Angilandaba, yizihlalo zobukhosi, yimibuso, loba yini okuyikho; Izihlalo zaseZulwini zobukhosi, imibuso, loba kungaba yini ezigabeni ezinkulu zikamoya phetsheya, emaPhakadeni lapho okwakukhona; loba yini okwakuyikho, iNgilosi, onkulunkulu, loba yini okwakuyikho, “Ungaphambi kwezinto zonke.” Ameni! AliMboni na? “Wayekhona ngaphambi kwezinto zonke; futhi Zadalwa Nguye. Yena. . .” Indima 17.

Futhi ungaphambi kwezinto zonke, futhi izinto zonke zingaye.

116 Akula lutho olungakwenza kusebenze kodwa Yena. Loba nguNkulunkulu uBaba, uNkulunkulu uMoya oNgcwele; loba ziNgilosi, imibuso, amandla, ubukhosi; loba yini okuyikho, zonke izinto zihamba Ngaye. “Zonke izinto zikhona Ngaye.” Yena!

Futhi uyinhloko yomzimba, ibandla: oyikugqala—oyikugqala, isiqalo, izibulo kwabafileyo (lokho yikuthi, vusa lokho Abuya ukuzokuhlenga); ukuthi ezintweni zonke angaba lokubusa.

117 “Angaba lokubusa,” liyazi ukuthi kutshoni? Lokho yikuthi, “phezu kwakho konke.” Uphezu kwezinto ezake zadalwa; yonke iNgilosi, sonke isidalwa, yonke—yonke into engaba khona. Uphezu kwezinto zonke. YisiDalwa bani Lesi? Angaba ngubani? Phezu kwezinto zonke! “Futhi esenze ukuthula. . .” Kasiboneni, umzuzu nje. Ukubus- . . .

Ngoba kwathokozisa uBaba ukuthi kuye konke ukugcwala kumele kuhlale;

118 “Konke ukugcwala kwezinto zonke.” Konke ukugcwala kukaNkulunkulu, konke ukugcwala kweNgilosi, konke ukugcwala kwesikhathi, konke ukugcwala okulaPhakade; yonke into yahlala Kuye. Nguye luMfo.

Futhi, esenze ukuthula ngegazi lesiphambano sakhe, ngaye ukubuyisa izinto zonke kuye; ngaye, ngithi, loba kuyizinto emhlabeni, kumbe izinto ezulwini.

119 Nangu lowoMuntu omkhulu esikhuluma ngaye, “Ukuqala kwendalo kaNkulunkulu.”

120 Manje, manje ukuthi, iBandla, ukuthi injongo Yakhe yonke yayiliBandla. Manje singena njani kuleliBandla? “NgoMoya munye sonke sibhaphathizelwe eMzimbeni munye,” iBandla, uMzimba kaKhristu. Akungeke kwehluleke.

121 Manje, nanku okwenzakalayo. Manje khangela lokhu, umfanekiso omncinyane nje lapha.

122 Manje, lindoda ephandle yinyama. Yikho lokho esikukhangeleyo; lokho esikubonayo. Futhi ilentuba ezinhlanu kulowomzimba. Futhi loba nguphi umntwana wesikolo solimi, njengami, angabakwazi ukuthi kulemizwa emihlanu elawula umzimba; ukubona, ukunambitha, ukuthinta, ukunuka, lokuzwa. Kungela lokho, awungeke uthinte umzimba. Yiyo indlela kuphela olayo ukungena emzimbeni; bona, nambitha, thinta, nuka, zwana; uyakubona, uyakunambitha, uyakuthinta. . . Manje, lowo ngomubi, phandle.

123 Manje, phakathi kwalokho ngumoya, obayiwo lapho uzalwa emhlabeni futhi ukuphefumula kwempilo kuyaphefumululelwa phakathi kwakhe. Lowomoya ungowemvelo yomhlaba ngoba kawuphiwanga nguNkulunkulu, kodwa wa (phiwa) wavunyelwa nguNkulunkulu. Manje likutholile lokho na? Ngoba, wonke umntwana ozelwe emhlabeni, “uzalelwe esonweni, wabunjwa ebubini; wabuya emhlabeni ekhulumama amanga.” Kunjalo na? Ngakho, lowomuntu, phakathi lapho, uyisoni, kwasekuqaleni. Manje, kodwa. . .

124 Manje, ilentuba zokungena ezinhlanu. Futhi lezontuba zokungena. . . Angazi loba ngingenelisa ukuziqamba khona khathesi. Lapho. . . Okokuqala, ngiyazi, ngumcabango, unembeza, lothando, ukukhetha. . . Hatshi. Isazela, uthando, izindlo. . . Kulentuba zokungena kumoya. Awungeke ucabange ngomzimba wakho; kumele ucabange ngomoya wakho. Awungeke ube lesazela emzimbeni wakho. Awula buhlakaniphi bengqondo lakancane; umzimba wakho kawula, ngakho kumele ucabange ngomoya wakho. Kumele ucabangisise. Awungeke ucabangisise ngobuntu bakho benyama, ngoba ukucabangisisa akuboni, ukunambitha, ukuthinta, ukunuka, kumbe ukuzwa. Izindlo kuyilokho ongakwenza engqondweni yakho. Nxa ulele kumbe ungasekho, umzimba wakho ulele lapho ufile, kodwa umoya wakho uyabe ulokhu ucabanga. Kulemizwa emihlanu ebusa lowomuntu wangaphakathi. Futhi lokho. . .

125 Manje, kumuntu wokucina, okungumphefumulo, kulomuzwa owodwa kuphela obusa lokho, futhi lokho yikuzikhethela. . . intando yokuzikhethela ukuthi ukhethe kumbe uyale.

126 Futhi manje isizatho ukuba abantu lamuhla. . . Manje, lingakukhohlwa lokhu manje, futhi liza—lizabona lokho oNgcwele. . . lokho ubufakazi bokuqala bukaMoya oNgcwele obuyikho. Bona?

127 Manje, abantu bengaphila kulumoya, futhi badanse emoyeni. Bamemeza emoyeni. Bayahamba ebandleni emoyeni, futhi ngempela bengaba loMoya weqiniso ngempela okaNkulunkulu ugcotshwe kulowomoya, kodwa ube ulokhu

ulahlekile futhi nje uthunjwe ngudeveli ngakho konke ongaba yikho, ngalowomoya.

¹²⁸ Ngoba, khangela, yiso isizatho ungeke utshele lowomfazi, wayegqoke okabhudula, wayephambukile. Wawungeke umtshela ukugela inwele zakhe kwakungalunganga. “Awu, inwele zakho zilani lakho na?” Awu, kwakwenza kuSamsoni. Bona?

¹²⁹ “Loba ngubani ozakwengeza ilizwi elilodwa kuLokhu, kumbe akhuphe iLizwi elilodwa phandle Kwalo.” Kumele ube lonomphela kwenye indawo.

¹³⁰ Manje, njengokuthi, nxa ngangiyi—yi—yi—yindoda yeBaptisti, futhi wehla phansi futhi wangitshela ukuthi kumele ngi—ngibhaphathizwe eBizweni likaJesu Khristu; kuseBhayibhilini. Awu, into yokuqala uyazi, ngingathi, “Ngizabuza umalusi wami.”

¹³¹ Futhi ngiya kumalusi; athi, “O, leyo ngenye into emuvala, bona. Yebo, bona, thina amaBaptisti, nanku esikukholwayo; siyakholwa ukuthi kufanele sicwiliswe ezihlokweni zika ‘Baba, Ndodana, Moya oNgcwele.’ Yiyo indlela ibandla lonke elikwenzileyo. Kusukela uJohn Smith walisungula, yiyo indlela okwenziwa ngayo.” Awu, lowo ngunomphela wakho. “Kude lalokho leyondoda ekutshoyo!”

¹³² Aluba ungumMethodisti, futhi ukufafaza luhlelo lwakho, futhi utshelwa ukuthi kumele ucwiliswe? Bona lokho engikutshoyo? Ubuyela kumalusi weMethodisti, futhi uzabhala futhi abuze ubhishopi, uba *usibani-bani* wathi ukuthi *usibani-bani* mayelana ngalokhu. “Kodwa thina, ibandla leMethodisti, sasungulwa iminyaka engu 300 kumbe 400 edluleyo, eEngland, nguJohn Wesley, loWhitefield, labanye babo bonke lapho, loAsbury. Sasungula idokhumenti leli, silandela uJohn Wesley, ukuthi sizakufafazwa, ngoba kuyisimo sedlabu... langaphandle nje. Futhi sicabanga ukuthi ukufafaza kulungile nje njengoba kunjalo leyinye indlela.” Nxa ungoqotho... Nxa ibandla leMethodisti lingunomphela wakho, yikho lapho ophelela khona.

¹³³ Nxa ungumKatolika...Futhi ngizakutshela, akukho eBhayibhilini ukungadli inyama ngolweSihlanu, futhi lazo zonke lezi izinto njengalokhu, futhi “iEucharisti eNgcwele ayisiso sinkwa, ngoba nguMoya,” lokunjalo. Futhi uyahamba kumpristi wakho, umpristi uthi, “Nanku lapha, kulotshiwe khona kudokhumenti yethu.” Futhi nxa ibandla lingunomphela wakho, awulandaba lokho omunye umuntu akutshoyo. Lowo ngunomphela wakho.

¹³⁴ O Nkulunkulu, siza lokhu kujule! Kimi, into yonke kayilunganga. ILizwi likaNkulunkulu ngunomphela. Loba yini leloLizwi elikutshoyo, khona-ke kunjalo.

¹³⁵ Manje, indlela kuphela phezulu lapha kulesi izigaba, ongavele ube phakathi kwalokhu okuncinyane kwaphakathi komuntu. futhi kumele ube ubekelwe phambili. Ngoba wawu loNkulunkulu, uyingxenye kaNkulunkulu.

¹³⁶ Ngangikubaba wami. Ngangikubabamkhulu wami njalo, lobabamkhulu kababamkhulu wami. Ngenhlanyelo, ngangiphakathi kwalokho.

¹³⁷ Futhi ngangikuKhristu. WawukuKhristu umhlaba ungakasekelwa. Weza ukuzohlenga aBakhe uQobo, Abakhe uQobo ababeKuye. Halleluya! Abantwana Bakhe ababeKuye!

¹³⁸ Kazange abuye uku—ukusindisa abantwana bakadeveli. Abasoze babeKwazi. Futhi balokukhalipha kangako endleleni zokufunda kwabo okukhaliphileyo, okokuthi awungeke uziqathanise labo lakancane. Awungeke ukhulume ubadlule. Kodwa, ngokholo uyaKubona.

¹³⁹ Manje, isayensi ayidingi loba yiluphi ukholo. Isayensi iyafakaza lokho abakhuluma ngakho. Ayidingi loba yiluphi ukholo.

¹⁴⁰ Umpristi weKatolika uzakutshela, “Khangela ibandla leKatolika liqhube okwesikhathi esinjani. Khangela ukuba lime isikhathi eside kanjani ngaphansi kokuhlukuluzwa yisihedeni.”

Ibandla leMethodisti lithi, “Khangela lapha ukuthi isikhathi esinganani . . .”

¹⁴¹ Ngibone ibandla . . . khuluma ngesibonakaliso sokuzenzisa; esiza endleleni izolo, ngabona. Wathi, “Ibandla likaKhristu, lasungulwa ngo A.D. 33.” Alikabi leminyaka engu 100 ubudala lakhathesi, bona, inhlanganiso yesonto. O, minabo! “Imfundiso yabapostoli”? Akula lalutho kukho. NgabaSadusi bosuku; akula Moya, akula . . . Futhi awungeke ubatshela; awungeke ukhulume labo; awungeke ucabangisise kanye labo.

¹⁴² Ngoba, siyedlula ukucabangisisa. “Ungeyami kokwakho ukucabangisisa uqobo.” Ukholo kalucabangisisi lakancane. Ukholo luyakuKholwa.

¹⁴³ Bathi, “Manje, khangela lapha, uyakholwa ukuthi kumele senze lezi izinto ngemuva ngale? Umbhedo! Lokho . . .”

¹⁴⁴ Kodwa iBhayibhili latsho njalo. Angeke ngichasisise ukuthi kwenzakala njani, kodwa kuyenzakala. UNkulunkulu watsho njalo. Ngakho awula . . . Angeke ngikutshela ulutho ngakho. Ukholo aluKuchasisi. Belikwazi lokho na? Ukholo luyaKukholwa nje.

¹⁴⁵ UJesu wathi kuNikhodimasi, ovela eSan-. . . ikhansili yomanyano yosuku Lwakhe; weza Kuye ebusuku, wathi, “Nkosi, siyakwazi UnguMfundisi ovela kuNkulunkulu, ngoba akulamuntu ongenza izinto Ozenzayo, ngaphandle uNkulunkulu elaye.”

146 Wathi, “Ngiqinisile, Ngithi kini, ‘Ngaphandle umuntu azalwe kutsha, angeke awubone uMbuso kaNkulunkulu.’”

147 Wathi, “Mina, indoda endala, ngingene esiswini sikamama wami, ukuzalwa?”

148 Wathi, “Manje Ngizakutshela kanjani izinto zaseZulwini, lapho ungakholwa ngitsho izinto zasemhlabeni?” Bona?

149 Khona-ke Wathi, ngolunye usuku, “Ngaphandle kokuthi lidle inyama yeNdodana yoMuntu, linathe iGazi Lakhe, kalilaMpilo kini.” Akazange akuchasise.

150 Labo abapostoli futhi labo balosuku, ababemiselwe iMpilo; Wayekwazi. Wathi, “Bonke uBaba aNginike bona bazakuza. Into kuphela okumele uyenze yikwenza iLizwi Lami laziwe; bayakwazi, ngoba izimvu Zami ziyalazi iLizwi Lami.” Futhi iphimbo yilizwi libonakalisiwe. [Indawo engelalutho ethephini—Mhl.] “BayaLikholwa, kungenani. Abadingi ukufakazela ulutho ngokwesayensi, kumbe ukucela loba uphi umSadusi kumbe umFarisi, kumbe loba yini okunye, ngakho. Ngakukhuluma, bayakukholwa, ngoba izimvu Zami ziyalizwa iLizwi Lami.”

151 Futhi *Leli* yiLizwi likaNkulunkulu esimweni samabala, ngoba *Lesi* yiso sonke isambulo sikaJesu Khristu, IThestamente eliDala leliTsha lifakwe ndawonye. Amen. Nanko-ke.

152 Ngani? Uthi, “Laba ngabantu abalungileyo. Kuyini okubenza...” Ngoba, into eyodwa, insika yabo yokubophela isebandleni. Futhi phakathi lapha...Liyakhumbula iSonto edluleyo, iviki edluleyo; bangaki ababelapha futhi bezwa intshumayelo *AbaGcotshiweyo ENSukwini Zokucina?* Ngithemba lonke lina. Bona, bagcotshiwe. Imimoya yabo igcotshiwe, *kulesi* isigaba sesibili.

153 Manje, lowomfazi wakuqala uthi...Hatshi, kalandaba lokho ibandla elikutshoyo, loba nguphi omunye umuntu akutshoyo. Ulidada elikhaliphileyo. Ulemfundo yekholeji. Angadlelezela umkakhe, futhi acabange ukuthi ukhaliphile ngokwenza lokho.

154 Lo omunye umfazi “unqunu, uyisiphofu, futhi akakwazi.” O, kulusizi, kodwa lowo ngumfanekiso iBhayibhili elisibekela wona. Manje, uyahamba ebandleni. Lowomfazi, mhlawumbe angabangcono, lowomfazi engaba...Uphila impilo enhle, impilo ehlanzekileyo; akula lutho olumelana lalokho. UNkulunkulu uzakuba nguMahluleli wakho. Angikwazi; Kangisuye Mahluleli.

155 Mina kuphela ngi...umlandu walokho Angitshengisa khona. Yikho lokho abapostoli abakutshoyo. “Sikhuluma lokho esikwaziyo, lokho esikuzwileyo, lokho esikubonileyo.” Yikho kuphela engilomlandu ngakho. Yikho kuphela olomlandu ngakho.

156 Kodwa manje, uyabona, nxa ungathatha lowomfazi ofanayo. . . Wacina engaphi? Bona? Wahamba khona ngalapho. Wezwa, kungelakuthandabuza; wavula umsakazo, izikhathi ezinengi. ILizwi likaNkulunkulu belikhuluma, izikhathi ezinengi. Awu, manje, bona, ubuya ngapha kuleyinkolo yeze lapha, iqembu. Wonke amabandla ngamaqembu. Yonke into, kunjalo sibili, ngamakilabhu nje lapho abantu abahlangana ndawonye njengamalunga. Futhi uyeza ngangapha lapha; awu, lokho kuyakwana kakuhle nje. Manje nxa ungaqala ukumtshela lokho okufanele akwenze, akasoze akulalele. Umtshengise khona eBhayibhili; akasoze aKulalele.

157 Manje, mfowethu othandekayo, dadewethu, isitsho nje esisodwa kumbe ezinye ezimbili singakavali. Sekuyikota kuze, isikhathi sokuphuma; imizuzu engu 15.

158 Manje khangela, ngifuna ukulibuza enye into. Kungani lowomfazi engakuboni? Kungani engenelisi? Mayelana ngokuba sebufebeni ngokwenyama, endodeni yakhe, akalacala; akalalutho lokuvuma. Uhlanzekile njengalokho ayeyikho ngosuku azalwa ngalo; akulandoda emthintileyo.

159 Ngikhuluma ngilinganisile manje, emfazini, ebandleni. Uhlanzeke njengoba ezalwa. Awu, yikho sibili ibandla eliyikho, njengoba wazalwa, kodwa wa “zalelwa esonweni, wabunjelwa ebubini, wabuya. . .” Bona lokho engikutshoyo?

160 Manje umtshela ukuthi akulunganga kuye ukuquma inwele zakhe; iBhayibhili latsho njalo. Akulunganga kuye ukuba agqoke okabhudula labo; iBhayibhili latsho njalo. Uzakuthi, “Ngumbhedo.” Ngani? Unomphela wakhe kawukho phansi *lapha*, kuleyondoda yesithathu, umphefumulo omiselwe ngaphambili futhi uthunywe uvela kuNkulunkulu. Kodwa unomphela wakhe uphezu kwenhlanganiso phandle *lapha*, omunye umuntu akuhlelileyo ngaphandle kwaLokhu. Bona?

161 Kodwa nxa iLizwi likaNkulunkulu liphansi kulowo mphefumulo, lithi, “Ameni! Ngiyakubona.” Liyaqondana Lakho. Manje khangela lapha. Ngakho-ke, umuntu ozelwe ngoMoya kaNkulunkulu. . .

162 Bona, nansi *lapha* inyama ephandle. Futhi ngikhuluma kumbuthano oxubeneyo, ngizakhuluma njengomalusi wenu—wenu, njengomfowenu. *Nansi* inyama, ibuthakathaka, ibotshelwe uku. . . Ikhosikazi elincinyane liyehla lihamba esitaladeni; elinye ijaha lisasebutsheni balo nje, lapho elengu 17, 18, iminyaka engu 20 ubudala, 25, 30, uyahamba ngalapho. . . Futhi lelikhosikazi elincinyane liyeza, litshila sonke isimo, umzimba wakhe, ehamba ngepheya yezicathulo azigqokileyo ezilezithende ezinde; yena ngokwakhe ekhukhumele konke phambili lemuva; lesigqoko sikhwele *kangako* ngaphezu kwamadolo akhe, kumbe ipheya yabokabhudula ayigqokileyo. Liyakwazi iBhayibhili lathi uzakwenza njengalokho? Liyazi,

iBhayibhili lathi yiyo indlela azakwenza ngayo, ukuthi uzakube engcole kanjani.

¹⁶³ Like labala lokhu lapha, i*Reader's Digest* yalinyanga, ukuthi, “Amadoda labafazi balolusuku, amankazana amancinyane, kusukela kuminyaka 20 kumbe 25 ubudala, basekupheleni kokuzala,” ukuthi udlula ekuguqukeni kwempilo eminyakeni yaphakathi laphakathi yesayensi kwempilo, ngokutsho kwesayensi, phakathi kwe 20 le 25. Kwakuvame ukuba phose 30 kumbe 35, esikhathini sami. Esikhathini sikamama wami, umfazi kazange afike esikhathini sokucina ukuzala komfazi waze waba le 40 kumbe 45.

¹⁶⁴ Kuyini na? Kungesayensi, lokudla, izixutshaniso, lokho kuphambukise umzimba wonke womuntu saze saba liqembu lo—lo—lokubolayo. Awu, nxa isimo senyama sibolile, isicucucu sesakhi sobuchopho kulowomuntu wenyama asinjalo na?

¹⁶⁵ Manje khangela uMoya, uwulandela. Kuzabuya isikhathi, eBizweni leNkosi, ukuthi abantu bazahlanya ngokugcweleyo. IBhayibhili litsho njalo. Bazamemeza futhi baklabalale; izinto ezinkulu ezesabekayo emkhumbulweni wengqondo zabo. Imisakazo lezinto, inhlelo zethu zamathelevizhini, ziyakuveza. Kuzakuba lezinto ezinjengobunyonyo obuzakuza emhlabeni, obuzakubande njengezihlahla ezingu 14; kuzakuba le—le—lenyoni ezaphapha idabula umhlaba, lempiko ezingaba ngamamayila angu 4 kumbe 5 ububanzi; futhi abantu bazibone, bazakumemeza futhi baklabalale, futhi bakhalela isihawu. Kodwa kuzakuba ziNhlupho. Lindani ngize ngitshumayeke ngalezoNhlupho zivuleka.

¹⁶⁶ Khangela lokho uMose akwenzayo ngaphansi komzimba wenyama, hatshi uMoya, lapho Esithi, “Mose . . .” UNkulunkulu wathi kuMose, “Phuma phandle lapho,” kumprofethi Wakhe, “thatha uthuli olugcwala isandla, uluphosele phezulu emoyeni futhi uthi, ‘ITSHO KANJE INKOSI, indwebundwebu zizabuya emhlabeni.’” Kwakungela ndwebundwebu. Into yokuqala uyazi, baqala ukubona enye into inwabuzela esixukwini. Wathalaza ngalaphaya, kulenye into. Futhi ngemuva kwesikhathshana, zasezijulile wawungeke ugxambuze phakathi kwazo.

¹⁶⁷ Zavela ngaphi? UNkulunkulu unguMdali. Angenza lokho Akufunayo. Uyazibusa. Angenza i—innyoni enga—engafikisa impiko zayo kolunye uhlangothi lomhlaba kusiya kolunye.

¹⁶⁸ Wathi, “Makubuye impukane, zigubuzele phezu komhlaba wonke.” Kwakungela impukane elizweni. Into yokuqala uyazi, impukane yohlobo olukhulu yaqala ukuphapha ibhoda. Into yokuqala, kwaba lezingu 8 kumbe 10, 12. Into yokuqala uyazi, wawungeke uhambe udlula kuzo. UNkulunkulu, uMdali, uyagcina iLizwi Lakhe.

¹⁶⁹ Futhi welula intonga yakhe, ngokulaya kukaNkulunkulu, futhi wathi, “Makubuye amaxoxo asibekele umhlaba.” Futhi

amaxoxo eza baze bawabuthelela, izinqumbi, futhi umnuko waba ndawozonke, mhlawumbe amafidi angu 40 kumbe 50 kusiya phezulu, amaxoxo. Ayesekhabathini lika—likaFaro. Ayese...uphendulele ishiti, futhi kwakule 500 amaxoxo ngaphansi kweshiti, ngaphansi kombheda, ekudleni. Yonke indawo abaya khona, kwakulamaxoxo, amaxoxo, amaxoxo. Avela ngaphi na? UNkulunkulu, uMdali, uyazibusa. Lokho Akutshoyo, Uzakwenza!

¹⁷⁰ Futhi wathi kuzakubakhona izinto ezesabekayo ukubona phezu komhlaba. “Intethe zilenwele njengabafazi,” inwele ezinde, ukuhlupha abafazi labo abagela inwele zabo. “Amazinyo anjengesilwane; udonsi emisileni yazo, njengenkume; zazizahlupha abantu, okwezinyanga.” Lindani nje size singene ekuvuleni lezo Nhlupheko leziMpawu, futhi yona iMidumo eyiSikhombisa, khangela lokho okuthathi ndawo. O, mfowethu, kungcono ufike eGosheni lapho kusaselesikhathi sokufika eGosheni. Lingalaleli lokhu okuphandle.

¹⁷¹ Khangela lapha. Nanti ikhosikazi elincinyane lizitshila lisehla phansi esitaladeni; nangu umfana omncinyane, amehlo akhe ayakubamba. Ulilunga lebandla. UngumPhentekhosti. Uyilokho ayikho khona. Kodwa into yokuqala uyazi, akulanto yokubambelela phakathi *lapho*. Uzakuthi, “Sakubona.” Ulenwele eziphotheneyo, sengathi uyabukeka, ijaha elilamahlombe aqondileyo; mhlawumbe wazama ukuphila kahle. Uyaqala ukumsondelela, loba umtshumayeli. Into yokuqala uyazi...

¹⁷² Kuyini na? Lokhu phandle *lapha*, isifiso senyama; futhi umoya phansi *lapha*, kanti ugcotshiwe, usithi, “Ungakwenzi, ungakwenzi.” Kodwa kuyini okuzakwenza? Kuzahamba khona ngalapho, kubambe lapho, nanko kuhamba. Into yokuqala uyazi, uzama ukuhambisana laye. Ulecala lokwenza ubufebe, loba uyamthinta kumbe hatshi.

¹⁷³ Kodwa, eqotho, indodana kaNkulunkulu ezelwe kutsha! Ameni! Awungeke ukwenze ngokwakho. Akwenzeki ngitsho ukuba o—owesilisa olegazi elibomvu ukuza phambi kowesifazane kanjalo, kungela enye into eyenzakalayo. Kodwa lapho kulenye Into ngaphakathi; leyoNto encinyane ezelwe kutsha *lapha*!

¹⁷⁴ Lanxa leyondoda ingabe yamemeza, yakhuluma ngendimi, yeqa, yadansa, yonke enye into, igcotshwe ngoMoya; yenza zonke izibonakaliso lezimangaliso uNkulunkulu azitshoyo phakathi lapho, ngoMoya Wakhe! UJesu wathi, “Abanengi bazabuya Kimi kulolosuku, bathi, ‘Nkosi, angizange ngiprofithe eBizweni Lakho yini? Angizange ngikhuphe odeveli eBizweni Lakho yini? Angizange...’” Wathi, “Sukani Kimi, lina benzi bobubi.” Kuyini ububi? Into oyaziyo ukuyenza, futhi ungayenzi. “Sukani Kimi, lina benzi bobubi; Angizange Ngibelazi.”

175 Kodwa phansi ngaphakathi kwaleyondoda, nxa leyonsika yokubophela encinyane iphakathi lapho, leyoMbewu kaNkulunkulu eyamiselwa ngaphambili umhlaba ungakasekelwa; angilandaba okuthathindawo, kuyambamba. Kulapho ukuba kuhlale.

176 Yiso isizatho umfazi lowo ezagqoka okabhudula labo. Ubalwa njengewule, okufana lomfazi esenzweni. Bona? Kakwazi ukuthi lowomoya . . . Ukwazi njani? Unomphela wakhe.

177 Kuyini unomphela? Yilizwi lokucina. Unomphela ngu ameni. Yikucina kombangiswano wonke, unomphela wakho.

178 Futhi nxa ibandla lakho, ibandla lePhentekhosti, elikutshela ukuthi, “Inwele ezinde lezinto nje yikudlulisa amalawulo. Ulevili lesipeya, ngemuva kwekhanda lakho,” lokunjalo, lezo zinto, indoda ithunjwe ngudeveli.

179 Ngoba, iLizwi likaNkulunkulu lathi, “Kulihlazo ukuba umfazi agele inwele zakhe. Uzahlazisa inhloko yakhe.” Nxa ehlanzisa umkakhe, futhi umkakhe liBandla, futhi iBandla nguKhristu, uliwule lezenkolo elihlaziwayo; enqunu futhi engakwazi. Enqunu! Alitshongo yini iBhayibhili ukuthi, “Isimbozo somfazi zinwele zakhe”? Inwele kaziphiwanga yini kuye ukuba yisimbozo na?

180 Ngolunye usuku, phetsheya eNkundleni yokwaHlulelwa! Ngizamile ukuthulula uMuthi phakathi, futhi ngiWubambe ngezandla zami, futhi uyaWukhafula uphume phakathi kweminwe yakho.
