Futhi siyakhuleka, Nkulunkulu, ukuthi Uzoletsha ukuhumusha kithi kulokhu ukusa, kwalemiBhalo ukuthi Uzosazisa, ukuze izinhliziyo zethu zahluelwe, uMoya oNgcwele omkhulu uzofika phakathi kwethu namhlanje futhi wahlulele imicabango yethu nezinhliziyo zethu. Futhi kwangathi kungesale lutho, ukuthi izinhliziyo zethu azizuku... zizogcwala kakhulu injabulo uma sesisuka lapha ukuthi sizosho njengalabo ababevela e-Emawuse ngalobo busuku, “Izinhliziyo zethu bezingavuthi yini phakathi kwethu lapho Ekhulumha kithi endleleni na?” Wena uhlala njalo unguNkulunkulu, futhi singabantwana baKho abalambile sibuthene kulokhu ukusa. Ngokuba, kolutshiwe, “Umuntu uyakuphila ngawo onke amazwi aphuma emlonyeni kaNkulunkulu.” Sibusise ekubuthaneni kwethu ndawonye nabo bonke lababantu, Nkosi, oza amamayela ne, yebo, izinkulungwane zamamayela. Siyakhuleka, ukuthi lapho sebeya emakhaya, izinhliziyo zabo zizokweneliseka ngezinto ezinhle zesihawu nomusa kaNkulunkulu. Ngokuba sikucela eGameni likaJesu. Amen.

<sup>59</sup> Indikimba encane eyinqaba, amazwi amathathu engifuna ukukhulumha kuwo kukho konke lokhu ukufunda. Ungahle uthi, “Leyo yinto encane kabi, amazwi amathathu kukho konke lokho okufundile, izingxenye zezahluko ezimbili zeBhayibheli.” Kodwa ngi—ngikwenzele isendlalelo lokho ukuthatha amazwi amathathu: *Ukuhlola iZwi laKhe*.

<sup>60</sup> Niyazi, kukhona umBhalo eBhayibhelini, kwabaseThesalonika bokuQala 5:21, lapho okulotshwe khona, “Hlolani konke, nibambisise okuhle.” Uma noma yini ihlolwa, iyoba phakathi kokuthi ihlolwa iba “yiqiniso” noma iba “yiphutha.” Futhi uma kukhona noma yini esembuzweni, ifanele ihlolwe uze uthole ukuthi yikuphi okuyiqiniso. Bese kuthi-ke lapho usuthola ukuthi yikuphi okuyiqiniso, Lathi, “Nibambisise.” Ngamany’amazwi, “Kubambe ngqi, ungakudedeli. Kubambisise!” Ngamany’amazwi, “Kubambe kuqine, ukuze kungaphunyuki.” Nibambisise kulokho okuhle, emva kokuba sekuhloliwe kwaba “yiqiniso.” Futhi noma yini ehlooliwe yaba “ngengesilo iqiniso,” khona-ke idedele ngokukhulu ukushesha ongakwenza, suka kuyo. Ungabambeleli neze entweni eyiphutha.

<sup>61</sup> Manje, kungenzeka ukuthi amaKristu okuqina, abantu abahle, babambelela ngezinye izikhathi, babambelela entweni eyiphutha, becabanga ukuthi ilungile. Kodwa ke lezizinto zifanele zihlolwe, ukuthi ngabe zi “qinisile” noma zi “yiphutha.” Futhi kungumsebenzi wethu sonke, njengoba silindele ukuya eZulwini uma uJesu efika. Futhi kungumsebenzi womfundisi, uma kuphakanyiswa noma yimuphi umbuzo, ukuthi uyakuxazulula lokhu, bese-ke ekuhlola phambi kwabantu, ukuze baqonde, ngoba akekho ofuna ukutholwa “enephutha,” ebambelela entweni eyiphutha.

<sup>62</sup> Ngakho sinomBhalo (noJesu wathi, “yonke imiBhalo ifanele igcwaliuseke”) ukuthi sifanele sihlole konke. Bese kuthi-ke, “sibambisise,” noma, “sibambe kuqine, sibambele kukho ngqi okokuфа. Futhi singakudedeli, nibamisise okuhle.”

<sup>63</sup> Ngiyakhumbula esikoleni, ngafunda okuthize, nabanningi benu bafunda isifundo esifanayo. Uma usuxazulule inkinga, wayisebenza, ungathatha impendulo bese uyihlola ngenkinga. Bangaki abake bakwenza lokho na? Nonke, kusobala. Manje-ke-manje-ke awudingi ukuba ukhathazeke noma impendulo yakho iquinisile noma qha, inkinga iyimpendulo ehlolwe yinkinga. Ngakho-ke, uyazi ukuthi unempendulo eqinisile. Uma zonke ezenu esileyitini senu noma ishadi zihlooliwe, inkinga ihlolwe nge... impendulo ihlolole ngenkinga, khona-ke uyitholile. Akekho ongathi iyiphutha, ufanele uthole... Futhi uma wenza umsebenzi wakho ngobunono nangokuyikho, nangendlela okufanele wenziwe ngayo, nempendulo yakho ihloliwe, ungahlala uqhiyame futhi uphumule unesiqiniseko ukuthi uzothola u A kulokho, kuleloshadi lephepha ophendukela kulo, ngoba ihloliwe, yahlolwa ngenkinga.

<sup>64</sup> Manje, kukhona futhi isaga esidala esithi, “Kuhlole, futhi ngizokukholwa.” Manje, banesinye sesifundazwe sakithi, esinye sezifundazwe zakithi esizweni, banesiqubulo, “NgingowaseMissouri, ngikhombise.” Niyabo, ngamany’amazwi, “Kuhlole kufakazeleke kimi, ngingowaseMissouri.” Kodwa lokhu akusebenzi njalo, ngoba uNkulunkulu u, kuwo wonke unyaka, gewalise futhi wawuhlola umsebenzi Awuhlele lowonyaka, futhi wawukhuluma eZwini laKhe. Futhi ngaso sonke isikhathi iZwi likaNkulunkulu elihloliwe onyakeni, iningi ngesibalo liLenqabile. Ngakho, “Kuhlole kufakazeleke, futhi ngizokukholwa,” akunjalo. Ungaba nokukholwa kuphela njengoba uNkulunkulu ekunika ukukholwa. Ukukholwa kuyisipho sikaNkulunkulu. Noma ngabe ungaba nokukholwa kanjani, nokho kufanele kuthathe i...ufanele ube nokukholwa. Futhi ukukholwa kwakho kungaphumula kuphela, uma ungumKristu, phezu kweZwi likaNkulunkulu elihloliwe.

<sup>65</sup> Manje, khumbula, uNkulunkulu wabela iZwi laKhe onyakeni ngamunye, futhi washo kungakenzeki ukuthi

kuyokwenzekani kulonyaka othize Ayekhuluma ngawo. Manje, ukuba uMose wayefike nomlayezo kaNowa, wawungeke usebenze. Ukuba uJesu wayefike nomlayezo kaMose, wawungeke usebenze. Noma umprofethi oyedwa wafika nomlayezo womuny'umprofethi, wawungeke usebenze. Kodwa ngabaprofethi baKhe, Wembule ububonke babo bonke ubuYena necebo laKhe. Ngakho-ke iBhayibheli lingibe yizwi elilodwa lenezelelwe kuLo noma iZwi elilodwa lisuswe kuLo.

<sup>66</sup> Ngakho uma uhlola inkinga yakho ngeyakho... impendulo yakho ngenkinga yakho, pho kungani unghahloli i—impendulo manje esiyithola ngeZwi lalonyaka na? Uma iBhayibheli likhuluma ukuthi into ethize izokwenzeka kulonyaka, iseBhayibhelini futhi izokwenzeka. Manje-ke uma impendulo yakho ozama ukuyitshela abantu, uma ihlolwa ngeNcwadi, khona-ke iyiqiniso, iyiqiniso. Kungenjalo, ayisilo.

<sup>67</sup> Manje sibona okunye, bese wena, akungabazeki, nibazwile bethi, “Ukubona ngukukholwa.” Leso ngesinye isaga esidala esinaso lapha, kodwa leso asisebenzi naso. Asisebenzi, ngoba umuntu angahlala futhi abuke ngokuqonde ngqo noma yimi futhi ngeke bayibone. Igama “bona,” igama lesiNgisi “bona” linezincazelo eziningi kakhulu kulo. *Ulwandle* lungahle luchaze “umzimba wamanzi.” Futhi ukubona kungahle kuchaze “ukuqonda.” *Ukubona* kungahle kuchaze “ukukubheka.” Futhi, o, kukhona nje zonke izinhlobo zamagama ongazisebenzisa. Kodwa uma uthi, “ukubona kungukukholwa,” unephutha.

<sup>68</sup> Uma ukuqonda, uyakukholwa. UJesu wathi, “Uma umuntu engazalwa ngokusha angewu *bone* uMbuso kaNkulunkulu,” ngamany’amazwi, “*aqonde* uMbuso,” ngoba uMbuso nguMoya oNgcwele kuwe. Ngakho ufanele uqonde ukuthi lokhu kukuwe. Futhi indlela kuphela oyokuqonda ngayo, ngukuqhathanisa ukuthi yini ekwenza wenze ngakho iBhayibheli elathi liyokwenza ukwenze. Khona-ke inkinga yakho isixazululiwe, niyabo. Futhi, manje-ke, UyilowoMoya oNgcwele.

<sup>69</sup> Ngakho, ukubona akusikho ukukholwa. Ngingakufakazisa lokho ngemizwa yomzimba, niyabo, ukuthi ukubona akusikho ukukholwa. Ngeke ngalibona lelibhodlela lamafutha. Beningeke ngilibone ngoba lisemva kwami, nokho nginomuzwa wo—wokuthinta ongitshela ukuthi nginalo lisesandleni sami. Niyabo? Manje, beningeke ngilibone, akunakwenzeka. Futhi manje ngeke ngafinyelela kulo, akunakwenzeka, futhi nokho ngiyakukholwa. *Lokhu*, ukubona kungukukholwa; *lokhu*, ukuthinta ukukholwa. Manje ngivala amehlo ami, bengingelibone noma ngilithinte, kodwa uma ngilisondeza futhi ngikwazi ukulihogela, ngisalokhu ngikholwa ukuthi likhona. Ngakho, “Ukukholwa kuyizinto ezithenjwayo, ezingubufakazi obubonakalayo,” akubonwa, kunambithwe, kuthintwe, kuhogelwe, noma kuzwiwe. Uyakukholwa! Futhi ukukholwa kufanele kube nendawo yokuphumula. Futhi noma yini

ephambene neZwi likaNkulunkulu, ukukholwa kuNkulunkulu ngeke kwaba nendawo yokuphumula ngaphandle uma kuyisithembiso sikaNkulunkulu. Futhi lapho kuthatha isinqumo sakho saPhakade.

<sup>72</sup> Ulenza kanjani iZwi laKhe laziwe kubantu na? Kuqala, uNkulunkulu azi ukuthi kwakuyoba khona abangakholwayo... Manje bhekisisani ukuhlakanipha kukaNkulunkulu; azi ukuthi kuyobakhona abangakholwayo, nokuthi iningi ngesibalo liyoba kanjani ngabangakholwayo. Yena, ngokwazi ngaphambil, wamisela ngaphambil imbewu yawo wonke unyaka, eyoLikhola. Manje uma nizoqaphela phakathi lapho, ngokuba, unyaka ngamunye uqhubeke ngqo neZwi laKhe, yonke into ngaso impela isikhathi esiyiso, akukho lutho oluvimba uNkulunkulu. Uqhubeke ngqo, futhi konke ukuthi cha cha kuhamba kahle impela nje. Sicabanga ukuthi, ngezinye izikhathi, akuzukusebenza kahle. Kodwa ungakhathazeki, iwashi laKhe elikhulu libekwe esikhathini kahle impela nje ekwehlukaneni kwamanje, futhi yonke into isezenza ngokuyikho impela nje.

<sup>73</sup> Uma ngiqalaza ngesinye isikhathi bese ngibona laboRickys noRickettas esinabo namhlanje, nasemgwaqeni, nokuthi yonke into iqhubeka kanjani. Ngiyacabanga, "O Nkulunkulu!"

niyabo, isono sasingakaziwa ngaleyonkathi njengoba sesinjalo manje. Futhi uma sesithole ukwazi okuningi manje kunoma sasinakho ngaleyonkathi, futhi uma isitha singena njengomfula okhahlamezayo, uMoya kaNkulunkulu uvusa ibhanela limelane nawo. Niyabo? Futhi manje namhlanje, sesinokwazi okuningi kakhulu, ukuqonda okuningi kakhulu, ngakho imifula yokungakhola ugeleza ungena ngamandla, kodwa uNkulunkulu uvusa ibhanela ukumelana nawo. Kodwa, khumbulani, Uhlala njalo... Isizathu sokuba A—Amisela ngaphambili lezizinto ukuba zenzeke. Wazisho zingakenzeki ngabaprofethi baKhe ukuthi zazizokwenzeka. Futhi uma abalungileyo bebona lezizinto ziqiniswa, khona-ke bayazi ukuthi Liqinisile. Kungakhathaleki ukuthi noma ubani omunye uthini, bayazi ukuthi Liqinisile.

<sup>75</sup> Siyatola lapho kwa—kwa—kwa, ngiyakholwa, kukwabaseThesalonika bokuQala, Wathi, “Usimisele ngaphambili ukuba sibe nesimo sobuntwana ngoJesu Kristu.” UNkulunkulu, engasho khona ukuthi, “Ngizokhetha wena, futhi ngingakukhethi wena,” kodwa ngokwazi kwaKhe ngaphambili wazi ukuthi wena uyokwenzani. Ngakho ngokwazi ngaphambili Angabeka ngokuhlelekile, futhi Wenze yonke into ukuba isebeenzele okuhle kwaKhe, nangokuhle kwakho.

<sup>76</sup> KuGenesisi, uNkulunkulu watshela uAdamu noEva ukuthi kwakuyokwenzekani ngenkathi bengalikhholwa iZwi laKhe. Manje, Wabeka okulungile nokungalungile phambi kwabo, Wayesethi, “Mhla niwudla, ngalowomuhla niyokufa.” Futhi uNkulunkulu wayeqonde khona impela nje Akusho. Uhlala ekwenza njalo, Uqonde lokho Akushoyo.
