O, ziyakhazimula, zicebile ngamavithamini okomoya!

<sup>63</sup> Manje, sibona ukuthi enye yezinto ezinkulu ezivelele engingathanda ukuninakisa zona, kwakuyiziDalwa eziphilayo (zengxenye yokucina yesahluko 4) uJohane azibona ebhekisisa uMphongolo weSivumelwano. Niyakhumbula ukuthi babelungiswe kanjani njengo-Israyeli nje ekumasheni kwawo na? Babene, manje, phezulu lapho, kwakuwubuso besiDalwa esiphilayo. Futhi sithole ukuthi lezi ziDalwa zazingezona iziNgelosi, kanjalo zazingesibo abantu. ZazingamaKherubi. Futhi sizithole eTestamenteni eLidala nomphongolo. Sizithola eTestamenteni eLisha. Bese-ke sizithola ngaleya ekuFikeni kweNkosi futhi, amaKherubi egade isihlalo somusa.

<sup>64</sup> Isihlalo somusa okungekho muntu owayengasondela kuso ngaphandle uma kwakukhona umhlatshelo lapho walowo muntu, indlela kuphela ukuthi indawo engcwele . . . Lapho yafafazwa ngegazi, khona-ke saba isihlalo somusa. Kepha emva kokuba igazi lase lisusiwe, khona-ke laba isihlalo sokwahlulela.

<sup>65</sup> Futhi, o, he, akekho noyedwa owayengamela izahlulelo zikaNkulunkulu. Into eyodwa kuphela esingayibheka ngumusa, hhayi ukwahlulela, hhayi ukulung- . . . ukulunga.
