<sup>8</sup> Manje-ke, ngifuna futhi ukumemezela ukuthi kulobubusuku, etafuleni lezincwadi, noma ngabe kukuphi lapha, kuzoba khona amateyipu emihlangano namarekhode. UMnu. Mercier noMnu. Goad, engibambisana nabo, othatha amarekhode, noma, othatha imilayezo bese eyifaka eteyipini, futhi kuqhubeke kusukela eteyipini kuya kwirekhodi, futhi irekhodi neteyipu kokubili kusendaweni yezincwadi manje, kungathengwa cishe ngokukodwa kokuthathu inani obuyolikhokhela irekhodi esitolo sezinto zikasheleni, uma une. . . Futhi uma ungenayo i-adaphtha, banayo leyo.

<sup>9</sup> Asikho lapha ukuzothengisa, leyo akusiyo inhloso yethu. Noma ubani ongaziyo uyakwazi lokho. Angikaze ngibe necala lokuke ngithengise ngoJesu Kristu, futhi a—angikholelwa kulokho. Futhi mina, into kuphela engifuna ukukwenzela yona lokhu yingoba ngicabanga ukuthi kuyosiza omunye umuntu. Nabafana, ngenkathi bethatha amateyipu futhi bebethengisa amateyipu, ngathumela komunye umvangeli ngase ngithola iteyipu, futhi ngicabanga ukuthi kwakucishe kuphindwe kathathu inani lababafana abawathengisa ngalo, ngoba bathenga izinkulungwane eziphindwe kazinkulungwane zawo ngamaqembu, futhi banawo. Lokho nje kungokokuqhubekisela phambili iVangeli. Lokho yi. . .

<sup>10</sup> Khona-ke izincwadi esinazo, kusobala, asinazo lapha, ngoba zishicilelwa lapha. UMfowethu Gordon Lindsay, umfowethu esibambisana naye lapha, wabhala incwadi ethi, *UMuntu Othunywe Evela KuNkulunkulu*, futhi iyashicilelwa, noMfowethu Lindsay uyishicilela lapha, futhi ngizithenga kuMfowethu Lindsay lapho ngizikhipha emihlanganweni, ngesephulelo se, ngiyakholwa, cishe ngamaphesenti angamashumi amane ngaphansi kunalokho yena. . . lokho engi. . . izindleko zasekuqaleni zazo. Bese-ke ngizikhipha, bese ngiqasha umuntu othize ukuba azithengise, kanjalonjalo. Futhi noma ubani owake wathengisa izincwadi, uyazi ukuthi kul'khuni ukuthi uzithengise noma ngayiphi indlela kuzo, ngoba uma noma ubani edlula futhi engenayo imali, efuna incwadi, bayoyithola, noma kanjani, niyabo, isithombe kumbe noma yini, akwenzi nomnci umehluko.

<sup>11</sup> Futhi sifanele sishicilele lesithombe esathathwa seNgelosi yeNkosi ngaphansi kwelungelo lobunikazi. Futhi uMfowethu Lindsay nabo bonke bazi konke ngalokho, okufanele sithole imvume yeziningi kangaka, futhi nje ziphume ngenani esizithola ngalo. Ngakho niyabo. . .

<sup>12</sup> Futhi asinxusi, noma okunye nokunye, kodwa ngisanda kwenza lokhu ukubalula, noma ngabe uma ubuzifuna, bekuyoba kuhle ukuzithatha e—ekupheleni kwenkonzo e—esitendeni noma esitendeni sezincwadi, noma ngabe kukuphi.

<sup>13</sup> Futhi manje, impela siyakujabulela ukuhlala kwethu

lapha, futhi nje sithola umqondo ofudumele kakhulu, noma ukwemukelwa, phansi lapha, njalo.

<sup>14</sup> Ngiye ngale esitolo esincane namhlanje, futhi he, ngathi, “Nenekazi, ngabe kushisa kakhulu lapha eTexas.”

Lathi, “Ufanele ube lapha ngo-Agasti.”

Ngathi, “Lokhu kuthi ukungicinanisa.”

<sup>15</sup> Ngakho, niyazi, ngazalelwa eKentucky, futhi ingxenywe nje phakathi kwenyakatho neningizimu. Kodwa, niyazi, ngokuthi nonke niyisigejane sabaseningizimu, kulobubusuku, ngingowaseningizimu ngokuzalelwa eKentucky.

<sup>16</sup> Nje ngiphuma ezifundazweni zaseNew England, futhi ngabatshelela bonke enhla lapho sanqoba impi. Nonke niyakwazi lokho, anikwazi na? Impela, sanqoba. Ukuthi sakwenza kanjani, saphila sabedlula bonke abanye. Nje kwaku. . . Kukhona oyedwa owaseningizimu osele futhi akekho owasenyakatho. Futhi ngenkathi umfana wokugcina oshaya isigubhu wasenyakatho efa, niqaphelile ephepheni, ngaphambi nje kokufa kwakhe, owaseningizimu wamthumelela umlayezo futhi wathi, “UNkulunkulu akubusise, Yankee. Ngithemba ukukubona futhi masinyane.”

<sup>17</sup> Kungani babengakucabanganga lokho ekuqaleni na? Kunjalo. Kwakuyobe sekuphelile konke ngaleyonkathi. Kunjalo. Awu, sizoba nabo kuze kufike uJesu, futhi khona-ke ngeke sisaba nazo izinkathazo nezimpi. Ngeke yini kube yisikhathi esimangalisayo lesa na? SiyaMthanda, nangazo zonke izinhliziyiyo zethu.

<sup>18</sup> Futhi manje, bengikhuluma kulokhu ukusa esitolo othenga udlele kuso esincane, kade ngivakasha ngapho, futhi ngahlangana nendoda ekhuphukile futhi yangixhawula, yathi, “Ungahle ungangazi, Mfowethu Branham,” kodwa yathi, “Ngi. . . ukhulekele intombazane yami encane ebikade ine,” ngikhulwa ukuthi ithe, “amalumbo esithuthwane,” yathi, “kusukela ngalo kanye lelohora, ayikaze ibe nelinye.”

<sup>19</sup> Yayisithi-ke, “Nganginakho,” omunye komakhelwane bakhe, ngenkathi bekuzwa, amavalvu amabili enhliziyweni yakhe ayevalakile, futhi Wabiza, ngase ngimthumelela ezansi iduku elincane. Wathi indoda yayivukile, ihamba, isindile futhi.

<sup>20</sup> Indoda ilapha emhlanganweni kulobubusuku, ingumfundisi, ngi—nginekhadi layo ephaketheni lami, kodwa ingahle ingafuni ngisho ukuba ngi. . . Uma ufuna, mfowethu, ungasiphakamisa isandla sakho, noma ubani engikhulume naye e. . . Emuva le ngemuva, nango usemuva lapho ngemuva.

<sup>21</sup> Ngakho-ke, ukuhambahamba nokuzwa izimfakazo, nokunye nokunye, bekukuhle. Futhi namhlanje, ngikhombise inhlonipho ukuba ngehle ngiyobona isikole umfana wami ayekuso, eWaxahachie, ezansi lapha, ngibone isikole sabo

esihle. Kuyangijabulisa ukwazi ukuthi abantu beVangeli eligcwele banesikole abangakhulisa abantwana ngendlela yeNkosi. Ngibonga kakhulu ngeWaxahachie, ngikholwa ukuthi ibizwa ngeSouthwestern, iBible School.

<sup>22</sup> Bese kuthi-ke kumngane wami olungileyo uJack Coe, ngedlula ngase ngibona indawo yakhe. Into ethize nje, angiqondakali kahle hle, empeleni, nento ethize, ngenkathi ngibona igama likaJack, futhi, ekhaya lezintandane phandle lapho, nalesosigejane sabantwanyana phandle lapho bedlala ngasethendeni elincane, ngacabanga, “Nkulunkulu, phumuza umphefumulo wakhe oyiqhawe.”

<sup>23</sup> Futhi ngakhuluma nomlamu wakhe esikhashaneni esedlule, bengisesitolo esincane segrosa ukuthengela abantwanyana okuthile, futhi ngahlangana nomlamu wakhe, no—nomfundisi osiza laphaya, udade oqhubeka nebandla. Futhi waba nomusa ukungimemela ebandleni lakhe nokuba nomhlangano wakhe ngesinye isikhathi. Futhi ngathi, “Uma iNkosi ivuma, ngingathanda ukwenza lokho ngaphansi kwento eyodwa, ukuthi uyongenzela isivumelwano ngaphambi kokuza: yonke into iyoya kulelokhaya elincane lezintandane ezansi lapho. Ngibona labobantwanyana abancane bedlala ezansi lapho bengenababa, bengenamama, futhi i...hhayi i...nomholi oye eNkazimulweni, obone lowombono omkhulu. UNkulunkulu aphumuze umphefumulo kaMfowethu Jack, umphefumulo omkhulu ngempela.

<sup>24</sup> Ngiyakhumbula ngiqala ukumbona, angizange ngikukhohlwe, wayengumfo omncane onelukuluku lokufuna ukwazi kakhulu, ezacile ngempela, futhi wenyukela kimi, wayesethi, “Ngitshele ukuthi yini engalungile ngalona wesifazane emotweni futhi ngizokukholwa.”

Ngathi, “Mnumzane, angi...ngeke ngakwenza lokho,” ngathi, “lokho kuthatha uNkulunkulu ukwenza lokho.”

Wathi, “Awu, ngi—nginelukuluku lokwazi, ngifuna ukwazi.”

Futhi ngathi, “Ngizakuya ngale futhi ngibuze.” Futhi ngenkathi ngifika laphaya, uMoya oNgcwele wamtshela ukuthi wayengubani nakho konke ngaye.

Wathi, “Lokho kuyakuxazulula kimi.”

Ngase ngithi, “Ungomncane nje, umshumayeli onelukuluku lokwazi, futhi ngoluny’usuku, uyobe wenza lento efanayo impela, ukhulekela abagulayo.”

<sup>25</sup> Ngesikhathi esilandelayo ngimbona kwakuseChicago, cishe eminyakeni eyishumi kamuva, wayesekhulile impela. Ngathi, “Mfowethu Jack, kwenzekeni na?”

Wathi, “Iziteki zenyama yesinqe ezimbili emva komhlangano ngamunye kanye nobisi olubili noma oluthathu oluvutshelwe.”

26 Ngathi, “Impela abazikhiphanga izilinganiso zamandla okufundumeza umzimba,” ngasho.

27 Umfo okahle nje, noNkulunkulu aphumuze umphefumulo wakhe ngumkhuleko wami. Ukuba lapha kulezizinkundla eziseduze kwalapho uJack Coe ake akhonzisa khona!

28 Manje, ngolunye usuku ngiyobe sengihambile, nami, ngolunye usuku sonke siyobe sesihambile.

Ukwehlukana, kushiya emva kwethu  
Amanyathelo ezinyawo ezihlabathini  
zesikhathi.

29 Kwangathi uNkulunkulu angawuvumela njalo umsebenzi wakhe uqhubeke. Kwangathi singahamba ngokwethembeka embangeleni afa ngayo, ngumkhuleko wami.

30 Ngifisa ukufunda nje okunye manje eBhayibhelini. Ngiyakuthanda nje ukufundwa kweZwi. Niyazi, uMoya oNgewele uzondla ngeZwi. UJesu wathi, “Kulotshiwe ukuthi, akusinkwa sodwa umuntu ayakuphila ngaso, kepha ngamaZwi onke aphuma emlonyeni kaNkulunkulu.”

31 Futhi uma nje nikuthatha usuku ngalunye, hhayi njengomkhuba nje, kodwa nje uku, o, bengiyothi, ukukwenza nje ukuthi inhliziyo yakho iyakulangazelela, ukuba nje uhlale phansi usuku ngalunye futhi ufunde *okuningi kakhulu* eBhayibhelini, ubuyomangala ukuthi kuzokwenzani ekukhuleni kwakho kokomoya, impela kuzokwenza. “Akusinkwa sodwa umuntu ayakuphila ngaso, kodwa ngamaZwi onke aphuma emlonyeni kaNkulunkulu.

32 Ngakho-ke asiphenye kulobubusuku, engikukhethela indaba noma ukufunda, ukufundwa komBhalo, emaHubweni, iHubo lama 63. Futhi ngifisa ukufunda nje ingxenye yalo lapha, elo 1, nele 2, mhlampe, ivesi lesi 3.

*O Nkulunkulu, wena unguNkulunkulu wami; ngiyakufuna ekuseni: umphefumulo wami womele wena, inyama yami iyakulangazelela ezweni elomileyo egagadekileyo, lapho amanzi engekho khona;*

*Ukuba ngibone amandla akho nenkazimulo yakho, . . . njengoba ngikubonile endlini yaKho engcwele.*

*Ngokuba umusa wakho ungcono kunokuphila, izindebe zami ziyakukudumisa.*

33 Wake wawafunda amazwi anjalo na? “Umphefumulo wami ulangazelela Wena ezweni elomileyo, lapho amanzi engekho khona.” Lena yindikimba engajwayelekile, kodwa uNkulunkulu akajwayelekile, uNkulunkulu wenza izinto ezingejwayelekile, futhi Usebenza ngezindlela ezingaqondakali, ukwenza izimanga zaKhe.

<sup>34</sup> Futhi siphila osukwini olungejwayelekile nesikhathi esingejwayelekile, kodwa sikhonza uNkulunkulu obekuzo zonke izikhathi. Futhi ngenkathi ngicabanga ngalokhu, niyazi, “umphefumulo wami womele Wena,” wona, umphefumulo wakho yilokho okukuqondisayo, yilokho okukwenza ube yilokho oyikho. Ukuphenduka ku...umphefumulo uyimvelo yomoya, futhi lapho umuntu ephendukile, akawutholi omunye umoya, uthola ukuguqulwa umoya. Ukuphenduka kusho ukushintsha ukucabanga kwakhe, ashintshe indlela yakhe yokuphila, kanjalonjalo, ngakho, “umphefumulo wami womele Wena.”

<sup>35</sup> Futhi ngacabanga, “Ngenxa yomusa waKho ungcono kunokuphila,” yini enkulu kunokuphila na? Ngitsheleli nje into eyodwa, kulobubusuku: Yini enkulu kunokuphila na? Akukho okukhulu kunokuphila.

<sup>36</sup> Futhi lunye kuphela uhlobo lokuPhila okuPhakade, nalokho kuPhila kuvela kuNkulunkulu. Noma yini eyayinesiqalo inesiphelo, yilezozinto ezingenasiqalo, ezingenasiphelo. Futhi ekuqaleni, uNkulunkulu, ukuPhila okuPhakade, bese kuthi-ke kuphume ekuPhileni okuPhakade, okungukuthi ngesiGriki kubizwa ngeZoe, noma “ukuPhila kukaNkulunkulu,” uthando i-Agapao, nothando ifiliyo, kanjalonjalo. Njengoba siqathakela phansi njengokuvela kuthando i-Agapao luthando oluluthando lukaNkulunkulu, uthando ifiliyo wuthando onalo ngomkakho, noma umngane wakho.

<sup>37</sup> Manje, izikhathi eziningi ibandla lithola lokho kuxovekile, futhi bazama ukusebenzisa uthando ifiliyo, okusho “ubungani,” ukuba lufane nothando lwe-Agapao. Kodwa nanku umehluko: Uma uthanda umkakho njengoba ufanele, futhi enye indoda ithuke umkakho, ubuyoyibulala, ngoba ubuyoba nomona ngaye, yilokho uthando ifiliyo obeluyoholela kukho; kodwa uthando lwe-Agapao luyokwenza ukhulekele umphefumulo wayo olahlekile, yilowo umehluko, niyabo, ngumehluko. UNkulunkulu...

<sup>38</sup> Yonke into ekhona manje, yinto ebilangile; nakho konke ukungalungi kungukulunga kuphendukeyelwe. Akukho lutho lokho okungakaze kube khona. Isibonelo nje, sonke isono singukulunga kwenziwe isono.

<sup>39</sup> Manje, nibezwile abantu bethi udeveli angaphulukisa, yinye kuphela into engalungile ngaleyonkulumo-mbiko: Indoda eyenza leyonkulumo-mbiko ayilazi iBhayibheli layo kwasekuqaleni, kanjalo ayimazi uNkulunkulu OwaLilobayo. Udeveli akanamandla okuphulukisa, futhi angeke aphulukise, futhi akazange aphulukise, futhi akasoze aphulukisa.

<sup>40</sup> Nginekolishi lamaLuthela eMinneapolis, eMinnesota kulobubusuku nezibonakaliso nezimanga phakathi kwabantu bakubo, ngoba umfundisi wangibhalela incwadi wayesethi,

“Indoda ekhuluma kubantu, njengabaningi njengoba wenza, futhi uthi udeveli akakwazi ukuphulukisa!”

41 Futhi wazama ukwesekela phezu komthakathikazi, noma owesifazane, ukuthi abantu uyafika, futhi aphumputhe, futhi uyabatshela ukuthi, awu, uyodoncula izinwele ezincane ekhanda lakhe, futhi azihlikihle egazini elithile eliphuma emithanjeni yabo, bese ehla, akuphose emfuleni, bese eqala ukuhamba ebuyela emuva, uma ephoqelekile ukuba aqalaze, isifo siyabuya, kodwa uma eqhubeka, khona-ke abantu bayasinda. Wathi, “Sibhekisisile, futhi amashumi amabili noma amaphesente angamashumi amathathu alabobantu bayaphulukiswa, bese-ke uthi udeveli akakwazi ukuphulukisa.”

42 Ngathi, “Into exakile ukuthi, kuwe, Dkt. Hegre, yilokhu: Ngiyamangala ukuthi wena, uyinhloko yeLuthela ubuyosekela imfundiso yakho phezu kwesipiliyoni, esikhundleni seZwi likaNkulunkulu.” Kunjalo. “UJesu wathi, ‘USathane akakwazi ukukhipha uSathane.’ Lokho kuyakuxazulula.”

43 Ngathi, “Kusobala, inqwaba yabantu besho ukuthi abaphulukisi ngokukaNkulunkulu bedabula ezweni. Ayikho into enjalo, angikaze ngiyibone eyodwa empilweni yami futhi angisoze ngiyibone, uNkulunkulu unguMphulukisi.”

44 Kodwa abantu ngesinye isikhathi besondela kubantu owenza izinkulumo ezinjalo, bayaphulukiswa. Lelo yiqiniso. Ngizibonile izinyanga bathakathi—bathakathi ziphulukisa abantu, kodwa kuyini na? Ngibabonile beya ezithixweni, lapho eLa Salle, eLorraine, eFransi, benyukela esithixweni sowesifazane ofile futhi bathole ukuphulukiswa, kodwa lokho akungenxa yokuthi owesifazane ofile ukwenzile, ngabantu becabanga ukuthi basondela kuNkulunkulu ngowesifazane.

45 Njengoba kunjalo kubaphulukisi ngokukaNkulunkulu, njengoba kunjalo futhi nango—nomthakathikazi, babecabanga ukuthi babesondela kuNkulunkulu ngomthakathikazi, noNkulunkulu ufanele ahloniphe ukukholwa, kungakhathaleki ukuthi kukuphi. Kunjalo. Ngakho akukho—kuphulukiswa. . .

46 Yini ukuphulukisa na? Ukuphulukisa kungukukhula kwamangqamuzana, ukuphindaphindeka kwamangqamuzana, kwenza amangqamuzana, kulungisa. Ungahle wephuke ingalo yakho, udokotela akakwazi ukuphulukisa ingalo yakho, angayihlela, uNkulunkulu uzofanele ayiphulukise, kodwa Nguye kuphela uMdali okhona. USathane akakwazi ukudala, uphendukezela lokho uNkulunkulu akudalile.

47 Nginezethameli ezixubile, kusobala, futhi ngingumfowenu, futhi lalelani udokotela wenu. Kinina madoda aganiwe, unomkakho, uhlala nomkakho, isenzo sokuba ngumfazi nendoda sisemthethweni nje ngakho konke; kodwa isenzo esifanayo nomunye wesifazane, awusekho. Kuyini na? Ukulunga

kuphendukezelwe. Kunjalo. Sonke isono singukulunga kuphendukezelwe.

<sup>48</sup> Manje, angisuye uthisha weBhayibheli, ngakho ngizosuka kulokho ngiye esifundweni sami. Ukuphila, kuyini ukuphila na? Awu, ukuphila yilokho okukulawulayo, ukuphila yilokho okukwenza ube yilokho oyikho. Futhi ukuphila okungaphakathi kuwe, kukwenza ube yincwadi ebhaliwe, efundwa ngabantu bonke.

<sup>49</sup> Ngakho ngenkathi sisakhuluma ngokuphila, bengicabanga esikhathini esithize esedlule, ezansi le ezifundazweni ezingaseningizimu ngenkathi benobugqila, futhi lapho babeqhuba izigqila njengezilwane, futhi—futhi babezibeka phezulu futhi bazidayise endalini njengoba ubuyokwenza endaweni yezimoto esezike zasetshenziswa, futhi benze. . . Futhi babefika, abathenga bathengisele abanye, futhi babethenga lezigqila ezithile. Futhi babedlula futhi bathenge enye enkulu, esindayo, indoda eyikhaladi futhi bayikhiphe bese beyithengisa komunye umuntu, futhi benze inzuzo ngazo, njengoba nenza nje ezimotweni zenu, kanjalonjalo, namhlanje.

<sup>50</sup> Futhi kwakukhona othenga athengisele abanye othize owafika e—epulazini elidala futhi wathi, “Zingaki izigqila onazo kulelipulazi lokutshala na?”

Nomnikazi wathi, “Cishe ikhulu namashumi amahlanu.”

“Ngabe sikhona osithengisayo na?”

Wathi, “O, angazi, mhlawumbe besingahweba, noma senze okuthize.”

<sup>51</sup> Futhi ngenkathi eyozibheka ngale. . . Manje, izigqila zathengiswa eStates lapha ngamaBhunu angabalimi, ayengamaBhunu. Futhi baziletha ngapha zivela e-Afrika futhi bazithengisa, futhi zazikude nobaba, umama, izingane, umyeni, unkosikazi, zazingasophinde zibabone inqobo nje uma isikhathi siqhubeka. Futhi zazidabukile, futhi zazifanele zibhaxabulwe izikhathi eziningi ukwenza umsebenzi. Babephatha iziswebhu futhi bazibhaxabule ngazo ukuze bazenze zisebenze, ngoba zazidabukile futhi zicindezelekile.

<sup>52</sup> Futhi baqaphela, lomthengi othize, ukuthi kwakukhona isigqila esisodwa phakathi kwazo ababengadingeki ukuba basibhaxabule, umfo osemncane, phezulu ngqo nakukho, isilevu siphakeme, isifuba siqhunsukile, elungele nje ukwenza noma ngasiphi isikhathi. Futhi umthengi wathi kumnikazi, “Ngingathanda ukuthenga lesosigqila.”

“O,” wathi, “kodwa asithengisi.”

Wathi, “Yini esenza sehluke kakhulu kangaka kuzo zonke ezinye na? Uke uze udingeke usibhaxabule na?”

Wathi, “Nhlobo.”

Wathi, “Yini esenza sehluke kangaka na? Ngabe singubasi phezu kwazo zonke ezinye na?”

Wathi, “Qhabo, siyisigqila nje.”

Wathi, “Mhlawumbe usondla kangconywa kunoma wondla zonke ezinye na?”

Wathi, “Qhabo. Sidla phandle ekamelweni lokuphakela emkhunjini nazo zonke ezinye.”

Wathi, “Awu, yini esenza sehluke kakhulu kangaka kuzo zonke ezinye na?”

<sup>53</sup> Nomnikazi wathi, “Mnumzane, ngazibuza lokho mina uqobo isikhathi eside, ngaze ngathola iqiniso. Futhi leli yiqiniso,” wathi, “Ngathola, ukuthi ngale ezweni lendabuko siyindodana yenkosi yesizwe. Futhi nakuba singowezizwe, naphakathi kwezihambi, nokho siziphatha njengendodana yenkosi.”

<sup>54</sup> O, uma kwakungenza iNigro, elalazi ukuthi uyise wayeyinkosi, futhi lalingowezizwe, liziphakamise ukuba liziphathe njengendodana yenkosi, bekufanele kwenzeni kubantwana bakaNkulunkulu, amadodana namadodakazi kaNkulunkulu na? Sifanele siziphathe njengabantwana bangempela beNkosi, sifanele singesabi lapho sekuza ekwenzeni isinqumo ngeZwi likaNkulunkulu.

<sup>55</sup> Uma uNkulunkulu esho njalo, yima kukho, uNkulunkulu wakusho, ngeke kwehluleke. Uma uNkulunkulu asethembisa ukuPhila okuPhakade, sinokuPhila okuPhakade. Angeke esakwazi ukuqamba amanga kunoma Engayeka ukuba nguNkulunkulu.

<sup>56</sup> Futhi into eyodwa engiyitholile ngokukhonzisa emabandleni, ngithola izinhlobo ezimbili zabantu, lokho ngabaqavile namaPentecostal. Impela. Yemukela ukuPhila, ukuPhila kukaNkulunkulu.

<sup>88</sup> Futhi uDavide, eqaphela lezizinto, futhi wathi, “Ezweni elomileyo neligagadekileyo, umphefumulo wami womele Wena, O Nkulunkulu. Ngilangazelela ukubona amandla aKho njengoba ngiwabonile endaweni yaKho engcwele, ngoba umusa waKho onothando ungcono kunokuphila.”

<sup>89</sup> Ngenkathi ngicabanga, “Ungcono kunokuphila na? Yini engaba ngcono kunokuphila na?” Ngakho ukuphila kunezincazelo ezimbili: Enye yakho abantu abakubiza ngokuphila namhlanje, akusikho ukuphila, kodwa kungukufa. Abantu abanengi bacabanga ukuthi isono, ukuphuza, ukugembula, ukuzitika, babiza lokho ngokuphila.

Ngakho uDavide wayengeke aqonde lolohlobo lokuphila. Ngakho kunokuphendukezelwe, niyabo, kungukuphila okuphendukezelwe.

<sup>92</sup> Manje-ke uma lolohlobo lokuphila lungalungile, khona-ke yiluphi uhlobo olukahle lokuphila na? “Umusa wakho wothando ungcono kimi kunokuphila. Manje, nomphefumulo wami womele Wena, O Nkulunkulu. Ngilangazelela ukuKubona.” Manje, yini eyenza indoda ifune ukwenza noma yini enjalo na?

<sup>93</sup> Esikhathini esithile esedlule, edolobheni elikhulu, futhi sekube cishe unyaka owedlule, kwakusehlobo eledlule edolobheni elikhulu laseCanada, ngenkathi ngibona amaMelika engena, ngaba namahloni ngawo, edakiwe futhi eqhubeka;

kwakukhona uhlobo oluthile lomhlangano wedlangala lapho. Futhi ngalobobusuku ngenkathi ngivela enkundleni yezemidlalo, futhi ngangena ehotela elikhulu, futhi ngaqala ukwenyuka, namabhodlela ewiski, amabhodlela angenalutho ayegcwele yonke indawo ekheshini. Futhi ngathi kumfana, ngathi, “Bafanele, omunye umuntu ufanele ukuthi ubekade ome kabi kabi.”

<sup>94</sup> Futhi wathi, “O, ngukuxokozela kwabadakiwe, Mshumayeli,” futhi wangehlisela esitezi sami. Futhi ngenkathi ngikwenza, ngaphumela ngaphandle kwekheshi, futhi ngabuka behla ngehholo, futhi nakhu kufika abesifazane ababili baseMelika, abasha, abesifazane ababukeka bebahle, cishe amashumi amabili-nanhlanu, abaneminyaka engamashumi amathathu ubudala, bobabili befake indandatho—indandatho yomshado, futhi bengagqoke lutho kodwa nje ingubo yabo yangaphansi, ibhodlela lewiski ezandleni zabo, behamba behla kwiphansi, amadoda ebahudula egumbini ngegumbi, futhi mhlawumbe umyeni wabo ekhaya, egade ingane. Kodwa kuyini na? Baphumele ukuzijabulisa okuncane okumsulwa. Lokho ngukuthi, inkokhelo yesono ngukufa.

<sup>95</sup> Futhi kwakukhona amadoda, ayisithupha nje kwidazini elilodwa nengxeny yomunye, kwakukhona amadoda ehudula laba besifazane, cishe nomkawo ekhaya egada izingane engazi ukuthi babekuphi. Impela, ngeke kube yisikhathi eside.”

<sup>98</sup> Futhi kwathi nje angasukuma ame ngezinyawo zakhe, nendoda yayidakwe kakhulu ngenkathi isiwile ukuba ibuye

ivuke, ngakho wathola umngane wakhe entanyeni futhi phansi ekamelweni beza, futhi wadonsa leyogawuni encane yento ayeyigqokile, wayesephosa umlenze wakhe phezulu emoyeni, wampongoloza, “Whupi! Lokhu ngukuphila!”

<sup>99</sup> Kwakukukhulu kakhulu kimi, lelobhodlela lewiski esandleni sakhe, amathe egxaza ephuma emlonyeni wakhe. Ngaphuma neBhayibheli lami esandleni sami, ngathi, “Umzuzu nje, ngifuna ukukhuluma nawe.”

Wayesethi, “Halo lapho, s’thandwa . . .”

<sup>100</sup> Ngathi, “Umzuzu nje, ngingumshumayeli weVangeli,” futhi ngababamba bobabili ngesandla. Ngathi, “Aninamahloni ngani na? IBhayibheli lathi, ‘Ophila ngokutamasa ufile esaphila.’” Futhi badluthula badeleka futhi baya ezansi ephaseji, bahamba ngamandla abo onke, kungekho-sikhathi sokuma.

<sup>101</sup> Kodwa mfowethu, lolohlobo lokuphila lugcina ngokuzibulala, luphelela ezinkantolo zezahlukaniso. Kodwa yini eyenza umuntu afune ukukwenza na? Manje, nakhu lapho indikimba yami ilele khona, futhi nakhu lapho engifuna ukufika khona kini: Isizathu sokuba wenze lokho, nabantu benza lokho, futhi bomele ukuPhila, yingoba uNkulunkulu wabenza ukuba bomele ukuPhila, kodwa Wenza umuntu phezulu endleleni yakhe yokwenza ukuba omele ukuPhila kukaNkulunkulu, nodeveli uyakuphendukeyela futhi azame ukwenelisa lokho koma okubusisiwe gesono.

<sup>102</sup> Yilokho okwenza abesifazane babheme osikilidi, yilokho okwenza abesilisa babheme osikilidi, yilokho okukwenza uphume futhi uzihlubule ezitaladini futhi ugqoke izikhindi, yilokho okwenza lababantu benze ngendlela abenza ngayo, yilokho okwenza abesilisa nabesifazane baphile ngokuhlazisana, yingalesosizathu nihlala ekhaya ngoLwesithathu ebusuku ukuba nibuke u*We Love Susie*, noma into efana naleyo, esikhundleni sokuhlala emhlanganweni womkhuleko, yingoba udeveli ukunike ulamula, uphendukeyele lokho koma kokumesaba uNkulunkulu kuwe futhi ezama ukunelisa wena ngengxavungxavu yakhe ephuma esihogweni. Futhi ukhuluma kubo ngoNkulunkulu, bathi, “Ngingowebandla *elithize-thize*. Ngimuhle njengawe.”

111 Abazi lutho ngoNkulunkulu kunoma iLawu belingazi ngobusuku baseGibhithe. Kunjalo. Into kuphela abayaziyo yikhathekizima elithize noma isivumokholo sebandla, igama labo encwadini ethize, futhi engakaze azalwe ngokusha ngoMoya kaNkulunkulu. Esikudingayo ifeshini endala, ethunyelwe nguNkulunkulu, imvuselelo yePentecostal. Akusikho ukuthi siyakudinga kuphela ebandleni leMethodisti neBaptisti, siyakudinga kwiPentecostal...?...

112 Kuthola okuthile okungalungile. Izinto seziqala ukukhuphuka ngoba izwe, ibandla elake langabi nandaba, yonke impilo yabo yanikelwa kuNkulunkulu, baqhubeka. Kuyiqiniso.

113 Bese kuthi-ke nansi enye indlela udeveli azama ngayo ukwenelisa lokho koma: Uzama ukukwenza ucabange ukuthi ukahle, ngoba nje ujoyina ibandla. Mfowethu, lelo yicebo lokuphamba likadeveli. UJesu wathi, “Uma umuntu engalawa ngokusha, angengene eMbusweni.” Uyakuvumela ufake igama lakho encwadini, uzokuvumela ubhaphathizwe ngalendlela, ngaleyondlela, ubheke phansi, phezulu... Wenzani na? Njengesisho esidala nje, “Wehla uyisoni esomile, bese wenyuka usungesimanzi.” Lokho ngeke kukusize ngalutho. Akunandaba ukuthi ufafazwe kanjani, wathelwa, wabhaphathizwa, wacwiliswa kanjani, kumbe noma yini okunye, ngeke kusize ngalutho.

Ukuba-ke besingamadodana namadodakazi kaNkulunkulu na? Besiyoziphatha kanjalo. Lelo yiqiniso. Esikudingayo yimvuselelo eyifeshini endala.

115 Ngesinye isikhathi mina nomfowethu omncane osahamba, sasiphumile sihambahamba emahlathini, futhi sathola ufudu lwasemanzini oludala. Angazi noma nina baseTexas niyazi ukuthi yini ufudu lwasemanzini noma qha. Futhi uhlobo lokuhamba oluhlekisayo, futhi sacabanga ukuthi leyo kwakuyinto ebukeka ihlekisa ukwedlula yonke esake sayibona. Ngakho ngi... Ngenkathi sikhuphukela kulo... .

116 Ungifaka nje emqondweni wenqwaba yabantu oya emhlanganweni weVangeli, kuthi nje kungashiwo into ethize abangayithandi, basukume baphume, ngenkathi nje ukushumayela kusaqhubeka, njengalolofudu oludala nje lazidonsela egobolondweni lalo uqobo.

117 Awu, ngathi, “Uyazi, angazi ukuthi singalwenza kanjani lugijime futhi.” Ngakho ngathi, “Indlela uMama angenza ngayo ngigijime ingoswazi.” Ngakho-ke ngahamba futhi

<sup>119</sup> Akwenzanga mehluko, ungababhaphathiza ngalendlela, noma ngaleyondlela, akusizi ngalutho, ungeke ubathole ukuba bagijimele iNkosi kanjalo. Kodwa niyazi ukuthi ngenzeni na? Ngabasa umlilo omncane ngase ngivuthisa umfana omdala kulokho, wahamba egijima ngempela ngaleyonkathi. Esikudingayo kulobubusuku akusikho ukuphikisana ngezivumokholo ezincane, kodwa esikudingayo kulobubusuku nguMoya oNgcwele nomlilo ubuyele ebandleni, nawo onke amandla kaNkulunkulu ayifeshini endala ukushisa isono nobugovu, ukungahloniphani komunye nomunye, kushise kuphume kithi ngothando lukaNkulunkulu. Kunjalo.

Ungeke wathola izinwele ezenele kuhhafu wabesifazane esakhiweni ukuba ufake uphuni wezinwele. Kukhona okungalungile. Kodwa babevamise ukukwenza ebandleni leBaptisti, futhi sizisho ukuthi siphakeme kakhudlwana kunalokho, bakunqamula konke.
