

# AMAHEBHERU,

## ISAHLUKO SESITHATHU

 Ukusa okuhle, bangane. Kulithuba elihle ukuba lapha lokhu kusa enkonzweni yeNkosi. Futhi siyathemba lokuthembela isikhathi esikhulu.

<sup>2</sup> Bengisemuva nje phakathi e...lokho esasivame ukukubiza ngokuthi iwofisi yamadikoni, lapho okulamarekhoda khona manje, futhi bengikhuluma nje lekhosikazi elincinyane lomama wakhe ngemuva ngale, ovela phezulu eJoliet, Illinois. Futhi bengicabanga nje ngokuthi yisithelo bani somusa sikaNkulunkulu lowo nkazana ayiso. Inengi lethu lapha siyamazi. Yena u—uyisidakwa, olunye lohlobo olubi. Futhi kangizange ngibe lodaba lucacisiwe kimi kwaze kwaba yilokhu kusa, ukuthi kanjani lapho esuka kupulatifomu. INkosi yayembule kuye konke lokho okwakukubi lalokho okwakuzathathi ndawo. Futhi yena wasuka kupulatifomu, ekhala futhi ethokoza ngoba uNkulunkulu wayemsindise e—engcwabeni lesidakwa. Futhi yena...Ikhosikazi lahamba phezulu kuye futhi laqalisa ukukhala, ukuthi indodakazi yakhe, ngiyakholwa kwakuyiyo, wayethunjwe yikudakwa. Futhi liyazi, ngomusa kaNkulunkulu, leyo nkazana yabizwa (ngiyakholwa, kwakuyibusuku obulandelayo, uRosella, wabizwa?), futhi inkazana, kusuka ekudakweni, yasiliswa. Futhi yena lendoda yakhe batshumayela iVangeli. Lo—lo—lokubona inkosikazi encane ethandekayo njengoRosella, futhi nje uvuthiwe! Futhi manje yena, uyahlonipheka sibili, yena ule...uzwa ukubizwa enhliziyweni yakhe. Kodwa, esazi iBhayibhili ngabatshumayeli abangabafazi, bona, uyakwazi ukuthi ngenye into. Futhi uNkulunkulu umkhokhelela ezintilongweni lezinto, ukupha ubufakazi.

<sup>3</sup> Kuyamangalisa nje uku—uku—ukubakwazi, ukudinga intando kaNkulunkulu. Kwesinye isikhathi siba lomuzwa, kodwa sifuna ukuthwala lowo muzwa ezindaweni; nxa ungakhangeleli, udeveli uyathatha lowo muzwa futhi awuphambulele kwenye into. Kodwa ingqe kuphela sihlala eBhayibhili, khona-ke siqondile, uyabona, sihamba kanye lentando yeNkosi.

<sup>4</sup> Futhi-ke ngiyakukholwa ukuthi—ukuthi uRosella uzacina ephendukele enkundleni zokuvangela kwenye indawo, ngoba iMelika ayilifuni iVangeli.

Liyakwazi lokho. Kungangcono sikuvume lokho nje, ukuthi, laba, abantu beAnglo-Saxon baphelile. Yikho kuphela.

Akusela Vangeli iMelika ezalamukela. O, uthola okulutshwane kokuhluphekela, lapha lalaphana. Kodwa, njengeVangeli nje, sekuphelile. Futhi ungeke utshumayeke kubo, ungeke ukhulume labo. Kabayi kukholwa lutho. Bona? Bona balemicabango yabo yamakhanda alukhuni, futhi sebegxilile.

Futhi izinto ezilandelayo zalesi sizwe yikwahlulelwa. Uzakuba lakho, futhi. Kungaba ngokubandezelwa. Kungaba ngebhomba le-atomu. Kungaba ngesifo esikhulu, umkhuhlane kumbe enye into, kodwa, yena uselungele. Kuyeza. Izinkulungwane eziphindwe kazinkulungwane zizawa.

<sup>5</sup> Sedlula khona, izolo, uMfowethu Zabel lami, uku... loMfowethu Wood, sisiza phakathi sivela phansi eKentucky, lapho esasikhona okwensuku ezintathu, futhi sedlula lapho okwaku leprojekiti yokwakhiwa kwezindlu. UMFowethu Zabel wathi, "Akula..." Ngiyakhohlwa. "Akula ngitsho loba yiwuphi walabo bantu, kuleyo projekiti, abaya loba kuliphi ibandla."

<sup>6</sup> Ungababuza ngakho. "Awu, sile televishon yethu. Yiyo indlela esithola ngayo induduzo." Bona? Yiso isimilo seMelika. Bona? "Sile televishon. Silemali enengi. Sile zimota ezinhle, silamakhaya amahle. Kuyini esikudingayo ngeNkosi? Asikudingi lokho." Yiso isimilo.

<sup>7</sup> Mayelana ngenkolo kuphela losindiso esilalo, lothando, kuphakathi kwabantu abalobunkulunkulu sibili. Liyazi, iBhayibhili lathi lokho kuzakwenzakala. [Ibandla lithi, "Ameni."—Mhl.] Uh-huh. Lina babali beBhayibhili, ngilizwe limemeza "ameni," futhi lawe mtshumayeli emuva lapho. Ukuthi, lokho kunjalo. Uthando luzakuba lukhatshana kakhulu, ensukwini zokucina; uthando kuphela oluzakuba lusele, luzakuba phakathi kwabantu abaKhethiweyo bakaNkulunkulu. "Ubaba uzakube emelana lomama, lomama emelana lobaba, labantwana bemelana labazali, labehlukeneyo bemelane omunye lomunye." Futhi uthando kuphela oluzakuba lusele, luzakuba yilabo nje abaKhethwa, abaKhethiweyo nje. Ibala "AbaKhethwa" lapho livela ebaleni "AbaKhethiweyo," Abantu abakhethiweyo bakaNkulunkulu.

<sup>8</sup> Futhi lapho uRosella engicaphunela indaba ekamelweni, isikhatshana esedluleyo, bengicabanga nje, ukuthi, ngalobobusuku, wathi enye into yenzakala. Lokuthi kanjani, wathi, kusehla konke phansi empilweni yakhe, lapho yena ayezakuba, isidakwa esihlanyiswa butshwala, wayengeke, kwakungela iAlcoholics Anonymous, amadokotela amane bamkhalala, kwakungelalutho olwalungenziwa, lokuthi njani, kusukela kuleso sikhatshana, enye into yenzakala.

<sup>9</sup> Manje akasela mehlo ohlanya. Ungothandekayo, umfazi omuhle omutsha weminyaka engamatshumi amathathu lantathu ubudala, futhi engazathi ulamatshumi amabili lambili; ukuthi uNkulunkulu wamenzela kanjani lokho Akwenzayo, lokuthi

ukhangeleka eyahlukile kanjani. Futhi, kodwa ngathi, “Rosella, ngaphambi kokusekelwa komhlaba, uNkulunkulu wamisela lesi sikhathi.” Yebo, mnumzana. Bona? Kunjalo. Futhi lapho omncinyane omdala uBilly Paul emuva ngale, lapho akhona, wayesipha amakhadi omkhuleko ebantwini lobobusuku, ukuthi wayengazi lowo ayemupha ikhadi lokukhulekelwa.

Akukuhle yini, Rosella?

[UDade Rosella Griffith uthi, “Mfowethu Branham, ngingazi nxa ibandla lingakhuleka ukuthi uNkulunkulu uzasiholela thina, ukuthi Wayeqine njani.”—Mhl.]

Ameni. INkosi ikubusise, Rosella. Ngileqiniso sizakwenza lokho. Ufuna ibandla likhuleke ukuze uNkulunkulu amhole. Lokho, yikulandela isandla Sakhe esingaguqukiyo. O, lokho kuhle kakhulu.

<sup>10</sup> Ngibe lohlelo olunzima olubekwe phambi kwami, lokhu kusa. Kumayelana ngomunye, usomazigidi-gidi eziphindwa phindwe zaphindwa phindwa lowo ofuna ukulungisa lapha eLouisville, Kentucky, futhi angakhele ithabhanekeli lezigidi ezinhlanu ezamadola. Kodwa enye into phansi enhliziyweni yami yathi, “Mana, kawusimalusi.” Bona? Ngakho, khona-ke, izigidi ezinhlanu zamadola emali eyayizakuphiwa. Manje ukuba iye kuhulumende, ukuze ibhadalele iwiski lezinto ezinjalo, kodwa ufuna ukuyibeka ethabhanekeli esenzela iNkosi. Kodwa ngiyathemba ukuthi izakuhamba kwenye inceku kaNkulunkulu eza...lenye inkonzo kuNkulunkulu. Kodwa, lezo yizigidi ezinhlanu zamadola eziphiweyo manje. Cabanga ngalokho, lithabhanekeli bani lelo elingenziwa.

Bona ukuthi kukhangeleka kuhlotshiswe okunganani lokho, Rosella? Kodwa kulenye into phansi *lapha* ekhuluma okwahlukileyo. Bona? Bona? Enye into phansi *lapha*.

<sup>11</sup> Sibuya phakathi kwaleli elincinyane, ithabhanekeli elidala, lina abemzini. Awu, leyi yayingaba yindawo ekhangayo lapha ekhoni, kalikunanzeleli lokho, ukuthi abantu bafunile ukwakha lindawo futhi bayenze. Kodwa leyi yindlela esilithanda ngayo. Bona, leyi yindlela esilithanda ngayo. Izihlalo ezindala esasihlala kuzo, zaziyi—yizihlalo zakuqala ezindala ezavela ethabhanekeli lapha, zedlula esikhukhuleni futhi zandenda phezulu.

<sup>12</sup> IBhayibhili lami lihlezi livulekile njengalokho phezu kwephuluphithi. Lathi ngqi kusilingi futhi laphenduka phansi lileLizwi Kulo, “Mina Nkosi ngikuhlanyelile. Ngizakuthelezela ubusuku lemini funa omunye akuhluthune esandleni Sami.” Ukuthi sagwedla njani sichapha phezu kwalo ngomkolo, *lapha*. Futhi laphenduka khona phansi, izihlalo zibuyela khona endaweni yazo. Konke abadinga ukukwenza kwaba yikulikoroba futhi baqhubekele phambili. Bona? Bona? Ngakho leyi yiyo nje indlela esilithanda ngayo,

lapho okungabantukazana, indawo ejwayelekileyo, leNkosi emangalisayo. Amen.

<sup>13</sup> Manje, lamuhla, silakho okunye, sesiqalisa nje ukuba singene phakathi kolaza, liyazi, emva kokuba u—uchago lonke solukhutshiwe, futhi nje ulaza. Futhi khumbulani, kuthatha uchago ukwenza ulaza, liyazi. U—ulaza luqukethwe phakathi kochago.

<sup>14</sup> Ngakho besikwesesi 1, sesi 2, futhi siphetha kwesesi 3, futhi siqala kusahluko 4 seBhuku eliyinkazimulo lamaHebheru. Futhi, o, imfundiso zeBhuku leli! Singahlala kanye Lalo okwe, indima eyodwa, okwenyanga ezintathu, futhi sitshengise nje ukuthi iBhayibhili lonke libophana lendima yonke eBhayibhilini. Wake wacabanga ngalokho? Akula ngitsho indima eyodwa ongabeka umunwe wakho kiyo, kodwa lokho, ngomusa losizo lukaMoya oNgewe, ukuthi singabopha uGenesis kusiya kuSambulo khona Kulo.

<sup>15</sup> Kasikho esinye isiqephu sokubhaliweyo esibhalwe loba ngaphi esingakwenza lokho. Futhi ngokwezibalo, lokuma komhlaba, ngayo yonke indlela, akula Bhuku eBhayibhilini elibhalwe njengeBhayibhili. . . Akula bhuku emhlabeni, Ngitsho, elibhalwe njengeBhayibhili. Akula. Izibalo zeBhayibhili ziyahambelana ngokupheleleyo; loba nje izahluko, leziphawulo zamabala, lakho konke, kuphelele. Hatshi elinye ibhuku; ungeke ubale isahluko kilo singazange siziphikise. Kodwa kakula kuziphikisa eBhayibhilini lonke. Futhi labhalwa ngabanengi, nengi, abantu abanengi; futhi lamakhulu, lamakhulu, lamakhulu eminyaka etshiyeneyo, bengazi loba isiqephu esisodwa. . . Omunye, waLibhala *lapha*, futhi omunye waLibhala *lapha*, lomunye waLibhala *ngapha*. Lapho lonke Libunjwa ndawonye, Lenza iBhayibhili likaNkulunkulu. Futhi akula lokukodwa okuphikisa okunye, futhi, akula, hatshi izibalo, ukumiswa komhlaba. Loba yini okunye okweBhayibhili, yonke into, izibalo, yonke into ihambisana ndawonye ngokupheleleyo. Lokho akuphefumulelwanga, kangikwazi, kuyini elingakubiza ngokuthi ukuphefumulelwa? Ngiyathokoza kakhulu ngelibusisekileyo, iBhayibhili elidala.

<sup>16</sup> Abanye babo bathi, “UngumKatolika na? UmProtestanti?”

Ngathi, “Ngitsho lokukodwa. Ngiyakholwa iBhayibhili.” Kunjalo. Ngiyakholwa iBhayibhili, futhi ngiyathokoza ukuthi lokhu sisaselenkululeko ukuLitshumayela kuleli lizwe. O, Kuyamangalisa.

<sup>17</sup> Manje sizakutaditsha Kulo. Futhi manje sizavula eBhukwini lamaHebheru futhi siqale ngesahluko 3. Futhi sicine kundima 15. Futhi manje lina lonke. . .

<sup>18</sup> Ngibone omunye enanzelela, isikhatshana esedluleyo, lapho ngidobha amangilazi ami okubalisa. Akusikho ukuthi amehlo ami mabi, kodwa sengedlule iminyaka engamatshumi amane

ubudala. Ngingakubala, khona *lapha*, ngokujwayelekileyo nje, kodwa ngingakubala ngcono ngamangilazi. Futhi bangenzela ipheya yamangilazi awokubalisa engifuna ukuwasebenzisa, ngoba ngingabala ngcono langokuphangisa. Futhi yikho lokho engiwafunela khona. Manje e . . .

<sup>19</sup> Kuqala, sifuna isisekelo esincinyane, ngoba kungabe kulabemzini phakathi kwethu, abangazange babambe isigaba sokuqala seBhuku lamaHebheru.

<sup>20</sup> Ungu Nkz. Cox, ohlezi lapha ekucineni? Awu, ngiyathokoza sibili ukumbona. Ngingakaqalisi nje, njengobufakazi bomusa kaNkulunkulu. Lapha kwakulomfazi owayelemvukuzane isidla iqeda ubuso bakhe. Lowo ngumama kaDade Wood. Futhi ngangiseMichigan loGene loLeo, futhi labo, be-rekhoda. Futhi endleleni sisiya ngek haya, umkami wangifonela, kumbe ngamfonela. Wathi, “Yana emkhulekweni khona manje ngoNkz. Cox, umama kaNkz. Wood, ngoba imvukuzane idla ubuso bakhe ibuqeda.” Isiqede yangena phakathi kwecele lelihlo laphansi ethanjeni, iqonde eceleni kobuso bakhe, futhi iyahlakazeka nje. Omunye udokotela wenza enye into kukho, wakwenza kwaba kubi ngamandla nje, futhi wayihlakazisa nje; wafaka olunye uhlobo lomuthi kiyo.

<sup>21</sup> Futhi bamletha bevela phansi eCampbellsville, Kentucky, kusiya phezulu . . . kumbe, ngiyakholwa, eActon, Kentucky, baze bafika e—eLouisville, ukuze elatshwe.

<sup>22</sup> Futhike uNkz. Wood, isikhathi sokuqala ngimbona ukuthi wayedabukile. Ngoba, yebo sibili, kungumama wakhe—wakhe—wakhe, futhi sibili wayengezwa edabukile. Ngangena ekamelweni futhi ngamkhulekela, ngilethemba lokuthi uNkulunkulu wathi Uzaphendula umkhuleko. Futhi insuku ezinlutshwane, wayesephumile. Futhi nango uhlezi manje. Ngomusa omangalisayo nje, ukuthi Umenzele okunjani.

<sup>23</sup> Ungasukuma na? Kangifuni ukukwenza u—u—umphakathi . . . Kungaphi, kungaphi lapho okwakulemvukuzane khona? E—eceleni kobuso, bona lapho, kulolo hlangothi lobuso bakhe, phansi *lapha*, ethajeni lakhe lomhlathi, phezulu elihlweni lakhe. Futhi uNkulunkulu wamsilisa. Akamangalisayo na? [Ibandla lithi, “Ameni.”—Mhl.]

<sup>24</sup> Bangaki ababelapha iSonto edluleyo ukubona lokho iNkosi eyakwenzayo ngombono? Indoda, iyikho konke ukugogeka lokuba yisiphofu, ihlezi khona lapha esihlalweni esilamasondo. Futhi enye into yangithunuka lapho leyo ndoda endala ehlezi lapha yathi, “Mfowethu Branham . . .” Ngiyakholwa bekungulowo mzalwane khona lapha. Wathi, “Yenza okufanayo kumkami.” Ulomfazi lapha ogogekileyo. Inhliziyo yami yancibilika nje. Ngiyafisa . . . Ngingapha loba yini emhlabeni nxa ngingenelisa, kodwa akusikho . . . akukho emandleni ami. Kodwa kukhona emandleni ami lasemandleni akho, ukukhuleka

ukuthi uNkulunkulu uzakwenza. Ulomfazi oyisigoga, isandla esingasebenziyo, unyawo olungasebenziyo, kukhangeleka njalo. Futhi lindoda yayisesimweni esibi kakhulu ukwedlula yena, ngoba uyenelisa ukuma futhi uyenelisa ukuhamba kancinyane, kodwa lindoda yayingenelisi ukukwenza lokho. Futhi yena... Ubuchopho, umthambo omkhulu wokumenza akwanise ukuma wawusungasekho. AbakoMayo, labanye abanengi, babesebemkhalalile. Futhi umKatolika wamthumela lapha, udokotela wesiKatolika; futhi umfana wakhe ungumpristi eSaint Meinrad phansi eJasper, Indiana. Kodwa lokho yikubeka amatshe esisekelo saleyo mvuselelo ezayo, phansi khonale.

<sup>25</sup> Futhi lapho ephakama, wathi, “Kodwa angeke...” Wakhangeleka, wathi, “Yebo, ngingakwenza.” Wacabanga ukuthi wayengeke abone, uyazi. Futhi wakhangeleka phezulu, futhi nje kwenzakala ukuthi waphakamisa ikhanda lakhe phezulu, futhi lapho wayesehamba futhi ebona; wahamba esehla esikhaleni sezihlalo, ngokwakhe. Futhi babengamaPresbyterian. Yena wayeyi orthodox. Futhi khuluma... Licabanga ukuthi ngamaPhentekostali nje kumbe abantu bamaHoliness abangamemeza; usephutheni. Bayanelisa okweqiniso ukwenza okunye ukumemeza lapho bebona into enjengaleyo isenzakala; besingathana munye lamunye futhi bememeza. Wahamba khona phandle laphansi esehla emastebhisini, efuqa isihlalo sakhe samasondo; ehamba, lemithambo eyenza ukuthi akwanise ukuma ingekho ekhanda lakhe. Kucabange. Ehamba njengawe kumbe njengalokho ngingahamba. O, Uyamangalisa.

<sup>26</sup> Manje, uPhawuli wabhala iBhuku lamaHebheru. Futhi kulokhu kubhalwa kwamaHebheru, waLibhala. Futhi ngaphambi kokubhala lamaBhuku, siyafumana... Manje, sizakuya... Leyi yikilasi yesikolo seSonto, futhi ngizazama ukukhangeleka futhi ngingathathi isikhathi eside. Futhi-ke sizakuba lezinkonzo, ukuziqhuba lobubusuku, iNkosi ithanda. Manje, eBhukwini lamaHebheru futhi lezinye zonke iziNcwadi zikaPhawuli...

<sup>27</sup> Wayengubani uPhawuli? WayengumHebheru oqinileyo, isifundi, lomfundisi omkhulu weThestamente eliDala. Futhi wayefundiswe ngomunye wamadoda abaphakemeyo bosuku lwakhe. Omunye kangitshela ukuthi ibizo lakhe lalingubani. Gamaliyeli, omunye wabafundisi abakhulu bosuku lwakhe. Futhi uPhawuli wayehlale ezinyaweni zika Gamaliyeli.

<sup>28</sup> Kukhona enye into mayelana nge... lapho ohamba khona, ibandla liphi oya kilo, lawuphi umfundisi okufundisayo. Belikwazi lokho na? Ku—kulenye into kikho. Ngakho-ke kufanele sidinge okuhle kakhulu lokho esingakuthola, ukuba sithole okuhle kakhulu; hatshi ngoba kulokuzwanana labantu lokunjalo, kodwa imfundiso yeBhayibhili eqotho.

<sup>29</sup> Khangelani, esinye isikhathi lapho uIsrayeli ephume wangena enkangala lamabutho abo, futhi babezule insuku eziyisikhombisa, futhi baphelelwa ngamanzi. Futhi basebezabhubha, bathi, “O, aluba kwakulomprofethi eduzane!”

<sup>30</sup> Futhi omunye wabo wathi, “Silaye phansi lapha, uElisha. Wathela amanzi ezandleni zikaElija.” Bona abahlanganyeli bakhe? Ngamanye amazwi, “Nangu uElisha obe lokuhlanganyelane loElija. ILizwi leNkosi likanye laye.” Liyakuthola? Waye fundiswe kuhle. Futhi wathi, “Ulapha. Asehleni phansi futhi sibuze kuye, ngoba umfundisi wakhe kwakunguElija, futhi ulemfundiso kaElija kuye.” Bona lowo mehluko okuwenzayo? Sibili. Sifuna ukufundiswa.

<sup>31</sup> Ngakho, uPhawuli wayelemfundiso kaGamaliyeli. Futhi uGamaliyeli wayengulowo muntu omkhulu owenza isinqumo, eyisifundi ngokwakhe, ukuthi lapho konke lokhu ukuqhubeka kuqalisa okwebandla lakuqala, wathi, “Kasingabeki izandla zethu phezu kwalokho, bazalwane. Nxa kungesikho kukaNkulukulu, kuzakufika ekupheleni, loba njani. Kodwa nxa kungokukaNkulunkulu, futhi sikulwise, sizazithola silwisana loNkulunkulu.” Bona, wayebe lemfundiso enhle.

<sup>32</sup> UPhawuli wayekhuliswe yilindoda, futhi wayesazi ukuthi uPhawuli wayengumfundisi omkhulu. Ngakho, ngolunye usuku, ethembekile enhliziyweni, ezingela iBandla esehla ukuyababopha.

<sup>33</sup> Manje kasithatheni nje esinye isigaba esicinyane kuPhawuli, lapho sithola isisekelo sethu.

<sup>34</sup> Lapho uJudasi esiwa, ngesiphambeko, ngothando lwemali lokuziqhenya kwempilo, wawa emuseni futhi waya endaweni yakhe. Futhi abafundi bathi, “Kufanele babe litshumi lambili.” Futhi ibandla, laso sonke isithunzi salo, ukulitshengisa lokho ibandla eliyikho; lesithunzi salo sonke lamandla alo wonke, lilokhu lisasihlalelwe okwamamayila ayizigidi, ebuhleni balo. Bathi, “Kumele sikhangele, oyedwa phakathi kwethu, ozathatha indawo.” Futhi bakhetha, ngokwenza inkatho, uMathiyasi. Mathiyasi, ngiyakholwa, kumbe uMathiyasi. UMathiyasi, ngiyakholwa yikho. Futhi lapho bemkhetha futhi bembeka labalitshumi lambili, labalitshumi lanye, okwenza itshumi lambili, kazange enze into eyodwa. Yiso isikhathi kuphela lapho ibizo lakhe elaqanjwa khona eMbhahlweni. Kwakulibandla lisenza ukhetho lwalo.

<sup>35</sup> Manje, bacabanga, “Uyindoda ethambekileyo.” Akula kuthandabuza. “Uyindoda emangalisayo. Ungumfundisi. Ukhaliphile. Ufundile. Ungumuntu omangalisayo. Uzathatha indawo kaJudasi futhi abe ngomunye wethu.”

<sup>36</sup> Kodwa, liyazi, uNkulunkulu kwezinye izikhathi uyenza okunye kwe...emicabangweni yethu, okunye ukukhetha okuyibuwula sibili. Manje, uNkulunkulu wabona umJuda

omncinyane olamakhala ayingwegwe, egcwele nje ngolaka njengalokho ayengaba yikho, lomlomo wakhe useceleni, “Ngizakwehla phansi, ngibophe omunye lamunye wabo bonke. Ngiza—ngizabaphosela entolongweni. Ngizakwenza *lokhu*.” Lokho kwakuyikukhetha kukaNkulunkulu.

Abanye babo bonke bathatha isifundi futhi lenxusa. Lolo lukhetho lwebandla.

<sup>37</sup> Bona, kawukwazi ukuthi lowo oselathini ngubani. Awukwazi ukuthi lowo omfakazelayo ngubani, entolongweni kumbe lobangaphi okukhona. Kungakhangeleka njengomuntu olwayo ngenqindi, indlebe zakhe ziphundlekile, amehlo engabonakali, futhi, kodwa kawukwazi ukuthi lowo ngubani. Phosa inkatho yakho, yikho kuphela, umnike iLizwi. UNkulunkulu uyakhetha.

<sup>38</sup> Futhi uNkulunkulu ukhetha lumJuda omncinyane lolaka oluvuthayo, kumbe wamkhetha, bengisitsho. Esendleleni yakhe esehla, “Ngizakwehla futhi ngibabambe. Ngi—ngizabatshengisa lokho engingakwenza njenga lokho,” futhi uNkulunkulu wamtshayelela phansi nje.

UNkulunkulu wathi, “Lokho yikukhetha Kwami, khona lapho.”

<sup>39</sup> Akungeke kube yibuwula lokho na, ebandleni? “Ngani, uzingela ibandla. Ngumuntu wenyama.” Kodwa uNkulunkulu wayekwazi lokho okwakuphakathi komuntu. Bona lokho engikutshoyo?

<sup>40</sup> Ngakho, uPhawuli wayelesehlakalo. Bangaki abakholwayo isehlakalo sibuya ngenguquko? Sibili. Nxa singazange, ngingathandabuza inguquko. Inguquko iletha isehlakalo. Futhi kawungeke ukubalele kuloba yini manje. Kwesinye isikhathi kungaba yikumemeza. Kwezinye izikhathi kungaba yikukhuluma ngendimi. Kwesinye isikhathi kungaba yikukhala. Kwesinye isikhathi kungaba yikububula. Awukwazi ukuthi kuyini, ngakho ungazami ukukubalela ulutho. Ngoba, omunye lamunye wenu likutshengisile ukuba liphambukile kukho, lina maMethodisti, lani maBaptisti, lani maNazareni, lamaPhentekhostali.

<sup>41</sup> Ngabona abantu bememeza nje ngamandla wonke abangamemeza ngawo, futhi bantshontshe igolide elisezinyweni lakho, nxa bengakwenza. Yebo, mnumzana. Ngabona abantu bekhuluma ngendimi njengokuthululela iphizi phezu kwesigogo senkomo esomileyo, futhi—futhi qiniso sibili, belegwayi lokuhlafuna kwelinye icele lomlomo, futhi baqume umphimbo wakho nxa babengakwenza. Kunjalo. Ngakho zona izinto kazila... Akula bufakazi bokuthi ungakufakaza, kuphela ngempilo umuntu ayiphilayo. “Ngesithelo sabo, lizakubabazi.”

<sup>42</sup> Ngakho, konke lokho kukuNkulunkulu. Uyenza ukhetho. Uyaletsa izinto ndawonye, futhi yiyo indlela okuyiyo. Ngakho

nxá impilo yakho ifanana lezithelo zeBhayibhili, ulomqondo omuhle kakhulu. Nxa umoya wakho ufakazelana loMoya Wakhe, ukuthi lingamadodana lamadodakazi kaNkulunkulu, li . . . Konke okubi okudala sokuwele khatshana, futhi yonke into isibentsha, futhi uphila othandweni, futhi ulokuthula, lomusa, lokunjalo, ususondela sibili eduze loMbuso. Ngoba, iMpilo ephakathi kwakho iveza lolo hlobo lwempilo. Bona?

43 Nxa usithi, “O, haleluya, ngakhuluma ngendimi. Haleluya!” Lokho akutsho lutho. Lokho akutsho lutho lakancinyane ukwedlula nxa ungaphuma phandle lapha futhi wakhalisa itshuni ekatalini kumbe enye into. Lokho akutsho lutho olulodwa. Loba wakhuluma ngendimi, loba wamemeza, futhi wagijima phansi laphezulu ezikheleni sezihlalo, futhi wakhala inyembezi kwaze kwangathi kade uhluba amahanyanisi, lokho kakutsho lanto eyodwa, ngitsho lento eyodwa, ngaphandle leyo mpilo yansuku zonke isekela khona xathu, ihlala kanye Lakho.

45 Ngakho-ke, kungasikumemeza, kungasilutho olunjengalokho oluyibufakazi. UJesu wathi, “Ngezithelo zabo, lizakubabazi.” Futhi isithelo sikaMoya kayisikho kukhuluma ngendimi. Lokho kayisiso isithelo sikaMoya. Ukumemeza ayisiso isithelo sikaMoya. Ukukhala ayisiso lesi isithelo sikaMoya. Kodwa, uthando, intokozo, ukuthula, isineke, ukulunga, ukuthambeka, ukholo, ukuthobeka, ukuzithiba, yizo izithelo zikaMoya. Bona? Yikho lokho izithelo zikaMoya eziyikho. Kulungile.

UPhawuli wayesendleleni yakhe esiya eDamaseko, ukuyabopha abantu phansi lapho, ngoba iVangeli laselihlakazekile phansi lapho. IVangeli litsho “indaba ezinhle.” Futhi bahlakazeka phansi lapho, labantu abanengi babephakama, begcwele uthando, lentokozo, futhi bethanda iNkosi uJesu. Futhi Kwakuhlakazeka phansi ngaleyo ndlela. Ngakho, uPhawuli wathatha incwadi ezivela kumpristi omkhulu. Yena wathi, “Ngizakwehla phansi, futhi ngizakubabopha, bonke.”

48 Ngakho wathatha kanye laye ixuku elincane labalindi, abalindi bethempeli, amasotsha, khona phansi endleleni wahamba. Lapha bematsha phansi endleleni, futhi yena ekwazi nje lokho ayezakwenza, kungananzelelwe, enye into yenzakala. Kungananzelelwe, kwaba lokuKhanya okukhulu phambi kwakhe, ukuKhanya okukhulu. Manje, Kwakhanya njengelanga. Leyo yinto engejwayelekanga ukwenzakala. UkuKhanya kwakhanya okokuthi nje yena, amehlo akhe aphuma, phose. Futhi wawela emhlabathini. Futhi yena—yena elele phansi emhlabathini, futhi wakhangela phezulu.

49 Kwakungaba labalitshumi kumbe itshumi lanhlanu amadoda ayelaye. Ngabe omunye walawo madoda abona ukuKhanya lokho? Hatshi, mnumzana. Uphawuli waKubona. Kwakungamiselwanga wona amadoda ukuthi baKubone. Ngakho, abanye abantu bangabona izinto, lapho, abanye bengaziboni. Bona? Ngakho, uPhawuli wabona lokho kuKhanya, okokuthi kwamphumputhekisa. Wayengasanelisi ukubona, okwensuku ezithile, Kwakuqotho kuye. Futhi wayengenelisi ukubona okwezithile. . .

Ngemva kwesikhathi, lapho esebhale izincwadi, amehlo akhe amkathaza kakubi kulokho, waze wabhala ngamabala amakhulu sibili. Wathi, “Libona ukuthi ngilibhalele ngamabala amakhulu.” Wayebona kanzima.

50 Wayesentolongweni, futhi wacela iNkosi ukumsilisa kukho. Futhi waMbuza kathathu. Kodwa kuyini lokho iNkosi eyakutshoyo? “Umusa wami wanele, Phawuli.”

Kuyini abakwenzayo na? Bayaqhubeka beKufulathela. Futhi Wathi, “Ngizafunga ukuthi Angisoze ngibavumele bangene eLizweni ababesiya kulo.”

<sup>167</sup> Yini indaba ngamabandla lawa amakhulu lamuhla na? Ukungakholwa kwabo kuthukuthelise uNkulunkulu. Haleluya! Uyanelisa kulawamatshe ukuvusa abantwana kuAbrahama. Wazama ukupha iVangeli kubo, futhi benza lukhuni inhliziyo zabo. Bazenza inkolo yeze, futhi benza inhlanganiso zamasonto ezincinyane, “Futhi sikhohwa *lokhu* futhi akula okunye,” futhi uNkulunkulu waye ngelakungena. Bangaphi lamuhla? Bahlezi eceleni komzila.

<sup>168</sup> Elincinyane likaNkulunkulu, iqembu elithembekileyo liqhuba lihamba, ngezibonakaliso lezimangaliso. Ubabeka ekuvivinyweni. “Indodana yonke eza kuNkulunkulu kumele ilingwe kuqala futhi ivivinywe,” ukufundiswa komntwana.

<sup>169</sup> Into yokuqala encinyane eyenzakalayo, “O, awu, mhlawumbe akula lutho Kukho, kungenani.” Ungumntwana olivezandlebe, futhi hatshi umntwana kaNkulunkulu.

<sup>170</sup> Ngoba umntwana kaNkulunkulu yiNzalo kaAbrahama, owabiza izinto ezazingekho, njengokuthi zazikhona, “UNkulunkulu watsho njalo,” futhi uyaqhubeka nje ehamba. Amen. Kungelandaba ukuthi uthini, kumbe yini okwahlukileyo,

bayaqhubeka behamba, kungenani. “UNkulunkulu watsho njalo.”

<sup>172</sup> IBhayibhili lathi, “Phumani phakathi kwabo, futhi lehlukhaniswe, itsho iNkosi, futhi Ngizalamukela.” Kumangalisa okunganani! “Ngizakulamukela,” emva usuzehlukanisile. “Lizakuba ngabantwana Bami, Ngizakuba nguNkulunkulu wenu.” Zehlukanise, Ungazihlanganisi labangakholwayo. Kunjalo.

<sup>173</sup> Ijaha lithatha, lithatha inkazana engakholwayo; kumbe enye inkazana encinyane isendela kumfana ongakholwayo. Ungakwenzi lokho. Angilandaba ukuthi muhle okunganani, futhi—futhi, kumbe unkazana muhle okunganani, lamehlo bani lawo amakhulu alawo; azatshabalala ezinye zalezinsuku. Kodwa, mfowethu, umphefumulo wakho uzaphila nini lanini. Wena nanzelela lokho okwenzayo. Yena kasimkholwa oqotho, kumbe ujaha ikholwa eliqotho, ungazihlanganisi njengalokho. Hlala khatshana lokunjalo. Kuzakubangela uhlupho phansi endleleni.

<sup>174</sup> Manje lalalani, indima 17.

*Kodwa . . . ngobani a . . . athukutheliswa yibo okweminyaka engamatshumi amane? kakusibo labo abonayo yini, abazidumbu zabo zawela enkangala?*

*. . . afunga kibo ukuthi kabazukungena ekuphumuleni, . . .*

<sup>175</sup> Baqala ukuphuma, kodwa, babona izimangaliso, kodwa kabangenanga elizweni lesithembiso. Inani nje elikhethiweyo, lababili, bangena elizweni lesithembiso.

<sup>176</sup> Manje kuyini uPhawuli akwenzayo? Ukhuluma kumaKhristu manje, “Lingavumeli leliVangeli elifanayo, elatshunyayelwa emuva-le, ngezibonakaliso lezimangaliso, leNsika yoMliilo yabakhokhela; lapho izinto lezo zithathi ndawo njalo, lingaweli emaceleni, ngokungakholwa, ukuya ekuthandabuzeni, ngoba izidumbu zabo zawela enkangala.”

<sup>177</sup> Manje siyangena, ngokuphangisa manje. Kxangelisisani.

*. . . kodwa kulabo abangazange baphile?*

*Ngakho siyabona ukuthi babe ngela kungene ngenxa yokungakholwa.*

Ukubiza *isono* kanye, ukubiza ngokuthi *ukungakholwa* isikhathi esilandelayo. *Ukungakholwa* yi “sono.” “Abangenanga, ngenxa yokungakholwa kwabo.”

<sup>178</sup> Babona lowo mprofethi, uMose. Babona lokho akwenzayo, babona lokho akukhulumayo. Kwakuliqiniso, isikhathi sonke, kwahamba kusiya, ngeQiniso. LiNsika yoMlilo yayibonakala phambi kwabo. BaYikhangelela. BaYibona.

<sup>179</sup> UPhawuli, ezama ukufika, phambidlana, ukufika phansi lapho, isehlakalo ayelaso. Bona? Ezama ukulandisa isehlakalo, wasifanekisa kuThestamente eliDala. Wathi, “Manje singene entweni entsha, kulesi sikhathi esitsha, ngoJesu Khristu. Izikhathi zendulo, iNkosi yabonakala kubo ngabaprofethi, kodwa manje IsingNdodana Yayo, uJesu.” Bona? Futhi waqala ukufanekisa izehlakalo lokubatshengisa lokho okwakuthathi ndawo, ukuthi izibonakaliso lezimangaliso, lakho konke, lalokho okubhaliweyo.

<sup>180</sup> Manje wathi, “Kabangenanga, ngenxa yokungakholwa kwabo.” Abazange bakholwe.

<sup>181</sup> “Kodwa manje, thina, singena esikhathini, futhi ungayenzi ibe lukhuni inhliziyi yakho. Lingenzi njengabakwenzayo, ngezinsuku zokuthukuthelisa, lapho abathukuthelisa uNkulunkulu.” Bakwenza njani? Hatshi ngokuphila ngokungaziphathi. Ake ngikuchole lokhu phansi kini.

Manje khangelela okwesikhatshana nje. Manje sizakuqala manje kwenye into eqotho, ejulileyo sibili. Manje, faka isazela sakho phakathi kwesikhwama sevesti yakho uze uphume phandle.

<sup>185</sup> Manje khangelisisa.

*Ngakho kasesabe, hlezi, lapho sisekhona isithembiso esisitshiyelweyo sokungena kokwakhe . . .*

*Kwakhe, kwayo, izabizwana zomuntu manje. Yini?*

*. . . kube khona omunye wenu obanakala esehluleka ukufinyelela kukho.*

186 Manje, uPhawuli uzama ukubatshela, kusahluco esedluleyo, mayelana ngazo zonke lezi izinto. Kodwa manje uzama ukubatshela ukuthi Kuyini.

O, ngabe silesikhathi na? Ngi...Mhlawumbe kungcono sime kuze kube lobubusuku. Isikhathi sesihambile, futhi sizakuba lenkonzo yomkhuleko. Mhlawumbe kungcono sikubambe kulobubusuku, ngoba lokhu kugcwele amavitamini, amavitamini kamoya. Ngilokunengi engifanele ngikwenze, futhi ngiphathekile limini. "Masi..."

*Ngakho masesabe, hlezi, isithembiso...*

187 Manje, babe lesithembiso ngelizwe lesithembiso, phansi eGibhithe na? Futhi, lapho, uNkulunkulu esehla phansi, ukwenza lesi isithembiso sibe qotho. Ngani, uNkulunkulu watshela uAbrahama, amakhulu eminyaka ngaphambili, ukuthi Wayezakwenza. KwakunguMbhalo.

188 UJosefa wathi, "Lingasusi amathambo ami lapha lize liye kulelo lizwe lesithembiso futhi lingingwabe phezulu-le kanye labobaba bami bonke." Ngoba, wayesazi ukuvuka kwakusiza, lapho uJesu evuka kwabafuleyo, ngoba wayekwazile lokho uJobe ayekutshilo. Bona?

189 Munye lamunye wabaprofethi babekwazi nje lokho okwatshiwo ngabanye abaprofethi, futhi bakwazi ukuthi uMoya wabo wawungofanayo. Futhi babekhangele. O, mfowethu! O, lokho kufanele kusinyikinye phandle kwesimilo somhlaba. Babelamehlo abo, hatshi kulokho abantu ababekutsho, kodwa lokho abaprofethi abakutshoyo. Munye lamunye wabo wayekhangele.

190 UAbrahama wathi, "Ngigcwabeni khona lapha lapho uJobe angcwatshwa khona." Wathi, "Sara, ngizathenga isiqinti somhlabathi. Sizakungcwatshwa khona lapha."

191 UIsaka wayengumprofethi, emva kukababa wakhe. Wathi, "Lalela. Lingangingwabi loba ngaphi, hatshi phansi lapha eGibhithe, kodwa lingithathe lingibuyisele elizweni lesithembiso. Lingingwabe khonalapha."

192 UJakhobe wafa phandle kwelizwe lesithembiso, kodwa wathi endodaneni yakhe, owaye ngumprofethi, wathi, "Uyazi, ngobunye ubusuku iNgilosi yangithinta emhlabulweni. Ngiqhule kusukela lapho. Woza, ubeke isandla sakho..." O, isihawu! "Ndodana yami ongumprofethi, ngimdala futhi ngiyisiphofu. Kodwa beka isandla sakho esingcwele, wena ungumprofethi, sibeke endaweni lapho iNgilosi eyabeka khona isandla Sayo, futhi funga kuNkulunkulu weZulwini ukuthi awusoze ungingwabele phansi lapha."

193 Malibusiswe i...Liyasibona isambulo sikamoya seLizwi? Ngani, ingxenye yabo, phose amaphesenti angamatshumi ayisificamunwemunye, babengazi lokho ayekhuluma ngakho.

Kodwa wayesazi lokho ayekhuluma ngakho. “Beka izandla zakho zomprofethi kulindawo lapho iNgilosi eyabeka khona isandla Sayo. Ngake ngaba ngenkulu, indoda ezimukileyo, igwala eliyisiqhwaga. Kodwa, Wangithinta, futhi kusukela lapho ngibeyindoda eqhulayo. Kodwa ngibe yinkosana kusukela lapho ngiqhula. Kusukela lapho ngitshintsha indlela yami yokuhamba, ngibe yinkosana.” Yebo. “Beka isandla sakho lapha. Funga ngoNkulunkulu weZulwini, alisoze lingingwabe lapha.” Ngani? Akula loyedwa owayesazi lokho ayekhuluma ngakho. UJosefa wayekwazi. Wathi, “Ngihambiseni phetsheya futhi lingingwabe kulelolizwe lesithembiso.” Kulapho okwakukhona. Ngempela.

<sup>194</sup> Lapho uJosefa esifa, iminyaka elandelayo, wathi, “Lingangingwabeli phansi lapha. Kodwa likhangele amathambo ami lapho lisedlula, ngoba ngelinye ilanga lizaphuma lapha. Futhi lapho selihamba, thathani amathambo ami kanye lani.”

<sup>195</sup> Nanko-ke. Umhlaba mawutsho lokho okufunayo, futhi benze lokho abakufunayo ukukwenza. Kalibusiswe iBizo leNkosi. Ngigcineni kuKhristu, uba ngibizwa loba yini, odlulisa amalawulo, kumbe umgiqiki ongwele. Ngolunye usuku Uyeza, futhi labo abakuKhristu uNkulunkulu uzakuba letha kanye Laye, lapho Esiza. Konke kungokomoya, iQiniso elambuliweyo lihlezi lapho, futhi kuthatha ingqondo kamoya ukuLibamba. Phumula kulokho, usuku lonke. Cabanga ngakho. Loba ungayekela ukudla kwakho kwantambama, cabanga ngakho.

<sup>196</sup> Futhi lobubusuku, sizangena ekuPhumuleni Kwakhe, lokho okwatshiywayo, futhi sibone ukuthi isithembiso sakhe siyini lamuhla. Iyini linto lamuhla na? Nxa uNkulunkulu engeLakho lapha eBhayibhilini, futhi aKufakaze, Kukhona lapha manje, khona-ke ngingumprofethi wamanga. Kunjalo sibili. Kodwa Kulapha. Kuyini lokhu ukuPhumula?

<sup>197</sup> Wathi:

Manje, *mase...sesabe, hlezi, lapho sisekhona isithembiso* sokungena njengalokhu abakwenzayo, . . .

<sup>198</sup> Futhi kufanele kubeyisithembiso esifanayo. Kufanele kubeyikuphumula okufanayo. Kufanele kubenguNkulunkulu ofanayo. Kufanele kubeyizibonakaliso ezifanayo. Kufanele kubeyinto efanayo. Kodwa kasiphumuleni. Manje kuYini na? INkosi mayisiphe khona, lobubusuku.

Lapho sikhothamisa amakhanda ethu.

<sup>199</sup> Nkosi ebusisiweyo, ilaPhakade kuphela izakwembula izinto esabelana lazo ndawonye. Ncinyane . . .

Banengi abamiselwe ukulahlwa. Njengoba Wena utshilo eBhukwini likaJuda, ukuthi, “Amadoda, asendulo abamiselwa ngaphambili ekulahlweni, bathatha umusa kaNkulunkulu futhi bewuphendule ube ngamanyala.” Futhi abanengi lamuhla

batshumayela iVangeli, umusa kaNkulunkulu, bawuphendule ube licebo lokwenza imali, besiba lebandla elikhulu kakhulu, labanengi esikolo seSonto, bethatha umusa kaNkulunkulu futhi baWuphendule ube ngamanyala. Futhi umhlaba uyisiphofu, futhi uhamba njengengulube eziyiziphofu. Abazwisisi.

<sup>200</sup> O Nkulunkulu, vula kithi ukuzwisisa. Ukuzwisisa kwethu makungabi njengabantwana balumhlaba. Ngoba Utshilo eLizwini Lakho, ukuthi, “Abantwana balumhlaba bahlakaniphile kulabantwana bokuKhanya.” Ekuqaleni kwakunjalo, “abantwana bakaKhayini” babazingewethi zesayensi. Baba ngabafundisi abakhulu. Baba ngabasebenzi bempahla. Baqhubeka bethuthuka, bengabekolo sibili, kodwa balahlwa futhi bagaluliswa ekwahlulweni. Futhi izidumbu zabo zandenda emanzini, futhi imphefumulo yabo yahamba esihogweni.

<sup>201</sup> Futhi uJesu wahamba futhi wakhuluma labo, lapho Esifa. “Futhi waya esihogweni futhi watshumayela emphefumulweni eyayisentolongweni, engaphendukanga ekubekezeleni, ensukwini zikaNowa,” utsho uMbhala. Futhi uNkulunkulu, lapho Esima emhlabeni, Wathi, “Njengoba ngezinsuku zikaNowa, ngakho kuzakuba njalo ekubuyeni kweNdodana yomuntu.”

<sup>202</sup> Kodwa siyananzela, “usendo lukaSethi lapho,” amadoda athobekileyo, amadoda aqotho kaNkulunkulu, bengazi okunengi kwezinto zomhlaba, benganakekeli lutho ngezinto zomhlaba, kodwa babetshiye konke okusindayo futhi bakholwa uNkulunkulu, futhi baba ngabaprofethi lamadoda amakhulu eMbusweni. Lapho abanye, omunye umhlaba wenkolo, wabahleka, wenza inhlekisa ngabo. Kodwa ihola leza lapho uzamcolo lokwahlulela kufika.

<sup>203</sup> Ngakho kwakunjalo ekubuyeni kukaJesu Khristu. Ukuthi bahleka njani futhi benza inhlekisa Ngaye, lapho belenkolo zabo lamabandla abo amakhulu. Kodwa benza inhlekisa ngeNkanyezi yoKusa, futhi Bamhleka. Kodwa kukanti bangena ekwahlululweni. Futhi lapho bebaleka futhi bangena eJerusalema, lapho badla abantwana babo, ekulambeni, futhi igazi labo lageleza phandle emasangweni esitalada lapho betshisa idolobho lethempeli, lemiphefumulo yabo yaya esihogweni.

<sup>204</sup> Nkosi, nanku silapha futhi, kokwesithathu. Lesi yisikhathi sempilo. Okuthathu yinombolo yempilo. Futhi nanku silapha, silungele ukuHlwithwa.

IBandla liqhubeka; umhlaba wesayensi omkhulu; amabandla lamuhla ehlezi egcwele amakholwa abathandabuzayo. Amatshumi ezinkulungwane lamabizo abo ebhukwini, yebo, izigidi, futhi bahleke iVangeli, futhi bathi, ukuthi, “Kabafundanga. Abakwazi.”

Mhlawumbe kunjalo, Nkosi, kodwa esikusilela emfundweni, Uyakugcwalisa emuseni ngokuthumela iNgilosi Yakho yokuKhanya, ngokubonakalisa amandla Akhe, uqinisa aMazwi kulabo abangabayanga labangafundanga njengathi. Kodwa siyaKuthanda ngenxa yalokhu, ngoba ngumusa kaNkulunkulu okwenzileyo, futhi siyakwazi ukuthi sazalwa. Futhi kasithandeki lakancinyane. Singabangathandekiyo sibili. Kodwa Wena, ngomusa, wafinyelelisa phansi isandla Sakho sesihawu futhi uvule amehlo ethu, njengoJesu wasikhulekela; njengalokho uElijah akwenza kuGehazi, lapho ekhangela ukubona okumzungezileyo. Futhi lamuhla amehlo ethu avulekile, futhi sibona izinto zikaNkulunkulu, futhi siyakwazi siya esikhathini sokucina; lapho insuku zabantu beZizwe sezizakuphela, futhi Uzathatha abantu ngeBizo Lakhe. Masibalwe khona, Nkosi, siyacela ngokuthobeka. Siyakhuleka ukuthi uzasipha khona.

<sup>205</sup> Sibusise. Busisa lumbuthano omncane lokhu kusa. Benziwe ngayo yonke imifanekiso ehlukeneyo yezinkolo lokukholwayo, kodwa batshiye eceleni lamuhla, Nkulunkulu. Futhi mabakhangele beqonde eKhalvari, bethi, “Nkulunkulu, ngibumbe futhi ungenze. Nginjenge...” Umprofethi wathi wehla waya endlini yombumbi, ukuze aphahlazwe futhi abunjwe kutsha. Sibumbe futhi usenze ngokwendlela leyo uNkulunkulu angasifuna ngayo. Kungelandaba uba singaba yisigcabha sesibuyeni eNdlini yeNkosi. Kungaba ngcono ngibe yisigcabha somnyango kulokuhlala emathenteni kanye lababi. Futhi siphe khona, Nkosi. Sibusise nje manje, futhi usigcine sithobekileyo. Inhliziyo zethu mazivuleke, ingqondo zethu zikhanya, ezintweni zikaNkulunkulu, ngoba sikucela eBizweni likaKhristu.

<sup>206</sup> Amakhanda ethu ekhothanyisiwe, angazi nxa omunye umuntu engafuna ukukhunjulwa elizwini lomkhuleko, okwensindiso yakho yomphefumulo wakho? Ungaphakamisa isandla sakho, futhi uyisoni nje? UNkulunkulu akubusise, mfo omncinyane. Omunye futhi? UNkulunkulu akubusise, emuva-le, mnumzana. UNkulunkulu akubusise, khosikazi. Omunye futhi othanda ukukhunjulwa emkhulekweni nje manje, okomphefumulo wakho? UNkulunkulu akubusise, mnumzana, olesandla sakhe esiphakemeyo. Futhi uNkulunkulu akubusise, lawe lapha. Kuhle. Kungaba lomunye, singakavali? Ngizwa ukuthi kungaba khona. UNkulunkulu akubusise, emuva-le, mnumzana, ngemuva.

<sup>207</sup> Wothi, manje khangela, ngifuna ukukubuza enye into. Angifuni ukuthi licabange ngitsho lakancane ngoba yileli thabhanekeli elincinyane. Angifuni ukuthi ucabange kungenxa yokuthi yilaba bantu. Futhi Nkulunkulu olesihawu, angicabangi ukuba kungenxa yokuthi iNgilosi yeNkosi yaba lomfanekiso Wayo uthethwe kanye lami, futhi ngi... futhi—futhi enye into yalokho, ukwenza lokho. O Nkulunkulu! Nxa ngizwe ngaleyo

ndlela, khona-ke, mfowethu, ngidingakala ukuba selathini kulokuthi ngikucele wena. Kodwa ngitsho lokhu kuphela, ngitsho lokhu ngoMbhala, ukuthi uzabona ukuthi lokhu kuliQiniso. Nxa ngiKutshilo, futhi yikho kuphela okwakukhona kukho, ngaqhubeka njengaloba nguphi umtshumayeli kumbe enye into, kumbe loba yini okunye, awu, khona-ke, kuzabe kwahlukile. Kodwa uyabona into, uNkulunkulu uyaphenduka khonapho futhi afakaze ukuthi kuliQiniso. Bona? Yikho okukukwenza kubeqotho, nguNkulunkulu eKufakaza. Futhi-ke, hatshi lokho kuphela, kodwa iLizwi Lakhe lithi Uzakwenza. Nangu lapha Uyakwenza.

<sup>208</sup> Manje nxa ungekho kokuqondileyo, inhliziyi yakho kayiqondanga kanye loNkulunkulu, ungaphakamisa nje isandla sakho? Wothi, “Ngikhulekele.” Kulungile, khona lapho okhona. Phose eziyisificaminwembili kumbe ezilitshumi izandla beziphazulu, zifuna isihawu kumphefumulo wabo. Lapho lisase lamakhanda enu ekhotheme, manje wena khuleka. Khumbula, nguwe okumele uphenduke. Ngiyakucelela kuphela, ukuthi uNkulunkulu abe lesihawu. Kodwa lelo lilathi, uNkulunkulu ukulethe endaweni engqondweni yakho; lelo lilathi. Siyakholwa ekubuyeni elathini, sibili, kodwa lokho aku—lokho aku... Kulungile. Kodwa ilathi lakho eliqotho yilapho uNkulunkulu ahlangani lawe khona. Futhi Uhlangani lawe khona lapho ohlezi khona. Lelo lilathi lakho.

<sup>209</sup> Manje wothi, “Nkulunkulu, woba lesihawu kimi, isoni. Futhi kusukela lolusuku kusiya, nxa Ungangisiza, NgizaKuphilela. Ngiza—ngizaKukhonza. Angilandaba ukuthi ngubani othini, ngiyaphuma, lokhu kusa. Ngiyakhuleka khona lapha, futhi Susa lumoya wokungahloniphi kimi. Susa ulaka lolu khatshana lami. Ngiyazi angeke ngenze njenga lokho futhi ngibe ngoqondileyo loNkulunkulu. Futhi ngilenzondo enhliziyweni yami. Ngilomhawu. Ngilomona. Ngilalokhu, lokho. Kususe, Nkulunkulu. Angifuni ukubanjalo. Ngenze ngihlabuse, lothobekileyo, lomnene. Ngenze ngithambeke. Ngenze ngibe ngumuntu ongazua abanye Kuwe. Ngenze ngiKwenzele enye into ukuze ngitshengise ukuthakazelela empilweni yami.” Yiwo umkhuleko owukhulekayo manje, lapho sikhuleka ndawonye.

Ba—bayeyise imithetho yokudonsela phansi lapho bephakamisa izandla zabo. Bekulomoya phakathi kwabo owenze isinqumo. Baphakamise izandla zabo, ukuthi bamukele uMdali Owabenzayo.

<sup>211</sup> Manje, Baba oseZulwini, ngiyakhuleka ukuthi Uzakubabusisa, futhi ubaphe iMpilo elaPhakade, khona manje. Akulalutho engingalwenza; ngibabize ngase lathini, ngibabeke phakathi kwekamelo elengeziweyo, ngisenza umsebenzi wonke. Ku—kuthatha Wena ukuthi ukwenze, Nkosi. Asingeke

senze okwedlula ukutshumayela iLizwi. Wathi, “Ukholo luza ngokuzwa, ukuzwa ngeLizwi, iLizwi likaNkulunkulu.” Manje, sitshumayele iLizwi, futhi baphakamise izandla zabo, ukuthi baKukholiwe. Manje baphe ukuPhila okungapheliyo, ngoba Wathembisa ukuthi Uzakwenza. Nxa babeqinisekile ekuphakamiseni izandla zabo, bazaphuma phandle kwalesi sakhwiwo lokhu kusa, ohlabusayo, omnene, umKhristu othobileyo, ngoba Wakuthembisa. Futhi Amazwi Akho awangeke ehluleke. Ngikucela eBizweni likaJesu Khristu. Amen.
