Ngicabanga ukuthi bekuyoba yinto enhle kunoma yimuphi umuntu ukuthatha indodana yakhe ayiyise endaweni ephahlwe izakhiwo engaphansi kompheme futhi ayivumele ibone. Ngicabanga ukuthi uma wake waba seFransi, yisa indodakazi yakho ePigalle; ake ibone ukuthi impilo yomuntu ingaba kanjani.

Ngakho-ke ngenkathi ngehlela e...ngasendaweni ephahlwe yizakhiwo engaphansi kompheme, amadoda elele engakwazi ukuzisiza, izimpukane zibhuza ebusweni babo ngobuhlanzo, futhi o, izixhwanguxhwangu zezidakamizwa, abahlulwa uphuze.

<sup>91</sup> Futhi ngathi, “O, Mfowethu Berg,” ngathi, “mhlawumbe lamadoda lapha yakhuliswa emakhaya a—ayengenandaba ukuthi enzani; adedelwa nje ukuba agijime esitaladini.”

<sup>92</sup> Wabeka isandla sakhe ehломбе lami, wathi, “Ubungamangala.” Wathi, “Khona emishini lapha esiya kuyo, sikhipe ikhulu namashumi ayisishiyagalombili abafela phakathi lapho ngonyaka odlule. Basuswe esitaladini, bebapha ukudla kanjalonjalo, futhi ekugcineni bafa; alikho ithembala ngabo ngaphandle kukaKristu.”

Bese kuthi-ke, ikhambi, bakude kakhulu ngalokho. Wathi, “Lapha, lendoda lapha.” Wathi, “Ngiyayazi. Yivuse.”

Futhi ngaya ngale kuyo, ngase ngithi, “Mnumzane, ngingakhulumna nawe na?”

Wathi, “Awu, ingahle ingakwazi ukukhulumna.”

<sup>93</sup> O, angikwazi nje ukusho isimo indoda eyayikuso. Yayisifike endaweni izingubo zayo kusukela okhalweni kwehle kwakusesimweni esibi kakhulu, kumanzi yonke indawo. Futhi nje yayisesimweni esi—esibi kabi, inuka. Ngase ngithi, “Mnumzane, ngingakhulumna nawe na?”

<sup>94</sup> NoMfowethu Berg wayinyakazisa. Ngi... Yasukuma. Futhi wathi, “NginguMfowethu Berg.” Awu, yayingazi lutho ngoMfowethu Berg. Yayisalokhu idakiwe.

Futhi ngathi, “Bengingathanda ukukubuza umbuzo.” Ngathi, “Hloba luni lwekhaya owakhulela kulo na?”

Yathi, “Unganginika imali eyenele yokuphuza na?”

<sup>95</sup> Ngase ngithi, “Ngingumfundisi weVangeli. Bengingeke nginike umuntu imali yeNkosi ukuba aphuze.” Ngathi, “Ngi... Imali enginayo ivela kubantwana bakaNkulunkulu, futhi isetshenziselwa uMbuso kaNkulunkulu. Ngizokutshela ukuthi ngizokwenzani: Ngizokuthengela isemishi; ngizokuthengela idina lakho noma...uma uzohamba nami. Kodwa bengingathanda nje, njengomfundisi, ukukubuza.”

Yathi, “Uxolo, Mfundisi ohloniphekile.”

Futhi ngathi, “Awu, kwenzeka kanjani ukuba uze ube ngalendlela na?”

Yathi, “Mnumzane, ngiyangabaza ukuthi uzoyikholwa indaba yami.”

“Awu,” ngathi, “ngikuthatha njengomuntu ohloniphekile. Ngi—ngizoyikholwa indaba yakho, ngitshele yona; ngitshele ngokusuka enhliziyweni yakho.”

Futhi yathi, “Mnumzane,” yathi, “ngakhuliswa ekhaya lamaKristu.”

Futhi ngathi, “Bese-ke uwela kulokhu na?”

<sup>96</sup> Yathi, “Yebo, mnumzane.” Yathi, “Nganginomndeni othandeka kakhulu: abantwana abathathu, abafana ababili nentombazane, nonkosikazi omuhle kunabo bonke owake waphila.” Futhi izinyembezi zayo ezinkulu ziqala ukugeleza ngentshebe yakhe endala, empunga. Yathi, “Ngangingumongameli walelibhange ngapha ekhoneni elithize.”

Ngase ngithi, “Ngabe kunjalo na?”

Yathi, “Hamba uye ebhange ubabuze.”

Futhi i... Ngathi, “Awu, yini ebangele ukuba wenze lokhu na?”

<sup>97</sup> Yathi, “Mnumzane, mfundisi ohloniphekile mnumzane,” yathi, “ngokunye ukuhlwa ngafika ekhaya futhi kwakukhona incwadi ethi ‘John Othandekayo’ ibekwe etafuleni. Umkami wayengishiyle.” Yathi, “Futhi a—angizange ngiphuze, futhi kodwa ngacabanga, ‘Kufanele ngenze okuthile, kungenjalo ngizothatha ivolovolo futhi ngiqhumise ubuchopho bami buphume.’ Futhi ngaqala ukuphuza, futhi nakhu la ngikhona.”

Ngacabanga, “Nkulunkulu yiba nomusa.” Niyabo?

E... “Kusukela kuleso sikhathi...” Yilokho okwakuqalayo. Singahlala njalo sicabanga kusukela esikhathini.

<sup>98</sup> Bes-e-ke njengezithandani ezsencane ezishadayo. O, zithandeka ngakho konke. Into yokuqala niyazi, ngangiyoya kulona wesifazane owayeshiye umndeni wakhe, futhi ngiyothi, “Nenekazi, yini ekwenze washiya umndeni wakho na? Ubunomyeni omuhle.”

<sup>99</sup> “O,” beliyothi kimi, beliyothi, “Mfowethu Branham, ngi—ngi—ngangimsulwa njengamazolo avela ezulwini. Ngashada nomyeni wami futhi ngafika kuye ngingowesifazane oqotho. Futhi wayeyindoda ehlonishwayo; wasebenza futhi wajuluka futhi wanginakekela. Futhi abantwana babeyo, umfana wami omncane oyisidlakela, ngenkathi ezalwa, sengiyambona umyeni manje nomfanyana emhlane wakhe, batetene behkhwela behla kwiphansi. Futhi o, uma kuphela bengingabuya futhi.”

Bengiyothi, “Awu, kwenzekeni na?”

<sup>100</sup> Ubeyosho into enjengale: “Awu, kwakulungile. Futhi ngolunye usuku, umthengisi wangqongqotha emnyango enezinwele ezinhle, ezimagagasi, namehlo amakhulu, ansundu, futhi kusukela kuleso sikhathi...” Niyabo? Yileyondlela okuqala ngayo; maka isikhathi. Lokho nje kungukuqala kwakho.

<sup>101</sup> Ungocabangi neze ukuthi isono silele esitaladini, njalo sisemseleni; isono sigqokile futhi sisihle. Impela siyakwenza. Bengahlala ngithi, “USathane uggoka isudu yedina, nesigqoko esiwubhojozi, futhi uphatha ikheyini ngengalo yakhe.” Bhekisisani lowomshini wokugcoba ugrisi ohlakaniphile.

Kunjalo impela. USathane akasiso isiwula, niyazi. U—u—uyakwazi ukugqoka kahle; ukwenza kukhange, niyabo?

<sup>102</sup> Futhi akusuye njalo uCharlie Barleycorn omdala phandle lapho nesiqoko sakhe sehlisiwe; ngesinye isikhathi leyo yinhliziyo eqotho ngempela. Uma ubene—nesiqalo esihle noma okuthize ukumsiza, ubeyohamba kahle; kodwa hhayi njalo. Ngibone izikhathi eziningi, futhi ngihambe ngaya kubantu abamanikiniki njengoba bebengaba njalo; ngiyababuka, futhi nginendlela ngoNkulunkulu ukwazi ukuthi ubani ongithandayo nokuthi ubani ongangithandi. Niyakwazi lokho.

<sup>103</sup> Ngakho, ukubona indoda yonke ingcolile nayo yonke into; ngingaqoka ukuba nayo ibe nami isikhathi esiningi, kunomuntu ogqoke kahle nowabo, mhlawumbe, ukhololo obhekiswe emuva, futhi angimbambathe ngemuva, athi, “O, Mfowethu Branham, singakuwe.” Futhi wazi khona lapho ukuthi uqamba amanga. Niyabo, niyabo? Yilokho-ke. Anginamsebenzi ngomqambimanga. He, ungacashela isela, kodwa ungeke kumqambimanga. Ngakho, lokho—lokho kunjalo.

<sup>104</sup> Kodwa lapho sishaya lezozindawana, “Kusukela kuleso sikhathi...” Khona-ke kufika uNyaka oMusha. Nonke niphuma futhi nibhale isinqumo. “Kulobubusuku, nkosikazi, ngizokunika isithembiso. Ngizophenya ikhasi elisha, futhi a—angisophinde ngiphuze.”

<sup>105</sup> Nowesifazane wabhema osikilidi abanangi kakhulu, waze wangabe esakwazi ukuncelisa ingane yakhe, ayinike ushevu wenikotini, uyibulale; futhi uzoyeka ukubhema ngoNyaka oMusha. Isidakwa sizoyeka ukuphuza ngoNyaka oMusha; umuntu onesimilo esibi uzoyeka isimilo sabo esibi ngoNyaka oMusha; nokunye nokunye kanjalo. Wenzani na? Uphenya ikhasi elisha nje ukulibuyisela emuva ngosuku olulandelayo futhi. Niyabo? U...Ku...Awuqali kahle. Zonke lezizinto zinhle; angimelene ngalutho nazo. Kodwa lapho...

<sup>106</sup> Njengasempini nje...emva kweMpi yokuQala yoMhlaba, abanangi benu madoda aphakathi nendima yempilo, futhi athi awabe ontanga yami, ngicabanga ukuthi ngangineminyaka eyisishiyagalombili noma eyisishiyagalolunye ubudala ngenkathi kuphela impi. Futhi ngiyakhumbula ngenkathi bememezelu impi: ngo 1914, ngangiyetingane encane engumfana ngihlezi enqoleni yamasondo okhuni. Ubaba wayenesaka likabhontshisi; yilokho esasiphila ngakho, ubhontshisi nesinkwa sommbila: ngisakuthanda. Futhi ngakho, ba... UBaba wayekhuluma ngempi, futhi angahle aye empini.

Ngathi, “Uma labobafo bekulandeleta, ngizothatha lelisaka likabhontshisi bese ngilbashaya ngalo.” Futhi ngakho, manje lokho kungenkathi ngangimncane kakhulu.

<sup>107</sup> Bese kuthi-ke, ngiyakhumbula ukuthi ngenkathi engitholela ipheya lami lokuqala lezicathulo, wa—wathi wayehla, yena

nomama, ukuwalanda. Ngangikade ngingafake zicathulo. Niyazi, abafana abancane ezansi ezintabeni lapho engakhuliswa khona babenalokho enikubiza ngehikhori endala, encane efana nephinifa, noma, iyembe elincane ngenkathi besengumfanyana. Ngaligqoka lelo ngaze ngaba cishe neminyaka eyisithupha ubudala, ngiqagele. Nepheya lami lokuqala lezicathulo, zazinekepisi livundle kuzo, lokho kunalezozimbobo ezincane kuzo.

<sup>108</sup> Futhi ngangihlala njalo, lapho ngithola ucezwana esandleni sami, ngangijimela kuMama, futhi wayelubangula *kanjalo*. Futhi ngacabanga ukuthi lezozimbobo ezincane ezicathulwemi zami kwakulapho ababethatha khona inalithi futhi bazibangule ndawondawo, ngoba uMama wathi wayefanele ehle futhi “angikhiphele” ipheya lezicathulo. Ngicabange ukuthi wakwenza ngenalithi. Ngakho . . .

<sup>109</sup> Kodwa emva kwempi yomhlaba, ngiyawukhumbula umlayezo ophumayo: “Ngeke sisaba nayo impi. Impi isiphelile.” Lokho kwakuyizinhloso ezinhle, babekuhlosile lokho. Kwase kuthi-ke, babumba lokho esikwazi njengeNhlangano yeZizwe, bethatha amadoda *amaningi kangaka*, amasosha, esizweni ngasinye, futhi babeyogada umhlaba wonke. Lokho kwakuyizinhloso ezinhle, kodwa akusebenzanga, ngoba kwakungesilo uhlelo lukaNkulunkulu. Manje sinalokho okubizwa nge-UN nokuthi kuyini: behlezi kwi-UN nezibhamu komunye nomunye, cishe impela. Akusoze kwasebenza.

<sup>110</sup> Kodwa kukhona okuthize ukuthi, ngesinye isikhathi ningahlangana kusukela esikhathini esithize futhi yonke into iyoguqulwa. Yilapho ohlangana khona noNkulunkulu, futhi kusukela kuleso sikhathi ungumuntu oguqukile. Umuntu angahlangana noNkulunkulu futhi athi, “Kusukela kuleso sikhathi.” Awusoze wafana emva kokuhlangana noJesu Kristu, angikuqinisekise lokho, awusoze, awusoze wafana emva kokuhlangana noJesu. Khona-ke ungabhekisela njalo emuva, “Kusukela kuleso sikhathi.”

<sup>111</sup> Asixoxisane, kulobibusuku, abanye abantu abahlangane noNkulunkulu. Ake sicabange ngobaba u-Abrahama. Wayengumuntu ojwayelekile nje. Wehla noyise bevela eBabiloni, futhi wahlala esigodini saseShineyari, emzini wase-wase-Uri, izwe lamaKaledi. Wayengelutho olukhethekile; wayengesuye noma yimuphi umuntu ongcwelisiwe. Wayengumuntu ojwayelekile nje njengawe noma nami.

<sup>112</sup> Futhi ngoluny’usuku, mhlampe wayengumlimi, phandle emasimini elima, futhi u... noma okuthize, futhi ngoluny’usuku, wahlangana noNkulunkulu. Akazange abe nokukholwa okungaphezu kwanoma yimuphi omunye umuntu, kodwa ngenkathi ehlangana noNkulunkulu, eneminyaka engamashumi ayisikhombisa-nanhlanu ubudala, kwaguqula bonke ubuyen;

ngoba wahlangana noNkulunkulu. UNkulunkulu wamtshela, yena eneminyaka engamashumi ayisikhombisa nanhlanu ubudala, futhi wayeshade nodadewabo ingxenye, uSarayi; futhi, ngalesosikhathi, wayeneminyaka engamashumi ayisithuphananhlanu ubudala. Futhi uNkulunkulu watshela u-Abrahama ukuthi wayezoba nengane ngoSarayi.

<sup>113</sup> Manje, lokho bekungaba... Ukuba bekukade kungomune umuntu ubeyohamba enyuке futhi amtshelle, abanye babalingani bakhe, futhi wathi, "Abrama, uzoba nengane ngoSarayi, futhi uzozala umntwana ngawe."

<sup>114</sup> U-Abrahama wayeyohleka, futhi abambe izinhlangothi zakhe, wayesethi, "Mina, ikhehla njengami, nomkami cishe iminyaka engamashumi amathathu, noma, iminyaka engamashumi amabili esedlule ukuya esikhathini na? Futhi niglihale naye kusukela eneminyaka eyishumi nesikhombisa ubudala; uyinyumba, futhi mina angizali. Futhi singake size sibe nengane kanjani, futhi mina nginamashumi ayisikhombisananhlanu naye enamashumi ayisithupha-nanhlanu na?" Wayeyohleka ebusweni bomngane wakhe.

Kodwa wahlangana noNkulunkulu. Futhi kusukela kuleso sikhathi, wabiza noma yini ephambene nakho ngokungathi kwakungesikho. Amen. Wayehlangane noNkulunkulu.

<sup>115</sup> Uma umuntu ogulayo engake aze ahlangane noNkulunkulu, akunandaba ukuthi uhlala ukhubazekile kangakanani, uhlala ugula kangakanani, ukuthi uhlala uphuphutheke kanjani, uhlangana noNkulunkulu, kukhona okuzika kuwe, futhi awusaziboni lezi zimo. Ubuka lokho uNkulunkulu akushilo. UNkulunkulu ubengake athi... thola indlela wehla ngeminako yokuphila ungene enhliziyweni yakho, futhi ugxitise ukukholwa lapho, akukho lutho ezweni oluzoke lukunyakazise kukho. Lapho umuntu ehlangana noNkulunkulu, kusukela kuleso sikhathi kuqhubeke, ungumuntu oguqukile.

<sup>116</sup> U-Abrahama oneminyaka eyikhulu ubudala waye, futhi wayesalokhu ebiza noma yini ephambene nakho ngokungathi yayingenjalo. Ubufakazi obubonakalayo baba bukhulu futhi bukhulu, bunqwabelana kuye; uSara wayenamashumi ayisishiyagalolunye yena enekhulu. Wayesalokhu enika uNkulunkulu udumo, equinile, engangabazi ngokungakholwa, kodwa wayenikeza udumo kuNkulunkulu nsuku zonke ukuthi wayezoba nengane. Ngani na? UNkulunkulu wayehlangane naye; uNkulunkulu wayenomusa. UNkulunkulu waqinisa isivumelwano kuye.

<sup>117</sup> Besingaba naso isikhathi sokuthatha lokho kuqiniswa, isahluko se 16 sikaGenesisi na? Noma besingathatha futhi, ngale kwesahluko 17 na? ngenkathi Ehlangana naye eGameni likaNkulunkulu uSomandla, okusho ukuthi *El Shaddai*, kusho i—igama lesiHeberu, "ibele lowesifazane," *El Shaddai*:

“Onamandla, o—oWenelisayo, uMondli,” ngenkathi indoda endala, eneminyaka eyikhulu ubudala, noNkulunkulu wahlangana nayo, wayesethi, “Ngingu El Shaddai.”

<sup>118</sup> Manje, *shad kusho* “ibebe lowesifazane” kodwa elithi *shaddai* lisho “onamabele,” ubuningi. Manje, Akasuye uNkulunkulu we “bele” kuphela, kodwa UnguNkulunkulu “onamabele”: “Yalinyazwa ngenxa yeziphambeko zethu; ngemivimbo yaYo siphilisiwe thina.” Uma udinga insindiso, bambelela futhi uncele kulelobele likaNkulunkulu, iZwi laKhe, isithembiso saKhe. Uyoza uzilethe wena uqobo usuka kuleyo misele edalwe amasondo yesono nokuziphatha okubi, uye komesabayo uNkulunkulu, umuntu ongcwelisiwe. Uma ugula, “ngemivimbo yaKhe siphilisiwe thina.” Vele ubambe esinye isithembiso sikaNkulunkulu futhi uncele.

<sup>119</sup> Ifanele yenzeni ingane na? Ingane...Siyizingane zikaNkulunkulu. Ngifuna nikuthole lokhu, dade, nina nonke lapho. Siyizingane zikaNkulunkulu. Futhi yenzani ingane lapho igula futhi itetema na? Itetema ngempela futhi iyagula. Manje, into kuphela efanele iyenze, into kuphela eyoyithulisa, ngukuba umama ayiqukule, ayibambele esifubeni sakhe, ayincelise. Manje, umama wenzani na? Umama ukhiqiza ubisi, nengane (encelisa ingane) incela amandla avela kumama eya enganeni. Khona-ke ingane iqiniswa ngamandla kamama. Futhi lapho sibamba isithembiso sikaNkulunkulu enhliziyweni yethu, sincela amandla kaNkulunkulu, Onamandla. Siyancela, njalonjalo.

<sup>120</sup> Futhi cabanga ngengane encane ilele kunina...isifuba sikanina, iyo...iyeka ukutetema kwayo. Ithi nje ingabamba ibele likanina, iyayeka ukutetema. Ayisatetemi; yenelisekile. Iyeka ukutetema kwayo. Khona-ke lapho sibamba isithembiso sikaNkulunkulu, lapho uNkulunkulu esembula kithi: “NgiyiNkosi Ephilisa zonke izifo zenu. Noma ubani othandayo, makeze.” Ngiliginile ithemba laKhe, khona-ke ngenelisekile, njengoba ngincela amandla ami abuye futhi kuJehova, uNkulunkulu uSomandla, uMnikezel-mandla.

<sup>121</sup> Yeka isikhuthazo endodeni endala, eneminyaka eyikhulu ubudala, esifana nefile, nezizalo zikaSara, seziyele zivalekile ngenkathi ezalwa engazali. Futhi u—umlayezo onje pho: “NginguMuphi-mandla akho; Ngingu-El Shaddai. Uneminyaka eyikhulu ubudala, kodwa uyingane nje kiMi. Lala phezulu lapha ezingalweni zaMi, futhi ubambe isithembiso saMi; futhi nje ungaboni lutho olunye ngaphandle kwesithembiso. Manje-ke ungenzani na? Njengoba ubuhwanqa buguga, lapho izinwele ziba mpunga, usengancela futhi weneliseke ukuthi Ngizoligcina iZwi laMi.”

<sup>122</sup> Udukotela angathi, “Uya ngokuba mubi futhi uba mubi.” Lokho akunakho nokukodwa ukufiphala kuwe. Usancela i—

ibele lika El Shaddai. "Nkulunkulu, Ukhulume enhliziyweni yami; Unginika isithembiso. Bonke odeveli abavela esihogweni abakwazi ukukususa kimi. Ngenelisekile ngizophila. Ngincela ku-El Shaddai." Amen.

Ngiyakutshela, mflowethu, lokho kukhipha ithambo lesifuba bese kubeka ithambo lomgogodla phakathi lapho, impela kuyakwenza, lapho ubamba uNkulunkulu.

<sup>123</sup> Ngenkathi u-Abrahama, ngenkathi Eqinisa isifungo, niyaqaphela Wathi, "Ngithathele imv-...inqa-...imvu, inqama; Ngiphe inqama, futhi uphinde uNgiphe isithokazi seminyaka emithathu. Futhi uthathe lezi..." Futhi wazihlukanisa zaba uhafu, wazibeka eceleni. Wathi, "Ngithathele ihobhe nephuphu lejuba."

Kodwa niqaphelile yini...? Ngifisa sengathi besinesikhathi sokungena kukho. Ngibheka lelowashi lasodongweni. Futhi ngi, angifuni ukusuka endabeni yami, kodwa u-Abrahama wathatha...

Wathi, "Thatha okubili, noma, ihobhe nejuba."

<sup>124</sup> Manje, ihobhe lalihlala njalo, limele, noma, lalingkuhlawulela ngokugula. Niyabo, amajuba awahlukaniswanga; okunye kwahlukaniswa, ngoba i-isivumelwano neVangeli kwaguqlwa kusuka emthethweni kuya emseni, kodwa ukuphulukisa ngokukaNkulunkulu bekuhlala njalo kufana. Ukwelapha uchoko, bathatha ijuba elifuywayo, noma, ijuba, base benquma ikhanda lalo, base bethela igazi phezu kwelinYE, futhi kwaphumela ukuhlanzwa kochoko, ukufafaza, kumemeza, "Ingcwele."

<sup>125</sup> Manje, qaphelani kulokhu, amajuba awahlukaniswanga. Manje, qaphelani lesi sifanekiso. O, he. Ngethemba ukuthi niyakuthola lokhu. E...Lapho lithola...U-Abrahama wabhekisisa zonke izinyoni zisuka kulo, izinyoni zezulu, kwaze kwa...ilanga liqala ukushona. Futhi lapho ilanga selishonile, kuchaza ukuthi isikhathi asisayikubabikho. Khonake ubuthongo obunzima behlela phezu kuka-Abrahama, njengoba kwenza wonke umuntu ofayo ozalwa emhlaben: Singena ebuthongweni bokufa. Awufi; uyahamba nje, uvele ushintshe izindawo zakho zokuhlala.

<sup>126</sup> Manje, ubuthongo obukhulu behlela phezu kuka-Abrahama, futhi wabuka, futhi phambi kwakhe kwahamba i-isithando somlilo esishunqayo. Sonke isoni esifayo, nawo wonke umuntu ozalwa kulelizwe, uza ngokuzalwa ngokocansi, ungaphansi kokufa. Sonke sonile futhi sisilalelwé yinkazimulo kaNkulunkulu, nawo wonke umuntu uzalwa kulelizwe, eyisoni. Angikhathali ukuthi abazali bakho babengcwele kanjani, ufika kulelizwe ngendlela efanayo isoni kumbe noma ubani omunye afika ngayo. Thina si... Unesono. "Sizalelwa esonweni,

sabunjwa ebubini, sifika ezweni sikhuluma amanga,” kusho iZwi. U—u—uyabhaxabulwa kwasekuqaleni nje.

<sup>127</sup> Bese kuthi-ke, wonke umuntu ofayo, isihogo yindawo yakhe yokuphumula. Yilokho kuphela ukuphumula akutholayo; okufika phambi kuka-Abrahama. Qaphelani, bese kuthi-ke ngaleya kwalokho, emva kokufa kufika isihogo, kodwa ngaleya kwesihogo kufika ukuKhanya okuncane okumhlophe. O, he. Malibongwe iGama leNkosi. Lokho kuKhanya okuncane okumhlophe kwedlula phansi naphakathi kwaleyomihlatshelo.

Wathi, “Uyabo, Abrahama, lokho engizokwenza?” Wayeqinisa isivumelwano no-Abrahama. Manje, mhlawumbengizokuchaza lokho ngokushesha.

<sup>128</sup> Manje namhlanje, thina maMelika, senza kanjani lapho siqinisa isivumelwano na? Sizokwenza isivumelwano sebhizinisi, into yokuqala niyazi, ngizokwelula isandla bese ngibamba isandla somfo, ngithi, “Sixhawule.” Yileyondlela esenza ngayo isivumelwano: “Nyakazisa. Xhawula. Sikuqinisekisile; kunjalo; sizovumelana phezu kwalokho.” Leso yisivumelwano.

<sup>129</sup> Manje, eJapani, niyazi ukuthi basenza kanjani isivumelwano lapho na? Bayakuxoxisana, bese-ke bethola isoso elincane eligcwele usawoti, bese bephosa usawoti phezu komunye nomunye. Leso yisivumelwano eJapani.

<sup>130</sup> Kodwa ngezinsuku zika-Abrahama emazweni aseMpumalanga, indlela ababenza ngayo isivumelwano kwakungukuthatha isilwane, njengemu noma into ethize, futhi bakubulale futhi bakunqume; futhi ngamunye wangena phakathi kwaleziziqephu ezimbili zesilo. Manje, niyabona ukuthi ukuKhanya okuncane okumhlophe kwakwenzani na? Base beloba lesisivumelwano: “Ngiyavuma ukwenza ukuthi-nokuthi, nokuthi-nokuthi.”

<sup>131</sup> Manje, ngenkathi bebambe lesisivumelwano phakathi kwabo, bathi, “Uma sephula lesisivumelwano—uma sephula lesisivumelwano, imizimba yethu maybe njengalesisilwane esifile esisithathayyo.” Base-ke bethatha isivumelwano, futhi basidabula *kanjalo*; oyedwa, ethatha isiqephu esisodwa, nomunye, esinye. Zazingasoze zaphindeka kabi.

<sup>132</sup> Awusoze waphinda kabi lesosiqephu sephepha, akunandaba ukuthi wenzani. Kuzofanele kubuye ngqo futhi kuhambisane, izingcezu zohlamvu oludatshulwe phakathi. Ubungeke neze ukwazi ukukwenza. Omunye, uphatha olulodwa, nomunye, olunye. Futhi lapho lesisivumelwano siqiniswa futhi salethwa, isifungo siyaqiniswa, khona-ke babuyisela lezizingcezu ezimbili ndawonye, futhi bameshana isiqephu ngesiqephu.

<sup>133</sup> Manje, kwakuyini isivumelwano saseMpumalanga uNkulunkulu ayesinika u-Abrahama na? Ukuthi ngenzalo ka-

Abrahama kuyofika iNkosi uJesu, Obusisiweyo. UNkulunkulu waMenyusela eKalvari wase EMdabula, Wehlukanisa uMphefumulo waKhe emzimbeni waKhe. Nomzimba waKhe, uNkulunkulu wavuka ngosuku lwesithathu, futhi wase ephakama wayesehlala ngakwesokunene saKhe. Futhi ngosuku lwePhentekoste, Wathumela phansi uMoya owawukuJesu Kristu, isiVumelwano neBandla.
