⁶² Futhi lapho sitshaya iJordani, kanye loKhristu, silesabelo esisodwa, kodwa lapho siphenduka, siphenduka lezabelo ezimbili. SileMpilo elaPhakade, ukuvuka esonweni, manje, ekulungeni ngoMoya oNgcwele. Futhi-ke ekubuyeni, loKhristu, siyaphenduka lakho konke ukuvuka komzimba, futhi sesivele silokuvuka kukamoya. Sile sabelo sakho esiphindwe kabili. Kuhlezi kungumfanekiso kaKhristu leBandla: uElisha loElija.

⁶³ O, angifuni ukuqalisa kulokho. Minabo, minabo, minabo, asingeke sifike kuluMbiko wamahola ayisithupha lapha. [UMfowethu Neville uthi, “Inyama isasethanjeni, lakhathesi.”—Mhl.] Yebo. Minabo! “Inyama isasethanjeni,” Mfowethu Neville. Lokhe siyixhanxatha. O, alithokozi na? Bona? Kasila. . .

Ngokukholwa Kuye. Bona? Ukufa kusesonweni, ukungakholwa. Kangisuye ongakholwayo. Ngilikholwa. Ngivuke kuleyonto, ngivukile. Yisibambiso sayo yonke inyama yami egcweleyo, ukuvuka kukamoya, yonke into. Yebo, mnumzana. Liyakubamba? Ngakho silokufa ngaphansi kwamandla ethu, ngoJesu Khristu Owanqoba ukufa, isihogo, ingcwaba, umkhuhlane, usizi, lakho konke okunye, wanqoba konke.

⁶⁵ Futhi manje sivuke Laye, sihlezi ezindaweni zaseZulwini, sikhuluma ngokomoya, kuKhristu Jesu, lezinto zonke ngaphansi kwenyawo zethu. Lokuvuka kwenyama kungaphansi kwenyawo zethu, ngoba sikuKhristu. Liya—liyakubamba? Nxa likubamba, phakamisani izandla zenu. Amen. Lokho kuhle. Ingqe likubamba, lokho kuhle. Bona? Lingavumeli. . . Manje qhubekani likugcina engqondweni zenu. Bona? “Sedlule ekufeni saya ekuPhileni,” ngokwenyama, okomoya, yonke indlela.

⁶⁶ Layo yonke into, lezinto zonke, zingezethu manje. Ngani, umhlaba phandle lapha uthi siyahlanya, kanti umhlaba wonke ungowethu. Uzalithatha kanjani ilifa lawo?

⁶⁷ Lapho, njengoba ngikhulumile, uAbrahama, bona, wayeselizweni lesithembiso; uNkulunkulu walinika kuye. ULothi wathathwa yizihlubuki izigebenga, wahanjiswa khatshana. Lowo kwakumgumzukululu wakhe. Kulungile. Yonke into eyayikulelolizwe yayingeka Abrahama. Ngakho, wayengayisilo iqhawe. Akazange alwe. Wayengela ngitsho amaqhawe ayelaye. Wayelezisebenzi ezithile. Kodwa lapho ebona ukuthi enye into, udeveli, wayebuye futhi wamphanga enye into eyayiyisithembiso kuye, wahlomisa inceku zakhe futhi wathatha isikhali ngokwakhe. Wayengazi ukuthi wayezakunqoba kanjani lonke leliqembu lamakhosi. Izisebenzi eziyingcosana nje, kodwa uNkulunkulu wamtshela ukuthi akwenze njani. Wazehlukanisa, futhi wabulala amakhosi, futhi waphenduka enqobile. Ngani? Wabeka ukholo lwakhe phezu kwesithembiso sikaNkulunkulu ukuthi into yonke elizweni lelo yayingeyakhe, futhi uLothi wayeyingxenye yakho, kunjalo, wayeyingxenye yelizwe. O, minabo!

⁶⁸ Futhi lapho wahlangana loMelikhizedeki, emva impi isiphelile. Lalingambona nje uAbrahama esiza phezu emgwaqweni? Kazange abekwazi ukuthi wayeliqhawe, kodwa wabakwazi lesosikhathi ukuthi wayeyilo. Yebo, mnumzana. Futhi wahlangana laLowo Owapha isithembiso, uMelikhizedeki.

⁶⁹ Manje asibaleni okuvela eBhukwini likaAmosi. Ngizakhuluma lokhu kusa; hatshi amahola ayisithupha, lobakunjalo. Ngithemba akunjalo. Bona? Ngesi—ngesifundo, sokuthi, *Indlela YoMprofethi WeQiniso*. Futhi lobubusuku, iNkosi ithanda, ngizakhuluma phezu kokuthi, *UkuKhupha UMfutho*, futhi-ke i—iNkosi ithanda.

⁷⁰ Manje, ngaziwa ngokuba ngumchothozi, kodwa a—a—angisuye angichothozi, into kuphela engalunganga. Kodwa mina, thina, kufanele sichothoze okungalunganga.

⁷¹ Manje, nxa lingavula amarekhoda enu khona manje, ekamelweni, ngani, kulungile. Ngifuna ukubala manje kuAmosi, isahluko 3. Kumbe i. . . Yebo. Isahluko 3 sikaAmosi, ingxenye yakho nje, uAmosi 3:

*Zwanini lelizwi iNkosi elikhulume imelene lani,
O bantwana bakoIsrayeli, imelene lesizwe sonke
eNgasikhupha elizweni leGibhithe, isithi,*

*Yini kuphela eNgilaziyo ezizweni zonke zomhlaba:
ngakho-ke Ngizalijezisa ngenxa . . . yobubi benu.*

*Ababili bangahamba kanyekanye, uba
bengavumelananga yini?*

*Isilwane singabhonga ehlathini, singabambanga lutho
yini? ibhongo lesilwane libhonge ebhalwini lwaso
singelalutho yini?*

Inyoni ingawela emjibileni emhlabeni, lapho engathiywanga khona yini? umjibila ungathanya emhlabathini, futhi ungabambanga lutho yini?

Uphondo lungavuthelwa emzini abantu bengethuki yini? umuzi ungehlelwa ngokubi, futhi iNkosi ingakuvumelanga?

Isibili iNkosi...kayenzi lutho, kodwa iyembula imfihlo zayo kunceku zayo abaprofethi.

Isilwane sibhongile, ngubani ongayi kwesaba? iNkosi uNKULUNKULU isikhulumile ngubani ongayikuprofetha?

⁷² Amehlo akhe kufanele ancipha, lapho esima lokho kusa oqaqeni nje ngale kwedolobho leSamariya. ngiyabona izandla zakhe ezihlalisekileyo lapho ziphulula indevu zakhe ezimpunga. Ilanga elitshisayo likhazimula phansi. Wayengakhang kangako ukumkhangela. Wahluke kanganani kumvangeli wesimanje salamuhla! Izigqoko zakhe zazingamadabudabu; indevu ezikhangeleka zimahlilikili. Futhi wakhangele phansi phezu kwalelodelobho leSamariya, amehlo akhe encipha lapho ekhangele. Wayengakhangeleki kangako, kodwa wayelo ITSHO KANJE INKOSI kulesosizwe.

⁷³ Kwakunjalo, mhlawumbe, okwahluke kakhulu kulumkhankaso ozayo, lowo iNkosi eyayimthumele wona eSamariya, kulalokho abavangeli bethu besimanje abangayikho. Wayengahlomanga okwemvuselelo enjalo, njengalokho singakucabanga ukuba abeyikho lamuhla. Kodwa khumbula, wayengasuye mvangeli wesimanje. Wayengumprofethi. Kazange abe lendaba ngezinto zesimanje. Wayelo ITSHO KANJE INKOSI.

⁷⁴ Akazange abe lendaba ukuthi wayekhangeleka njani, lokuthi wayegqoke okwesimanje okunjani, loba inwele zakhe zazikanywe kuhle, kumbe loba ukhona owayemkhangele kumbe hatshi. WayeleLizwi leNkosi. Leyo kwakuyinjongo yakhe egcweleyo: ukuletha leloLizwi leNkosi. Wayengubani lumfo? Yebo. KwakunguAmosi, umprofethi, umuntu omahlilikili, kodwa wayekwazi lapho ayemi khona. Wayekwazi lokho ayekwenza. Wayengumprofethi weqiniso weLizwi. Futhi isizatho wayeze kulelidolobho, kwakungenxa yokuthi iLizwi lalibuye kuye.

⁷⁵ Futhi lapho iLizwi leNkosi lisiza encekwini yeqiniso, kumele ahambe, kungenani lezimilo, kumbe kungenani lobunzima. Kumele ahambe, kungenani. Loba ulungiselele, loba uzwa njengakho, loba uyafuna ukukwenza, loba kungaba yini okunye; kumele ahambe, kungenani. NguNkulunkulu okhulumayo, futhi kumele athwale luMbiko. Ngoba, u...Akahambeli buwula. Akahambeli mali. Akahambeli dumo. Uhamba kuphela eBizweni leNkosi, okwento eyodwa. Ulo—lomsebenzi, futhi

uthunye yiNkosi. Futhi uyiLizwi likaNkulunkulu, ngoba uthwele iLizwi leNkosi. Lowo ngumprofethi weqiniso weNkosi.

Isifundo sami ngesokuthi: *INdlela YoMprofethi weQiniso KaNkulunkulu.*

⁷⁶ Lowu omkhulu, umuntu kaNkulunkulu ongesabiyo waprofetha ngezinsuku zikaJerobhowami wesibili. Ngilengxenywe yembali yakhe elotshwe lapha phambi kwami. Waprofetha phose iminyaka elitshumi lantathu yomkhankaso wakhe. Futhi uJerobhowami waye, uJerobhowami wesibili, wayengathi nje ukhaliphile lendoda enelisayo njengo Israyeli ayelakho okwesikhathi esithile. Wayeyindoda eyayilethe impumelelo kuIsrayeli. UIsrayeli wayephumelela kukho konke. Kodwa, yena, kwakulenywe into engalunganga ngaye. Wayekhonzisa izithombe.

⁷⁷ Futhi ngangigathi ngiyabala lokhu, ngolunye usuku, ngangathi ngiyacabanga ukuthi lokho kwakungenelana kakuhle lalamuhla. Akulandaba ukuthi umuntu ukhaliphe okunganani, lokuthi angenza okunganani, lokuthi uphumelele okunganani, nxa esuka kuNkulunkulu, ungumthwalo esizweni, khatshana loNkulunkulu leLizwi Lakhe. Angazi uba kungasifanelanga, lamuhla, komunye othanda ukuhlala kuthelevizhini futhi atshengise ukuthi uhlakaniphe okunganani, balobuchopho obunganani. Kodwa angazi uba belokweneleyo ukuthatha u ITSHO KANJE INKOSI. Wayeyindoda ekhaliphileyo, kulungile.

⁷⁸ UIsrael wayesesimweni sokuhlehlela emuva. Abatshumayeli bakhe, abapristi bakhe, futhi lohulumende wakhe, bonke babetshiye iLizwi leNkosi. Manje, abazange bakukholwe lokho. Bakholwa ukuthi babeleLizwi leNkosi. “Kodwa kulendlela ekhangeleka ilungile emuntwini, kodwa isiphetho sayo kuyindlela yokufa.” Kungani babephambukile? Kungani umuntu wayengakholwa ukuthi—ukuthi—ukuthi babephambukile? Ubupristi bonke bamadoda, izinkulungwane zabatshumayeli labapristi, lamakhosi lababusi, bonke ababezitsho ukuba ngabakhonzi bakaNkulunkulu, futhi, kunjalo, bonke babo babephambukile.

⁷⁹ Khona-ke, babengadingi inkosi okwempumelelo. Lokho ababekudinga kwakungumprofethi, ngoba iLizwi leNkosi, kumbe ingcazelo yeLizwi leNkosi, ibuya kumprofethi weqiniso. Kwesinye isikhathi ungabona lokho indlela yakhe eyikho khona. Yindlela emahlikhliki sibili, lapho bonke abapristi, labo bonke abatshumayeli, la—la—labonke ababhulayo, futhi—futhi uhulumende ngokwakhe emelene laye. Kodwa, kunjalo, iLizwi leNkosi liza kumprofethi, futhi lokho kuphela. UleLizwi eliqondileyo. Loba wayeleBhayibhili elifanayo lababelalo, kodwa iLizwi lalikuwe. UNkulunkulu wayeqinisa ukuthi wayeleLizwi.

⁸⁰ Babelezakhiwo ezinkulu futhi lenhlelo zenkolo, lokunjalo, lokho abake babalakho, ama-altare eyakhiwe ndawo zonke, le—lenhlobo zonke ze—zezinto, kodwa kunjalo babekude okwamamayila ayizigidi eLizwini likaNkulunkulu.

⁸¹ Ngiyacabanga, ngokwami, umfanekiso ungangenelana kuhle kakhulu lamuhla, njengoba ngibale leliBhuku likaAmosi. Kumele lilibale lapho lisiya ngekhaya. Wonke uhulumende, abapristi, bonke babetshiye iLizwi likaNkulunkulu.

⁸² Ngingathanda nje ukubala esinye isabelo soMbhalo lapha, ngile, ukutshengisa lapho ababekwenze khona. Manje kasibaleni isahluko 2 lendima 4, okomzuzu nje.

Itsho kanje iNKOSI; Ngenxa yeziphambeko ezintathu zikaJuda, langenxa yezine, kangiyi kuphambula isijeziso; ngoba baweyisile umthetho weNKOSI, . . .

⁸³ YiLizwi, baLidelela, futhi kanti babecabanga ukuthi babeLalo.

. . . futhi kabagcinanga imlayo yami, lamanga abo abababangele ukuphambuka, . . .

⁸⁴ Manje, babeLizwi, iBhayibhili, kodwa amanga ababewahlanganise Lalo ayebabangele ukuphambuka.

. . . emva . . . oyise abawalandelayo:

⁸⁵ Bona isizatho? Manje, babephambukile ngenxa yokuthi babebeke ukuchasisa kwabo kumbe ingcazelo eLizwini. Futhi ngicabange ukuthi bekuhambelana lokwalamuhla, njengabanengi befuna ukufaka umqondo wabo uqobo eLizwini, futhi singena emahlikilini. Yikukhalimela bani okuvela kuNkulunkulu, lumprofethi ayelakho.

⁸⁶ Manje, uAmosi wayengumprofethi kaNkulunkulu, umprofethi weqiniso. Loba ngubani obala ngoAmosi uyakwazi isibindi saleyondoda engesabiyo kaNkulunkulu. Ubalwa njengomunye wabaprofethi abancinyane, ngoba kazange ahlale okwesikhathi eside, kodwa ngeqiniso wabeka ihloka empandeni zesihlahla. Wayengomunye wabangesabiyo wabaprofethi, futhi wabuya logcobo. Wabuya lo ITSHO KANJE INKOSI. Wayekwazi lokho ayekhuluma ngakho, ngoba ugcobo lukaNkulunkulu lwaluphezu kwakhe ukuletha ingcazelo eqondileyo eLizwini likaNkulunkulu kubo.

⁸⁷ UAmosi wavela emaphandleni, enkangala, esiza edolobheni elikhangayo. Wayengakaze abe lapho ngaphambili. Wayengumfana wasemakhaya, khonale ngemuva enkangala. Lapho esasengemuva lapho emkhulekweni, uNkulunkulu wayehlangane laye, futhi wayemtshele ngobubi balesisizwe esikhangayo ayeyingxenywe yaso. Futhi iSamariya yayiyisigodlo, esinye sezigodlo ngalesosikhathi, lokokubusa kukaJerobhowamu.

⁸⁸ Futhi lapho esima lapho lokho kusa, ngaphezu koqaqa, engena phakathi egqoke izigqoko zakhe ezindala, ezingalungiswanga kuhle, egqoke izigqoko zemakhaya, mhlawumbe uthuli lodaka enyaweni zakhe, futhi lapho ayelele khona kuleso sembatho esimahlikhliki, ubusuku lobusuku. Futhi angikwazi, wayengela mabhavu okugezela kulezo nsuku. Kungabe kube zinsuku ezinlutshwane engagezanga. Kodwa lokho akulimazi ingaphakathi yomuntu. Okunengi kakhulu, usuku, ugqoke okwangaphandle, kungela okweneleyo okwangaphakathi. Siyakhathazeka kakhulu mayelana ngokuba sigezile usuku ngosuku, futhi inwele zethu zicecisiwe lezigqoko zethu zintshintshiwe, lakho konke, futhi-ke siyekele ingaphakathi ihambe loba ngaphi, igqoke izambatho ezifanayo ezindala ezigcwele izono, zinukisa umphefumulo ngezivumokholo lezimfundiso zabantu, futhi bengakuhloli futhi bawugeze eLizwini lamanzi okwehlukana, ezintweni zomhlaba.

⁸⁹ Lapho esima lokho kusa, ekhangele ngaphetsheya koqaqa, kulelodolobho elikhangayo, ligcwele izinto zesimanje ayengakaze aphuphe ukuba kwakulento enjalo. USrayeli wayesekuphakameni kwakhe. Wayephakathi kokumanyana lezinye zonke izizwe eziyigombolozelayo. Bebukhazikhazi sibili, abafazi begqoke okwamagama, la—lamadoda. Futhi babephathekile ngentokozo, besenza imijaho yokugijima, lemidlalo yama olimpiki, lakho konke kusenzakala. Akumangalisi amehlo akhe ancipha; hatshi ngobukhazikhazi bedolobho, njenga lokho isivakatshi esingakwenza, sisiza eNew York, kumbe eLos Angeles, sibona abafazi abagqoke okungaphelelanga, amadoda beqhubeka, futhi isono.

⁹⁰ Abanye abangane bami, insuku ezinlutshwana ezedluleyo, babevela ohambweni lokugola inhlanzi, phansi nje kwekolitshi yeBhayibhili eyenkulu, ikolitshi edumileyo yeBhayibhili. Futhi lapho, kulele endleleni, phakathi kokhula, kwakungamankazana amancinyane, egqoke okungaphelelanga, labafana abancinyane, mhlawumbe abafundi abavela ekolitshini, benatha lokuqhubeka, kubi.

⁹¹ Manje, ukuqhubeka okunjengalokho kuqumbaqumba ukulangatha kwamaMelika amanengi abazithi ngamaKhristu. Lapho bekhangele phansi eLos Angeles, kumbe ngabakhangele endizamtshineni lapho singena eLos Angeles; bengakaze babe lapho phambilini; kumbe eHollywood, kumbe—kumbe eFlorida kanye lezinkanyiso zamagetsi phezu kwe—kwezihlahla zephalmi. O, babephonza amakhala abo kakutsha, futhi besebezipenda ubuso. Babe... bacabanga ukuthi kwakuyinto ebukhazikhazi kakhulu abangakaze bayibone. Futhi ubona abazicecise kahle futhi bagqoka behamba esitaladeni, babefuna ukuphuma phandle lapho futhi babone ukuthi babengagqoka kanjani impahla zabo, kumbe bazitshile phezulu

laphansi ezitaladeni. Lapho, becabanga ukuthi lokho kuyinto emangalisayo.

⁹² Kodwa lawomehlo agcotshwe nguNkulunkulu alowomprofethi akazange anciphe ngenxa yobukhazikhazi, njengezivakatshi, kodwa ngembeko ebolileyo, ebantwini ababizwa ukuba ngababusiweyo bakaNkulunkulu. Amehlo akhe awazange akhangele ebukhazikhazini. Akazange anciphe ngenxa yobukhazikhazi. Kwakungenxa yoku—ku—kuswela ubuntu lokubola kwabantu ababebiziwe ukuba ngabakhethiweyo bakaNkulunkulu, futhi besenza ngendlela enjengaleyo. Ngiyamangala, wathi, “Isilwane siyabhonga, ngubani ongayikwesaba? UNkulunkulu ukhulumile, futhi ngubani ongayikuprofetha?”

⁹³ Wabona ukubola, ukonakala. Yikho ayekukhangele. Yikho lapho abona konke lokho. Akuzange kumkhangela. Kwamgulisa emphefumulweni wakhe. Ngani? Wayengumprofethi. Wayesazi lokho uNkulunkulu ayethembise ukukubusisa, lokuthi isibusiso sasiyini, lokuthi abantu benza njani ngesibusiso. Futhi udeveli uphambukisile osukwini lwakhe, ekubeni isibusiso seqiniso sasiyini, ku—ku—kusiyakumbeko ebolileyo; isibusiso sokuthabisa amehlo lokukhwabitha kwabantu abangaphendukanga, ngentando lendlela kaNkulunkulu, lendlela kaNkulunkulu yokuphila.

⁹⁴ Kuyafanana okungani lalamuhla! Ukuthi abatshumayeli bama kanjani kuphuluphithi, futhi bekhangele isono lokubola kwalumhlaba, futhi babone abantu abenza lokwenza ngendlela abenza ngayo, futhi-ke bababusise nje ngoba balilunga lebandla labo, kumbe inhlanganiso yesonto, kwedlula umphefumulo wami ongakuzwisisa.

⁹⁵ Lapho uNkulunkulu ekhuluma, profetha! Nxa uMoya kaNkulunkulu utshaya umprofethi weqiniso kaNkulunkulu, uzamemeza ngeLizwi. Angifuni ukuchotohoza, kodwa ngubani ongathula? Ngubani ongama ekhangele into enjalo, futhi ezitsho ukuba yinceku kaKhristu, futhi engakukhalimeli? Angilandaba ukuthi inhlanganiso yesonto ingathini, kumbe loba liphi ibandla lingathini; yiso isizatho ngingayisibo wabo. Bangakukhahlelela phandle, into yokuqala. Kodwa iLizwi likaNkulunkulu libuya kuqala. Nxa uyisithunywa, ulento yokukhuluma. Nxa ukhuluma loba yini ephikisana laleliLizwi, awusosithunywa esivela kuNkulunkulu; uyisithunywa sesivumelwano senye inhlanganiso yesonto kumbe umbono othile. Kodwa isithunywa sikaNkulunkulu sileLizwi likaNkulunkulu.

⁹⁶ Futhi umngane wethu, lokhu kusa, lapho simkhangele, wayeleLizwi likaNkulunkulu, ngoba wayengumprofethi weqiniso weNkosi.

⁹⁷ Manje, babecabanga ukuthi babe le—lengcazelo kikho, futhi bacabanga, “Awu, sibili, khangele lokho esikwenzayo.”

Amehlo akho ayancipha phezu kwento embi yesono, kulokukhangela abafazi ukubakhanuka. Lina madoda elenza into enjengaleyo futhi lizibize ukuthi lingamaKhristu.” Yikho lokho ayengakutshela khona. Ngizama ukuthatha aMazwi akhe lokhu kusa. Ayengaba ngaMazwi akhe. Ngoba, yena, khumbula, ungumprofethi weqiniso. Wayezamele ahlale laleloLizwi. Uhuh. Ngicaphuna nje aMazwi akhe. Yikho kuphela. Ngoba, nxa umlethile, uyiLizwi. Khona-ke, nanti iLizwi, Ngokwalo. Angaba engasimuntu, kodwa uleLizwi lakhe, ngoba wayezakuba leLizwi leNkosi.

159 Yonke imfundiso enziwe ngumuntu, wayezakuyilahla, njengobhaphathizo “ebizweni likaBaba, iNdodana, uMoya oNgcwele.” Wayephosela leyonto ibuyele elaPhakadeni. Wayeyilahla, ukuze kungabi lomnuko wayo osalayo. Yebo, mnumzana.

160 Bangaki, lina, bangaki ebandleni lokhu kusa abangamamukela phezu kwalokho?

164 Limlalele ekukhalimela. Wathi, “UNkulunkulu uqobo elithi liyamkholwa, Uzalibhubhisa.” Kuyini elizakwenza ngalokho? UNkulunkulu uqobo iPhentekhosti ekholwa kuye, kusukela ekuziphatheni okungelambeko lezinto abazenzayo futhi bevumela ukuthi zenziwe, lowoNkulunkulu uqobo uzaletsa ukwahlulelwa phezu kwalezozinhlanganiso. Kunjalo. Khona kanye uAmosi akutshoyo kubo.

165 “O,” bathi, “siloAbrahama. Sila—silalokhu. Silomthetho. Silabapristi. Silabaprofethi.”

166 O, mfowethu, lawomehlo ancipha lapho ekhangela phezu kwabo, lokukhalimela leloLizwi kibo. Yebo, mnumzana. Sibili. Babengeke bamukele. Hatshi, mnumzana. Wathi, “UNkulunkulu uqobo elimakhela amabandla, mhlawumbe libhadala izigidi zamadola, zona kanye izindlu zokukhonzela elizakhela uJehova, elithi liyamthanda, lowo Nkulunkulu uqobo uzalibhubhisa ngoba lilahla iLizwi Lakhe.”

167 Ngakho kunjalo lalamuhla! UNkulunkulu uqobo lowo iMelika etsho ukuthi iyamkhonza izaletsa ukwahlulelwa phezu kwesizwe futhi asibhubhise. Ngithemba lokho kuyajula ukuthi awusoze uphunyuke kikho. Yena uqobo Lowo elitsho ukuthi liyamthanda, futhi ngezinkolo zenu zokwenziwa ngabantu, lempilo engela kuziphatha lokubola elikungenise phakathi kwenu, khatshana leLizwi likaNkulunkulu, kuzalibhubhisa ngolunye usuku. Lokho yiITSHO KANJE INKOSI. Akula okunye okuseleyo okwabo.

Inhlanganiso zikuxotshela phandle. Abafazi banyikinya ikhanda labo, futhi bengavumeli inwele zabo zikhule, kungelani. Bagqoke izigqoko zabo okufanayo nje,

umnyaka ngomnyaka. Njengokuthululela amanzi emhlane wedada. “Khona-ke uzitsho ukuthi uyamthanda uNkulunkulu?”

¹⁶⁹ Wathi, uJesu wathi, “Lithethe imikhuba yenu futhi lenza iMilayo kaNkulunkulu yangabi lamsebenzi.”

¹⁷⁰ Yiyo indlela yomprofethi weqiniso. Bona? Akusindlela elula. Akusikho lokho umuntu wonke acabanga ukuthi kungaba yikho.

¹⁷¹ Ukweqa phezulu laphansi lokumemeza, wonke umuntu ekumbambatha emahlombe, khona-ke leso yisibonakaliso kawusuye umprofethi weqiniso. Ngezinye zezibonakaliso sibili ukuthi awulakho lokho okhuluma ngakho.

¹⁷² Kunini lapho abake bambambatha emhlane, ngaphandle belokusithekileyo ababekufuna? Ini? Wayengaphenduka futhi abalahle ngecala. Kuqondile. Wawungeke umbambathe uAmosi emhlane. Babengeke bambambathe uElija emhlane. Kazange amele leyonto. Hatshi, mnumzana. Wabatshela iQiniso likaNkulunkulu. Futhi nxa iZulu lilikhulu kakhulu, lalapho esiyakhona, khona-ke nxa singeke siziqondise ngezintwananyana ezincinyazane, sizaziqondisa kanjani loMoya Khonale? Kufanele liziqondise ngeLizwi. ¹⁷⁴ Isizatho isikhomanisi sithanyela ilizwe lamuhla, akusikho ngenxa yesikhomanisi. Kungenxa yebandla. Kungenxa yabantu. Lamuhla bazibiza ukuthi bangamaKhristu. Bahlabela njengeNgilos. Amazwi aqeqetshiweyo, lokukhuluma ngobungcwethi, sengathi ziNgilos ezinkulu; futhi bangakhulwa iLizwi likaNkulunkulu, njengabodeveli. Kunjalo. Bahlabele njengeNgilos enkulu, bagqoke njengengingakwazi ukuthi yini, futhi balundule iLizwi likaNkulunkulu.

¹⁷⁵ Indoda, umtshumayeli kuphuluphithi, ozakuma lapho futhi abizwe ngokuthi Dokotela, Mhlonitshwa, futhi umbuze, “IBhayibhili lingabe lakhuluma ubhaphathizo e ‘Bizweni leNkosi uJesu Khristu,’ kumbe, ‘Baba, Ndodana, loMoya oNgcwele?’” Futhi uzahleka ebusweni bakho futhi athathe, “Baba, Ndodana, Moya oNgcwele.” Khona-ke uzibize umntakaNkulunkulu?

¹⁷⁷ Akusiyonto elula, kodwa yindlela yomprofethi weqiniso. AkuKhalimele lapho, futhi aKukhulume loba kubuhlungu kumbe hatshi.

¹⁷⁸ UJohane wayengumprofethi weqiniso. Wathi, “Ihloka libekiwe empandeni yesihlahla.” Yiyo indlela yabo. Sibili.

¹⁷⁹ Uhlupho luphakathi kwakhe. Bahlabela njengeNgilosu, badanse njengabodeveli phandle lapha, imidanso, beqhubeke, ukudlala amakhasi, indawo zemijaho. Amaphentekhostali, besiya endaweni zokuzithokozisa, amabhayisikopo agcwele ngabo. Indawo yonke, loba yiphi imidlalo emidala kumbe enye into, futhi behle khona phansi lapho, futhi imijaho layo yonke into, futhi bazibize ukuthi ngamaKhristu, futhi baye phezulu futhi bamemeze, futhi bakhulume ngendimi, futhi bathathe ukugezana inyawo lesidlo.

¹⁸⁰ Ngani, ku—ku, “Njengenja isiya emahlanzweni ayo,” umprofethi wathi, “ngakho bayakwenza.” Nxa leyonto yayingeyomhlaba, imele ikhahlelelwe phandle kwakho, kungani ubuyela kuyo njalo? Kunjalo. ¹⁸² Bazitsho ukukhokhelwa nguMoya oNgcwele, benze izinto ezinjengalezo. Ungacabanga umfazi, ekhokhelwa nguMoya oNgcwele, avumele inwele zakhe zigelwe, lapho uMoya oNgcwele uqobo ukubeka icala? Khona-ke uMoya oNgcwele unguMuntu bani? Ungakucabanga?

¹⁸³ Ungacabanga umtshumayeli esima kuphuluphithi, futhi loba ngubani engamgolomba ukumtshengisa indawo eyodwa loba ngubani awake wabhaphathizwa esebenzisa izihloko zika “Baba, Ndodana, loMoya oNgcwele,” futhi ahleke ebusweni bakho futhi akubize odlulisa amalawulo, ngokubhaphathiza eBizweni likaJesu Khristu, futhi athi ukhokhelwa nguMoya, futhi athi uloMoya oNgcwele? UMoya oNgcwele angalandula iLizwi Lakhe uQobo? Hatshi, mnumzana. Uh-huh. Liyabona? Ngithemba liyakubamba.

¹⁸⁴ Angazi ukuba yisikhathi esinganani. Ukudubuka okulandelayo kungangithola. Kodwa, kuze kwenzeke, ngizabe ngimile khona lapho kanye leLizwi. Lapho ngihlangana lawe phetsheya ekwaHlulelweni, ngizakube ngimile ngaseLizwini lelo. Yikho lokho engikukholwa ukuba liQiniso.

¹⁸⁵ Hatshi, kawenzi zinto njengalokho, futhi-ke ubeloMoya oNgcwele. Ngaya emfazini womtshumayeli ngesinye isikhathi, ehlezi phezulu lapho egqoke isigqoko, sasikhangeleka kubi.

Uthi, “Awula malungelo.”

¹⁸⁶ Ngilelungelo. Lelo yiLizwi. LiTshumaye lonke. Uyeqa lezo zinto, inengi lezitabane zabatshumayeli, ngoba abala sibi- . . . Mhlawumbe awubizwanga lokubizwa ukutshumayela, kwasekuqaleni. Yebo. Kodwa inceku yeqiniso kaNkulunkulu izahlala kanye laleloLizwi. Kunjalo.

¹⁸⁷ Umfazi womtshumayeli ehlezi lapho, ebandezelwe phakathi kwesigqoko, lamacici elenga, ezipendile, lenwele ezimfitshane ezigeliweyo. Lapho, uNkulunkulu ulahla yonke into njengokungcola. Futhi-ke usithi uloMoya oNgcwele?

¹⁸⁸ Ngangitshumayela lapha ePhoenix, kungasikude, ngento enjengaleyo, futhi umfazi kamtshumayeli ehlezi kuphuluphithi, lalezinwele ezigelwe njengabafana zimafindo-findo, lesigqoko ayengeke ngitsho anqabele izembatho zangaphakathi zibonakale. Wayengeke aguqe phansi ngamadolo akhe. Phose ama-intshi amane kumbe amahlanu ngaphezu kwamadolo akhe, ehlezi phezulu lapho; eseqa phezulu laphansi, ekhokhela ingoma. Ngakukhalimela nje kalukhuni ngawo wonke amandla ami. Sibili, angeke aphinde anginxuse. Angikukhangelelanga. Kodwa uyakwazi lokho okulungileyo lokungalunganga. ²⁵⁶ Ngithanda ukuma loPhawuli, “Kulokho umhlaba okubiza ngokuthi imfundiso yamanga, yiyo indlela engikhonza ngayo uNkulunkulu, ngoba yiLizwi Lakhe.” Yebo, mnumzana. Yebo. O, sibili.

²⁵⁷ Udokotela uyahlola udaba. Uyabona lapho olukhona. Umprofethi weqiniso uyahlola udaba, ngeLizwi. Wenzani? Udokotela uyahlola udaba lwakhe, ngezinkombazifo. Kunjalo na? Ukhangela inkombazifo futhi abone lokho okuyinkinga ngesigulane. Ubona ukuthi solumemetheke okunganani, futhi athi, “Akula lutho olungenziwa.”

²⁵⁸ Futhi umprofethi weqiniso uthatha iLizwi likaNkulunkulu futhi ahlole izindaba, aphosele uMuthi phakathi kwakho. Futhi abantu bayaKuphosela ebusweni bakhe. Kuyini okuzakwenzakala? Wathi, “Lowo Nkulunkulu elitsho ukuthi lizamkhonza uzalibhubhisa.”

“Ngani?”

²⁶⁰ “Aligcinanga imilayo Yami.” Futhi kanti babecabanga ukuthi wayeyigcinile. Angizange ngikubale khona lapha? indima 2, 4. . . isahluko 2, indima 4, “Ngoba Ngilikhethe ukuba yi. . . Kuzo zonke imuli zomhlaba, Ngikhethe lina, futhi kanti liyala ukuhamba eMilayweni Yami.” Ucabanga. . .

²⁶¹ Lowo omcinyane, umprofethi olekhanda elilempabanga emile lapho lalezo ndevu ezimpunga; ziphephukela emehlweni akhe, evutha umlilo; ekhuluma kuleloqembu labapristi lezinto, futhi wathi, “UNkulunkulu lowo lina bazenzisi elenza sengathi liyamkhonza, lowo Nkulunkulu ofanayo uzalibhubhisa.” Licabanga ukuthi wayengathola usekelo? Huh! Wathi. . . O, minabo! Yena, umzame lamuhla futhi ubone nxa wayengakwenza. Hatshi. Kodwa yena wenzani? Yiyo indlela yomprofethi weqiniso. WayeleLizwi. Wayekwazi lokho elaLiyikho.

Njengo Mikhaya wakudala. . .

²⁶² Ingane encinyane engayibusisayo, ngedlule okunye kwakho, imizuzu emilutshwana edluleyo, ngoba ngigijimisa isikhathi.

263 Kodwa, uMikhaya, lapho esima phambi kukaAhabhu, wabakhangela. Wayelazi iLizwi. UMikhaya wakhuluma iLizwi kubo. Ngani? UMikhaya wahlulela umbono wakhe, iMfundiso yakhe, ngeLizwi likaNkulunkulu. Futhi wabona ukuthi iMfundiso yakhe leLizwi kwakufanana. Ngoba, iLizwi lathi Uzaqalekisa uAhabhu, futhi Uzabangela izinja ukukhotha igazi lakhe. Yikho lokho iLizwi elakutshoyo.

264 Ngakho, uMikhaya wayelombono. Yikho, wayengumprofethi. “Bona ukuthi iLizwi libuya kimi.” Futhi wakhuleka, “O Nkosi Nkulunkulu, kuyini okufanele ngikwenze? Kuyini okufanele ngikukhulume kuleliqembo labatshumayeli elimileyo lapha? Nanzi zonke izinhlanganiso. Wonke umuntu elizweni ubuthene emelene lami, Nkosi. Lapha ngimi phambi kwenkosi. Kuyini okufanele ngikukhulume?”

265 Futhi wangena embonweni. Wathi, “Qhubekani lenyuke. Qhubekani.” Wathi, “Kodwa ngibone uIsrayeli ehla kaze kile njengezimvu zingelamelusi.” Yebo.

266 Lowo—lowomdala wesiqinti weza lapho futhi wamwakala emlonyeni, futhi wathi, “Kungaphi lapho iLizwi likaNkulunkulu, uMoya kaNkulunkulu, ohambe khona, lapho Uphuma phakathi kwami?” Phakathi kwakhe?

267 Liyakwazi lokho uNkulunkulu akutshoyo? Wavumela udeveli wehla phansi, wangena phakathi kwabo, ngoba babengekho eLizwini, kwasekuqaleni.

268 IBhayibhili lathi, “Nxa babengeke bakholwe iLizwi, Wayezabanika inkohliso elamandla, ukukholwa amanga, futhi balahlwe ngawo.” Yikho kanye lokho lezi inhlanganiso labantu balesisizwe abakwenzayo lamuhla, bekholwa amanga, ukulahlwa ngawo. “Ngoba kakula elinye iBizo eliphiweyo ngaphansi kweZulu okumele lisindiswe ngalo.” Ziqondaniseni, zinhlanganiso, lokunjalo. Yebo.

269 Manje, kuyini abanye laba abakwenzayo...?...Kuyini abanye abaprofethi laba abakukhangelayo? Babengabaprofethi. Yebo, mnumzana. Babengabaprofethi. Kodwa aluba babengabe bemile futhi bahlola isiprofethi sabo ngeLizwi!

270 Nxa amaMethodisti engama lamuhla futhi ahlole isiprofetho sabo, kabasoze bafafaze omunye umuntu. Babezakwamukela uMoya oNgwele. Babezakubhaphathiza bonke ngokucwilisa, eBizweni likaJesu Khristu. Nxa iAssemblies of God ingama lamuhla futhi ikhangele isiprofetho sabo, bebezaphenduka eLizwini. Nxa iOneness, lamuhla, ingama futhi ihlole isiprofetho sabo, bebezaphenduka eLizwini.

Kodwa uMikhaya wathi, “Lokho kuzwakala kuzwisiseka.”

²⁷² Kodwa yikho lokho okuyikho. Awufuni ukucabangisise. Ufuna ukukholwa lokho uNkulunkulu akukhulumileyo. Lingacabangisisi lutho.

²⁷³ Aluba uAbrahama wayengabe ecabangisisile? Wayezakutshiya kanjani ilizwe lakhe? Wayezakube eleminyaka elikhulu kanjani ubudala, elokhu enikeza udumo kuNkulunkulu, futhi babezakuba lengane ngoSara, futhi yena elamatshumi ayisificamunwemunye?

Lahla ukucabangisisa. Wena kholwa nje.

²⁷⁶ Kodwa uzakukhuluma into embi ngami, leyo angaba lelungelo kiyoyi, khona-ke uqhubeka uthola lokho, mana futhi uqale ukucabangisisa, “Yebo. Wayengafanelanga ukuba enze *lokhu*. Wayengafanelanga ukuba enze *lokho*.” Uqala ukukhangela kimi, awu, ulokunengi nje.

²⁷⁷ Futhi wawungabe ukhangele eNkosini uJesu. Ungafumana okunengi. Mkhangele, okomzuzu nje. Ngizakubeka munye lamunye wenu abe ngumtshumayeli. Manje sizakhohlwa ukuthi Wake waba semhlabeni. Nangu uMfana ofakazelweyo, isizwe sonke, ukuthi Ungu—unguMntwana ozelwe ngobufebe. Umama wakhe waba Laye ngaphambi kokuba yena lobaba Wakhe bengakathathani. Kufakaziwe. (Manje, abayi eLizwini, “Intombi izakhulelwa.”) Baya nje kulokhu abakuzwayo, bona, “UMntwana olivezandlebe.” Abazange baMtshale ukuthi Wazalelwa esonweni, futhi ezama ukubafundisa? Ngi. . . Bona?

²⁷⁸ Futhi khangela kulokho Ayekwenza. Ngempela wayediliza ibandla lonke elalikhona elizweni. Ngabe lokho kwakuyikho na? Izinhlanganiso, yonke enye into.

²⁷⁹ Waye Eyini? “UMfana nje osekhule wedlulisa ehamba ebhoda njengalokho, uMfo omncinyane, engelanhlanganiso yesonto. Ngitshela Ungowaliphi ibandla. Ngubani ubaba Wakho? Uthi uJosefa akasuye baba Wakho?”

“UJosefa akasuye baba Wami,” Wayengatsho.

“Awu, ngubani uBaba Wakho?”

“UNkulunkulu nguBaba Wami.”

²⁸⁰ “Awu, Wena odlulisa amalawulo! Yikho kanye lokho Oyikho. Wena, unguMuntu, futhi usithi uNkulunkulu unguBaba Wakho?”

281 Nxa babengabe bakuhlola ngeLizwi! Haleluya. Aliboni ini? ILizwi lalizakwenziwa libe yinyama. Abazange bahlole umbono wabo ngeLizwi. Yikho lokho.

282 Yilo uhlupho lamuhla. Kalihloli imibono yenu nge...isiprofethi senu—senu lemfundiso yenu, ngeLizwi likaNkulunkulu. Omunye uzama ukulitshela iQiniso, khonake awusazwanani labo, njengalokho uAmosi ayengakwenza, uAmosi akwenzayo. Lalizakwenza into efanayo.

283 Manje khangela lapha. Usesimweni lesi. Manje, wawuzaKumlahla, mhlawumbe, lokho kunjalo, nxa wawungazange ubuyele eLizwini. Benza okufanayo. BayaMlahla lamuhla.

285 Kungani ungahloli ubhaphathizo lwakho, ngo “Baba, iNdodana, uMoya oNgcwele,” lobo obamanga ubu “thathu,” okuthiwa kunjalo, okungasilutho emhlabeni kodwa izikhundla ezintathu zikaNkulunkulu munye, izihloko? Akula *bizo* lika “Baba.” Akulanto enjengokuthi *ibizo*, “Baba, iNdodana, loMoya oNgcwele.”

286 Ibizu likaBaba, Ndodana, loMoya oNgcwele, okuyikuthi, “iNkosi uJesu Khristu.” Hlola ubhaphathizo lwakho ngendlela wonke umuntu eBhayibhilini abhaphathizwa ngayo. Nxa ungahlola umcabango wakho ngeLizwi, u—ungaphenduka futhi ubhaphathizwe eBizweni le “Nkosi uJesu Khristu.”

287 Yikho lokho uPhawuli abatshela khona ukuthi bakwenze. Futhi wathi, “Uba omunye umuntu wafundisa olunye ulutho olwahlukileyo, makabe—makabe ngoqalekisiweyo, loba nxa iNgilososi isehla phansi.”

288 Liyazi, izikhathi ezinengi, iNgilososi ziyehla phansi. Mfana, iPhentekhosti ikudla kanjani lokho!

289 Kanjani lapho uMartin oNgcwele emile lapho, futhi lapha kwakume umuntu omkhulu okhazimulayo phambi kwakhe?

290 Umuntu owabhaphathiza eBizweni likaJesu, owakholwa kuMoya oNgcwele, futhi wagcina iLizwi! Futhi amaRoma emkhalalela phandle, futhi besenza yonke into kuye, bezama ukumnika inkolo zokwenziwa zabo lezimfundiso ezenziwe ngabantu. Leyondoda yama eLizwini.

291 Ngolunye usuku, emandleni akhe, odeveli babesiza kuye futhi bezama ukukhuluma laye. Wayengabalaleli.

UMartin wamkhangela. “Kuleny into engalunganga lapho.”

²⁹³ Wathi, “Martin, awunginanzeleli na?” Wathi, “NgiyiNkosi loMsindisi wakho.” Wathi, “Ngikhonze.” Wakutsho lokho kathathu.

²⁹⁴ Futhi uMartin wathalaza. Wabona, uKhristu uzakwetheswa umqhele ngabantu Bakhe, ekuBuyeni. Uzabe engagqokanga amapatapata egolide. Wathi, “Suka kimi, Sathane.”

Mfana, angezake akudle lokho amaPhentekhostali? “Mfana, iNgilosi ekhazimulayo!”

²⁹⁵ Lowomfazi wehla phansi, eChicago lapho engiya khona, wathi, “Mfowethu Branham, abatshumayeli phezulu lapho bathi nxa iNgilosi yeNkosi ikutshelile ukubhaphathiza eBizweni likaJesu, babezakwamukela. Kodwa ngabe lowu kungumcabango wakho?”

²⁹⁶ Ngathi, “Nxa iNgilosi yeNkosi ikhulume ulutho oluphambene laLokho, akusoze kube yiNgilosi yeNkosi.” Bona?

²⁹⁷ Nxa iNgilosi isitsho loba yini ephikisana la*leli*Lizwi, mayibe ngamanga. Futhi nxa umuntu ekutshela, isithunywa esivela kuNkulunkulu, ethi uvela kuNkulunkulu, futhi akutshela, “Kulungile ukubhaphathizwa, ebizweni lika ‘Baba, Ndodana, uMoya oNgcwele,’” makabe ngumqambi wamanga.

²⁹⁸ Nxa umuntu ekutshela, “Kulungile kuwe, ukuba lenwele ezigeliweyo, futhi lezinto ezinjengalezo; ukuthi kufanele ugqoke ingwane ebandleni, okwesimbozo, ‘ukuba yisimbozo,’” makabe ngumqambi wamanga.

²⁹⁹ ILizwi likaNkulunkulu, liQiniso. Loba yiziphi zalezi izinto eziphikisana leLizwi, makube ngamanga. KuyiLizwi, kuliQiniso. Kuzakuma.

³⁰⁰ Yiso isizatho uMikhaya wayekwazi ukuthi isiprofethi sakhe savela kuNkulunkulu, ngoba sasileLizwi likaNkulunkulu. Yebo, mnumzana. Umbono wakhe waweyamele nje kokufanayo njengeLizwi likaNkulunkulu.

³⁰¹ O, aluba uAmosi wayelapha, wayengahlala leLizwi. Kunjalo. Kodwa, uyabona, okuluhlupho lamuhla, ngathi, kunjengalokhu okwakungabo. Ngilungiselela ukuvala. Uhlupho ngathi kunjengalokhu okwakungabo. Babefundisiwe, ngokungaphandle kwesiSekelo. UJesu wathi, “Lenze iLizwi likaNkulunkulu laba ize ngemikhuba yenu.” Lalolobhaphathizo lwamanga! Leso sibonakaliso samanga sokwamukela uMoya oNgcwele! Abanye babo bathi, “Xhawula isandla.” Abanye babo bathi, “Khuluma ngendimi.” Sengake ngezwa odeveli bekhuluma ngendimi, futhi bexhawula izandla, futhi. Yebo, mnumzana. Akulasibonakaliso Sakho. Manje, zonke lezi izinto kanjalo, zonke lezo zinto, bona, uyaphuma eLizwini likaNkulunkulu ukufundisa leyo mikhuba. Kunjalo.

Manje, wayengakwenza, wayezafanele akubuyisele eLizwini.

³⁰² Kodwa silabo, abafundisi bethu lamuhla, bafundise abantu, bebasusa esiSekelweni seLizwi likaNkulunkulu. Manje lalelisisani.

³⁰³ Yikho lokho ababekwenzile lapho. Yikho lokho uAmosi ayebatshela khona. “UNkulunkulu elitsho ukuthi liyamazi, Nguye Lowo ozalibhubhisa.”

³⁰⁴ Manje, sibafundisile, ukusuka (ngaphi?) isiSekelo so “uKholo olwake lwanikelwa kubobaba bepentekhosti,” yebo, iBhayibhili. Bafundisa isihlanzo samanga! Bafundisa ubhaphathizo lwamanga! Yonke into, ngamanga, ngamanga, ngamanga, isehlukana kokokuQala.

³⁰⁵ Awukukholwa? Buyela eBhayibhilini, futhi uthathe i “phegathori yakho,” futhi uthathe owakho “uBaba, iNdodana, uMoya oNgcwele,” futhi “ukufafaza,” lazo zonke lezo zinto, futhi uphenduke futhi ubone nxa kuseMbhaweni. Yiyo indlela. Fumana uba kusesiSekelweni. Bona? Abasekho esiSekelweni.

³⁰⁶ Lokho, uPhawuli watsho ukuthi. . . iBhayibhili—iBhayibhili likhuluma ukuthi i—i. . . ukuthi, “IBandla likaNkulunkulu lisekelwe phezu kweMfundiso yabapostoli labaprofethi.” Abaprofethi labapostoli kufanele bafanane. Sibili.

³⁰⁷ Ini? Sasuka kuleso siSekelo seLizwi, saya ezisekelweni zenhlanganiso yesonto.

³⁰⁸ Lalelani manje. Sengivala. Gqokani okusiza ukuzwa kwenu kukamoya. Lalelani.

³⁰⁹ Sisukile esiSekelweni seLizwi, futhi saya esisekelweni senhlanganiso yesonto. Ngingahlala isikhathi eside okunganani kulokho? Amanye amahola amathathu. Ukusuka esiSekelweni seLizwi, sisiya esisekelweni sentokozo zomhlaba, ubumhlaba, ukungaziphathi kunanabela ebandleni. Ukusuka eLizwini, kusiya kuzivumokholo. Lokho kungangithatha amaviki amathathu ukutshumayela ngifike, ingxenye phakathi, zona izichasiso ezine khona lapho. Ukusuka eLizwini, kusiya enhlanganisweni yesonto, ilizwi lenhlanganiso yesonto. Masinya lapho i—ibandla lizenza inhlanganiso yesonto, liphumile eLizwini khona lapho.

³¹⁰ Akusela kodwa into eyodwa. Phenduka khona emuva lapho okucezuke khona, futhi uhambe njalo. Phenduke eLizwini. Kunjalo. *Phenduka* kutsho uku “hamba, buyela emuva, tshibilika.” Uhamba ngendlela engayisiyo. Kulungile.

³¹¹ Intokozo yenhlanganiso yesonto. Inhlanganiso yesonto eye wor-. . . I—isisekelo, ngitsho, ese—esentokozo, isisekelo sezinto zomhlaba, isisekelo sezivumokholo. Lakho konke lokho, ndawonye, kwacacada, ukungaziphathi okubolileyo ukubola kukamoya.

³¹² Yena engumprofethi weqiniso, uzakubona phakathi kwethu khona kanye lokho akubonayo phakathi kwabo. Nxa wayemile lapha kulipulatifomu lamuhla, futhi ngingathi, “Mfowethu Amosi, mprofethi omkhulu kaNkulunkulu, wena ongesabiyo, woza lapha futhi uthathe indawo yami,” wayezatshumayela leliLizwi. Uzamele akwenze. Ungumprofethi. Kulungile. WayezaKutshumayela ngendlela eLilotshwe ngayo, lokho nje esikutsho manje. Kulungile. Wayezakuba, bona phakathi kwabo lokho akubona kithi, ukubola kokungaziphathi.

³¹³ Khangela nje, bangane. Bangaki lapha, kulelibandla elikhona lapha manje, ababona ukuthi umhlaba usekuboleni kokungaziphathi? [Ibandla lithi, “Ameni.”—Mhl.] Ngani, siyakwazi kuyikho. Luyini uhlupho? Kungaphandle kweLizwi. Kulungile. Kulungile.

³¹⁴ UAmosi akazange asole uhulumende. Limnanzelele lapha, lapho likubala lapho lisiya ngek haya? Akazange asole uhulumende, wasola ibandla ngokukhetha uhumende onjalo. Hum!

³¹⁵ Lina abezepolitiki, mangiyekele lokho kulichole okwesikhatshana, lapha lasemhlabeni wonke, lapho okuzakuyakhona. Ibandla lakhetha into enjengoJerobhowamu. Angazi nxa lina, thina, singenzanga phose into efanayo? Kasithini nguhulumende olungileyo; uhulumende angeke akhe indlu edwaleni lapho abantu bekhetha indlu etshebetshebeni. Engakwenza na? Lingathi, “Uhulumende wethu! Uhulumende wethu!” Yini, isizwe. Ngabantu. Singathi kanjani . . .

³¹⁶ Umtshumayeli wathi kimi, wathi, “Mfowethu Branham,” wathi, “khangela. Ngiyazi ukuthi uqondile Kulokho. Kodwa,” wathi, “nxa ngingatshumayela Lokho, inhlanganiso yesonto yami ingangikhahlelela phandle, abantu bami bangangixotshela phandle kwebandla.” Wathi, “Kangisoze ngitshumayele enye intshumayelo.”

Ngathi, “ITshumayele, kungenani.” Yebo, mnumzana.

³¹⁷ KuyiLizwi likaNkulunkulu. Ulomlandu. Nxa ungumprofethi kaNkulunkulu, weqiniso, uzahlala leLizwi. Nxa kungenjalo, uzahlala lenhlanganiso yesonto yakho. Kuya ngalapho ovela khona.

³¹⁸ Khangela. Hatshi, mnumzana. Asingeke sakhe, uhulumende kangeke akhe indlu phezu kweDwala eliqinileyo lapho abantu bevotela indlu yentokozo etshebetshebeni elitshonayo.

³¹⁹ Khangela lokho esikufunayo. Asithatheni nje umzuzu manje. Ngithemba angilikhathalisi. [Ibandla lithi, “Hatshi.”—Mhl.] Kodwa kasikhangeleni lokho esikufunayo, okomzuzu nje. Angeke ngedlulise isibabazo lesi, linothi. Khagela lokho esikufunayo.

320 Khangela itelevizhini yethu. Yikho lokho esikufunayo. Sifuna abanye balaba abenza inhlekisa bame phezulu lapho futhi balethe zonke inhlobo zensomo ezingcolileyo, futhi sihlala ngekhaya singahambi emhlanganweni womkhuleko ngoLwesithathu ebusuku, kumbe umtshumayeli uphumisa masinyane ukuze lihambe liyekubukela; okunye okudala okungcolileyo, okungcolileyo, okwende kahlanu kumbe kasithupha, iwule, besenza insomo ezingcolileyo, begqoke okukhanukisayo, futhi beqhubeka njengakho konke. Futhi liyakuthanda lokho ukwedlula ukuthanda indlu kaNkulunkulu, kuyatshengisa uhlobo lomoya okuwe.

321 Siyavumela. Thina, abantu, nxa abantu balesi sizwe bengabhalela incwadi kuhulumende wethu, sithi kuzakuba lezigidi zamakhulu encwadi ziphaphela kuhulumende, “Misani lezonhlelo ezingcolileyo,” bazamele bakwenze. Singabantu. Kodwa thina, abantu, sifuna ukungcola, ngakho yikho lokho esikutholayo.

322 Khangela uhlelo lomsakazo. O, minabo! Bantshintsha i*Dwala laPhakade* kwaba yisinjonjo. Uh-huh. *Isiphambano esiDala esimaHlikilili* kwaba yikuzitshila, nge-rock-and-roll ngakho. *Isiphambano esiDala esimaHlikilili*, yebo, sibili, emisakazweni, amatelevezhini. Yonke i... Bathatha lapha, kungasikude, yona, okokubhodisa esinqeni, wona amankazana amancinyane. Yonke into nje ngokungaziphathi abangaba yikho, yikho lokho esikuthandayo.

323 Kusekelwa yini? Utshwala, iwiski, igwayi, imali yesizwe. Kuyini abakwenzayo? Thatha imali yabo yomthelo, efanele iye kuhulumende okwemithelo, futhi babhadalele okwenhlelo ezingcolileyo zetelevizhini abazifakayo.

324 AmaPhentekhostali ayevame ukungayi kuwo angcolileyo, amabhayisikopo angcolileyo lapho besiba lemidlalo enjalo. Udeveli wabeka owodwa kuwe, wabeka itelevizhini endlini yakho.

325 Indlela yomprofethi weqiniso inzima kakhulu, kodwa asihlalani leQiniso. Yebo, mnumzana.

326 Khangela emabhodini ethu ezaziso. Abafazi bemile phandle, belegwayi esandleni sabo, wonke uJezebeli omncinyane elizweni. Ngahamba e . . .

327 Ngolunye usuku, ngabona into engajwayelekanga. Kwakulomfazi oyedwa owabuya esikolweni phandle lapho, ukuthatha abantwana, lapho ngisiya ukuyabathatha, ababengagqokanga ipheya yabokabhudula; futhi, khona, umkhathi utshaza. Bonke ngamunye wabo belegwayi. Masinya befika lapho futhi besima, babengelagwayi, babelilumathisa khona masinyane, futhi, “Whew! Bona ukuthi ngiqhuba kanjani?” Bekhuphele isandla leso phandle komnyango, njenga

lokhu, elomhlanga wegwayi esandleni sakhe. Futhi ukhulume ulutho ngakho, o, bayadubuka. Sibili.

³²⁸ Khuluma ulutho kuRicky kumbe uElvis, kumbe omunye wabo phandle lapho, bangakudubula. Lohulumende angabasekela, ngoba bangontanga kuphela. “O, lokho kulungile. Bona, abazange bazwisise. Bangontanga. Bekutshaya indiva.”

Manje liyabona lokho umprofethi weqiniso akutshoyo, indlela yakhe?

³²⁹ Khangela kulaba abaphuphi abangcolileyo emabandleni, kanye lenhlanganiso yesonto yabo, bengakudubula khona emhlane. Into kuphela ebamisa ukuba bangakwenzi, yisihawu sikaNkulunkulu, kuze kuthi uMbiko uphume. Udeveli engakubulala, nxa engakwenza. Kuqondile. Kodwa uMbiko kufanele uhambe. “Mina iNkosi ngizakubuyisela.” Kunjalo. “Ngiyenelisa ngalamatshe ukulivusa.” Kunjalo. Kulungile.

³³⁰ Imibukiso yethu yemifanekiso, amabhodi ethu ezaziso, izoni zethu ezithandintokozo bezithi ngamaKhristu. Abantu abazithi ngamaKhristu; abathandi intokozo, abadinga inkanuko. Abafazi, abagqoke okungela kuziphatha; amadoda ebakhangela, bebatshayela ukhwelo, bezithi ngamaKhristu, bephuma phandle. Ngani, baze bathola le—baze bathola le. . .

³³¹ Kuyinto enkulu eFlorida, California, ukuthi balamakilabhu amakhulu manje. Wonke amadoda abuthana ndawonye futhi aphosele amakhiye abo phakathi, futhi abafazi bangene phakathi futhi athathe enye yamakhiye phakathi lapho. Futhi loba ngubani onguye, uthatha “umfazi” wakhe aye laye ngekhlanya. Baphila iviki, khona-ke baphenduke, baphosele ikhiye, amakhiye njalo. Bona? Ngamakilabhu. Abantwana abazalwa ngaphandle komtshado lakho konke, ingulube idla ingulube,inja idla inja. Luyini uhlupho? Kungenxa yokuthi batshiye iLizwi.

³³² Abakwazi ukuthi inhlonipho itshoni. Phandle lapha kanye lezincinyane, izigqoko ezibambayo, lezinto ezinjengalezo futhi bebakhanuka, futhi bacabange ukuthi bayahlonipha. Ungabe ungenzanga lutho olubi, dade, kodwa wothi ngikutshela enye into, uyisikhali sikadeveli. Futhi esiHlalweni sokwaHlulelwa, ITSHO KANJE INKOSI, uzaphendulela ngokwenza ubufebe, lomphfumulo wakho uzakube usuhambile. Uyazi ngcono. Usukwazi manje, kungenani. Kulungile.

³³³ Uhlelo lwethu lonke lonakele futhi lubolile. Ngabantu bethu, lokho abakufunayo. Njengendoda elungileyo yendlu, awu, nxa umuntu wayeyindoda elungileyo yendlu, esola uhulumende wakho. . . Yikho okuthumela abafana bethu phandle lapha futhi kwenze inkuni zamabhombha ngabo, kunjalo, ngenxa yokubola kwethu uqobo. Nxa sithanda iNkosi futhi sikhonza iNkosi, futhi savotela uhlobo oluyilo lukahulumende lakho konke okunye, bekuzakuba yindawo emangalisayo. Kunjalo. Sasingasoze sibe

lezimpi. Hatshi. UNkulunkulu yisiphephelo sethu lamandla. Thumela abafana bethu phandle futhi ubabulale, futhi sibagece, lakho konke okunye, kungenxa yokwenza kwethu uqobo osekukwenze kwagewaliseka. UNkulunkulu watsho njalo, eBhayibhilini, futhi Akaguquki. Uyafana nje. Yikufuna kwabantu benu uqobo.

³³⁴ Njengendoda elungileyo yendlu, aluba eyindoda elungileyo? Ufuna ukwenza okulungileyo. Ufuna ukuphilela uNkulunkulu. Futhi ulentokozo, imuli ethanda ukungaziphathi. Kuyini lokho indoda ezakwenza, lapho umfazi wakhe efuna ukugqoka okabhudula, futhi agqoke izigqoko ezikhanukisayo, futhi aphume phandle futhi enze njengeJezebeli, amadodakazi akhe labantwana bakhe bonke, labo bonke babo? Ubaba wakhe... Umfana wakhe omncinyane amkhulisayo, futhi wamthanda, futhi wambambatha lokuqabuja, lokumbeka embhedeni, futhi wamkhulekela, asukume, athi, “Umdala wami uyahlanya. Konke acabanga ngakho liBhayibhili.” Kuyini leyondoda engakwenza ngemuli yakhe?

³³⁵ Yinto efanayo kuhulumende wethu, ngabantu bakhe lapha. Ungasoli uhulumende. Sola leliqembu lamabandla ahlehlele emuva, ngokubeka izinto ezinjalo kupolitiki zabo njengalokho abalakho. Bayakufuna. Yiso isizatho bekuvotela, futhi yiso isizatho belakho. Futhi yiso isizatho ukwahlulelwa kukaNkulunkulu kuphezu kwabo. Futhi bazakuvuna lokho abakuhlanyelayo. Bayahlanyela manje, futhi bazakuvuna mbayimbayi. Khangela. O! Sitshaywe yibuhlanya. O, yebo.

³³⁶ Ukuzama ukuthenga indlela yethu ukungena eRussia. Ukuzama ukuthenga indlela yethu lesikhomanisi. Ukuzama ukwenza. Ngani, imali, awungeke uthenge lezi izipho zikaNkulunkulu. Kwakulendoda, uSimoni, wazama ukukwenza ngolunye usuku, futhi uPhetro wathi, “Bhubha lemali yakho.” Sidlala ingxenye kaSimoni isanuse, sizama ukuthenga isipho sikaNkulunkulu.

³³⁷ Phenduka eLizwini. Buyela kuNkulunkulu. Buyela kuKhristu. Khona-ke ungakhathazeki ngesikhomanisi. Sizavotela indoda eqondileyo. Sizakuba lenye indoda njengeAbraham Lincoln, George Washington, omunye umuntu owayeyindoda sibili. Ungasoli lowohulumende phezulu lapho. Asizisoleni. Yikho lokho uAmosi ayengakutsho. Futhi yikho loba wuphi umprofethi weqiniso kaNkulunkulu angakutsho, nxa elazi iLizwi likaNkulunkulu. Nxa engumprofethi weqiniso, u—uyazi iLizwi, ngoba Liza kuye.

³³⁸ UIsrayeli, ebunganini babo le—lesitha sabo abazenzela sona. Kuqala, kwakufanele basuke eLizwini likaNkulunkulu, bengakenzi ubungane lesitha sabo.

³³⁹ Futhi singakenzi ubungane lezitha zethu lezinto, kumele sisuke eLizwini likaNkulunkulu. Uh-huh. Kuyafana manje,

sivumela iRoma ithathindawo. Ngani, siyakwenza, isikhathi sonke. Usethethe uhulumende. Uthatha izindawo. Usethethe abantu. Manje usethatha amabandla.

³⁴⁰ Kuyini esikwenzayo? Sihlezi sithule, sivumelana labo. “O, akwenzi mehluko loba *kungalindlela* kumbe *leyo* ndlela. Konke nguNkulunkulu, kungenani.” Lina elidubekayo, elihawulayo, elihlehlele emuva elizithi abaprofethi. Luyini uhlupho ngani? Abalazi iLizwi ngoNkulunkulu lalezizinto. Kabalitaditshi iLizwi. Kabananzeleli. Bathi isikhomanisi sizakuthatha umhlaba. Hatshi, akunjalo.

³⁴¹ IsiRoma sizathatha umhlaba, futhi sikwenza ngaphansi kwebizo lesiKhristu. Alizange iBhayibhili, uJesu athi, “Kuzakuba seduze kakhulu, kuze kukhohlise abaKhethiweyo uqobo, nxa kusenzeka?”

³⁴² Lokho esikufunayo lamuhla . . . Wothini ngivale, ngikhuluma lokhu. Manje sengizavala. Lokho esikufunayo lamuhla ngomunye umprofethi weqiniso. Ameni. Sifuna indoda okweLizwi likaNkulunkulu ukuthi libuye kuye. Yebo, mfowethu. Angalahlwa futhi axotshelwe phandle, futhi aphoselwe phandle, kodwa ngeqiniso angadubula isikhala. Yena, yena. . . Yebo, uh-huh. Ngeqiniso angaphosa iNhlanyelo enjalo kuze kuthi Abakhethiweyo baKufumane. Uh-huh. Kunjalo. Sifuna umprofethi. Futhi, mfowethu, sithenjisiwe oyedwa, ngokukaMalakhi 4, “Ukubuyisela.” Ini? “UKholo lwabantu, libuyele eBhayibhilini.” Sithenjisiwe oyedwa. Uzakwenza.

³⁴³ UAmosi wayesazi. Yebo, mnumzana. UAmosi wayesazi, uIsrayeli, izithandwa zakhe ezingelabunkulunkulu zizakubabhubhisa masinya.

³⁴⁴ Futhi lezithandwa zabo ezingelabunkulunkulu zalamuhla zizakubabhubhisa masinyane, izivumokholo zenhlanganiso yesonto uqobo lezinto abazibophele phakathi kwazo. Lina maPhentekhostali, yiyo into ezakulibhubhisa, isivumokholo senu lenhlanganiso yesonto. Uyazibophela phezulu laphayana, uthatha uphawu lwesilo, futhi ungakwazi ngitsho, ukudonsela ngaphezu kwamehlo akho. Sibili. Yikuduba. Kuyini ozama ukukwenza? “Ungowa *lokhu*, kumbe awusuye wakhona.” Bona? Lindela nje, thatha nje okuncinyane, isikhathi esidanyana nje. Khona-ke, uthi, “Ngizaphuma phakathi kwakho ngalesosikhathi.” Hatshi, awusoze. Usuvele usuphakathi kwakho. Usufakwe uphawu. Usubanjwe ulophawu kuwe.

³⁴⁵ Kungelandaba, uEsawu wakhala kabuhlungu, lapho esazi ngcono. Kodwa wakhala kabuhlungu, ezama ukuthola indawo yokuphenduka, futhi akazange ayithole. Uzahlala khonapho lesosikhathi. Manje yisikhathi sokubaleka.

346 UAmosi wayesazi ukuthi izithandwa zakhe ezingelabunkulunkulu zazizambhubhisa ngokuphangisa, ngoba bona, ibandla, laliMtshiyile, uNkulunkulu leLizwi Lakhe, indlela yokuPhila. Basukile endleleni kaNkulunkulu yeMpilo, futhi bazenzela eyabo. O, iLizwi laliyisikhubekiso kubo.

347 Futhi Kuyinto efanayo lamuhla. ILizwi likaNkulunkulu liyisikhubekiso kozithi ngumKhristu. Mtshela ngobhaphathizo lwamanzi eBizweni likaJesu Khristu. Mtshela ngoNkulunkulu ongcwele. Lokho kuzakwenza . . .

Futhi, awu, bathi, “Awu, siloMoya oNgcwele.”

348 Khona-ke kungani ulokhu usiba lenwele ezigeliweyo? Kungani ulokhu ubhaphathiza ebizweni lika “Baba, iNdodana, uMoya oNgcwele”? Kungani ulokhu ukholwa kulezi ezinye izinto ozikholwayo, futhi usenza ngendlela owenza ngayo? Kuyatshengisa. Izithelo zakho ziyakutshengisa. UJesu wathi, “Ngezithelo zabo, uzakubazi.” Yebo. Bona? Lokho kuyatshengisa nje, ukhuluma ngento ongazi lutho ngayo. Yebo, mnumzana. Yebo.

349 Nxa uAmosi wayelapha, wayengakhalimela inhlelo zabo. Liyakwazi lokho?

350 Manje ngizakubala indima eyodwa ngingakavali, indima 8 yesahluko 3. Futhi asibaleni.

*Isilwane sibhongile, ngubani ongayi kwesaba?
iNkosi . . . isikhulumile ngubani ongayekela
ukuprofetha?*

351 Lalelani. Ekuvaleni manje, ngifuna ukuthi lokhu. Ngiyaxolisa ukuba ngiligcinile, ngilidonse ngenxenye yehola. Kodwa, khangelani. Ngifuna ukukhuluma lokhu. Ngingumzingeli. Ngiyazingela. Ngiyathokoza uNkulunkulu wanginika into enjengaleyo.

352 Ngolunye usuku lapho umbhobho udubuka, ngabuyela emuva, ngibona uba ngangidubula njalo. Angifuni ukuthi kungethuse. Nxa ngaba lengozi, phandle emgwaqweni, angisoze ngitshiye ukutshayela imota. Nxa ngihamba esibuyeni futhi ngikhubeke uzwane lwami ekhaphethini, futhi ngaphuma ngefasi-tela, Angisoze ngitshiye ukuhamba. Bona? Hatshi, hatshi. UNkulunkulu wanginika okokwenza okuhlanzekileyo. Lowo kwakunguSathane. Lowo kwakungasuye uNkulunkulu. Bona? Lowo kwakunguSathane.

Laba nje abantu abathathu, okwesiqiniso. Manje, kulungile. Konke ku . . . UNkulunkulu wayekwazi konke mayelana ngakho, futhi wakuxwayisa ngaphambili, lakho konke okunye. Futhi

siyakwazi. Ngokuyingxenye kwakuliphutha lami, futhi ngangilenye into.

³⁵⁴ Nga—ngamela enye indoda ngesinye isikhathi, lapho kungafanelanga ngimbele. Ngabe nje ngamnyikinya isibindi saphuma kuye. Bona? Kulokukwenza, ngenza ukukubhadalela. Ngakho, khona-ke, ngakho sa... Lokho kulungile. Yimi, futhi kuthethelelwe manje. Futhi sizaqhubekela phambili. Bona? Yebo.

UAmosi, lindima 8, “Nxa isilwane singabhonga ngubani ongayikwesaba?”

³⁵⁵ Ngazingela emaguswini aseAfrica. Ngike ngabakhona lapho izilwane ezazikhona. Uyinkosi yezilo. Ngalala phandle emaguswini ngesikhathi sobusuku futhi ngisizwa ukukekela lezimpisi, ukuhleka lokuhlaba umkhulungwane, futhi—futhi le—futhi lenyamazana ezehlukeneyo. Futhi-ke ezinye zazo impisi zazingena, ukunqumisa igazi lakho nje lapho ziklabalala. Futhi lapho lengwe, lokukhala lakho konke okunye, lezinkubabulongwe, lenkawu, lendwangu, lenkulungwane eziphindwe ngezinkulungwane, “zikhala, zikhala.” Uhamba yonke indawo, ungezwa zonke inhlobo zezinto zisenzakala.
