa, futhi ake sibone, khona-ke nizokwazi. Dedelani umBhalo...

⁷⁵ Njengasemihlanganweni yokwehlukana ngokubona okufihlakeleyo, lapho uMoya oNgcwele ungena phakathi kweZwi laKhe futhi ubiza lomuntu wase uthi, “Awuhlangene ngalutho nokuhlala nalona omunye wesifazane. Wakwenzelani lokho, eminyakeni eyishumi eyedlula, ngenkathi ubaleka nalowomfazi womuntu na?” Wenzani na? Uyamembula, udalula uSathane, obophe indoda, noma owesifazane ehlala nendoda yomunye’umfazi, noma izono abazenzile, izinto abazenzile. Kwenzani na? Kuyamdalula.

⁷⁶ Udokotela bathatha amathuluzi futhi bazame ukuthola ukuthi yini engalungile. Abakwazi ukukwenza. Ngeke sasho. Kodwa manje-ke uMoya oNgcwele uyaphuma bese uyembula ukuthi ungubani, bese uyamdalula.” Niyabo? Liyilokho-ke iZwi likaNkulunkulu. LingukuKhanya okukhanya ebumnyameni.

Futhi uma uthatha umsindo ekamelweni, uzwakala uyimfihlakalo; isigejana sento ethize sisebenza, futhi ungazi kuyini. Khanyisa, masinyane... Izinyekevu, amaphela, ba—bangabantwana bobumnyama. Futhi uma ukukhanya kubaneka, bayahlakazeka.

“Baphuma kithi ngoba babengesibo abakithi,” iBhayibheli lasho. Niyabo? Ngeke bakwazi ukuhlala ekuKhanyeni kwezwe...Ngokuba, uNkulunkulu waseZulwini uthumele ukuKhanya kwaKhe ngalezizinsuku zokugcina, ukuze Akhanyise indlela yabantwana baKhe, ukuze bangahambi ebumnyameni nasesikhubekisweni, kodwa ukuze bahambe ekuKhanyeni kokukhanya kukaJesu Kristu, onguye izolo, namuhla, naphakade. Amen!

⁷⁷ Qaphelani, uSathane akabizwa ngonkulunkulu wanoma yimuphi omunye unyaka kodwa lonyaka. Kwakuyimpokophelo yakhe ukuba abe njengoNkulunkulu, kusukela ekuqaleni impela.

Asikufunde lokho. Sizothatha isikhathi sethu nje. Asibuyele e...Niyabo, nginakho kubhalwe phansi, uIsaya 14. Asibuyele lapha kuIsaya 14, umzuzu nje, futhi sibone ukuthi uNkulunkulu wathini. “Unkulunkulu,” ukuthi uSathane wenzani. UIsaya 14:12 nele 14. Qaphelani.

Yeka ukuwa kwakho ezulwini, O Lusifa, ndodana yokusa! nokunqunyelwa kwakho phansi, wena owawuthobisa izizwe!

Ngokuba wena wathi enhliziyweni yakho, Ngiyakukhuphukela ezulwini, ngiphakamise isihlalo sami sobukhosi phezu kwezinkanyezi zikaNkulunkulu (amadodana kaNkulunkulu, manje,): ngiyakuhlala futi entabeni yomhlangano, ezinhlangothini zenyakato:

⁷⁸ Kwakuyimpokophelo kaSathane ukuba akhonzwe njengoNkulunkulu. Wathatha okubili kokuthathu, okubili kokuthathu, kwezinkanyezi zeZulu. Wazikhuphula yena uqobo waba ngaphezu kwalezo zinkanyezi, futhi washumayela kuzo, futhi wadukisa okubili kokuthathu kwazo. Niyakubona na? Kulungile. Qaphelani, leyo yimpokophelo yakhe.

Futhi manje uselungele, ngowakhe okhethwe ngokunakekela, umlobokazi ofundile ngolwazi lwakhe uqobo, niyabo, ependwe konke ekudukiseni kwakhe, kwezakhiwo ezinkulu namahlelo amakhulu, nopende bolwazi nesayense yezenkolo, nosmati nohlakaniphile, nofundile, ukudukisa umhlaba wonke, futhi uba ngu “nkulunkulu.” Yilokho akwenzile. Konke kuphethela kumuntu womphikukristu, osevele uthweswe umqhele “umbambeli kaNkulunkulu,” ngowakhe othanda ngokwezwe, umlobokazi wesayense, egqoke konke ngokuvunula kokuhlakanipha, imfundo yezenkolo. Wenziwe wakholwa njengaye, nangokuhumusha kwakhe uqobo kweZwi likaNkulunkulu njengoba enza uEva, nanjengoba indodana yakhe uKayini enza.

Manje wena uthe, “Indodana kaSathane na?”

⁷⁹ Ngikhombise indawo eyodwa eBhayibhelini lapho uKayini ake abizwa khona ngendodana ka-Adamu. IBhayibheli lathi wayeyi “ndodana yalowo omubi,” inzalo yenyoka. Qhabo, isembozo sesisusiwe manje, mfowethu. Isivivane sesivuliwe, njengoba isambulo sakhombisa.

⁸⁰ Qaphelani ukuthi uyokwenzani, imicabango yakhe. Wayecabanga ukuthi uNkulunkulu wayehlala ebuhleni bezwe. Wakwenza lokho eZulwini. Isono asiqalanga neze eNsimini yase-Edene; siqala eZulwini, lapho uLusifa, indodana yokusa, eziphakamisela ebuhleni, futhi efuna umbuso omuhle kakhulu ukwedlula lowo kaMikayeli. Futhi wayecabanga ukuthi uNkulunkulu wayehlala ebuhleni.

⁸¹ Futhi qaphelani uKayini. Wayengafuni-mhlatshelo wegazi. Uyeza ehla wase enikela ngesithelo, noma—noma amasimu obuhle phezu kwealtare lakhe. Ekholwa impela, wenza konke, lokho, impela nje njengoba kwenze uAbela; wanikela ngomhlatshelo, wawa phansi phambi kukaNkulunkulu ekukhonzeni, walalela ngayo yonke indlela, kodwa ngaphandle kwesambulo seZwi.

neZwi lalikhona, kusukela ekuqaleni, icebo likaNkulunkulu. Kodwa uNkulunkulu wembula, ngesambulo, yona impela into Ayiqinisekisa futhi wayigcizelela ukuthi yayiqinisile. Hhayi inkolo, hhayi ialtare, hhayi ukuba ngowesonto, hhayi ukwenza umhlatshele, hhayi ukuba qotho; kodwa ngesambulo seZwi likaNkulunkulu. UNkulunkulu embula kuye ukuthi kuyini ukuthi ku . . .

Unina akathathanga iapula alinikwa yinyoka, kodwa waba nokulalana nomuntu kaSathane, esesimweni sesilwane; hhayi isilwane esihluqezelayo, kodwa esisimati kunazo zonke, esinobuqili ukwedlula zonke ezasendle, umfanekiso womuntu, into kuphela imbewu eyayingaxubana phakathi. Manje isayense izama ukumthola. Futhi abasoze bamthola, ngoba onke amathambo emzimbeni wakhe aguquliwe. Kodwa iBhayibheli likumemezela ngokuthi kunjalo.

⁸² Qaphelani ukuthi lomfo uzokwenzani manje. Lomfo, “Uyohlala ethempelini likaNkulunkulu,” okungukuthi, ibandla, “ezembula ngokuthi unguNkulunkulu.” Manje uma nifuna ukukufunda lokho, lokho kukwabaseThesalonika besiBili 2:3 nele 4, neZambulo 13:4, 11 nele 12; lapho kwakhuluma khona, bobabili abaprofethi, bobabili uJohane noPawulu, ngalokho ayoba yikho ngezinsuku zokugcina. Manje kufundeni, ngoba nginakho kubhalwe phansi lapha. Kodwa ngi . . . ukonga isikhathi manje.

⁸³ Usuku esiphila kulo lubizwa ngokuthi, eBhayibhelini, “usuku lomuntu,” usuku lomuntu. Lolu akusilo usuku lukaNkulunkulu. UNkulunkulu akasuye unkulunkulu walomhlaba; iBhayibheli lithi Akasuye. UnguNkulunkulu waseZulwini. Kodwa lolu akusilo usuku lukaNkulunkulu.

Lolu wusuku lokuzikhethela. Kuphakathi kokuthi, uphilela inamuhla, futhi ufe; ukhetha uNkulunkulu, futhi uphile. NoNkulunkulu uyiZwi, neZwi liyiZwi elibonakalisiwe lehora nosuku.

⁸⁴ Qaphelani, “usuku lomuntu.” Uma nifuna ukukubhala phansi lokho, bengizokufunda. Kodwa kwabaseKorinte bokuQala 5:1-5 . . . KwabaseKorinte bokuQala 4:1-5, ngiyaxolisa, kwabaseKorinte 4:1 nele 5, kwakunguPawulu ekhuluma ngokwehlulelwa ngumuntu, ngosuku lomuntu.

⁸⁵ “Usuku, ulubizela ukuthini ngosuku lomuntu na?” ubungasho njalo. Kuwusuku lapho imisebenzi ngolwazi lomuntu kudunyiswa lona.

Bukani ukuthini, konke ukukhuluma iwawa kwamakhomanisi, omunye ezama ukusa omunye enyangeni. UNkulunkulu uzama ukusa umuntu eZulwini. Niyabo? Kodwa bukani ukuthi bazichitha kanjani izigidi nezigidigidi nezigidigidikazi zamadola, emzamweni oyize. Uma befika lapho, abazukuthola lutho. Yin’indaba ngabo na?

Anginandaba nenyanga. Ngifuna ukwedlula inyanga ngejubane elikhulu ngangokuthi ngeke ngiyibone ngisho; ngibe ngilokhu ngiya phezulu. Ngifuna ukwedlula uMthala oMhlophe, ngiqhubeke, ngilokhu ngihamba nje. Yebo!

⁸⁶ Nezwe namhlanje lizinikela bona ekwazini okuvela ngoSathane. Nosuku lomuntu luyadunyiswa, hhayi ngeZwi likaNkulunkulu, kodwa ngolwazi analo.

Manje cabangani. Lokho makucwile kungene. Futhi uma usuphinda udlala leteyipu, kuleliphuzu lapha, ume isikhashana bese ucabanga.

Imisebenzi yakhe iphakeme ngaphezu kweZwi likaNkulunkulu nemisebenzi ebonakalisiwe; ukuhlakanipha kukaSathane, akupha uEva ekuqaleni. Manje lalelani; ningakugeji lokhu. Ukuhlakanipha kukaSathane kuphakanyiselwe esihlalweni sobukhosi sokukhonza, kumuntu, ngaphezu kweZwi likaNkulunkulu eliqinisekisiweyo lehora. Amabandla ethu liyakufakazisa lokho ngamakholiji abo—abo, izikole zokufunda, esifundisa ukwedlula iZwi likaNkulunkulu elaziyo ngaLo, bacabanga kanjalo. Futhi lapho, uDokotela uS'bani-bani, noThisha uS'bani-bani, noProfesa uS'bani-bani uphakamise ulwazi olungolwabo, olubizwa kanjalo nge (olubela kuSathane) qiniso, ngaphezu kwesithembiso esiqinisekisiwe sikaNkulunkulu, senziwe sacaca phambi kwabo ngqo. Nomuntu uthathwa yikho. Niyabo?

⁸⁷ Izimpumelelo zakhe zesayense, ezama ukufakazisa ukuthi iZwi likaNkulunkulu linephutha. Ake nicabange ngalokho nje. Yena, eyakhe, okungukuthi, isayense yezenkolo yomuntu, ichaza iZwi likaNkulunkulu kubantu, futhi iLenze libe-yize futhi, njengoba ayenalo ngonyaka wamahlelo ngenkathi uJesu ebonakala emhlabeni. UJesu wathi, “Nina bazenzisi! Nina, ngesiko lenu,” lokho ngukuhumusha kwabo, “uthathe iZwi likaNkulunkulu futhi waLenza laba-yize kubantu.” Futhi leyo yinto efanayo nabayenze namhlanje. Liba-yize.

⁸⁸ Qaphelani, “Bona,” abantu, “bamkhukhumeza abe ngaphezu kwakho konke okuthiwa nguNkulunkulu.” Abasho yini abaseThesalonika besiBili ukuthi bayokwenza na? Negunya lebandla lehlelo, abantu bekholwa yilelohlelo ukwedlula ukuba bekholwa nguNkulunkulu. NoNkulunkulu uyiZwi. Bayokholwa yisivumokholo sabo sehlelo ngaphezu kweZwi, o “zikhukhumeza phezu kwakho konke okuthiwa uNkulunkulu.” Futhi munye kuphela uNkulunkulu, futhi lelo yiZwi.

“Konke okuthiwa uNkulunkulu; aze athi yena njengoNkulunkulu ahlale ebandleni likaNkulunkulu, efakazisa ukuthi unguNkulunkulu,” ngoba usenabantu abamkhonzayo. UNkulunkulu uyiZwi. Futhi uzikhukhumeza phezu kwakho konke okuthiwa uNkulunkulu. Futhi munye kuphela uNkulunkulu, nalowoNkulunkulu yiZwi. Niyabo? “Nakho

konke okuthiwa uNkulunkulu,” ngu, unkulunkulu walonyaka uzikhukhumeze phezu kweleqiniso, iZwi likaNkulunkulu eliqinisekisiweyo. Lowo nguJohane oNgewele 1. Niyabo? “Phezu kwakho konke okuthiwa uNkulunkulu, aze athi yena njengoNkulunkulu ahlale ethempelini likaNkulunkulu,” ngegunya.

Bukani, futhi uyadunyiswa ngakho! O, makuthi abantu, Nkulunkulu, bakubone lokho kuduka! Uyadunyiswa ngakho, futhi ngesizotha ukholwa ngabantu balonyaka omubi. Manje niyambona unkulunkulu nezinceku zakhe zalonyaka omubi na?

⁸⁹ Manje ake sikubhekisise kubonakaliswa. Uthi ubenzela izwe elingcono ukuba bahlale kulo, ngolwazi lwakhe olwehlukene neZwi likaNkulunkulu elingehluleki neze. Kodwa ngokuhlangana kwakhe ndawonye, emahlelweni, nezivumokholo, nokuhlakanipha, nokwesayense, kanjalonjalo, wenzela umuntu izwe elingcono ukuba ahlale kulo, futhi enganaki isithembiso sikaNkulunkulu, ukuthi isikhathi kuphela izwe eliyolungela ukuthi kuhlalwe kulo kusesikhathini seminyaka eyiNkulungwane. Niyazi, umbono wami, wenze izwe elingcono ukuba koniwe kulo esikhundleni sokuhlala kulo.

⁹⁰ Qaphelani. Ngabe wakwenza na? Wavumela isono sibe semthethweni. Wavumela ukuba kube semthethweni ukuphuza uwiski, ukubhema usikilidi. Nasemabandleni, wavumela ukuba kube semthethweni ukuba abesifazane bangaba yilunga lebandla, nezinwele ezimfishane. Manje ungake ume umzuzu nje.

⁹¹ Angazigqoka izikhindi, afake opende, futhi abe esalokhu engoweqembu lakhe lezenkolo, okuphambene ngokoqobo neZwi likaNkulunkulu. Uthi kulungile. Niyalubona ulwazi lwakhe na? “Kuhlangene ngani lokho nowesifazane na?” Kuyafana nje nokuthatha isithelo esinqatshelwe, kumbe hhayi isithelo esinqatshelwe, kuyilokho nje. UNkulunkulu wathi akungenziwa, kodwa uyakwenza.

⁹² Futhi uyamkholwa, futhi uyamthanda ngakho. Uzonda uNkulunkulu. Izenzo zakhe ziyafakazisa ukuthi uyamzonda. Uthi uyaMthanda, kodwa uthanda uSathane. Ukhonza unkulunkulu wefeshini, unkulunkulu wezwe, onkulunkulukazi baseHollywood. Uyamthanda, kodwa uzonda iZwi likaNkulunkulu leqiniso, elinguyena kuphela uNkulunkulu weqiniso okhona.

Ukuvumela kube semthethweni emabandleni. “Akukho’kulimaza. Abesifazane bakithi bangakwenza *lokhu*, *lokho*, noma *okunye*.” Kodwa eBukhoni bukaNkulunkulu ophilayo, akavunyelwe ngisho ukuza, ngaphandle uma ephenduka.

⁹³ Ubona, ungunkulunkulu wobuhle bezwe, unguye. Ufuna ukubukeka emuhle. Futhi ungunkulunkulu wobuhle, kusukela

ekuqaleni. Angakwenza, futhi uphumelele ngolwazi lwakhe kwisayense nezimpahla, ukwenzela ubuhle abakhe, lonyaka oyisibonelo...lonyaka wesimodeni, njalo, wobubi. Wenziwe wamuhle.

⁹⁴ Qaphelani. Kufanele ukukhunjulwa ukuqaphela. Ekuqaleni, uSeti nabantwana bakhe abazange bahambe ngendlela yesayense.

Manje sizokhuluma ngesayense imizuzu embalwa. Uma ngisho lokhu, ngingakuxoleli ukungazi kwami; kodwa, isigejane sezidomu, noma yini eyophika iZwi likaNkulunkulu. Niyabo? Impela.

Kufanele ukukhunjulwa. Kubhekisiseni. Abantwana bakaSeti abazange bahambe ngomgwaqo wesayense. Babengabelusi abathobile, abalimi, kanjalonjalo.

Kodwa abantwana bakaKayini bahamba. Ngani na? Befakwe ugqozi nguyise, udeveli. UKayini, efakwe ugqozi nguyise, udeveli, nalaba bafakwe ugqozi yileyombewu iza yehla.

⁹⁵ Bhekisisani inzalo kaNkulunkulu iza yehla ngayo yonke iminyaka, futhi bhekisisani ukuthi iphethelaphi namhlanje. AmaKristu, amaKristu oqobo, awekho onke mayelana nocwaningo lwezesayense nezinto. Qhabo. Umzuzu nje, sizongena kulokho.

Kodwa EkaKayini yakwenza, emva kwemvelo kababa wabo, udeveli, egcwele ulwazi lwezwe, ubuhle, nesayense, kanjalonjalo. Abantwana bakaKayini babengabesayense. Babefundisiwe. Babengabadlali bezinsimbi zomnyuziki—mnyuziki; uElvis Presley wesimodeni, ezinye zalezizinto njengalokho ibhodi lesikole likuvumela kwenzeke enhla lapha emgwaqaneni ongumhubhe ophahlwe yizindlu njalo ngoMgqibelo ebusuku. Abakhi bedolobha, abesifazane abazakhela ubuhle bezinkanuko zabo uqobo, njengoba udeveli enikeza abesifazane upende, futhi bephungula izinwele zabo, futhi bebafaka ezikhindini, nezinto ezinjengalokho. Bona, kungokwezinkanuko zakhe ezingcolileyo. Lokho kubekwe ngokusobala, kodwa angiyazi enye indlela yokukusho.

⁹⁶ Manje, siyazi ukuthi ivangeli likaSathane liyivangeli lesayense nenqubekela phambili. Walishumayela e-Edene; hhayi uNkulunkulu; lashunyayelwa nguSathane, isayense yenqubekela phambili. Isayense nenqubekela phambili iyivangeli likaSathane. Bukani ukuthi usiholelephi namhlanje, ngalo. Niyabo?

⁹⁷ Qaphelani, walishumayela e-Edene, kubani na? Kumlobokazi ka-Adamu. Futhi wathatheka yilo. Wamdukisa ekubuzeni elilodwa lamaZwi kaNkulunkulu. Ake sibone ukuthi kufanele ukuthi wathini. Kufanele ukuthi wathi, “Akusikho okwesayense ukuba ufe, kulelibandla elingcwele.” Noma, “Uzofundiswa esikoleni futhi ufundiswe, ukuba ungakholelwa

ezintweni ezingenangqondo njengokufa. Angikhathali noma iZwi likaNkulunkulu lakusho; akunangqondo.”

98 O, mbheke namhlanje. “UNKulunkulu unguNkulunkulu olungileyo. Wena usebandleni laKhe elingcwele; ngani, ungeke wafa.” Kodwa uNkulunkulu wathi uyofa, futhi lokho kuqeda konke. Niyambona namhlanje na? “O, yiba ngowesonto nje. Akusikho lokho okwenzayo, noma *lokhu, lokho*, noma *okunye*. Woza ebandleni nje futhi ube yilunga elihle. Ugunda izinwele zakho, umbhedo lowo. Futhi uphungula izinwele, futhi ufaka upende, futhi uya emidansweni, nobhiyana omncane kanye ngesikhashana, ngeke kukulimaze, inqobo nje uma ungazitiki ngakho. Ngokusobala, ngifisa sengathi nina bantwana beningakuthatha, ukuze bafunde ukuthi ngabe bayakuthanda noma qha.” Nango, unkulunkulu walonyaka, lonyaka omubi.

99 “UNKulunkulu unguNkulunkulu olungileyo.” Ngikuzwile lokho kakhulu impela ngize ngigule. UNkulunkulu futhi unguNkulunkulu wobulungiswa. Akasuye umkhulu omdala osangene ongfufuwa asiwe ngapha nangapha, nabantwanyana baKhe abangabazukulu abanasono. UnguNkulunkulu wobulungiswa nobungcwele. Wakufakazisa ensimini yase-Edene, ngabantwana baKhe bokuqala. Wena weqa lowomugqa, welinye lamaZwi aKhe, usufile. Into efanayo iyenzeka namhlanje.

100 Futhi qaphelani, washumayela lolohlobo lwelesayense, elenhlaliswano, elifundisiwe, ivangeli lokuqhubekela phambili kuEva, nomlobokazi ka-Adamu walikholwa. Futhi uphumelele ekugcwaliseni lokho okubizwa ngomlobokazi kaKristu, ibandla lika-Adamu wesiBili, nezimpikiswano ezifanayo. Kunjalo.

101 “O, akusikho akusikho okukaNkulunkulu; uNkulunkulu ulunge kabi ukuthi angake akwenze. Ngani, inqobo nje uma uya esontweni. ‘Uma ukholwa.’” Udeveli uyakholwa; akazenzisi, kodwa ukholwa ngempela. Akasindisiwe. “‘Uma ukholwa.’” He!

102 Utshela umlobokazi wesibili, noma uMlobokazi ka-Adamu weSibili, ngokufanayo njengoba atshela owokuqala. Njengokuthi nje, “Manje, ukuphilisa kukaNkulunkulu, ayikho into enjalo. Singakufakazisa lokho. Akaze lubekhona udaba oseluke lafakaziswa.” “Nalombhaphathizo eGameni likaJesu, manje aniqondi ukuthi yimi engiyigunya lebandla na?” usho njalo. “Sakuxazulula lokho eNayisiya, eRoma,” lapho leyomimoya engcolile yaphuma kudrago, abaprofethi bamanga, kanjalonjalo. “Sikholwa ukuthi kukhona ubuthathu boNkulunkulu.” O bakithi! Lokho kufana nomhedeni uqobo lwakhe. Ungezi neze phambi kukaNkulunkulu nento enjengaleyo, zama ukuma eBukhoneni baKhe. “O, akwenzi-mehluko uma ubhaphathizwe eziqwini zika ‘Yise, iNdodana, uMoya oNgcwele.’ Kwenza mehluko muni na?”

103 Kwenza omkhulu umehluko, uPawulu waze wayala isigejane samaBaptisti ukuthi ayedingeka ukuba aphinde abhaphathizwe eGameni likaJesu Kristu ngaphambi kokuba uMoya oNgcwele uze ufike ube phezu kwabo. Kanti futhi kwabangela lowomphostli wamemeza kakhulu, futhi wathi, “Uma ingelosi ifika ivela eZulwini futhi ishumayele noma yini enye, ayibe ngeqalekisiweyo.” Impela, kwenza umehluko. O, he!

104 “Ayikho into okuthiwa ngumbhaphathizo kaMoya oNgcwele ngalezizinsuku. Lokho kwakungokwabaphostoli kuphela. Sekwedlule. Nento okuthiwa ngabaprofethi? Akwaziwa ngisho. Izimangaliso? Azisizo ezesayense. UMalaki 4? Lokho kwakungokomunye unyaka. UJohane 14:12? O, uJesu ngempela wayengaqondile lokho. ULuka 17:30? O, leyo kwakuyinsumansumane nje. Niyabo, ku—kuhunyushwa ngokungesikho; kwakungekho kokwasekuqaleni.” Ubuphukuphuku obunje pho!

Lapho uNkulunkulu uSomandla ehla phakathi kwethu futhi ekufakazisa. Lapho Esho, ukuthi, “UJesu Kristu unguye izolo, namuhla, naphakade,” Ukufakazisa ukuthi kunjalo. Angikhathali ukuthi ubani othi akunjalo ngakho; uNkulunkulu uhumusha iZwi laKhe uQobo. Wathi Uyoyenza lento ngezinsuku zokugcina. “Kuyoba khona ukuKhanya ngesikhathi sokuhlwa.” Futhi kukhona ukuKhanya, ngokubonakaliswa kweNdodana kaNkulunkulu.

105 Ilanga elifanayo eliphuma empumalanga liyilanga elifanayo elishona entshonalanga. Umprofethi wathi, “Kuyoba khona usuku olungeke lwabizwa ngemini noma ubusuku.” Lungoluhwaqabele, amafu, njengaphezu kobuso belanga. Kodwa wathi, “Cishe ngesikhathi sokuhlwa kuyoba khona ukuKhanya futhi.” INdodana efanayo! InguAlfa no-Omega. INdodana efanayo eyavuka empumalanga kwabikezelwa ukuthi iyophumela entshonalanga futhi, ngezinsuku zokugcina ngaphambi nje kokuba usuku luphele. Angazi ukuthi baLihumusha kanjani; uNkulunkulu uhumusha iZwi laKhe uQobo. UyaLifakazela. Lesi yisikhathi sokuhlwa.

106 Kuyadabukisa, kodwa impela waphinde wathatheka kukho. Umlobokazi kaKristu wathatheka kukho, wasethatha ulwazi lokuhlakanipha lomunye umshumayeli esikhundleni sokukholwa ngelimsulwa, iZwi likaNkulunkulu eliqinisekisiweyo.

107 Manje abefundisi phandle ngaleya ezweni lapho enikhona, ningahle niphikisane naLokhu. Anginilimazi. Nje ngi zama- . . . Ngikhuluma neqembu lami uqobo. Ngizama nje. . . Uma nifuna, ukuhlala phakathi, ngizojabula kakhulu impela ukuba niLizwe. Bese-ke niLilalela. Niyabo? Kodwa nje ngibatshela nje lokho aba—abakubonile, futhi ngibakhombisa khona; uNkulunkulu ekufakazisa, kunjalo. Niyabo?

Yileli ihora. Alidingi-muntu ukuba aLihumushe. Ulwazi lwakho lwezwe aluhlangene. . . Ungahle ube no B.A., D.D., A.D., kumbe noma kungaba yini; akusho nento eyodwa. UNkulunkulu uyalihumusha iZwi laKhe, qobo lwaKhe. Wakwethembisa, futhi nakhu.

¹⁰⁸ Kodwa ngolwazi lwekholiji, ukushumayela kwehlelo, “kubangele umhlaba wonke ukuba umangale emva kwesilo esingozi yaso yokufa yelashwa,” kusuka ebuhedenini kuya ebuphapheni. Niyabona ukuthi uphethelaphi na? Uyakukholwa. Ukholwa wulwazi alutshela yena.

¹⁰⁹ Kuyikho, manje bhekisiani, kuyilabo omlobokazi bobabili abathembisile abakholwa ngulwazi lukaSathane olumelene neZwi likaNkulunkulu. Umlobokazi ka-Adamu wakholwa wulwazi lukaSathane olwalumelene neZwi likaNkulunkulu, nomlobokazi kaKristu ukholwe wulwazi lukaSathane, kulonyaka omubi wokuhlakanipha, omelene neZwi likaNkulunkulu.

Futhi qaphelani. UEva, kokwemvelo, owakukholwayo, futhi wasihloma sonke isintu ekufeni. Umlobokazi wemvelo! UAdamu, umuntu wemvelo wasemhlabeni; umlobokazi wakhe, ngaphambi kokuba afinyelele kuye, ukuba abe ngumfazi wasihloma sonke isintu ekufeni. Noma ngabe ngokwesayense noma qha, sifa ngokufanayo nje, ngoba uNkulunkulunkulu wathi sasizokufa.

Noma ngabe use-Edeni elingcwele, noma ibandla elingcwele, noma ihlelo elingcwele, kumbe noma ngabe kungaba yini, uyofa ngosuku ongakhohwa ngalo iZwi elilodwa leZwe lika Nkulunkulu ukuthi liyiQiniso, Uma Liqinisekiswa futhi lifakaziswa kuwe. Yingalolosuku ozehlukanisa ngalo noNkulunkulu. Hhayi nje umusho wonke; iZwi elilodwa. “Oyonezela izwi elilodwa, noma asuse eliLodwa,” yingalolosuku ofa ngalo.

¹¹⁰ Qaphelani, umlobokazi ka-Adamu wabangela ukufa kwemvelo esizweni sakhe, isintu.

Nomlobokazi ka-Adamu wesiBili, umlobokazi othembisile kuKristu, uhlome lonke ibandla ekufeni kwehlelo, ukuthatha uphawu lwesilo, ngawesayense, ahlakaniphile, amahlelo amakhulu. “SingamaBaptisti. SiyiPresbyterian. SingamaPentecostal,” kanjalonjalo. “Sina *lokhu*, futhi sinempahla eningi. Thina, saziswa nanguhulumeni. Sisemhlabeni wonke jikelele,” nazo zonke izinto ezinjalo. “Nokuhle kunakho konke, nemeya yedolobha, kanjalonjalo, iza kithi. Ngisho noMengameli uyeza abe nemisa elishiwoyu kanye nathi, bese siza *kulokhu, lokho*, noma *okunye*.” Umhlaba wonke uhlonywe kokomoya, nokokokufa; ibandla lonke. Lifile!

Wena uthi, “Umboza inqwaba yezwe.”

¹¹¹ UJesu wathi, “Njengoba kwenzeka emihleni kaNowa, lapho okwasindiswa khona imiphefumulo eyisishiyagalombili, kuyakuba njalo ekufikeni kweNdodana yomuntu.” “Emihleni kaLoti, lapho okwakhishwa khona abathathu eSodoma, ngalolosuku...” Manje sekuvele kukhona iqembu eselivele lingaphandle, khumbulani. “Kodwa njengoba kwakunjalo ngaleyonkathi, lapho iNdodana yomuntu iyobonakaliswa.” Bukani ukuthi suku luni, bukani ukuthi siphila kuphi!

¹¹² Manje ubangele ukuba lonke izwe lemukele ubuholi besayense yohlelo lwezemfundo uSathane amnike lona phansi kwegama lebandla, ubuholi bolwezemfundo, uhlelo lwesayense. Nginidwebela isithombe sikankulunkulu walelizwe.

Lapho yena, njengoEva, wayenakho impela ukugwaliswa kweZwi likaNkulunkulu esandleni sakhe, wayengathatha iZwi likaNkulunkulu. Kodwa wenzani kuLokho na? Esikhundleni sokulindela umbhaphathizo kaMoya oNgcwele, wavumela isayense ifakazise kuye ukuthi uMoya oNgcwele wawungowabafundi kuphela.

Esikhundleni sokugcina ukuphilisa kukaNkulunkulu kuqhubeka, kanti bekufanele manje engabe uvusa abafileyo futhi enza izimangaliso; uvumele uSathane, phansi kobuholi bakhe bendoda yenkolo, uthatha iZwi likaNkulunkulu futhi uzama ukusho ukuthi Lalingolomunye unyaka. Futhi ulikholiwe.

¹¹³ Kanti, iBhayibheli lathi, “Izinto engizenzayo Mina nani niyakuzenza.” UJesu washo lokho. “Hambani niye ezweni lonke nishumayele iVangeli kukho konke okudaliweyo.” Siseyizo izidalwa. “Lezizibonakaliso ziyakubalandela bonke labo abakhulwayo.” Uphika konke nokuncu kwaLo.

¹¹⁴ Uphika konke okungaphezu kwemvelo, futhi uKushintshanisa ngomqondo wokuhlakanipha kwakhe ngeBhayibheli; lapho abapristi, nobaba ongcwele, ababizwa kanjalo, lapho ababhishobhi, ababhishobhi abakhulu, lapho amagosa esigodi, ababonisi abakhulu, kanjalonjalo, ufake ukuhumusha okungokwakhe kuLo. NoNkulunkulu ubashiyile, behlezi lapho, bafe njengeleshumi nambili nqo.

Nento kuphela esele ngezinsuku zokugcina yisigejane samaPentecostal nenqwaba yomnyuziki beshaya indingilizi ngamakhulu amandla, begijima behla benyuka phansi endlini, bekhuluma ngezilimi futhi bememeza, “futhi benesimo sokumesaba uNkulunkulu, kepha bephika iZwi.” Batshele ukuba babhaphathizwe eGameni likaJesu Kristu; bakuhleka insini. Kodwa, ukuthi, uNkulunkulu uqhubeka ngqo ekwenza kanjalo ngokufanayo nje, efakazisa iZwi laKhe ukuthi linjalo.

¹¹⁵ Qaphelani, umuthi uSathane owabangela ukuthi uEva ukuba ahlanganye kuwo wawungu “muthi wokuhle nokubi.” Kwakungumuthi oxubile.

Manje bukani osukwini esiphila kulo, uma Ebizela ngaphandle uMlobokazi. Unebandla elizisho ukuthi lenza kahle, kanti libi, ngokuphika iZwi. Umuthi oxubile. O, uthi, “Ba—banemiphakathi emikhulu. Ba—ba—ba—basiza *lokhu*. NesiPhambano esiBomvu siyakuvumela. Nazo zonke izikole, ba . . . Bukani lapha!”

O, kodwa nje phika iZwi elilodwa, yilokho kuphela okwenzayo ukuba ufe; akunandaba ukuthi kuhlakaniphe kanjani, ukuthi kuhle kanjani. UJesu wathi, “Imvubelo encane ibilisa inhlama yonke.” Indawana eyodwa yemvubelo yonakalisa inhlama. IZwi elilodwa likaNkulunkulu, elibekwe endaweni engesiyo, lona sonke isithombe. Kuthiwani ngengalo yami ilapho kufanele kubekhona unyawo lwami na? Niyabo? Uma—ke indlebe yami yayiphansi lapha lapho kufanele kubekhona isandla sami na? “Imvubelo encane ibilisa inhlama yonke.”

Uthi, “Wazi kanjani ukuthi Kuqinisile na?” UNkulunkulu ufakazisa ukuthi Kuqinisile. UyaKufakazisa. WaKusho lapha eZwini, manje-ke UyaKufakazisa. Sazi kanjalo-ke ukuthi Kuqinisile noma qha.

Ukuphika iZwi elilodwa nje kuthatha lokho kuphela ukufa. Kwaletsa imiphumela efanayo kulonyaka omubi, ukufa komoya, njengoba kwenza ekufeni kokwenyama kusosonke isintu.

¹¹⁶ Qaphelani ukuthi uSathane wawuthola kanjani lowonyaka wesayense emuva lapho, kaNowa, ukuba bencike phezu kokwabo ukuqonda. He! IBhayibheli liyasitshela, kwiZaga, “Ungenciki kokwakho ukuqonda.” Futhi, “Onke amazwi omuntu awabe amanga, nakaNkulunkulu abe yiqiniso.” Kodwa uSathane, ngolwazi lwakhe, kusukela ekuqaleni ensimini yase-Edene, wathola abantu ukuba bencike phezu kokwabo ukuqonda. Futhi, niyazi, ngemisebenzi yakhe emikhulu kaMax Factor ayenayo emuva lapho, wathola abesifazane ukuba babebahle kakhulu ngangokuthi kwabangela indodana yokomuntu . . . amadodana kaNkulunkulu, njalo, ukuba awele esonweni futhi abagane. U . . . Abesifazane babebahle kakhulu, babukeke kahle kakhulu.

Niyazi ukuthi iningi echithwa ezimonyweni zabesifazane, kunekhona, eUnited States, ngokuningi ngokuphindwe kabili noma kathathu, kunechithwa ekudleni kokuba kuphilwe ngakho na? Kufakazise lokho, kunjalo, ezimonyweni.

¹¹⁸ Qaphelani, “Amadodana kaNkulunkulu abona amadodakazi abantu,” hhayi amadodakazi kaNkulunkulu, “amadodakazi abantu, ukuthi ayemahle,” futhi kwabangela ukuba amadodana kaNkulunkulu awele kulokhu ukuduka. “Futhi bathatha labo uhlobo labesifazane baganwa yibo,” futhi kwaletsha unyaka wobufebe, njengoba kunjalo nje namhlanje; njengoba kwakunjalo eSodoma, njengoba kubikezelwe ukuthi kube njalo namhlanje.

Ukuthi, lapho owesilisa nabesifazane balolusuku beshintshanisana ngabafazi. Uma bengamthandi lomfazi, ba—bawelela kwaReno, eNevada, bafike baganwe; futhi nomo uthola isehlukawiso, kuloyo, futhi emizuzwini eyishumi nanhlanu. “O, s’thandwa, wena u, ufanele wenze *lokhu*. O, s’thandwa, ngicabanga umshumayeli wakho oyisidala ezansi lapho, uma nje u...O, ubungabukeka umuhle kwi ‘kini,” kumbe noma niyibiza ngokuthini into. “Wena, uma ubungenza konke *lokhu*, *lokho*, no *kunye*. Ngani, usikilidi omncane ngeke ulimaze muntu. Ngiyasonta, futhi uyazi ihlelo lakithi lihlonishwa njengelikanoma ubani.” Ningawakholwa lawomanga apendiwe. Liqamba amanga kuwe. Kunjalo. Yebo, mnumzane.

¹³⁹ Kulungile kunkulunkulu wabo. O, ucabanga ukuthi lokho kuyisimangaliso, futhi bayamthanda nje ngakho.

He, bayophikisana nawe. Bayoma mpo bese beqophisana nawe ngakho. Ngani, impela, uSathane wama wabhekana noJesu Kristu ngqo, iZwi, futhi wazama ukuba athi, “Kulotshiwe.”

Futhi Wayelapho, iZwi likaNkulunkulu eliqinisekisiwe. Wathi, “Suka emva kwaMi, Sathane!” Uyahamba nje futhi enze into efanayo.

Njengomfo wake wathi kimi, wathi, “Manje, uma ukholwa ukuthi umbhaphathizo kaMoya oNgcwele uqinisile, futhi ukholwa ukuthi unaWo,” wathi, “manje ngishaye ngobumpumputhe.” Lowo kwakungumshumayeli. Wathi, “Ngishaye ngobumpumputhe!” Wathi, “UPawulu washaya i—indoda yaba yimpumputhe ngoluny’usuku.”

140 Ngathi, “Mnumzane, ngingakushaya kanjani ngobumpumputhe ube uvele uyimpumputhe na? Ngingakubulala kanjani ube uvele ufile na?”

Wathi, “Mina, amehlo ami aphila saka!”

Ngathi, “Ingxenye yakho yokwenyama; kodwa usalokhu uyimpumputhe.”

“Akunakwenzeka! IBhayibheli alizihumushi izinto. Sikhuluma lapho iBhayibheli likhuluma khona, futhi sithule lapho Lithule khona.”

141 Ngathi, “Kulungile, ngenkathi uEliza esezansi e—eDothani, niyabo, nakho kwenyuka yonke impi yamaSiriya macala onke. Nenceku yagijima yenyuka, yathi, ‘O, baba wami!’ Yathi, ‘Baba wami,’ yathi, ‘amaSiriya lisikakile.’

“UEliza wacikica amehlo akhe, wavuka wayesethi, ‘Baningi abanathi kunoma bekhona abanabo.’

“Yathi, ‘Angiboni-muntu.’

“Wathi, ‘Nkulunkulu, vula amehlo ayo.’ Manje, yayiyimpumputhe. Futhi yaqalaza lowomprofethi omdala, naphezu kwezintaba; kwakugcwele iziNgelosi, nezinqola zoMlilo, namahashi oMlilo.

“Wayesehamba ephumela lapho, neBhayibheli lathi, ‘Wabashaya ngobumpumputhe.’ Baphuphutheka kukuphi na? Kuye. Wahamba waphumela lapho, wathi, ‘Nifuna uEliza na?’

“‘Yebo, sifuna yena.’

“Wathi, ‘Wozani, ngizonikhombisa lapho ekhona.’ UEliza ebaholela kuEliza. Ukuphuphutheka!”

Ngathi, “Uyazi ukuthi ngizothini kuwe na? Khona impela nje iNkosi yami eyakusho kuyihlo, ‘buyela emva kwami.’” Ehhe. Ehhe.

142 Qaphelani, abantwana bokulalela, nabokungalaleli, akunalutho abajwayelene ngakho. Abangalaleli bakhonza unkulunkulu wabo. “O,” bathi, “sikholwa yiBhayibheli.” Yebo, ngumuthi oxubile. Niyabo, banezela izwe nolwazi kuLo. Umuthi kaSathane, oxubile; niyabo, wathatha emthini kaSathane, okuhle nokubi. “O, sikholwa yiZwi.” Impela, kodwa hhayi konke okwaLo. UEva walikholwa iZwi, naye, kodwa wavumela—wavumela uSathane ukuba athathe umuthi wakhe bese ethi ukuLiphendukezela kancanyana. Kuyilokho-ke.

Oyonezela izwi elilodwa noma asuse iZwi elilodwa kuLo.” Usenguye izolo, namuhla, naphakade! Qaphelani. Kulungile.

143 Lonyaka wobumnyama, nokho ungowebandla. Unkulunkulu wabo, bayamthanda ngakho, indlela abavumela benze ngayo. Abanakho ukulahlwa. Ayikho into ebakhathazayo inqobo nje uma besonta.

UBalami wafundisa ibandla into efanayo. “Masibumbane; sonke siyafana.” Kwakuyicebo lokugcina lokuphamba. UNkulunkulu akabathethelelanga neze ngokukholwa ngamanga anjalo.

¹⁴⁴ Khumbulani, kwakuyisono esingenakuthethelelwa, izikhathi ezintathu eBhayibhelini, kunoma yibaphi abantu ukwenezela izwi elilodwa lokuhumusha okungokwabo eZwini likaNkulunkulu emva kokuba Lase liqinisekiswe ngokuthi liyiQiniso.

Ensimini yase-Edene, impela, ensimini yase-Edene, izwi elilodwa elenezelwa labangela ukufa.

Lapho uBalami enezela izwi, ukuthi, “Sonke siyafana,” bona, uNkulunkulu akazange neze amthethelele uSrayeli ngalokho. Bonke babhubha ehlane, ngaphandle kwabathathu uNkulunkulu abakhiphayo.

UJesu wathi, “Bona, bonke, bafile,” lokho kwehlukene ingunaPhakade. Bahambe bonke; akuzange neze kuthethelelwe. Kuyisono esingenakuthethelelwa; abasithethelelwa neze. O, he!

Sibalekeleni, bantwana beziNkanyiso zakusihlwa!

¹⁴⁵ Niyabona manje ukuthi ubani umholi walona wesimodeni, wenkolo, unyaka omubi na? Ngudeveli, ethatha lowomuthi wokuhle nokubi, futhi ewubeka ngaphandle lapho qaphelani, eletha umlobokazi wakhe oyibandla elihle emkhandlwini wenkolo yobukristu ukuba kushadwe. Lelongelihle. Ibandla lakhe elihle lesayense, nazozonke i—i—iziqu ezingatholwa; oPh.D abavela kwi church of Christ, oPh.D. abavela kwi Baptisti, iPresbyterian, kumaPentecostal, nabo bonke. Bebaletsha bonke, nobukhazikhazi obuhlotshisiwe namasonto amakhulu, konke kuya emkhandlwini wenkolo yobukristu, “Simunye.” Abasoze basithethelelwa. Ihlelo, ukufaka uphawu lobunikazi lwehlelo, wuphawu lwesilo. Sesiqedile ngakho lapha; ukukwenza. Lubalekeleni, bantwana, lubalekeleni! Niyabo? Elikhulu, ibandla elihle kuwo umshado womkhandlu wenkolo yobukristu, elifake uphawu lwakhe!

Izikhindi, impela, ingubo yezwe, ekhanukisayo, upende, abafundi abahle ngempela bakadeveli, ukubamba amadodana kaNkulunkulu; bagana omuhle umfana ozelwe ngokugcwele osuke wangena ekuhlulekeni okunye okudala kanjalo. Kunjalo. Okunje pho . . .

¹⁴⁶ Wena uthe, “Ukugunda izinwele, kunamsebenzi muni lokho na?”

Mfowethu, ake sime lapha umzuzu nje. Ngizwa nje omunye umuntu ecasulwa yilokho. Angahle ukuba ubephandle ocingweni ndawo ndawo.

Lalalani. Izinwele kowesifazane ziyisifungo somNazari. Izinwele kuSamsoni zaziisifungo somNazari. Futhi uma

owesifazane egunda izinwele zakhe, u—uphika ngokoqobo isifungo sakhe somNazari ukuthi unguMlobokazi kuKristu. Ngoba, lapho, leyonto eyodwa, usona sonke isiThombe. Kuyiqiniso! *UmNazari* yi “lowo ohlukaniselwe inhloso.” Ngabe kunjalo na? USamsoni wayehlukaniselwe unyaka nasenhlosweni, ngakho-ke wayenezinwele ezinde. Owesifazane ongumntwana kaNkulunkulu, uyekela izinwele zakhe zikhule, ukubonisa ukuthi wehlukanisela lonke iZwi likaNkulunkulu.

¹⁴⁷ Uma ezigunda, anginandaba ukuthi usina kangakanani, uyacula, usekwayeni, ukhuluma ngezilimi, ugijima ehla enyuka, noma unalo lonke uhlobo lwemiphakathi esizayo, ufile. Lowo ngu ISHO KANJE INKOSI, iZwi likaNkulunkulu. KwabaseKorinte bokuQala 14. Usiphikile isifungo sakhe somNazari futhi wazithengisela kunkulunkulu walonyaka wesimodeni. Uyakwenza. Manje, ngiyakudabukela wena, nenekazi, noma sifazane!

¹⁴⁸ Bangababambi bamadodana kaNkulunkulu ngempela. Njengoba uJesu athi, “Njengoba kwenzeka emihleni kaNowa, abesifazane bebahle, namadodana kaNkulunkulu aqala ukuganwa phakathi kwabo, kuyobanjalo lapho iNdodana yomuntu isibuya.” Nonkulunkulu wabo ucabanga ukuthi kukhulu, futhi kubukeka kahle, futhi kungokwesayense, ulwazi. Ifeshini yaseHollywood, enze isitayela esitolo sakhe uqobo, impela, konke lokhu lapha isinamfunamfu nezinto, niyazi.

¹⁴⁹ Futhi lona, ibandla lakhe, livele likuthande! O, he! “Ngizokunika ukuthi uqonde, ngiyiMethodisti. NgiyiPresbyterian. Umelusi wethu unengqondo engcono kunokusho into enjalo.” Akanayo ingqondo eyenele ukusho izinto uNkulunkulu athi azishiwo ngaleyonkathi. Niyabo?

¹⁵⁰ Lona, ibandla, livele likukhonze nje. Liyakuthanda. Lokho nje ebelikufuna! Ngeke lijoyinane nalutho, mfowethu, noma lingene kokuyize lizoziphathisa okwento ethule ehlukile kulokho oJezibele besimanje abayikho, ngoba leyo yimvelo ekulo.

Ungakwenza kanjani ukuba ube yinoma yiyiphi imvelo... “Ubani ongelekela ebudeni bakhe ingalo ibenye ngokukhathazeka na?” Uma wazalwa ukuba ube ngamafidi amahlanu ubude, ungeke ube ngamafidi ayisithupha. O, yebo, njengo “mshini wokuzelula” kaBooth-Clibborn.

¹⁵¹ Manje-ke lalela, ndoda, nina sigejane sezintekenteke ezingorikhi! Uma wazalwa ukuba ube yindoda, manje-ke ziphathise okwendoda. Lezizinwele eziyisikhophoco ezilenga ebusweni bakho, nezenziwe zagoqana njengokuheha okuthize okukhanukisayo, ngani, nina sizukulwane sezinyoka esiphendukezelwe! Kwenzenjani kini, empeleni na?

UNkulunkulu wami uyosehlulela lesisizwe ngolunye usuku ngomlilo. Uyosicwilisa ngaphansi kolwandlekazi. Ihora lokwahlulela kwaKhe seliseduze. Wonke umhlaba uyomuka.

152 Ukuphendukezela kwezenkolo! Ukuphendukezela kwabantu; owesilisa abasazi nokuthi bangakubuphi ubulili, kanjalo nabesifazane. Bame begqoke iovaloli, noma izikhinjana ezindadlana, izingubo e...konke ukunyakaza kwakhe nesimo somzimba wakhe, futhi azibize ngomKristu. Akasilo ngisho nenenekazi, kungasaphathwa umKristu. Uyisifebe sasemgwaqeni esisetshenziswa nguSathane, esiphefumulelwe nguSathane, ukuthumela amadodana kaNkulunkulu esihogweni, ukugcwalisa iZwi uJesu Kristu athi lalizokwenzeka. Bengingaqondile ukusho lokho, kodwa Wakusho, empeleni. Niyabona ukuthi lomoya wezenkolo uvelaphi na? Umuthi oxubile.

153 Uthi, “Yini engalungile ngalelibhulukwe leflanela isleksi,” kumbe noma balibiza ngokuthini, “amapedal phushazi ibhulukwe eligcina emadolweni, kumbe noma kuyini?”

IBhayibheli lasho, ukuthi, “Noma yimuphi owesifazane oyogqoka ingubo efanele owesilisa, kuyisinengiso ebusweni bukaNkulunkulu.” Lowo ngu LISHO KANJE IBHAYIBHELI.

Nowesifazane oyogunda izinwele zakhe, uhlazisa ikhanda lakhe. Futhi aku ngisho... Kuyinto eyisono ukuba owesifazane akhuleke enezinwele ezimfishane, iBhayibheli lasho njalo, akhuleke emphakathini ikhanda lakhe lingamboziwe. Futhi eyakhe...

O, wena uthi, “Ngifaka isigqoko.”

154 Wena mzenzisi, ufundisa labo besifazane izinto ezinjengalokho! Kanti, iBhayibheli lathi, “Zinwele zakhe zinikwe yena ukuba zibe yisembozo,” hhayi isigqoko esithize esenziwe ngumuntu. Yilokho iBhayibheli elakushoyo. Anginacala; nginecala kuphela lokukhuluma iQiniso. Ningabi ngabangathembekile, njengoba iBhayibheli lathi, “Bephatha iZwi likaNkulunkulu ngenkohliso,” ukwe—ukwenela noma—noma ukuhlangabezana nesicelo sesigejane sezintekenteke orikhethasi.

155 Ngingama *ububi* lapha. Ngino “Elvis” ebalwe phansi esikhundleni so *bubi*. Konke kuthi akufane. Igama elithi *Elvis* lichaza “ikati,” negama elithi *Ricky* lichaza ukuthi “igundane.” Uma uthi “uRicky omncane,” uchaza ukuthi “igundane elincane.” Enimbiza ngakho, yilokho ayikho. Umfanyana wakho owethiwe ngalelogama, lishintshe masinyane, ngenxa yeVangeli. Ungamethi umfanyana wakho...

Awuwezwa neze amagama anjengalelo emuva eBhayibhelini, kumbe noma kumuphi omunye unyaka. Ngunyaka, igama lalonyaka. Kwake kwabakhona amagundane namakati, kulapho.

156 Konke lokhu...?...ojoki bamadiski esigidi samadola, nalababafanyana behamba baphumele lapha, abakwazi ngisho noku—kuya esikoleni bengafake-nto endlebeni, nomsakazo

omdadlana onokokulalela emaphaketheni abo, nje, “duum-duum.”

O, benyukela lapho endlini, futhi senza...Labobafo bezama ukupenda indlu yami phezulu lapho. Sathi, “Khiphani leyonto lapha. Uma ningenakusebenza ngaphandle kwalokho, sukani-ke emsebenzini. Kungenza imizwa iphazamiseke kakhulu angikwazi ngisho nokuma konke lapha. Siyinikele kuNkulunkulu lendawo. Asilufuni lolohlobo lombhedo wodumdumu walezizinsuku zokugcina konke lapha.” Ngathi, “Kualeni noma nisuke emsebenzini!”

¹⁵⁷ Qaphelani, ezenkolo, nakuba, o, impela, baya esontweni ngqo futhi bame egumeni, benokulalela udum-dumu.

¹⁵⁸ Futhi, qaphelani, uMlobokazi-Zwi kaKristu wenyukela enhlokweni, futhi. Njengoba sibona ukuthi umphikukristu uphethelaphi, uqala emuva lapho futhi manje uza enhlokweni; umkhandlu wenkolo yobukristu uzokubeka enhlokweni yobufundisi. NeBandla elincane elizayo, nalo, uMlobokazi-Zwi kaKristu kusukela phansi onyakeni, uza eNhlokweni, ngoba Lizobumbana libuyele kuMata waLo. Njalo, njengebandla nje nakho konke okunye, Lifanele libumbane. UKolo, konke okunye, kubuyela ngqo enhlokweni yakho lapho okwaqala khona; njengoKayini noAbela. UMlobokazi-Zwi wenyukela enhlokweni eMntwini weZwi likaNkulunkulu libonakaliswe kulonyaka omubi esiphila kuwo. Niyabona ukuthi uphethelaphi na?

¹⁵⁹ NoSathane masinya uzothatha umlobokazi wakhe wenhlakanipho bese ephakamisa lo omkhulu, ongumphikukristu, ukubusa ezindabeni ezingcwele, bese emhlalisa esihlalweni sobukhosi, “nezwe lonke liyomangala emva kwakhe.”

Uyobe esefika-ke uKristu. Nababili ngeke babakhona ngesikhathi esisodwa. Nombuso wakhe uyothathwa; uyobhujiswa.

NoKristu, iZwi likaNkulunkulu... Okungukuthi, owesifazane uyingxenyane yomzimba wendoda. Abababili; bamunye. NoMlobokazi, iBandla, iZwi, “abantu ababizwe baphuma *lapha* na *laphaya*, ngenxa yeGama laKhe,” bazobumbana eMzimbeni kaJesu Kristu.

Nombuso womphikukristu uyothathwa futhi ubhujiswe. NoKristu uyothatha isihlalo sobukhosi, bese ehlala esihlalweni sikababa waKhe uDavide, bese ebusa emhlabeni iminyaka eyinkulungwane; bese-ke ethula iBandla kuNkulunkulu, “elingenabala noma umbimbi.” Yebo!

¹⁶⁰ Manje qaphelani izinwele zakhe ezinde, isifungo somNaziri eZwini. Ngizodweba uMlobokazi kaKristu manje. Simdwebile umphikukristu, ukuthi ukuphi, ezenkolo nayoyonke into, isayense. Manje uMlobokazi omncane ozithobile kaKristu kalula nje ukholwa iZwi, noma ngabe Ungubani. Ngabantu ngamunye.

Ngethemba futhi ngikhohla wukuthi baningi abahleziyo bekhona, abanengi balalele. Futhi ngethemba ukuthi mina uqobo nani nonke, niyingxenywe yalowoMlobokazi. Ngiyethemba abanengi. Futhi, kuzoba njalo, bonke lowo omiselwe lokho uyoba yilokho, ngoba yimvelo yabo. Bayabona. IZwi lingaqonda kuphela iZwi. Ngeke laqonda ihlelo noma ukuphendukezela. Lazi kangcono; LiyiZwi. Niyabo? Ngeke laqonda lutho . . .

Ukolo ngeke waba yilutho ngaphandle kokuba ngukolo. Waqala, ungukolo; uyophetha, ungukolo. Nokhula ngeke lwaze lwaba wukolo, nokho luniselwa wugcobo olufanayo. Niyabo? Kodwa alusiwo ukolo. Njengoba ngasho ngolunye usuku, mayelana nesihlahla sinamagatsha ehlukeni kuso.

¹⁶¹ Izinwele zakhe ezinde, isifungo somNaziri, zikhombisa ukuthi Ufungile kuNkulunkulu. Ingubo yaKhe enhle yeZwi laKhe elithenjisiwe lonyaka Aphila kuwo, uzisonge ngalo, eMqinisekisa ngaYe uqobo, ngamaHeberu 13:8, “UJesu Kristu nguyena izolo, namuhla, naphakade.” Njengoba, Uyingxenywe yeZwi Myeni, uthembekile kuYe ndawo zonke.

¹⁶² Manje bukani. Uma owesifazane ephuma lapha futhi egane indoda, futhi aphume bese enza uthando nenye indoda futhi abe nakwenza nayo, bese ebuyela endodeni yakhe, ifanele imkhahlele imkhiphe. Kunjalo na? Ufanele ethembeke kuyo, ngoba ufungile kuyo

NoMlobokazi kaKristu ufungile kuKristu; futhi UyiZwi.

Angacwayizi ngisho iso ngakwelinye icala, owesifazane akafanele ngisho ukucwayizisa iso kwenye indoda. Kufanele angenzi masayini, angenzi okususa amadlingozi nhlobo kuyo, ngokuba ngokoqobo ungumlobokazi kumyeni oyedwa.

¹⁶³ Asifuni-mithi yenu exubile, amahlelo enu. Thembekani kuKristu, iZwi. UzoLiqinisekisa ukuthi liyiqiniso. Qhabo, mnumzane, hhayi ngisho noma yimaphi amadlingozi anoma yini ngasekwenzeni uthando kuye, angajoyini ezikhundleni zayo noma yini enye, noma umvumele akufake ezingalweni zayo noma ekunakekeleni kwayo, noma—noma axoxe kuwe nga *le* ndlela, *leyo* ndlela.

Lalalani kuphela iPhimbo elilodwa. “IZimvu zaMi ziyalazi iPhimbo laMi. Umfokazi ngeke zi . . .” Yini iPhimbo laKhe na? Noma yiliphi iphimbo lomuntu liyizwi lakhe. Futhi yilo Leli, iBhayibheli, akukho nelilodwa izwi elifanele lenezelwe kuLo noma lisuswe kuLo. Hlalani naleloPhimbo nje ngqo. “Umfokazi angeke zamlandela,” ihlelo.

¹⁶⁴ Njengoba, Uyingxenywe yoMyeni, wethembekile kuYe ndawo zonke, ulinde uMshado. Uyabumbana, hhayi emkhandlwini wenkolo yobukristu; kodwa esibhakabhakeni, esiDlweni sakusihlwa soMshado. Uphiwe . . . Lokhu kungokwebandla okungelethu. I . . . Uphiwe, futhi Wembulelwa, izimfihlakalo zeziMpawu eziyisiKhombisa zeBhayibheli. Niyabo? Uyabubona

ubuwula bomdukisi, esondele kakhulu eQinisweni, ngangokuthi kucishe impela kudukise abaKhexhiweyo. Uyakubona. U . . .

¹⁶⁵ Niyayibona imimoya emibili ephikisanayo isebenza kulonyaka omubi na? Ningayibona na? Ngamunye unokukholwa impela, uKayini noAbela, imimoya futhi iza ezinhlokweni zayo, isafana njengoba yaqala. Owodwa, ukhonza ngobuhle, nangolwazi, nangemfundo, nangesayense, nangesayense ephathelene nenkambo elungileyo. NoMunye, ngokukholwa kwesambulo seZwi likaNkulunkulu. Yomibili umi khona kulendlu kulokhu ukusa. Kunjalo.

¹⁶⁶ Isambulo, noma ukukholwa, eZwini laKhe, akenzi kuzisho kolwazi; owangempela, umKristu weqiniso.

Bathi, “Unaso, noma unaso isiqu sobudokotela na?”

Akenzi kuzisho. “Ngi—ngiyalikhohwa iZwi laKhe.” Niyabo? Akenzi kuzisho. Akazisho ukuthi ufundile. Akasuye nowanoma yiliphi ihlelo, nayiphi iphathi, nayibuphi ubuhlelo benkolo. LingelikaKristu. LinguMkaKhe; hhayi umka-bandla

Uyisifebe. IBhayibheli lathi wayeyisi “febekazi,” no, “NINA WEZIFEBE,” futhi onke ahlangu ndawonye futhi enza isifebekazi esifanayo. Nalolohlobo lowesifazane lungowesifane ongethembekile eNdodeni yakhe; futhi ezisho ukuthi uKristu uyindoda yakhe, futhi engowehlelo. Umbhedo onje pho! SingabakaKristu.

¹⁶⁷ Kodwa, ekulaleleni, lo Wesifazane okholwayo omncane, ophila ngokukholwa, uMlobokazi; umuntu *lapha, laphaya*; ophuma kwenye indawo, kwelinye ibandla elithize, elinye ihlelo elithize, noma ngabe yini, kokunye okunga . . . Ukholwa yiZwi likaNkulunkulu, ukulalala, elinde ngothando, isithembiso sonyaka ukuba siqinise. Uqaphe khona. UyingxenyaleloZwi futhi uqaphe impilo yaKhe ukuba ibonakalise leloZwi.

Bazalwane, anikuboni lokho na? Ngiyethemba lokho akuneqanga.

UMzimba ulindele (oyiZwi), ulindele ukuPhila (okunguMoya) ukuqinisa noma ukuLenza liphile. Yilokho Akulindele. Akukho okunye ukuphila okuyosebenza kuYe. Ngeke eza ekuphileni noma ngayiphi enye indlela. Nokho, Uyakuzwa phandle lapho, futhi Uyazi ukuthi kuzokwenzeka; manje-ke nakhu kwenzeka, manje-ke Useyavuka. UNkulunkulu wathi, “Makube-khona,” futhi Wavela njengoba kuvela owokuqala.

¹⁶⁸ “Abantwana bokungalaleli” kuchaza ukungalaleli . . . *Ukungalaleli* kuchaza “ukuhlubuka.” Ngilibukile lelo kwisichazamazwi, ukuqiniseka. Ukuhlubuka, ukuhlubuka ngokumelana (nani na?) neZwi likaNkulunkulu elembuliwe. NjengoKayini wembula . . . wahlubuka ngokumelana nesambulo esembuliwe sika-Abela, siqinisekise nguNkulunkulu ukuthi

sasilungile. NoKayini wahlubuka ngokumelena naso, futhi wabulala umfowabo.

AbaFarisi, nolwazi olungolwabo lwehlelo lokuthi iZwi likaNkulunkulu laliyini, indoda eqokwe ngesandla somuntu qobo lwakhe, bahlubuka iZwi likaNkulunkulu eliqinisekisiwe elenziwe labonakaliswa losuku, uJesu Kristu, futhi baMbulala. Kunjalo?

Yilokho-ke “abantwana bokungalaleli,” ukuhlubuka ngokumelana neZwi likaNkulunkulu.

Manje niyabona ukuthi bakuphi na? “O, izinsuku zezimangaliso selwedlule. UJesu Kristu akakafani. Ayikho into okuthiwa ngumbhaphathizo kaMoya oNgcwele. Yonke leyonto ngumbhedo!” Niyabo, ukuhlubuka! Abadingi ukusho izinto ezimbili; badinga basho eyodwa nje, yilokho kuphela. Lokho ngukuhlubuka, khona lapho. Ngeke basho ukuthi awunawo amehlo, awunazo izindlebe; ufanele uthathe umzimba wonke, iZwi lonke. Niyabo?

UMoya oNgcwele uyabiza, “Aliphume kulo, lingahlanganyeli nalo umbhedesho walo,” njengoba ehleka futhi ehleka usulu iZwi likaNkulunkulu lalolusuku.

“Ngokuba uNkulunkulu akahlekwa,” khumbulani nje. Lizokuthola. Ningakhathazeki. Lizokuthola. IBhayibheli, kwabase-Efesu 4:30, uma nifuna ukukubhala phansi lokho, kwabase-Efesu 4:30, kwasho. “UNKulunkulu akahlekwa. Lokho akuhlwanyelayo umuntu, lokho wokuvuna.” Ngeke bahleka futhi bahlekise, futhi basho lezizinto, futhi bazedlulele nakho. “Njengesinkwa phezu kwamanzi, siyobuya.”

¹⁶⁹ Ungumlobokazi kadeveli usongwe ngolwakhe lwezenkolo, ulwazi oluthanda isono lwalonyaka omubi wamanje, ukunidukisa. O, he! Bonke abahlangene bodwana ngokucwasa abanye noma ihlelo lemimoya eholelana ekoneni, ngolwazi lwesayense nempucuko yesimodeni! Bezisho ukuthi . . .

Sizovala emizuzwini embalwa nje. Ngizodingeka ukuthi ngime, ngoba angikwazi ukukuqeda konke, niyabo.

Ezisho ukuthi wakha izwe elikhulu ukuba nihlale kulo. Uyazisho, ukuthi, empucukweni yakhe, wakhe amasonto amahle, amakholi, izikole, izibhedlela, amalayibrari, nosizo lwesikhashana lomuntu, engenalo iZwi likaNkulunkulu. Ukwenzile. Ukufakazisile ukuthi angakwenza. Nabantu bathathekile kukho; yebo, mnumzane; izikole, amahlelo, impucuko, abantu abagqoke kahle, abantu abondleke kahle.

Ngingaqoka ukuba semgqeni wesinkwa, futhi ngibekahle noNkulunkulu; kunoma ngibe nenkukhu ethosiwe kathathu ngosuku, futhi ngibe ngizodingeka ukuba ngibe ngowesifebe esinjalo.

170 Khumbulani, ihora selisondele liseduze lapho uphawu luzofika khona. Kuyoba phakathi kokuthi uphakathi kulo noma ungaphandle kwalo. Luyofika njengesela ebusuku. Luyokubamba phakathi lapho ngqo, futhi ulapho. Akusekho-ke ukuphuma kulo ngaleyonkathi; usuluthathile. Phuma!
