<sup>67</sup> Kubhaliwe ezibhakabhakeni. Kubhaliwe ebusweni bomhlaba. Kubhaliwe kulo lonke iphephandaba. Lokhu yikuphela, nxa ungabala umbhalo wesandla. Abaprofethi baphila esikhathini lapho umbhalo wesandla wawusemdulwini wesizwe, kodwa siphila lapho umbhalo wesandla usemdulwini wesikhathi. Izizwe zonke, umhlaba, yonke into, isikhathi sisekupheleni. Ngakho, kumele sihlale iMibhalo, ukufumana ihola esiphila kulo.

KuThestamente eliDala, lapho abaprofethi bekhuluma ulutho, lapho izikhathi zonke, kwenye indawo, kwakungumprofethi leLizwi, owahlala leLizwi. Wayekhangelala uNkulunkulu okwemibono. Futhi nxa umbono wakhe wawuphambene leLizwi, khona-ke umbono wakhe wawuphambukile. Yindlela kaNkulunkulu yokuhambisa ngayo iLizwi Lakhe ebantwini Bakhe.

<sup>69</sup> Liyangizwa na, ngemuva ngale, kulungile? Kunzima ukuba ngazi okokuqalisela khona.

<sup>70</sup> Manje, bekulithuba elikhulu kimi, ukwazi ukuthi lelithabhanekeli lalilibandla lami lokuqala. Kuyinto eyinkazimulo. Futhi angisoze ngikhohlwe, loba ngi...uJesu engaphuza futhi ngiphile ukuba yiminyaka engamakhulu ubudala. <sup>74</sup> UJesu wathi, “Kwakulalabo abalamalephero abanengi ensukwini zikaElija, kodwa oyedwa kuphela wasiliswa.” Eminyakeni eminengi, engamtshumi ayisificaminwembali kumbe eminengi, uElija ayiphilayo, futhi olamalephero oyedwa wasiliswa. Abafelokazi abanengi ezinsukwini zika Elisha, kodwa wathunyelwa koyedwa kuphela. Futhi siyafumana ukuthi kulezinto ezinengi uNkulunkulu azenzayo, futhi lezo Angazembuliyi ezincekweni Zakhe. Futhi akulanceku enkulu ukwedlula iNkosi yayo.

<sup>75</sup> Futhi, khona-ke, uNkulunkulu kayikwabelana inkazimulo Yakhe lomunye umuntu. UnguNkulunkulu. Futhi lapho inceku isiba endaweni yokuthi izama ukuthatha indawo kaNkulunkulu, khona-ke uNkulunkulu uyathatha impilo yakhe futhi amhambise khatshana kwenye indawo, kumbe enye into. [Ibandla lithi, “Ameni.”—Mhl.] Izinto elingazange lingitshele zona. Ngakho-ke, liyabona, nxa i . . . NjengoNebhukhadineza wathi, “Nxa lingeke lingitshele lokho engikuphuphileyo, khona-ke ngizakuba kwazi njani ukuthi lilencazelo yakho na?”

<sup>77</sup> Kodwa konke lokhu kucabangela, akumelanga sikuthathe futhi sithi, “ITSHO KANJE INKOSI.” Akumelanga sikwenze lokho. Kumele sibe lelizwi eliqondileyo, impendulo evela kuNkulunkulu, singakatsho ukuthi nguNkulunkulu. Hatshi ukucabangela, hatshi amadlabuzane, kungenani lokuthi kudikiza okunganani.

Ungathi, “Ngiyakholwa kungaba ngalindlela.”

Futhi isizatho kuphela engenze ukuthi lithi “ameni,” isikhatshana esedluleyo, lina bantu elangitshela amaphupho, khona-ke ngangisiza ngilitshele lokho elikutshiyileyo, ngoba luMbiko ubekwa kuthephu. Abantu bezizwe zonke bazakuzwa lokhu. Futhi lapho besizwa lowo “ameni,” khona-ke bazakwazi ukuthi kulamazwi lapho, lawo ahlezi ngaphansi kwalinkonzo, lawo azi ngcono kulokwenza into engayisiyo, kumbe ukuthi “ameni” entweni engayisiyo. *Ameni* yikuthi “akube njalo.” Yikukuvumela.

<sup>192</sup> Kulomehluko phakathi kwamaphupho lemibono. Amaphupho kulapho ulala. Imibono, lapho ungalalanga. Sizelwe ngaleyo ndlela. Umuntu ojwayelekileyo, lapho

ephupha, kusekuzweni kwakhe okuncane. Futhi ukuzwa kwakhe okuncane kukude laye. Imizwa yakhe iyasebenza, inqe esekuzweni kwakhe kokuqala. Kulokhu kuzwa, wena, ungojwayelekileyo; uyabona, uyanambitha, uyathinta, uyanuka, uyezwa. Kodwa lapho usekuzweni kwakho okuncane, ulele, kawuboni, lokunambitha, lokuthinta, lokunuka, kumbe ukuzwa. Asikaze sicabange lokucabanga ngento enjalo.” Lapho ngihlolwa igagasi, futhi bathi ngi. . . Babengakaze babone into enjengaleyo. Bona? “Awu,” wathi, “kulento eyenzakalayo kuwe.” Futhi ngathi. Ngakukhuluma. Wathi, “Yikho, kanye.” Bona?

<sup>195</sup> Ukuzwa okubili kuhlala khona ndawonye. Akusilutho engingalwenza, futhi akungenzi ngedlule omunye umuntu. NguNkulunkulu nje, wakwenza ngaleyo ndlela. Awuyilala. Ukhona lapha, njengokulala. Umile lapha, ukhangele phandle, njenga *lokhu*.

<sup>196</sup> Futhi lonke lina likubonile, kumhlaba wonke jikelele. Awuyilala. Umile lapha kupulathifomu, ukhuluma ebantwini, liyangizwa ngingena emibonweni futhi ngiphenduke. Lapho ngigade imota lawe, loba ngaphi, futhi ngikutshela izinto ezizakwenzakala; futhi azehluleki, azikaze. Ukhona owake wakubona kusiba liphutha yini? [Ibandla lithi, “Hatshi.”—Mhl.] Hatshi, mnumzana. Akungeke kube liphutha. Akusoze kube liphutha, ingqe kunguNkulunkulu. Nanzelela, khona kupulathifomu, izinkulungwane, phambi kwamatshumi ezinkulungwane zabantu, lakwezinye izinlimi engingenelisi lokuzikhuluma, kunjalo akubi liphutha. Bona? NguNkulunkulu!

<sup>197</sup> Manje, kulumbono, kumbe njengoba bengikhuluma, ngakhangela futhi ngabona into engazwisisekiyo.

<sup>199</sup> Futhi ngakhangela, futhi kwakulegwenzi elikhulu. Futhi kuleligwenzi, e—exukwini lenyoni, inyoni ezincinyazane, ezingaba yingxenye ye-intshi ubude, lengxenye ye-intshi

ukuphakama. Zazindalanyana. Insiba zazo ezincinyane zaziphundlekile. Futhi kwakukhona ezazingaba mbili kumbe ntathu ogatsheni oluphezulu, eziyisithupha kumbe eziyisificaminwembili kolunye ugatsha, futhi ezilitshumi lanhlanu kumbe amatshumi amabili ogatsheni olulandelayo; zisehla phansi esimweni sephiramidi. Futhi lezo nyoni ezincinyane, izithunywa ezincinyane, futhi zaziguge kakhulu sibili. Futhi zazikhangele empumalanga.

<sup>203</sup> Manje, lingakweqi lokhu. Futhi lina, elisethephini, wobani leqiniso ukuthi liyakuthola kahle lokhu.

<sup>204</sup> Kuqala, ukudubuka. Futhi ngacabanga ukuthi kwazwakala sengathi yisivimbamsindo, loba yini elikubiza khona lapho indizamtshina zisedlula umsindo, futhi umsindo uyaphenduka emhlabeni. Kwanyikinya nje, sengathi, kwaduma, yonke into. Khona-ke, kwakungabe kube yi–yi–yikukhwaza okukhulu komdumo, lombane, kanjalo; Angizange ngibone umbane. Ngezwa nje lokho kudubuka okukhulu lokho okwaphumayo, okwazwakala engathi kwakuseningizimu, kusukela kimi, kusiya eMexico.

lamanje. Angikaze ngibe lolutho olungikhathazayo njengalokho okukwenzileyo. Imuli yami izalitshele.

<sup>207</sup> Ngangibona lezo Ngilosi, lezompiko ezilolongekele emuva, zigijima ngesiqubu esedlula umsindo ongagijima ngaso. Zabuya zivela ebulaPhakadeni, khonapho, njengokuphazima kwelihlo. Kungenelisi ukuthi ucwayiza ilihlo lakho, ukubayima nje, Zasezilapho. Angizange ngibe lesikhathi sokubala. Angizange ngibe lesikhathi esedlula ukukhangela nje. EZinkulu, inkalakatha, zeNgilosi ezilamandla, ezimhlophe njengongqoqwane; amaphiko ebekiwe, lamakhanda. Futhi Zazi, “Whew-whew!” Futhi lapho kukwenza, ngahluthulelwa phezulu kuliphirami yexuku.

Okwakungaphose kube lihola, ngangengezwa lutho.

<sup>212</sup> Manje, lina bantu liyazi ukuthi izibusiso zeNkosi ziyini. Kodwa, Amandla eNkosi ahlukene kakhulu, Amandla eNkosi endaweni ezinjalo. Ngakuzwa Khona, izikhathi ezinengi, nengi, ngaphambili, embonweni, kodwa kungekho njengalokho. Kuzwakala njengokwesaba okuhloniphayo. Ngangisesaba ngaze ngangezwa lutho, ebukhoneni beziDalwa lezi.

<sup>213</sup> Ngikhuluma iQiniso. Njengo Phawuli watsho, “Kangiqambi manga.” Alikaze lingibambe ngikhuluma into ephambukileyo ngento enjengalokho. Enye into ilungiselela ukwenzakala.

<sup>214</sup> Khona-ke, emva kwesikhatshana, ngathi, “Nkosi Jesu, nxa ngizakubulawa, ngenze ngibekwazi, ukuze ngingatsheli abantu bami mayelana ngalokhu. Kodwa nxa kungenye into ethile, ngenze ngibe kwazi.” Kodwa, akula lutho olwaphendulayo.

215 Emva uMoya usungitshiyile, phose okwengxenye yehola, ngiyathemba, kumbe okwedlulayo, ngathi, “Nkosi, nxa kuyikho, khona-ke, ukuthi ngizakubulawa, futhi Usuqedile ngami emhlabeni, futhi—futhi ngizakuthathwa ukuya eKhaya manje; lokho, nxa kuyikho, lokho kuhle. *Kodwa ensukwini zelizwi lengilosi yesikhombisa  
(ingilosi yokucina), isizakhalisa uphondo, kuzabe  
sokuphelelisiwe imfihlo kaNkulunkulu, . . .*

<sup>295</sup> Manje, kuyini “imfihlo kaNkulunkulu,” enye yazo? UPhawuli wathi, kuTimothi wokuQala 3, ngiyakholwa kwakuyikho, wathi, “Kungelakuphikisana inkulu imfihlo yobunkulunkulu: ngoba uNkulunkulu wabonakaliswa enyameni (saMbamba, saMbona), wemukelwa phezulu eNkazimulweni, wafakazelwa ziNgilosi, waqiniswa lapha emhlabeni.” UNkulunkulu waqiniswa! Sibili, kuyimfihlo enkulu, kodwa ixazululiwe yonke. Hatshi “Baba, Ndodana, loMoya oNgcwele,” oNkulunkulu abathathu; kodwa, uNkulunkulu oyedwa ezikhundleni ezintathu. UBubaba, ngaphansi kukaMose; uBudodana, ngaphansi kukaKhristu; uMoya oNgcwele, ngaphansi kwalesi isikhathi. Izikhathi ezintathu zikaNkulunkulu ofanayo; hatshi oNkulunkulu

abathathu. Imfihlo isiphelelisiwe manje. IBhayibhili lathi kumele ipheleliswe. Lapho i . . .

<sup>296</sup> Ngabona, ngolunye usuku, lapho isayensi ezama ukungiphikisa khona, kulokho ababevame ukukutsho, lapho ngathi, “Loba nguphi umuntu owakholwa ukuthi uEva wadla i-aphula!” Manje isayensi yabo ithi, labona ephepheni ngolunye usuku, izihloko ezinkulu, “Wadla i-aprikoti.” Umbhedo. Lokho kunga—lokho kungamgcolisa na? [Ibandla lithi, “Hatshi.”—Mhl.] Ngeqiniso hatshi. Bona? Bona nje ba . . . Yikho—yikho lokho uKhayini akucabangayo, liyazi, futhi wayebuyisele into efanayo njalo, kodwa uNkulunkulu kazange amukele umhlatshele wakhe. Futhi uAbela, olungileyo, kwembulwa kuye, “Kwakuligazi,” futhi waletha igazi.

O Nkulunkulu, lelibandla lesikhathi esiphila kuso!

<sup>297</sup> “IBhuku elibhalwe ngaphakathi” liyabeseliqediwe lapho lingilosi isima, (manje ngicela lizwisise lokhu), lapho uMbiko wengilosi yesikhombisa usuphelile; imfihlo yobuNkulunkulu, imfihlo yenzalo yenyoka, zonke ezinye imfihlakalo zezinto zonke lezi.

<sup>298</sup> UbuDodana obulaPhakade, njengokuba bekukhuluma. Engaba njani iNdodana elaPhakade, lapho ilaPhakade ingazange iqale kumbe ingela siphetho; futhi indodana yinto ezelweyo? Kungenza njani ukuthi kuzwakale na?

<sup>299</sup> Kungaba njani lesihogo esilaPhakade, lapho isihogo sadalwa na? Ngiyakholwa esihogweni esivuthayo. Ngeqiniso, iBhayibhili latsho njalo. Kodwa, ngokokubhidliza. IBhayibhili lathi, “Ubusiwe lowo ongela sabelo ekufeni kwesibili.” Bona? Bona, awusoze ubhujiswe yikufa kwesibili. Okokuqala ngokwasenyameni. Okwesibili yikufa kukamoya, lapho yonke into isiphelile. “Umphefumulo owonayo, lowomphefumulo uzakufa.” Uzajeziswa ngokwezono zakho, mhlawumbe ngasemakhulwini omnyaka, inkulungwane zeminyaka. Kodwa asungeke kube lesihogo esilaPhakade, ngoba iBhayibhili lathi isihogo sadalwa. Singadalwa njani futhi sibe laPhakade na? Nxa kwake kwaba le . . . IBhayibhili lathi, “Isihogo sadalelwa udeveli lezingilosi zakhe.” Futhi-ke, nxa sona sadalwa, asungeke sibe laPhakade. Ngoba, ilaPhakade, lobayini elaPhakade, ayizange ibelesiqalo kumbe ibelesiphetho.

<sup>300</sup> Yiyo indlela esungeke sife ngayo, ngoba sasihlezi sikhona. Siyingxenyane kaNkulunkulu, ihlumela likaNkulunkulu, futhi Uyiyo kuphela into elaPhakade ekhona. Amen. Awufi njengoNkulunkulu engeke afa, ngoba ulaPhakade, kanye Laye. Amen! Makubuye! Haleluya! Ngingathi sengidinwa ngalindlu yemikhuhlane endala, kungenani.

<sup>301</sup> Nanzelela, “IBhuku elibhaliweyo,” lapho lingilosi iphelelisa zonke lezinkonzo ezingaxazululwanga lezo ngokuya kwempi abayilwayo, uLuther ayilwayo, loWesley ayilwayo,

lamaPhentekhostali ayilwayo. “Kodwa kuyeza omunye,” liyatsho iBhayibhili, “ukuthi ngezinsuku zokukhalisa kwakhe, zonke lezi imfihlakalo . . .” Ababobunye bahlanhlatha ngeBizo likaJesu; oziqunathu bahlanhlatha ngoYise, iNdodana, uMoya oNgcwele, njengalokho abakwenzayo eNayisiya Khansili, into efanayo; bonke babephambukile. Kodwa, manje, phakathi laphakathi komgwaqo, eMibhalweni, kuhlezi iQiniso. Liyabona lapho esikhona? INgilosi yeNkosi!

<sup>302</sup> Nanzelela uSambulo 5:1. Lalelani kulokhu manje:

*Futhi ngasengibona esandleni sokunene sowayehlezi phezu kwesihlalo sobukhosi ibhuku elibhalwe ngaphakathi (umbhalo wawungaphakathi) langemuva, lunanyekiwe ngempawu eziyisikhombisa.*

<sup>303</sup> Manje, kulokubhaliweyo ngaphakathi kweBhuku. Kodwa, ingamuva ileMpawu eziyisikhombisa, emuva Kwayo, eyayingabhalwanga eBhukwini. Manje, lowu ngumambuli ekhuluma, uJohane. Manje khumbula, kwakungabhalwanga eBhukwini. “Futhi ezinsukwini zelizwi lengilosi yesikhombisa, yonke limfihlakalo ebhalwe ngaphakathi kumele ibe isiphelelisiwe.” Kufanele kunakekelwe, ngalolosuku. Manje liyakubona lokho engikutshoyo na? [Ibandla lithi, “Ameni.”—Mhl.] Liyangilandela na? [“Ameni.”] Khona-ke yisikhathi samazwi ayisikhombisa kaSambulo 10 ukwambulwa. Lapho iBhuku seliphelelisiwe, kulento eyodwa eseleyo, futhi lawo ngamazwi ayisikhombisa aphi lakeleyo omdumo ayelotshiwe ngemuva kweBhuku, lawo uJohane awayaliswayo ukuwabhala. Mangikubale.

*Futhi yamemeza ngelizwi elikhulu, njengesilwane sibhonga: futhi kwathi isi . . . memezili, imidumo eyisikhombisa yakhuluma amazwi ayo. (Khangela.)*

*Futhi kwathi imidumo eyisikhombisa isikhulume amazwi ayo, ngasengizabhala: . . .*

<sup>304</sup> Kwakulento eyakhulunywayo. Kwakungasomsindo nje. Kulento eyakhulunywayo. Wayesezabhala.

306 Kungasemuva, lapho iBhuku seliphelile. Kazange athi, “Kuhlangothi oluphambili.” Wathi, “Ngemuva,” emva Kokuba konke sokwenziwe, sokuqediwe. Khona-ke lamazwi eMidumo ayisiKhombisa yinto kuphela, enamathiselwe eBhukwini, leyo engembulwanga. Akubhalwanga ngitsho laseBhukwini.

307 O, minabo! Ngifisa ngabe ngingakubamba lokhu, ukuthi abantu ngempela benga. . . Linge hluleki. Linge, linge hluleki. Ngiyacela lingakwenzi, lesi sikhathi. Ngilungiselela ukulitshiya. Linge hluleki. Nxa lake lalalela, lalalani!

308 Lezi iMpawu zingasemuva kweBhuku. “Futhi ngesikhathi lapho ingilosi yesikhombisa ikhalisa, zonke imfihlakalo ezibhaliweyo eBhukwini seziphelile.” Futhi masinyazana iBhuku, elalivulekile futhi libhaliwe ngaphakathi, liyavalwa, “Imfihlakalo zikaNkulunkulu seziphelisiwe.” Futhi lezi zimfihlakalo zikaNkulunkulu: ukuhamba kweBandla, futhi lazo zonke lezi ezinye izinto. “Imfihlakalo seziphelile.” Lapho leyongilosi yesikhombisa ikhalisa yonke imfihlo, sokuphelile. Makuthi abe loba ngubani angaba nguye, loba yini okungaba yikho. ILizwi likaNkulunkulu alingeke libe liphutha. Futhi Wathi:

*Kodwa ensukwini zelizwi lengilosi yesikhombisa, isizakhalisa uphondo, kuzabe sekuphelelisiwe imfihlo kaNkulunkulu, njengoba watshumayela kwezakhe inceku abaprofethi.*

309 Zonke izinto lezo, njengokuthi, o, iRoma isiba yi—yisifebe, lamabandla wonke amaProtestanti, inhlanganiso zamasonto zisenza inhlanganiso emva kwakhe, sezibe yizifebe zakhe. Bona? Zonke lezo mfihlakalo, abaprofethi abakhuluma ngazo, zizakwembulwa khona lapha kulelihola lokucina.

310 Futhi lapho lingilosi yesikhombisa iphakama esikhathini seLawodikeya futhi iqalise ukukhalisa uPhondo lweqiniso, ngoba kuzakuba kuphambene, abasoze baKukholwe. Ngeqiniso abasoze baKukholwe. Kodwa, kuzakuba ngumprofethi ophefumulelweyo, ngoba akulandlela yokuKuzwisisa.

311 Abantu bayazama ukuzwisisa ubuziqu ntathu, futhi babelenwele ezimpunga futhi bahlanye. Akula muntu ongakuzwisisa. Balokhu bekhulwa ukuthi uEva wadla i-aphula lazo zonke lezo zinto. Ngoba, kulisiko abantu ababambelele kulo, njengalokho uJesu athola ibandla.

312 Kodwa kuzamele kube ngumprofethi okhokhelwa nguNkulunkulu, ukuze iLizwi likaNkulunkulu libuye kuye, lencazelo yeqiniso yesambulo sikaJesu Khristu. Ngakho, khonake, ku—kumele kube yileyondlela. UNkulunkulu asisize!

313 Manje, “Lapho ekhalisa,” manje, lokho ngu ITSHO KANJE INKOSI. Silakho lokho ngokusobala. Lapho ekhalisa uMbiko wakhe, umemezela impi; njengoPhawuli akwenzayo kuOrthodox, njengabanye babo bonke abakwenzayo, njengo Luther, Wesley, emelana lenhlanganiso. Lapho ememezela impi, futhi ebatshelela, “Baqamba amanga, futhi akusilo Qiniso! Futhi bangamadoda akhohlisayo!” Lapho ekhalisa Lokho, awungeke wahluleke. Akusoke kwehluleke, ngoba uzakuba eqiniswe ngeLizwi likaNkulunkulu. Uzakuba kwazi khona kanye ukuthi Kuyini. Futhi lapho ekwenza, uyakhalisa, ebizela ukuphuma eBhabhiloni, “Phumani phakathi kwakhe, bantu bami, ukuze lingabi ngabahlanganyeli bezono zakhe.” Nkulunkulu, mthume! Lingakweqi.

314 Manje, “Lapho eqalisa ukukhalisa, imfihlo izabe isiphelelisiwe.” Manje, nanzelela, khona-ke yisikhathi samazwi eMpawu eziyisiKhombisa, kaSambulo 10, ukuba ambulwe. Liyakuzwisisa na? [Ibandla lithi, “Ameni.”—Mhl.] Lapho zonke imfihlakalo zeBhuku seziphelile! Futhi iBhayibhili lathi, lapha, ukuthi uzaqeda imfihlakalo.

315 Lapho, abantu emuva kwezinye izikhathi balwela iQiniso. Balwela ukulungisiswa. Bahamba okwesikhathshana. Ukungcweliswa! Balwela *lokhu*, futhi balwela *lokhu*. Balwela *lokhu*. Kuyini abakwenzayo? Baphenduka futhi bazihlela kukho, into efanayo. AmaPhentekhosti, lamaBaptisti, amaPresbyterian, amaLuthela, bonke, benza into efanayo, baphenduka futhi benza into efanayo.

316 Futhi iBhayibhili lathi, kuSambulo 17, yikho lokho abazakwenza, umama omdala isifebe lamadodakazi akhe, “IMFIHLAKALO, IBHABHILONI.” IBhayibhili lathi, lapha, ukuthi lokho kuzakuba ngokwenye yezimfihlakalo ezakwembulwa. AmaProtestanti, amawule, “besenza ukuphinga kukamoya,” bekhokhela abantu ngezinhlanganiso zamasono, kanye le “nkomitsho yabo yobubi,” yemfundiso ezenziwe ngabantu; futhi ebadonsela kude lomthombo ogcwele ngeGazi, lapho Amandla kaSomandla uNkulunkulu ageleza ngesihle ukubonakalisa uJesu Khristu. Kuliqiniso lokho. Khonake, uNkulunkulu uzaKusekela, futhi Usekwenzile, futhi Uzaqhubeka. Kodwa, lapho lokho kugcwaliseka, iLizwi seliphelelisiwe.

317 Manje kulento eyodwa eseleyo, yiMidumo eyisiKhombisa, esingayaziyo. Futhi kwakungasoze kudume neze.

Ngani, kulemfihlakalo efihlakeleyo, khona-ke, Ngakho. Hum! KuYini na? IMidumo eyisiKhombisa ilakho. Ngoba, uJohane wayesezabhala, futhi iLizwi labuya phansi livela eZulwini, lathi, “UngaKubhali. Kodwa, kuNamathisele. KuNamathisele. KuBeke ngemuva kweBhuku.” Kufanele kwambulwe. Kuzimfihlakalo.

<sup>320</sup> Manje, sazixazulula izinto lezi, ngoMoya oNgcwele, usitshelile, “Kwakungasi ma-aphula. Kwakuyikuhlangana kwendoda lomfazi.” Wasitshela izinto lezi. Akula ngitsho loyedwa ongenelisa ukuma phambi Kwakho. Angikaze ngibone umtshumayeli, empilweni yami, ovumelana lakho. Kodwa, ngababuza.

Carlson lo—lo Tommy Hicks bazakulangana lawe kusasa ekuseni, bafuna ukuya ekudleni kwasekuseni. Futhi tshela uTommy ukuthi ahlale. Kodwa,” wathi, “nansi indlela okuzakhangeleka ngayo. Batshele ukuthi abayikuba lalowo mhlango endaweni abacanga ngayo. Bazakuba kwenye indawo.” Wathi, “Ungesabi. Ngizakuba lawe.” Lokho kungilungele.

<sup>323</sup> Ukusa okulandelayo, uMnu. Carlson, umongameli weFull Gospel Business Men, wabuya, wathi... wangibiza, wathi, “Mfowethu Branham, ngifuna ukuya ekudleni kwekuseni lawe.”

<sup>324</sup> Ngathi, “Kulungile.” (Ngathi, “Khangela uTommy Hicks uzakube elapho, laye.”)

“Yebo.”

Ngathi, “Awuyi kulithola.”

<sup>331</sup> Wathi, “Awu, Mfowethu Branham, sengivele ngenza idiphozithi kuyo.”

Mead uzahlala kwesokunene. Leyo ndoda ensundu futhi lomkayo bazahlala *lapha*, futhi *usibani-lo-sibani*. Kuzakuba lompristi wesiBhuda ehlezi ekucineni kwesokunene sami,” lokuthi bazakuba begqoke njani.

<sup>333</sup> Futhi ngathi, “Uyazi ukuthi kuyini, Tommy. Wena uyi. . . IGreater Chicago Ministerial Association izakungigolomba ngo ‘bhaphathizo eBizweni lika Jesu Khristu.’ IGreater Chicago Ministerial Association izakungigolomba ngo ‘bufakazi bukaMoya oNgcwele,’ ukukhuluma ngendimi. Bazakungigolomba nge ‘nzalo yenyoka,’ langokutshumayela ngo ‘musa.’”

Nkulunkulu, sise. Nxa ngiphambanisekile, Nkosi, ngithethelele.

<sup>345</sup> Ngilibuza umbuzo. Kwadubuka ngomdumo, lapho lelilizwi liduma. Linanzelele, ukuthi, lapho iMpawu eziyisiKhombisa ezilandela izikhathi zebandla eziyisikhombisa, lapho uPhawu lokuQala luvulwa, ukuthi kwakulomdumo? IMPawu zokuQala eBhukwini zavulwa, kwakulomdumo; ngabe loluPhawu lokuQala lwangaphandle kweBhuku luvuleke ngendlela efanayo na? UNkulunkulu kaguquli uhlelo Lwakhe. Asivuleni kuSambulo 6.

*Futhi ngasengibona lapho iWundlu selivule olunye lwezimpawu, futhi ngezwa sengathi kwakulilizwi lomdumo, futhi esinye sezidalwa ezine eziphilayo sathi, Woza ubone.*
