⁷³ Manje nanzelelani, manje, sizaqala ukuthola lesisisekelo manje, lapho akhona, eYibhala, esentolongweni. Futhi ube lesehlakalo sonke lesi. Kodwa, kuqala, lesisehlakalo safakazelwa kuqala, futhi leyi yincwadi yakhe eyisiqokoqela kikho. Leyi yincwadi yakhe eyisiqokoqela. AbaseRoma labaseEfesu, lokunjalo, balendawo yabo, kodwa leyi yincwadi eyisiqokoqela.

⁷⁴ Manje, isahluko sonke sika 1, siphakamisa uJesu, lokumehlukanisa Ekubeni ngumprofethi. Yindikimba yonke manje. Ngizazama ukungena kikho ngokuphangisa engikwenelisayo khathesi, ukuze singahlali isikhathi eside. Indikimba yonke, yikwehlukanisa esitsha isahlu-... esitsha... Siyaqala, ibala lokuqala, "UNkulunkulu."

UNkulunkulu, endu-...owathi ngezikhathi zendulo...

Endulo kutsho ukuthi "kudala dala," isikhathi sangemuva.

...izikhathi zendulo langezindlela ezitshiyeneyo wakhuluma endulo kubobaba ngabaprofethi,

⁷⁵ Manje, bona, "UNkulunkulu, ngezikhathi zasendulo, emuva-le, Wakhuluma kubobaba ngabaprofethi." Yiyo indlela okwakufanele anikeze ngayo uMbiko Wakhe, ngomprofethi Wakhe.

⁷⁶ UNkulunkulu wayethumela umprofethi Wakhe njengo Elija, uJeremiya, uIsaya. Futhi nxa unganzelela, akukaze kuyo yonke imbali yomhlaba, ibandla elake laveza umprofethi. Kuhlole kuThestamente eliDala, iThestamente eliTsha, kumbe kulolusuku, osukwini lokucina. Ngitshengisa umprofethi owake wavuswa ephuma ebandleni ngosuku lokucina. Ngitshengisa oyedwa owake wavuka, waphuma. Futhi ngitshengisa isikhathi

esisodwa lapho umprofethi, inceku kaNkulunkulu eqotho, leyo uhlelo lwezenkolo yomhlaba olungazange lumlahle.

Ngakho uJesu kezanga emhlabeni ukuthi athi nje, “Awu, ngizabona nxa omunye umuntu elesihawu. . . Nxa Ngingenza futhi ngife, ngendlela enzima, mhlawumbe bazacabanga, ‘Awu, Ngi. . .’ Kuza—kuzancenga inhliziyzo zabo, futhi baza. . .” UNkulunkulu kaphathi umsebenzi Wakhe njenga lokho.

Sibili. “UNkulunkulu ngezikhathi zendulo langezindlela ezitshiyeneyo wakhuluma kubobaba ngabaprofethi, kodwa kulolusuku lokucina ngeNdodana Yakhe.”

⁹⁹ Ngakho abaprofethi lamadoda bakamoya, lolusuku, bayisibenyezelo sikaKhristu kuphela. Lapho, ngomthetho bama, khangela. Ngangapha bayama, bekhangela emuva ngolunye uhlangothi, ngomusa.

¹⁰⁰ Ukuthi kumaHebheru 11, isahluko sokucina, ngihlezi ngikumangala lokho. Esahlukweni sokucina, ingxenye yokucina yesahluko 11 samaHebheru, lapho ekhuluma mayelana ngoAbrahama. Isahluko esikhulu sokholo, futhi ekucineni, wathi, “Bazulazula bembethe izigogo zemvu lezigogo zembuzi, futhi benziwa insweli, futhi basahwa. ¹⁰⁶ Kwakuyini? Kwakungokumisiweyo. O, lalelani. Wayemisiwe, uKhristu wayemisiwe, indlalifa yento zonke. O, udeveli wayekwazi lokho, kusukela esivandeni seEdeni, uyabona, lapho udeveli esezwile iLizwi lelo lapho lolosuku, ekwahlulelweni kwalabo bantu. Wathi, “Ngoba uvela ethulini, ethulini uzabuyela; futhi iNzalo yomfazi izachoboza ikhanda lenyoka.” INzalo ethenjisiweyo.

¹⁰⁷ USathane waqhubeka ekhangele leyo Nzalo. Lapho uAbhela esezelwe, wathi, “Nanko-ke, yiyo inzalo.” Futhi wabulala uAbhela. Indodana yakhe, uKhayini, wabulala uAbhela. ¹⁰⁹ Khangelani usendo lukaKhayini, babangabantu abakhaliphileyo, abafundileyo, abesayensi. Alitsho na iBhayibhili ukuthi. . . Akazange atsho uJesu, ukuthi, “Abantwana balumhlaba bahlakaniphile ukwedlula aBantwana boMbuso”? Khangelani ehlangothini lukaKhayini khona lamuhla: bakhaliiphile, bafundile, bangabathandabuzayo, abangabenkolo sibili; bona, abangabenkolo sibili, kodwa bangabesayensi, abakhi, abantu abakhulu.

Ngubani owenza imihlaba? UKhristu. “UKhristu wenza imihlaba?” Yebo, mnumzana. Kasihambeni phambidlana kancinyane nje.

*Yona eyikubenezela kwenkazimulo yakhe,
lomfuziselo uqobo wobukhona bakhe,...*

Ukubenezela kwenkazimulo kaBani na? Inkazimulo kaNkulunkulu. Imfuziselo uqobo yoBukhona bukaBani na? BukaNkulunkulu. O, ngiyakuthanda lokhu!

*...kumbe imfuziselo uqobo yobuntu bakhe, futhi
ithwele izinto zonke ngelizwi...*

Nanko-ke. ILizwi, elithwala izinto zonke. UJesu wathi, kuMathewu 24, “AmaZulu lomhlaba kuzedlula, kodwa amaZwi Ami akasoze edlule.” Uthwala izinto zonke.

¹¹³ ISayensi iyazama ukuKwehlisa phansi, futhi ithi, “LiBhuku elidala. Latolikwa.”

¹¹⁴ Lebandla leKatolika yeRoma, uBhishopi Sheen wathi, “Latolikwa izikhathi ezine kumbe ezinhlanu ezehlukeneyo, futhi kungekho okunengi Kikho. Ungeke uphile Ngakho nxa wawungakwenza.” Kodwa Uthwala izinto zonke ngeLizwi Lakhe. Ameni. Yikho engikucabangayo Ngakho. Ngiyalikhulwa iBhayibhili.

*...ilizwi lamandla akhe, (kulamandla eLizwini),
lapho eseyenzile ngokwakhe wahlambulula izono
zethu, ... (khangela lapha) ... wahlala phansi esandleni
sokunene soMkhulu kweliphezulu;*

¹¹⁵ Kuyini uPhawuli azama ukukwenza? Uzama ukutshengisa ukuthi uNkulunkulu wajonga izinto zonke kuKhristu, futhi uKhristu wayeyimfuziselo uqobo kaNkulunkulu. Isahluko sonke jikelele sikhuluma ngokuthi Wayephakame kanjani ukwedlula iNgilosi, ephakeme ukwedlula amandla wonke. INgilosi zaMkhonza. UPhawuli wayezama ukuMphakamisa.

¹¹⁶ Manje, ngifuna ukuzama...Nxa ngingasoze ngedlule kulokhu, okunye kwakho konke okuseleyo yikudumisa uKhristu nje. Lokho uPhawuli akutshoyo lapha, njengesahluko 11, lakho konke ngokukhuluma ngomhlaba. Wathi, “Yiphi—yiphi iNgilosi Ayitshoyo ukuthi, ‘Wena uyiNdodana Yami, ngalolusuku Ngikuzele Wena?’” Bona?

¹¹⁷ “Isiphetho somhlaba, bazabhubha. Umhlaba uzabhubha. Kodwa i...Futhi lezinto zonke zomhlaba zizabhubha. Uzazigoqa njengesembatho. Ziyakuba ndala, futhi ziphendulwe, futhi zihambe. ‘Kodwa Wena uhlala ukhona. Wena uhlala ukhona kuze kube nini lanini. Wena uyiNdodana Yami. Lolusuku Ngikuzele Wena, futhi kawusoze ubhubhe, ehlezi esandleni sokunene soPhezu konke.’”

Kutshoni ukuthi *isandla sokunene?* Akutsho ukuthi, UNkulunkulu ulesandla sokunene leso omunye umuntu ahlezi kiso. *Isandla sokunene* kutsho “amandla legunya,” ulegunya lento zonke eZulwini lasemhlabeni. LamaZulu wonke lomhlaba kwenziwe Nguye.

¹²⁰ EAfrica babhaphathiza ngendlela ezintathu ezehlukeneyo: babhaphathiza kanye ngoBaba, futhi kanye okweNdodana, futhi kanye okoMoya oNgewele. IApostolic Faith mission, babhaphathiza kathathu, bekhangelise ubuso phambili, ekufeni Kwakhe. Lokho abakubiza bethi iFull Gospel oKhunjini lweNtshonalanga, kumbe uKhumbi lweMpumalanga, babhaphathiza kathathu besiya emuva, bathi Yena . . . ekungcwatshweni Kwakhe.

Futhi wathi, “Lapho Esifa, Wawela phambili.”

¹²³ Manje khangela. UKhristu yiNhloko yezinto zonke. Futhi UyiNhloko yeBanda. Futhi lake labona indayimana enkulu na? Indayimana enkulu kakhulu eqetshulwe kahle, ileziqephu ezincinyane ezikhitshwe kilo, eziqetshulwe kilo. Lokho kwenza

indayimana eqondileyo. Iziqephu ngezani? Indayimana eyiyo, indlela ephuma ngayo, iyabe ichotshoziwe; indayimana eyiyo, lapho itholakala.

NgangiseKimberley. Lina, abanengi benu, elezwayo lingadobha amandayimana esitaladeni, lokho kuqondile. UBilly lami, loMnu. Bosworth. Umongameli wemigodi yamandayimana eKimberley, uthathe... Wayengum'asher wami emhlanganweni lapho. Futhi basithatha. Futhi nje ngaphandle kwe... Bayawagebha phose, o, phose amafidi angamakhulu alitshumi lesikhombisa ngaphasi komhlabathi. Aphuma, ilitshe eliluhlaza okwesibhakabhaka, elikhulu eliluhlaza okwesibhakabhaka, njengaleli litshe eliluhlaza okwesibhakabhaka elilithola lapha. Futhi abomdabu labo, babafaka amafidi angamakhulu alitshumi lesikhombisa emhlabathini, ukuwagebha, ukugcina intengo iphezulu. Ungahamba emfuleni lapho, balakho kulindiwe okwamakhulu lamakhulu amamayila. Thatha amabhakede amabili amagaloni etshumi, wathi, futhi uwaphakamise, egcwele nge-ngetshebetshebe, futhi nxa wawungafika ngek haya lakho, ungaba ngumuntu olezigidi ezinengi, kuyabe kulamandayimana amanengi kakhulu kiwo. Kodwa kufanele basebenze futhi bawagebhe wona, ukuba bagcine intengo iphezulu kiwo.

¹²⁴ Manje, indayimana, lapho liphuma, ingenkulu nje, ibutshlezi, iyisibhumbuluzi, kanjalo, isiqephu sengilazi. Kulendayimana eluhlaza okwesibhakabhaka, indayimana emnyama, i-emerald, lendayimana ecwebekileyo, indayimana emhlophe. Kodwa lapho iphuma... Khona-ke lapho isiyenziwe yabekwa ekusetshenzisweni, kulengxenyeyaleyo ndayimana okufanele ilahlekelwe. Futhi kufanele ilahlekelwe yizi-yiziqephu kuyo. Kukhutshwe iziqephu ezincinyane, ngoba, lapho isiza maqondana lokukhanya, njengalokho, iyacwazimula. Isiqephu, kuyini okwenza ukucwazimula, indlela equnywe ngayo. ¹²⁵ Manje, ngakunye kwalokho kukhanya kumela izipho. Kodwa kuyi kuthi, kuphela, uKhristu uyiNdayimana. Futhi Waye Nguye Owezayo, futhi wachotshozwa, futhi walinyazwa, futhi waqetshulwa, ukuze Azibenzezele njalo Ngokwakhe njengokuKhanya emhlabeni. Nguye leyo Ndayimana eNkulu.

¹²⁶ Ungakucabanga, kungakabi khona lomhlaba, kungakabi lokukhanya, kungakabi lenkanyezi, kungakabi lolutho? KuloMthombo omkhulu oqhubekayo, okaMoya, futhi kuloMthombo kwaphuma okothando olucwebekileyo sibili,

ngoba kwakungelalutho kulo olwalungaphuma khona kodwa lolo thando. Manje, thina, lokho esikubiza uthando, lamuhla, luthando oluphambukisiweyo. Kodwa nje lapho sithola uqobo, kumbe imbijana yalolo thando phakathi kwethu, kuyantshintsha umbono wethu wonke.
