 Futhi emva kobusuku bayizolo sonke nje sigwalisiwe. Ngizwe imibiko emihle lamuhla wabanengi abemukele uMoya oNgcwele. Futhi siyajabula ngakho.

<sup>2</sup> Siyathokoza ukuba loMfowethu uGraham kanye lathi lobubusuku, omunye esihlanganelana laye lapha ethabhanekeli, umalusi webandla lobungcwele phezulu eUtica. Futhi uMfowethu uJackson, ube lapha phakathi, ubusuku obedluleyo, ngiyakholwa bekuyikho, kumbe usemuva lapha embuthanenwi kwenye indawo khathesi, omunye uthe, e. . . Yebo, ngiyambona uMfowethu Jackson emuva phakathi kombuthano khathesi. Futhi—futhi uMfowethu uRuddell, ngabe elapha yini lobubusuku? Lowo ngomunye wethu esihlanganelanayo phandle lapha ku “62.” Siyathokoza ukuba labo phakathi. Futhi lowethu. . . O, uMfowethu Pat, futhi labo bonke abanye laba abazalwane, si—futhi phakathi kombuthano. Siyathokoza ukuba lani lonke lapha lobubusuku.

<sup>3</sup> Manje, nxa ngingakulungisa leyonto, ngingaletha abanye balabo bafundisi abahle phezulu lapha ukuthi bakhulume kini, ngoba ilizwi lami litshile kusukela ekubeni lesikhathi esikhulu kangako izolo ebusuku.

<sup>4</sup> Manje, umkami, uyisiqondiso sami; liyazi, bazalwane, lokho engikhuluma ngakho. Uthe abantu abasemuva izolo ebusuku bebengangizwa, ngoba bengikhulumela phakathi kwalinto. Futhi khathesi, ngingakaqalisi, ngizazama enye into. Manje, ngingazi nxa lokho kungecono. Kungecono yini emuva-le khonale? Kumbe lokhu kungecono? Ngabe lokhu kungecono na? Manje, Sithandwa, leso yisikhathi esisodwa esengithole itshatha ngimelana lawe. Manje, bathi lokho kungecono. Kulungile. O, minabo! Lowo ngumfazi. Kuhle lokho, ngoba sokube yisikhathi eside selokhu ngaba lokunye. Uvame ukuba eqondileyo.

<sup>5</sup> Awu, impela besilesikhathi esikhulu kulezonkonzo ezintathu zobusuku; ngibe laso. Futhi khathesi, amathephu, wonke ngaphandle kwayizolo ebusuku. . . Ngabiza uMfowethu Goad futhi ngamtshela ukuthi abuye ezothatha ithephu ukwenzela ithabanekeli. Kodwa kwenzakala ukuba ngazwisisa ukuthi uBilly Paul wathatha imota yakhe futhi esehambile, ngakho ithephu kayithathwanga ngokwazi kwami. Ngakho siyeqile leyo. Bengithanda ukuyigcina ebandleni ukwenzela ibandla oko—omunye uthi—lokho esikukholwayo.

<sup>6</sup> Manje, lobubusuku ngiza khuluma ngo*Mhlangano Omkhulu*, nxa ngingaqeda imibuzo ngesikhathi. Futhi-ke, kusasa ekuseni yinkonzo yokusilisa. Futhi siza khulekela abagulayo. Ngakho-ke, singeke siphe—kumbe sihambe nje futhi sithi, “Manje, ngizakuthatha wena, lawe, lawe.” Lokho kungeke kube kuhle. Kodwa siyapha inqumbi yamakhadi, futhi phakathi kwalawo makhadi, ngibiza abalutshwana phezulu kupulathifomu. Futhi-ke, nxa uMoya oNgewele uqala ukwambula, khona-ke Uyahamba phakathi kombuthano futhi uthole abantu phakathi kombuthano okwenkonzo yokusilisa. Futhi-ke, kusasa ekuseni, ngizabe ngikhuluma, iNkosi ithanda, inkonzo yokusilisa ingakaqalisi.

<sup>7</sup> Ngibona umkami ehleka. Sithandwa, kawungizwa ngitsho? O, uyangizwa. Awu, lokho kuhle. Uhlezi emuva-le futhi nxa ku—engangizwa, uyanyikinya ikhanda lakhe, “Wena... Kangikuzwa, kangikuzwa.”

<sup>8</sup> Ngakho-ke kusasa—kusasa ebusuku yinkonzo yokuvangela kanye lenkonzo yokubhaphathiza ngamanzi. Futhi-ke, masinyane nje khona ngiqeda ukutshumayela kusasa ebusuku, sizavula amakhetheni futhi sibe lobhaphathizo lwamanzi lapha kusasa ebusuku. Nxa iNkosi ithanda—nxa iNkosi ithanda, ekuseni ngifuna—kumbe kusasa ebusuku ngifuna ukukhuluma ngesifundo: *I-ISibonakaliso SaPhiwa*. Futhi-ke, nxa silapha ngoLwesithathu ebusuku, nxa iNkosi ingangivumela ukuthi ngibe lapha oLwesithathu ebusuku, ngifuna ukukhuluma ngesifundo: *Siyibonile INkanyezi Yakhe eMpumalanga Futhi Size UkuzoMkhonza*. Manje, lokho kungasemuva kosuku kweKhisimusi.

<sup>9</sup> Futhi-ke, masinyane ngemuva kweKhisimusi liviki lekhefu leKhisimusi. Yikho lapho esithatha khona zonke incwadi... UMfowethu uMercier labo bavame ukuziphumisa zonke phandle. Futhi siyazibeka zona zonke phandle, futhi sikhulekele lezi incwadi futhi sicele iNkosi isikhokhele lobangaphi kudlula emhlabeni esizabe siwuhamba.

<sup>10</sup> Manje, bona, iChristian Business Men, balokukhulu okunengi, yikuba seFlorida khona manje okomhlangano wabo. Kusuka lapho kusiyaKingston, khona-ke kusiya eHaiti, futhi phansi ePuerto Rico, kungena eSouth America, kuphendukwe kudlula eMexico.

<sup>11</sup> Kodwa iNkosi ikhangeleka ingikhokhela eNorway. Kangazi ukuthi kungani. Liyalazi ibhuku elincinyane elithiwa *Umntu Othunywe NguNkulunkulu?* Kuliphapha elikhulu kwezenkolo eNorway. Kucabange, lokho iNkosi ekwenzileyo khonale. Futhi lapho ngikhonale, babengangivumeli ukubeka izandla phezu kwabagulayo. Ngangikhonale okobusuku obuthathu. Futhi babengangivumeli ukubeka izandla phezu kwabagulayo. Ngakho liyabona lokho uNkulunkulu angakwenza. Amaxuku

ayemakhulu kakhulu benza okokuthatha amapholisa ahamba ngamabhiza, amabhiza, futhi basuse abantu ezitaladeni ukuze ngenelise ukufika phezulu endaweni. Futhi kangibekanga izandla phezu kwabagulayo. Ngabakhulekela loba kunjalo; ngabayekela babeka izandla omunye phezu komunye.

<sup>12</sup> Ngakho... [Omunye ukhuluma kuMfowethu uBranham—Mhl.] Yebo, sibili ngizakwenza, khona-ke. Manje, kusasa ekuseni... Manje, lobubusuku, mhlawumbe sizangena nje kuleyi imibuzo, ngoba silayo emihle sibili. Futhi kangazi ukuthi iNkosi izakusigcina isikhathi eside okunganani kiyo. Futhi-ke, kusasa ekuseni loba uBilly Paul, uGene, kumbe uLeo, omunye, uzakube elapha ukupha amakhadi okukhulekelwa ngehola lesificaminwembili kuze kube ngehola lesificaminwembili lengxenywe. Manje, abantu baphandle kwedolobha, makuthi ngikuphinde njalo futhi ukuze lingakhohlwa. Nxa ungathanda ukubuya emzileni, kungabangcono sibe labantu baphandle kwedolobha uba kusenzeka.

<sup>13</sup> Manje, kwezinye izikhathi lapha ebandleni sifika endaweni lapho abathi, “Awu... ” Sithola abantu baphandle kwedolobho, sibalethe... Omunye uzakuthi, “Awu, bengingakwazi lokho okubi ngabo. Bangabe bekhuluma into engayisiyo.” Khona-ke uthola abantu edolobheni; bathi, “O, ungabe ububazi.” Ngakho... Khona-ke bathi—kwatshiwo, “Awu, ngizakulitshela, kungamakhadi okukhulekelwa.” Awu, uthini ngabo labo abangela amakhadi okukhulekelwa? Futhi kwaba lusuku ngosuku lapho ku... .

Utheni? [UMfowethu uBranham ucelwa ukuthi ame emuva kwemayikrofoni—Mhl.] Ngime emuva kwemayikhi? Awu, liyakwazi, ngihlezi ngitshumayela isikhathi sonke ingaphakathi yomgwaqo. Ngakho mhlawumbe ngizakuthatha njengalokho. Kungcono yini lokho? Kungcono. Lokho kuhle. Ngizalitshela ukuthi kuyini. Imitshina yethu—yethu yokukhweza amazwi emphakathini kayiyenzi kuhle lapha, kayiyenzi kuhle. Futhi kasizami ukuba ngcono khathesi, ngoba sifuna ukuthi ithabhanekeli elitsha lakhiwe khonamanje. Futhi-ke kulapho esizakuba lendawo enengi (bona?), nxa singenelisa ukubuthana lapha futhi siqheline indawo leyi ibenkudlwana kancane, futhi sifake ezinye indawo ezinengi, futhi silungele imihlangano lapho sisiba layo lapha.

<sup>14</sup> Futhi manje, khumbulani, ekuseni abafana, oyedwa kumbe abathathu babo bazakube besipha amakhadi phakathi kwehola lesificaminwembili, kumbe, elesificaminwembili lesificaminwembili lengxenywe. Lokho kuyapha umuntu wonke ithuba lokuthi ahlaliseke. Futhi bengikhuluma mayelana ngokuthi bapha njani amakhadi, kungani sikwenza. Yikulondoloza ukuhleleka. Bona? Manje, aluba ngingabuya phakathi lapha, njenga khathesi nje futhi ngithi, “Akuthi lumfazi, lumfazi, lalayo ndoda, lalumfazi... ?” Liyabona, lokho

kuyabe kungazathi—lokho kuyabe kungazathi kunzima. Bona? Futhi-ke, nxa linga... Izikhathi ezinengi ngakwenza lokhu. Futhi nxa bengekho banengi kakhulu ekuseni, ngingenza into efanayo. Ngiyathi, “Bangaki abantu lapha abavela phandle kwedolobho labo abalento engalunganga ngabo? Sukumani.”

<sup>15</sup> Mfowethu Mercier, uyeza ukungophula. Uzangisiza na? [UMfowethu uMercier uthi, “Ngিয়েza ukuthi ngizophule.”—Mhl.] O, uyabuya... Ubuya ukuzophula ngokwakhe uqobo. Ngikhulume lenkazana yakho lamuhla. Manje, kungcono ube muhle kimi sibili. Bona? Kulungile. Lokho kuhle. Ngi—ngiyasibuka isibindi lesi Mfowethu Leo. Lapho kungalunganga, kasi—kasikulungiseni kakuhle ngokwazi kwethu ukuthi sikulungisise njani, ngobungecono bethu.

<sup>16</sup> Ngako manje, sicela nje abantu abaphandle kwedolobha baphakamise izandla zabo labo abalento engalunganga ngabo. Futhi-ke bame nje laphana, ngizinikele emuntwini oyedwa uMoya oNgcwele uze uqalise, futhi uthathe umbuthano wonke. Bangaki abake babalapha lapho bebona lokho kusenziwa phakathi lapha? Sibili! Bona, bona? Ngakho akula ndaba ukuthi kuyindlela yiphi okuyiyo. Khona kuyi... .

<sup>17</sup> Ngifuna ukuthi likhumbule lokhu, futhi ngizazama ukudlula kukho ekuseni njalo. Abezizwe, iVangeli eliphiwe kubo liVangeli lokholo, hatshi imisebenzi lakancane. Bona? Futhi njengokuba ngitshilo ubusuku bayizolo. Lapho uMoya oNgcwele usehla ePhentekhosti, lapho besiya phansi kubaJuda (Imisebenzi 19:5), bababeka izandla phezu kwabo ukuze bawamukele Wona. Futhi lapho besehla besiya kumaSamariya, benza okokuba babeke izandla phezu kwabo. Kodwa lapho besiza kwabeZizwe endlini kaKorneliya, “Lapho uPhetro esakuluma lamazwi... .” Kungela kubeka izandla.

<sup>18</sup> Lapho inkazana encinyane isifile, indodakazi kaJayiro, umpristi, wathi, “Woza ubeke izandla phezu kwakhe, futhi uzakuphila.” Kodwa lapho umRoma wekhulu, oweZizwe, wathi, “Kangifanelanga Ubuye ngaphansi kophahla lwami, khuluma ilizwi.” Yikho. Bona?

<sup>19</sup> Umfazi womSirofenika, umGriki khona ayeyikho sibili, lapho yena—lapho uJesu wathi kuye, wathi “Akufanelanga Kimi ukuthatha isinkwa sabantwana futhi ngisiphe ezinjani.”

Wathi, “Lokho kuliqiniso, Nkosi; kodwa izinja ngaphansi kwetafula zidla amafufu abantwana.”

Yena wathi, “Ngenxa yalesi sitsho, udeveli usetshiye indodakazi yakho.” Tshono izinto ezinhle khona-ke. Khuluma enye into enhle ngomunye umuntu. Khuluma ngoJesu. Tshono enye into ethembekileyo, enye into eqotho. Yiyo indlela yokukhupha odeveli. Kazange athi—Kazange akhulekele inkazana. Kazange atsho into eyodwa ngaye esiliswa; Wathi nje, “Ngalesi sitsho, ngalesi sitsho... .”

<sup>20</sup> UHattie Wright, ngolunye usuku, kazange acele ulutho. Wayehlezi nje laphaya, kodwa wakhuluma into eqondileyo, eyathokozisa uMoya oNgcwele. Futhi uMoya oNgcwele waphendula futhi wathi, “Hattie, cela loba yini oyifunayo, loba kuyini olakho futhi okufunayo. Bona ukuthi lokhu kuqotho kumbe hatshi. Cela loba yini (ukusiliswa kukadadewabo omncinyane oyisilima ehlezi laphaya egogekile; amadola ayizinkulungwane ezilitshumi ukumgcina ekugebheni kuzo intaba phetsheya-le; ubutsha bubuyiselwe emzimbeni wakhe okade usuwohlokile); loba yini ofuna ukuyicela, icele khona khathesi. Nxa Kungabuyi futhi kukuphe khona khathesi, khona-ke ngingumprofethi wamanga.” Leyo—leyo leyo ngenye into, akusiyo na?

<sup>21</sup> UJesu wathi, “Wothi kulintaba...” Futhi selezwa i—ngalokho okwathatha indawo; leyo yinkonzo esingena kuyo. Sesiphezulu sibili emgwaqweni khathesi. Masinya ukuBuya kweNkosi uJesu. Futhi kumele sibe lokholo lokuhlwithwa eBandleni olungantshintshwa ngesikhathshana ekucwayizeni kwelihlo ukuba liphume, kungenjalo kasisoze sihambe. Kodwa lingakhathazeki, kuzakuba khona lapho. Kuzakuba khona lapho. Futhi lapho amandla *aleli* ibandla ephakama, azaletha abazalwane balo; amandla *alelo* bandla ephakama, azaletha abazalwane balo; amandla *alelo* bandla azaletha abanye abazalwane; khona-ke kuzakuba lokuvuka komuntu wonke. Futhi sikhangelele phambili kukho.

<sup>22</sup> Manje, lingakhohlwa, amakhadi okukhulekelwa ekuseni ngelesificaminwembili nta kuze kube ngelesificaminwembili lengxenyane. Khona-ke ngiyababuza loba yini okwakuphakathi, khona-ke ngibesengisima ukupha amakhadi, futhi ngibuyeke emuva, futhi ngihlale phansi (bona?), ngoba bazabe sebewaphile wonke mhlawumbe ngaleso sikhathi kungenani, kumbe amanengi esingawahwatsha lapho kwenye indawo. Abafana bazaphakama, bahlanganise amakhadi wonke khona phambi kwenu, khona-ke nxa ufuna elilodwa, ufuna elilodwa, kumbe loba yikuphi okunye okunjalo... Khona-ke lapho ngingena, ngiza... Loba ngaphi iNkosi ethi bizela khona... Futhi nxa Ethe, “Ungabizi lakancinyane,” Kangiyi kuwabiza lakancane (bona?), loba kuyini nje okuyikho.

<sup>23</sup> Futhi ngi... Inkonzo leyo isiphose ifiphale nje kungenani; kulenye into enkulu kakhulu ezayo. Khumbulani, kulapho isikhathi sinye ngasinye kwakhulunywa kudlulisela kuleyi ipulathifomu kumbe ukudlulisela kuleyi iphuluphithi, futhi akukaze kwehluleke lamanje. Liyakhumbula inkonzo emayelana ngesandla? Khangelani lokho eyakwenzayo? Imicabango yenhliziyo, bona lokho eyakwenzayo? Manje khangelani lokhu: khuluma iLizwi, futhi ubone lokho eLikwenzayo. Bona? Ngalitshela lapha iminyaka eyadlulayo—ibandla (ngikhuluma lethabhanekeli)—iminyaka eyadlulayo,

iminyaka emithathu kumbe emine edluleyo, enye into yayilungiselela ukwenzakala; ilungiselela ukuthatha indawo. Futhi nanku lapha khathesi sekubonakala khona... Sekuzibumba isimo sakho. Manje, silokuthokoza ngalokho. O, silokubonga okunganani. Siyajabula nje kakhulu.

<sup>24</sup> Manje, sileminye imibuzo enzima kakhulu lapha, futhi sifuna ukungena khona kanye kuyo. Omunye umuntu wakhangela kulawa mabhuku wonke engangilawo. Ngathi, “Awu, umuntu ohlakaniphileyo udinga elilodwa kuphela.” Kodwa kangisuye muntu ohlakaniphileyo. Kumele ngibe lamanengi awo ukuthi ngikhangele kuwo. Awu, leli liDiaglott, laleli liBhayibhili, futhi leyi yikhonkodensi. Ngakho kuyi... Sizacela iNkosi nje ukuthi isisize futhi isiqondise ukuphendula imibuzo leyi ngokuya nje kwentando Yakhe eNgcwele leLizwi Lakhe.

<sup>25</sup> Ngakho manje, kasikhothamiseni amakhanda ethu okwesikhatshana nje ukuze sikhuleke. Nkosi, silokuthokoza Kuwe okuvela ekujuleni kwenhliziyo zethu ngalokho Osenzele khona kulobubusuku obuthathu obedluleyo. O, ukubona abafundisi behlangana emuva-le ekamelweni futhi bexhawulana izandla, lokholo oluvuselelweyo, futhi—futhi inyathelo elitsha lokuthatha. Betshaya ifoni... Futhi inhliziyo zethu zithokoza, labantu besamukela uMoya oNgcwele emva kokuba sebe—bone iLizwi Lakho, ukuthi Likutsho njani khona kanye inyathelo ngenyathelo ukuthi bamukele njani uMoya oNgcwele Wakho. Silokubonga kakhulu ngalokho, Nkosi.

<sup>26</sup> Uyenza izinto zibe lula kithi, ngoba singabantu abathobileyo. Futhi siyakhuleka, Nkulunkulu, ukuthi—ukuthi Uzasivumela sizenze ngokwethu sihlale singabathobileyo ngokugcweleyo. Ngoba ku... Yilo uhlobo olizithobayo ozakuphakanyiswa. Futhi inhlakanipho yomhlaba yibuwula kuNkulunkulu; lokho kwathokozisa uNkulunkulu ngobuwula bokutshumayela ukubasindisa labo ababelahlekileyo.

<sup>27</sup> Futhi khathesi, Baba, kukhona lapha engilakho imibuzo embalwa ebuziweyo ivela ezinhliziyweni eziqinisekileyo eziphathekileyo. Futhi omunye wayo uphendulwe kabi ungaphosela umuntu endleleni engayisiyo, ukuphosela ukukhanya okungayisikho embuzweni wabo obakhathazayo. Ngakho Nkosi Nkulunkulu, Ngiyakhuleka ukuthi uMoya oNgcwele Wakho uzahamba phezu kwethu futhi uzakwambula lezi zinto, ngoba kulotshiwe emiBhalweni, “Celani futhi lizakwamukela; njalo funani futhi lizafumana; qoqoda futhi uzakuvulelwa.” Futhi yikho lokho esikwenzayo khathesi, Nkosi, siqoqoda emnyango Wakho womusa. Simi ethunzini lokulunga Kwakho okuNgcwele, siyanxusa iGazi likaKhristu kaNkulunkulu lokoMoya oNgcwele.

Siyabuya sengathi lobu yibusuku bokucina esingaba labo emhlabeni. Sibuya sikholwa ukuthi Uzaphendula imikhuleko yethu. Futhi Nkosi, siyaKucela khathesi ukuthi usisuthise ngeMpilo Yakho ePhakade. Futhi ekuphenduleni kweLizwi Lakho, makuthi uMoya oNgcwele, O Nkulunkulu, njengokuba sifumene ukuthi kuNguwe uqobo phakathi kwethu, siyakhuleka ukuthi Uzakwembula kithi lobubusuku izinto esizifisayo. Sicela lokhu eBizweni likaJesu. Amen.

<sup>29</sup> Manje, ngilayo yonke imibuzo engayinikezwayo, ngaphandle kowodwa. Futhi ngaphendula uMfowethu omncinyane uMartin owangibuza umbuzo kuthange ebusuku, owodwa nje. Bekuleminengi lapha izolo ebusuku, kodwa bekuyizicelo zomkhuleko. Futhi uMfowethu uMartin wangibuza umbuzo ngoJohane 3:16—kumbe uJohane 3, ngiyakholwa, mayelana, “Ngaphandle umuntu azalwe ngamanzi futhi langoMoya, kangeke awubona uMbuso,” futhi wakufananisa lethephu engayithumela phandle ngamaHebheru. Futhi ngahlangana laye ekamelweni langemuva lapha izolo ntambama, futhi—ngingakabi lethuba lokumphendula, futhi-ke ngakwenza lapho, esifundweni.

Futhi nxa loba kunguphi umtshumayeli okungenzeka uku—kumbe umuntu okungenzeka ukuba engavumelani lalokho engilungiselela ukukukhuluma khathesi, kumbe lasembuzweni, ngiyacela, mfowethu, ukuthi kawusoze ucabange ingathi kuyamangalisa, kodwa ukuthi—khumbula ukuthi ithephu leyi iyenza ethabhanekeleni lethu lapha. Sifundisa ebantwini bethu. Abatsumayeli abanengi abokholo olutshiyeneyo bahlezi lapha. Futhi ngizathanda ukuba ngingene esifundweni njalo, ngoba kulabanye babantu bethu abangenelisanga ukungena phakathi izolo ebusuku engibabonayo bephakathi lobubusuku. Futhi ngizathanda ukungena lapho okwesikhatshana nje, nxa lingavumela, phezu kwalokho engikhulume ngakho izolo ntambama; futhi lokho bekuphezu kwePhentekhosti, phezu kokwamukela uMoya oNgcwele.

*...lapho lokhu ku...futhi umbiko lowu usubhodisiwe, ixuku leza ndawonye, futhi babedidekile, ngoba...wonke umuntu wezwa i... ekhuluma ngolimi lwakhe.*

<sup>34</sup> Manje nanzelela! Lapho umlilo usiza, kwakuzinlimi; lapho babekhuluma, kwakuzindimi. Manje, kulokutshiyana okukhulu phakathi kwenlimi lezindimi. Kithi kuyafanana konke. Kodwa, ngesiGriki, "ulimi" kutsho *lokhu*. [UMfowethu uBranham uyatshengisa—Mhl.] Indlebe *yilokhu*. Bona? Lokho akutsho indimi; kutsho ingxenye yomzimba wakho lolo lulimi. Nxa lingananzelela, kutolikelwe kwathiwa *inlimi zomlilo* okutsho ukuthi "njenge zinlimi," njengelengabi lomlilo nje, ilangabi elide lomlilo. Manje, khangelani isigqizelelo khathesi. Futhi yinye layinye yalezondawo khathesi, lingakukhohlwa.

<sup>35</sup> Manje, sizakupha umdlalo omncinyane lobubusuku. Futhi ngizakutshiyela kini. Manje khumbulani, nxa kukhona okuphambeneyo, lokho sokukini. Kodwa indlela eyodwa kuphela umuntu angathola ngayo ulutho kuNkulunkulu kungokholo. Futhi ngaphambi kokuba wenze...

<sup>36</sup> Kumele ngibekwazi lokho engikwenzayo ngingakabi lokholo kulokho engikwenzayo. Wathathelani umkakho? Wawulokholo kuye. Wawumvivinyile, wamkhangela, wabona lokho avela kukho, ukuthi wayengubani. Yiyo indlela ngoMbhala, ngoNkulunkulu. Yikho okwenza imibono leyi, i—liNsika yoMlilo, zonke lezi izinto, ngoba uNkulunkulu wakuthembisa. UNkulunkulu watsho njalo. NgaMvivinya ngeLizwi Lakhe futhi ngiyakwazi ukuthi KuliQiniso. Futhi lina landelani iLizwi Lakhe. Khona-ke nxa kulokudidayo okuncane kweyinye indawo, khona-ke kulenye into engalunganga kwenye indawo. Ngoba uNkulunkulu (lalelani!)—uNkulunkulu kakaze kumbe kasoze asebenze phandle koKwakhe uqobo—kumbe okuphikisana lemilayo Yakhe uqobo. Ubusika bungeke bubuye ehlobo, futhi ihlobo lingeke libuye ebusika. Amahlamvu angeke athintitheke ngesikhathi sentwasa futhi abuye njalo ekwindla. Ungeke ukwenza nje.

<sup>37</sup> Njengoba ngitshilo izolo ebusuku ngomthombo ontshazayo, uthelezela isilimo sakho. Kumbe nxa umile phandle lapha phakathi kwensimu, futhi yibumnyama wobumnyama, futhi ubusithi, "O, getsi omkhulu, ngiyazi usensimini. Manje, ngilahlekile, angikwazi lapho engiya khona. Phana ukukhanya,

ukuze ngibone ukuthi ngihambe njani! Kulamagetsi eneleyo ukukhanyisa insimu.” Lelo liqiniso. Yebo, mnumzana! Kulamagetsi enelayo ekamelweni leli ukuthi akhanyise kungela loba zona izibane, kungela lokho. Kodwa kufanele ukulawule. Manje, ungaklabalala kulokho uze ungasakwanisi ukuklabalala futhi, kakusoze kukhanyise. Kodwa nxa ungasebenza ngemithetho yamagetsi, khona-ke uzathola ukukhanya.

<sup>38</sup> Awu, yiyo indlela efanayo ngoNkulunkulu. UNkulunkulu unguMdali omkhulu wezulu lomhlaba, ofanayo izolo, lamuhla, lanininini. Ulokhu enguNkulunkulu. Kodwa Uzasebenza kuphela lapho ulandela imithetho Yakhe lemilayezo. Bangane, ngithi lokhu: Kangikaze ngikubone kusehluleka, futhi kakusoze.

<sup>39</sup> Manje, kasinanzeleleni. UJesu kuLuka 24:49 wayethume abaphostoli emva kokuba sebesindisiwe futhi bangcweliswa mayelana ngeLizwi; belungisisiwe ngokukholwa eNkosini uJesu; bangcweliswa kuJohane 17:17 lapho uJesu wathi, “Bangcwelise, Baba, ngeQiniso. ILizwi Lakho liliQiniso.” Futhi Yena waye yiLizwi.

<sup>40</sup> Manje, wabapha amandla okusilisa abagulayo, ukuxotsha odeveli, ukuvusa abafuleyo; futhi baphenduka bethokoza. Futhi amabizo abo ayeseBhukwini leWundlu lokuPhila. Liyakhumbula ukuthi sidlule njani kulokho manje. Kodwa babengakaphenduki. UJesu watshela uPhetro ubusuku bokubethelwa Kwakhe, Wathi, “Emva kokuba usuphendukile, khona-ke qinisa abazalwane bakho.”

<sup>41</sup> UMoya oNgcwele uyilokho...Ukholelwa ekuPhileni okulaPhakade, kodwa lapho uMoya oNgcwele usiza UyiMpilo elaPhakade. Ukholelwa eku...Lizelwe nguMoya ekungcwelisweni, kodwa kawukazalwa nguMoya kuze kuthi uMoya oNgcwele ungene phakathi. Lokho kuqondile. Usane lulokuphila phakathi kwesisu sikanina, imisipha emincane iyanyakaza; kuyimpilo. Kodwa kuyimpilo etshiyeneyo lapho kuphefumula umphefumulo wempilo phakathi kwamakhala alo. Kwahlukileyo. Lokho yikho okuyikho khona, kuyi. . .

<sup>42</sup> Mfowethu othandekayo weMethodisti, lePilgrim Holiness, leNazarene, ukubhaphathizo lukaMoya oNgcwele lutshiyene lokungcweliswa. Ukungcweliswa yikuhlanjululwa, okuyikulungiselela kweMpilo. Kodwa lapho uMoya oNgcwele usiza, UyiMpilo. Ukulungiselela yikuhlambulula isitsha; uMoya oNgcwele ugwalisa isitsha. *Ukungcweliswa* kutsho “ukuhlanzwa lokubekwa eceleni ukuze kusetshenziswe.” UMoya oNgcwele uyasibeka emsebenzini. Uyisitsha uNkulunkulu asesihlanzile.

<sup>43</sup> Futhi siyakufumana ukuthi uMoya oNgcwele nguNkulunkulu ngoKwakhe phakathi kwakho. UNkulunkulu wayephezu kwenu eNsikeni yoMlilo loMose. UNkulunkulu

waye lani kuJesu Khristu. Manje uNkulunkulu uphakathi kwenu kuMoya oNgcwele. Akula bonkulunkulu abathathu, uNkulunkulu oyedwa esebenza emawofisini amathathu.

<sup>44</sup> UNkulunkulu ezehlisa, esehla phansi evela phezu komuntu. Wayengenelisi ukumbamba Yena, ngoba waye wonile esivandeni saseEdeni futhi wazehlukanisa ebudlelwaneni Bakhe. Khona-ke kuyini okwenzakalayo? Kwakufanele abe ngaphezu kwakhe. Igazi lezinkunzi lembuzi kwakungaMvumeli ukuthi adlelane lomuntu futhi; kodwa ngokudlulisela ngemilayo lezimiso, kufanisa ngaphambili lesi isikhathi esibuyayo, esokunikela ngezinkabi, lokunye okunjalo, lezimvu... Khona-ke lapho uNkulunkulu esebuye phansi futhi wahlala emzimbeni ongcwelisiweyo, ozelwe ngowesifazane oyintombi, ukuthi uNkulunkulu ngoKwakhe...Liyakwazi lokho uNkulunkulu akwenzayo? A—Akenzanga lutho kodwa nje...Wabeka iThente Lakhe phakathi kwelethu. UNkulunkulu wayehlala phakathi kweThente elithiwa nguJesu Khristu. Wabeka iThente Lakhe nje kanye lathi, waba... (Ngiza—tshumayela ngalokho ekuseni, ngakho kungcono ngikuyekele.) Manje, ukuthi—njani uNkulunkulu ithente-kumbe wahlala lathi... .

<sup>45</sup> Futhi khathesi uNkulunkulu uphakathi kwethu. UJesu wathi kuJohane 14, “Kulolo suku lizabakwazi ukuthi NgikuBaba, uBaba uKimi, futhi Mina ngikini, lani liKimi.” UNkulunkulu ephakathi kwethu. Yayiyini injongo? Ukuqhuba icebo Lakhe.

<sup>46</sup> UNkulunkulu wayelecebo. Wayefuna ukusebenza phakathi komuntu, futhi Wakuletha eNsikeni yoMlilo, eyayinguMlilo oyimfihlo owawulenge phezu kwabantwana bakoIsirayeli. Khona-ke lowo Mlilo ofanayo wabonakaliswa emzimbeni kaJesu. Futhi Wathi Wayeyilowo Mlilo, “UAbrahama engakabi khona, NGINGUYE.” Wayeyilowo Mlilo. Wathi, “Ngavela kuNkulunkulu, futhi ngiyabuyela kuNkulunkulu.” Futhi emva kokufa Kwakhe, ukungcwatshwa, lokuvuka, UPhawuli oNgcwele wahlangana Laye endleleni—lapho ibizo lakhe lisasenguSawuli—endleleni yokuya eDamaseko, futhi Waphendulwa njalo wabuyela kuleyo Nsika yoMlilo. UkuKhanya kwamphumputhekisa. Kunjalo.

<sup>47</sup> Futhi Nangu lapha lamuhla, iNsika yoMlilo efanayo, uNkulunkulu ofanayo esenza izibonakaliso ezifanayo, imisebenzi efanayo. Ngani? Usebenza phakathi kwabantu Bakhe. Uphakathi kwethu. Ngi...Ukanye lani khathesi, “kodwa ngizakuba phakathi kwenu. Ngizakuba lani, ngitsho laphakathi kwenu, kuze kube sekupheleni,” ekucineni komhlaba. Uzakuba elathi.

<sup>48</sup> Manje, nanzelelani. UJesu wayebathumile ukuba bakhuphukele eJerusalema futhi balinde. Iizwi *linda* litsho “ukumelela,” alitsho ukukhuleka, litsho “ukulinda.”

Babengakabi ngabantu abafanele ukutshumayela, ngoba babesazi kuphela ukuvuka Kwakhe ngoBuntu Bakhe, okokuMbona ngaphandle. Yena—Yena wabalayeza ukuthi bengasatshumayeli futhi, bangenzi lutho kuze kuthi bagcwaliswe kuqala ngaMandla avela phezulu.

Kangikholwa ukuthi loba nguphi umtshumayeli uthunywe nguNkulunkulu kumbe engagcotshwa ngokuqondileyo... Ngoba uNkulunkulu akala mkhawulo. Futhi lokho uNkulunkulu aqala ukukwenza, Uyakwenza sonke isikhathi. Manje, nxa uNkulunkulu engabavumelanga ukutshumayela baze baye ePhentekhosti futhi bamukele isehlakalo sePhentekhosti, akula muntu, ngaphandle kwesifiso sakhe uqobo esijulileyo kumbe inhlanganiso ethile imthumile, ololungelo lokungena kuphuluphithi kuze kuthi esegcwaliswe nguMoya oNgcwele. Kunjalo sibili. Ngoba ubakhokhela ngengqondo yokuhlakanipha yeyinye ihlanganiso kuze kuthi agcwaliswe nguMoya oNgcwele; futhi-ke, ubapha ukudla kwejuba; *IWundlu leJuba*, njengoba sikhulume ngakho izolo.

<sup>49</sup> Manje nanzelela. Wathi, “Yenyukelani eJerusalema futhi lihlale khona lapho; lindani nje lapho ngize ngithumele isithembiso sikaBaba.” Futhi-ke, yikuyini abakwenzayo? Kwakukhona abalikhulu lamatshumi amabili babo, amadoda labesifazana. Baya ekamelweni laphezulu ethempelini.

Manje, kwasekusondela usuku loMkhosi wePhentekhosti, kusuka ekuhlanzweni kwendawo engcwele, ukubulawa kwewundlu lephasika kuze kube u— ukubuya kwePhentekhosti, okwakuyizithelo zakuqala zesivuno, ijubili, ijubili yePhentekhosti. Futhi ezakhiweni...

<sup>50</sup> Manje, ngike ngaba semazweni. Amazwe asempumalanga ayengavamanga ukuba lamasitebhisi ngaphakathi. Amasitebhisi ayengaphandle. Ngaphandle kwethempeli, siyatshelwa, kwakulamasitebhisi ayekhokhelela phezulu ekamelweni elincinyane ngalapho; ukhwela phezulu, laphezulu, laphezulu, uze ufike phezulu ekamelweni elincinyane phezulu khonale, njengekamelo lokugcinela izinto esiqongweni sethempeli, olunye uhlobo lwekamelo elincinyane, ikamelo laphezulu. Futhi iBhayibhili lathi ukuthi babephakathi lapho futhi iminyango yayivaliwe, ngoba babesesaba abaJuda, ngoba babezakubavuthuza ngenxa yokukhonzisa iNkosi uJesu, ngemva kokuba uKayafasi umpristi omkhulu, loPontiyasi Pilatu, labo bonke babeMbulele. Ngakho babezakususa bonke ababizwa ngokuthi amaKhristu. Futhi iminyango yayivaliwe, futhi babelindele.

<sup>51</sup> Manje, kulawo makamelo anjalo, akulamafasitela. Amafasitela ayeyizinto ezincinyane ezazilensimbi okusaminyango, wawudonsa kuvuleke. Emakamelweni lawo kulezibane ezincinyane ezamafutha ezilenga phansi futhi

zivutha...Nxa ungaba seCalifornia eClifton's Cafeteria, wehle phansi endlinini yangaphansi, futhi uzakuthola olunye uhlobo olufanayo, lwendlu yaphezulu. Selake laba khonale? Bangaki lapha abake baba khonale? Ngibona abantu bevuma ngamakhanda abo. Awu, liyakwazi lokho engikhuluma ngakho. Kulungile. Hambani khonale, futhi lizabona isiVande saseGethsemane; lingakakwenzi, lizangena phakathi kwelinye lamakamelo asempumalanga. Lelo liqiniso sibili. Khonale ufumana isibane esincinyane sigcwele amafutha e-oliva lentambo yewulu encinyane ibekwe phakathi kwaso, sivutha.

<sup>52</sup> Manje, kasithini babephezulu khonale, bekhwela bebhoda kuleli cele laphandle. Bafika phezulu khonale futhi bazifihla, ngoba babesesaba abaJuda. UJesu kabatshelanga ukuthi baye endlini yaphezulu. Wathi nje, "Lindani eJerusalema." Babephansi lapha endlini, kunzima ukutsho okwakungathathi ndawo. Babengangena phakathi futhi bebathathe. Ngakho baya ekamelweni elidala elincinyane ezitezi, khona phezulu- le ekamelweni eliphezu kophahla, futhi lapho, bavala indlu ukuze abaJuda bengangeni phakathi kubo. Futhi bahlala lapho belindele okwensuku ezilitshumi.

<sup>53</sup> Manje, manje, sikuImisebenzi 1. Manje, lalelisisani khathesi. Likubambile na? Ngaphandle kwesakhiwo amasitebhisi amancane ayekhwela phezulu, futhi baya kuleli kamelo elincinyane. Phansi ethempelini babesiba loMkhosi wePhentekhosti. O, kwakulesikhathi esikhulu esasisenzakala. Manje, lapho usuku lwePhentekhosti selufikile ngokugcweleyo, bonke babengqondo yinye, ngqondonye, bekholwa ukuthi uNkulunkulu wayezakuthumela leso sithembiso. Yeka umuntu wonke phakathi lapha angene phakathi kuleyo ngqondo efanayo lobubusuku futhi abone lokho okuthathi ndawo. Kufanele kuphindakale. Kuyisithembiso nje esifanana laleso ababelaso. Bona?

<sup>54</sup> Babesenzani na? Babelandela izilayezo, babelandela i—i— imithetho kaNkulunkulu: "Lindani kuze..."

<sup>55</sup> Manje, babesesaba abaJuda. Manje, khumbulani lokho. Babesesaba abaJuda. Manje, ngokungananzelelwe kweza umdumo onjengomoya olamandla ovunguzayo. Kwakungasimoya olamandla ovunguzayo; kwakunjengomoya olamandla ovunguzayo. Ngizabala imibono nje emzuzwaneni emilutshwana ngomtolikeli. Kwakunjengomoya olamandla ovunguzayo. Ngamanye amazwi, kwakungumoya ongaphezu kwemvelo (o!), into ababengayizwa. Umoya wawuphakathi kwabo. Kweza u—umoya olamandla ovunguzayo, njengomoya olamandla ovunguzayo. Umoya wawungavunguzi, kodwa waduma nje njengomoya olamandla ovunguzayo, njengento ihamba: Whew! Lake lakuzwa yini? O, minabo! Njengomoya olamandla ovunguzayo. Manje khangalani. Futhi wagcwalisa... Khathesi, phakathi lapha kwathi "yonke i," kodwa ngesiGriki

yathi “Yonke i (Hlamvunkulu uY-o-n-k-e), iNdlu Yonke,” yonke indawo phakathi lapho. Wonke umnkenke, ikhona, futhi isifoto kwakhangeleka kugcwele ngawo. Hatshi ukuthi, “Tshono, Bazalwane, liyakuzwa lokho engikuzwayo?” Hatshi! Kwakukuyo yonke indawo, njengomoya olamandla ovunguzayo. Manje khangelana. “Kweza umdumo njengomoya olamandla ovunguzayo futhi (ukubambanisa. Manje bakhangele bona *ofuthi*. Nxa ungakwenzi, uyaKwenza kutsho into Okungayitshoyo. Bona?)—futhi sengathi (yikho okwathathi ndawo kuqala kwakungumdumo, into enjengathi ngu—ngumoya olamandla ovunguzayo usiza phezu kwabo)—futhi (liyakhumbula, izolo ebusuku ngahamba esitolo futhi ngathenga ilofu yesinkwa lenyama. Yinto eyahamba kanye lakho. Isinkwa ngenye into, inyama ngokunye. Futhi umdumo wawungenye into eyabatshayayo)—futhi kwabonakala kubo, (phambi kwabo) inlimi—inlimi ezihlukanisiweyo.”

<sup>56</sup> Ukhona olapha owake wabona i*Milayo eliTshumi* kaCecil DeMille? Lakunanzelela lapho i*Milayo* ilotshwa? Ukuthi wakubamba njani, ngangingakwazi. Kwakulezinto ezimbili kumbe ezintathu engazibonayo kuyo engazithandayo sibili. Into yakuqala yilokho kukhanya kwe emeraldi, yikho kanye Okukhangeleka njengakho. Bona? Enye into kulapho i*Milayo* ilotshwa, futhi emva sokuphelile, linanzelele kusuka kuleyo Nsika yoMlilo enkulu, kwakulamalangabi omlilo amancinyane ephaphela kude? Likunanzelele lokho na? Manje, lokho yikho engicabanga ukuthi kwakuyikho ePhentekhosti. Kwabonakala kibo...Ukuze bakubone Khona. Ayizange ithi, “Lapho wawela kibo.” Kodwa lapho kwabonakala kibo amalangabi (sizakubiza njalo), inlimi, njengolimi njengolimi lolu *lapha*, isimo solimi, ilangabi lomlilo. Manje, indlebe—njengoba ngitshilo, indlebe yindebe; umunwe ngumunwe. Umunwe akutsho ukuthi ukuzwile; kutsho ukuthi kwakukhangeleka njengomunwe. Futhi nxa kwakuyindlebe, akutsho ukuthi bakuzwa; kwakukhangeleka njengendlebe. Lowu kwakungumlilo owawukhangeleka njengolimi, hatshi omunye ekhuluma, umlilo owawukhangeleka njengolimi.

<sup>57</sup> Manje, lalelani. Khangelani ukuthi isiGriki sikubala njani lapha:

*Futhi kungananzelelwe kweza umdumo...sengathi ngumoya olamandla ovunguzayo... (Indima 3—eyesi 3.)*

Futhi inlimi ezihlukanisiweyo *zabonakala kubo*,... (Hatshi inlimi ezihlukanisiweyo ezaziphakathi kwabo, kumbe babekhuluma ngolimi olwahlukanisiweyo; kwakuyinlimi ezihlukanisiweyo ezabonakala kubo. Manje, khangelani. Kazikabi kubo okwamanje. Kulapho phakathi ekamelweni, kubhoda yonke indawo phakathi njengakulowu umoya)...*kubo... kungathi... mlilo... inlimi* ezihlukanisiweyo...

*zabonakala kubo...*(lokho kuphambi kwabo) *kungathi...umlilo*, (inlimi kungathi ngumlilo) *futhi ngalunye (ubunye) lwahlala phezu komunye lamunye wabo*. (Hatshi yangena phakathi kwabo; kodwa yahlala phezu kwabo.)

<sup>58</sup> Manje, khangelani ukuthi iKing James ikulahla njani lokho: “Futhi inlimi ezehlukanisiweyo zabuya phezu kwabo, kumbe zahlala (ibala kanjani kuKing James lapho?) zahlala phezu kwabo.” Bona? Manje, zazingeke ziye lapho futhi zihlale phansi. Siyakwazi lokho. Kodwa elakuqala lathi, “Zahlala phezu kwabo,” ngiyakholwa; akusikho yini? Mangikuthole ngokuliqiniso xathu. Yebo! “...zahlala phezu komunye lamunye wabo.” Ulimi olulodwa lomlilo lwahlala phezu komunye lamunye wabo. Bona lapho? Liyakuthola na? Leyo yinto yesibili eyathathi ndawo. Kuqala kwakungumoya, khona-ke ukubonakala kwezimlimi zomlilo.

<sup>59</sup> Kwakuphakathi kwekameloni leli elincinyane lezibane ezincinyane zamafutha zivutha. Cabanga ngabo behlezi phezulu lapho phezulu. Futhi omunye uthi, “O!” Wakhangelani yonke indawo esakhiweni; kwakukhona yonke indawo esakhiweni. Khona-ke bathi, “Khangalani!” Inlimi zomlilo zaqala ukubuya zizingeleza isakhiwo. Manje khangelani. Futhi kwabonakala lezi inlimi zomlilo.

Manje khangelani okulandelayo:

*Futhi* (Esinye isibambaniso; enye into yenzakala.)  
*bonke bagcwaliswa nguMoya oNgcwele...*(Into yesibili eyenzakalayo.)

<sup>60</sup> Manje bona, sifuna ukutshintsha lokho lapha sisithi, “Babelenlimi zomlilo, futhi lapha bekhuluma okungazwakaliyo; futhi-ke baphuma futhi baqala ukukhuluma ngendimi ezingaziwayo.” Akula nto enjengaleyo eMbhalweni, mngane. Okhuluma ngolimi olungaziwayo lapho esamukela uMoya oNgcwele ukwenza ngokuphambene leBhayibhili. Futhi ngizalitshengisa ngemizuzu emilutshwana futhi ngifakaze kuni ukuthi ngiyakholwa ekukhulumeni ngezindimi ezingaziwayo, kodwa kungesikho ukwamukela uMoya oNgcwele. Leso yisipho sikaMoya oNgcwele. UMoya oNgcwele nguMoya.

<sup>61</sup> Manje khangelani. Inlimi lezi zazisekamelweni njengomlilo, futhi zahlala phezu komunye lamunye. Khona-ke basebegcwaliswa ngoMoya oNgcwele (into yesibili), futhi-ke, ngemva kokuba sebegcwaliswe nguMoya oNgcwele, bakhuluma ngendimi, hatshi ngezindimi, ngezindimi. Likunanzelele lokho na? Baqala ukukhuluma ngezinye indimi njengalokho uMoya wabapha ukuphumisela. Manje, lokhu kwazakala ndawo yonke.

<sup>62</sup> Manje khangelani. Khathesi, kasithatheni umzekeliso njalo ukuze lingakukhohlwa khathesi. Ngokuya koMbhalo, endlini yaphezulu belindele, ngokungananzelelwe umdumo

onjengomoya olamandla ovunguzayo, owawuphezu kwabo; kwakunguMoya oNgcwele. Bangaki abakholwayo ukuthi lokho kwakuyikubonakala kukaMoya oNgcwele? Njengomoya, umoya ongaphandle kwemvelo. Khona-ke basebenanzelela. Futhi phandle lapho kwakuyizinlimi ezincinyane zomlilo, ikhulu lamatshumi amabili azo, futhi zaqala ukuhlala phansi futhi zahlala phezu komunye lamunye wabo. Kwakuyini? Kwakuyini? INsika yoMlilo, okwakunguNkulunkulu ngoKwakhe eZehlukanisa phakathi kwabantu Bakhe, engena phakathi kwabantu. UJesu wayelayo yonke into; WayeloMoya ongelasilinganiso; thina siWuthola ngesilinganiso (Liyabona lokho engikutshoyo?), ngoba singababekwe ubuntwana. IMPilo Yakhe—IMPilo Yakhe elaPhakade yayisingena phakathi. Manje, kuyini okwenzakalayo? Khona-ke bonke bagcwaliswa nguMoya oNgcwele.

<sup>63</sup> Manje, ngifuna ukulibuzisa enye into. Kunini lapho ihungahunga elaqalela khona? Nxa babemele ukuphuma phandle kwaleyondlu yaphezulu ukwehla phansi lawo masitebhisi futhi bephumele phandle emagumeni endlu yobukhosi—kumbe phandle ungena— emagumeni ethempeli, eyayingaba yibhuloku yedolobho kusukela lapho ababekhona, phezu esitezi laphansi, phandle emagumeni lapho abantu bonke ababebuthene khona ndawonye... Futhi baphuma phandle lapho sengathi badakiwe ngoMoya. Ngoba abantu bathi, “Abantu laba bagcwele iwayini elitsha.” Babengakaze babone into enjengakho.

<sup>64</sup> Futhi munye lamunye wayezama ukuthi, “UMoya oNgcwele usebuyile. Isithembiso sikaNkulunkulu siphezu kwami. Se—sengigcwaliswe nguMoya.” Futhi yena engumGalili, indoda ayekhuluma kuyo, umArabhi kumbe umPeresiya, wamuzwa ngolimi lwakhe uqobo.

<sup>65</sup> “Sizwa kanjani (hatshi ngolimi olungaziwayo)—sizwa kanjani umuntu wonke ngolimi lolo esazalelwa kulo? Kakusiwo yini amaGalili wonke lawa akhulumayo?” Futhi mhlawumbe babekhuluma isiGalili. . . Kodwa lapho bekuzwa, kwakungolimi abazalwa kulo. Nxa kungenjalo, ngifuna ukuthi lingibuze—lingiphendule lumbuzo: Kwaba kanjani ukuthi uPhetro wasukuma lapho futhi wakhuluma ngesiGalili, futhi ixuku lonke lezwa lokho ayekutsho? Izinkulungwane ezintathu zemiphefumulo zabuya kuKhristu khona lapho uPhetro ekhuluma ngolimi lunye. Sibili! KwakunguNkulunkulu esenza isimanga. UPhetro, kumbuthano munye owawugoqela abahlali baseMesopotamiya, labafokazi, labakhonzi bezinye izizwe, lakho konke okuvela umhlaba wonke kwakumile lapho... Futhi uPhetro emile futhi etshumayela ngolimi olulodwa, futhi wonke umuntu wamuzwa, ngoba abazinkulungwane ezintathu baphenduka futhi babhaphathizwa eBizweni likaJesu Khristu khonanje. Kunjani lokho?

<sup>66</sup> Bona, bangane, kangengeke ngikhangelele umfowami wenhlanganiso yesonto, umfowami wePhentekhosti ukwamukela lokho khona khathesi. Kodwa likuhlale lokho ngeBhayibhili futhi lingitshela loba yisiphi isikhathi lapho abake bemukela khona uMoya oNgcwele futhi bakhuluma ngolimi ababengazi lokho ababekhuluma ngakho. Futhi nxa leyo kuyindlela abaWuthola ngayo khonale, uNkulunkulu ozibusayo...Kufanele kwenzakale isikhathi sonke ngendlela efanayo.

<sup>67</sup> Manje, ngingeke...Manje, endlini kaKorne-... Siyakhumbula, lapho size siye phansi eSamariya, izolo ebusuku, safumana ukuthi kwakungelanto eyodwa ebhaliweyo ngabo besizwa ngolunye ulimi, akulalutho olwatshiwoyo ngakho. Kodwa lapho sebehambe endlini kaKorneliyo, lapho okwakulemihlobo emithathu etshiyeneyo yabantu, bakhuluma ngezindimi. Futhi lapho sebeyenzile, nxa bakwenza, baKuthola, uPhetro wathi, indlela efanayo abaWuthola ngaYo ekuqaleni. Futhi bakwazi ukuthi abeZizwe basebemukele umusa ovela kuNkulunkulu, ngoba babemukele uMoya oNgcwele njengalokho abakwenzayo ekuqaleni. Ngilombuzo lapha, into engalokho ngemizuzu emilutshwana. Bengifuna ukubeka isisekelo, ukuze libone lokho okuyikho.

<sup>68</sup> Manje, ngingeke ngikhangelele abantu abafundiswe okwahlukileyo...Futhi ngilaleleni, bazalwane bami abathandekayo, abaligugu, abePhentekhosti. Ngingeke ngifundise lokhu ngaphandle. Lokhu yi...Ngingeke ngenze lutho ukubangela ukuphikisana. Kodwa nxa singatholi iQiniso, kunini lapho esiyakuqala khona? Kufanele sibe lento ethatha indawo lapha ukuthi isiqondise. Kufanele sithole umusa wokuhlwithwa lapha khathesi. Iqiniso lifanele liphume.

<sup>69</sup> Kuyini umuntu ayezakwenza nxa wayeyisacuthe, eyisimungulu, futhi engenelisi ukukhuluma lakancane? Wayengemukela uMoya oNgcwele na? Aluba wayengelalimi kwasekuqaleni, futhi umfo odubekayo wayefuna ukusindiswa? Bona? NguMoya oNgcwele, lubhaphathizo. Futhi-ke, zonke lezi izipho njengokukhuluma ngendimi, ukuchasisa indimi, kungemva kokuba usungene eMzimbeni ngobhaphathizo lukaMoya oNgcwele. Ngoba lezo zipho ziseMzimbeni kaKhristu.

<sup>70</sup> Manje, isizatho ngisithi...Manje, khangalani lapha. Ungakhangelela ibandla leKatolika, okwakulibandla lokuqala elahlelwayo emhlabeni kwabapostoli...Khona-ke ibandla leKatolika lahlelwa, o, iminyaka eminengi engamakhulu emva kokufa kompostoli wokucina, amakhulu ayisithupha athile futhi—iminyaka ngemva kwabapostoli, masinya ngemva kweNayisiya Khansili, lapho obaba beNayisiya beza ndawonye futhi bahlela; khona-ke babeka ibandla lomhlaba wonke jikelele, okwakulibandla leKatolika. Phakathi lapho benza ibandla lomhlaba. Futhi ibala *katolika* litsho "umhlaba

wonke jikelele”; lokho kundawo zonke. Bona...iRoma—iRoma yesihedeni yaguqulwa yaya kuRoma yobupapa. Futhi babeka upapa ukuba yinhloko ukuthatha indawo kaPhetro, ababekucabanga lababekukhuluma ukuthi uJesu wapha izihluthulelo zaseMbusweni. Futhi lokuthi uPapa wayengaphosisi, futhi unjalo lamuhla ebandleni leKatolika. Ukuthi...ilizwi Lakhe lingumthetho lohlelo. Ungupapa ongaphosisiyo. Lokho kwedlula.

<sup>71</sup> Futhi-ke, ngenxa yokuthi babengavumelani lale imfundiso yeKatolika, babulawa, batshiselwa ogodweni, layo yonke into. Sonke siyakwazi ngemibhalo engcwele kaJosefasi, futhi le*Fox's Book of the Martyrs*, lamanengi amanye angcwele...Hislop's *Two Babylons*, futhi le—imbali ezinkulu. Khona-ke, ku—emva kweminyaka engamakhulu alitshumi lanhlanu, njengoba sisazi, yeziKhathi zobuMnyama iBhayibhili lasuswa ebantwini. Futhi La—Lafihlwa yimonku encane, lokunjalo, siyakuzwisisa.

<sup>72</sup> Khona-ke ngemva kwalokho kweza iNguquko yakuqala okwakunguMartin Luther. Futhi waphumela phandle futhi wathi isidlo leso iKatolika eyayisibiza ngokuthi umzimba—umzimba uqobo kaKhristu, sasimela kuphela umzimba kaKhristu. Futhi waphosela isidlo ensimbini zelathi, kumbe emasitebhusini, futhi wayala ukusikubiza ngokuthi umzimba uqobo kaKhristu, futhi watshumayela, “Abalungileyo bazaphila ngokukholwa.” Manje, ungeke ukhangelele ibandla leKatolika ukuthi livumelane laye, hatshi impela, lapho inhloko yabo engaphosisiyo ibatshela ukuthi hatshi. Kulungile.

<sup>73</sup> Khona-ke emva kuka Martin Luther, etshumayela ukuLungisiswa, uJohn Wesley weza ngalapho etshumayela ukuNgcweliswa. Futhi watshumayela ukuthi umuntu, emva kokuba eselungisisiwe (konke kulungile) kodwa umele ukuba ungcweliswe, uhlanzwe, impande yobubi isuswe kuwe ngeGazi likaJesu. Manje, ungeke ukhangelele amaLutheran ukutshumayela ukuNgcweliswa, ngoba kabayikukwenza.

<sup>74</sup> Emva kokuba uWesley esetshumayele ukuNgcweliswa, futhi ukudazudazuka okunengi okuncinyane okwavela kuyo, kusizokuza khona, iMethodisti kaWesley, leNazarene, lokunjalo, lokho okwagcina umlilo uvutha esikhathini sabo, khona-ke kwasokubuya lapho iPhentekhosti futhi yathi, “Ngani, uMoya oNgcwele lubhaphathizo, futhi sikhuluma ngendimi lapho siWuthola.” Sibili. Khona-ke lapho lokho kusiza lapho, wawungeke ukhangelele amaNazarene, labeMethodist kaWesley, lokunjalo ukuthi bakukholwe lokho. Babengeke bakwenze. Bakubiza ukuthi ngudeveli. Kulungile. Kuyini okwenzakalayo? Baqala ukuwa; iPhentekhosti yaqala ukuvuka. Manje isivuke kwaze kwaba sendaweni yokuthi iPhentekhosti isithole ukunyikinywa kwayo. Izihlelile futhi yaphuma, kayisemukeli olunye ulutho. Balemithetho yabo uqobo lezimiso, futhi lokho kuyayiqeda indaba.

<sup>75</sup> Manje, lapho uMoya oNgcwele usiza phakathi futhi wambule iQiniso laloba yiphi into futhi akufakaze ngobuKhona Bakhe uqobo langeLizwi Lakhe, awungeke ukhangelele abantu bePhentekhosti ukuthi bathi, “Ngizavumelana lakho.” Kumele ume wedwa njengokwenziwa nguLuther, njengokwenziwa nguWesley, lanjengalokho okwenziwa ngabo bonke. Kumele ume kulokho ngoba ihola lilapha. Futhi lokho yikho okungenza ngibe yindlube ewele epokweni. Yikho okungenza ngahluke.

<sup>76</sup> Futhi kangenelisi ukuba ngiqalise njengoMfowethu oligugu uOral Roberts, loTommy Osborne, uTommy Hicks, futhi labanye, ngoba amabandla kawasoze avumelane lami lami. Bathi, “Ukholwa ukulondeka okulaPhakade. UngumBaptisti. Akakholwa ekukhulumeni ngendimi njengobufakazi bokuqala bukaMoya oNgcwele. Sukani kulowomfo!” Bona?

<sup>77</sup> Kodwa buya ukhangelane lakho. Khangelana lakho. Bangakhangelana lamaLutheran, i—iMethodisti ingakwenza. AmaPhentekhostali angakhangelana lamaMethodist. Ngingakhangelana lamaPhentekhosti ngakho. Kuyikho kanye. Kuliqiniso. Ngani kunjalo? Sihamba ekuKhanyeni njengokuba EsekuKhanyeni. Bona? Sihamba sikhwela ngoMgwaqo omkhulu weNkosi, futhi lapho uqhubeka, umusa omnengi uyaphiwa, amandla amanengi ayaphiwa, okunengi okukamoya kuyaphiwa. Futhi nanko silapho. Leli lihola lapho uMoya oNgcwele obuye phansi esimweni sokuKhanya njengoba Wayeyikho khona ukuqaleni, iNsika yoMlilo, futhi waZibonakalisa, esenza izinto eqobo ezifana lalezo Azenzayo lapho Elapha emhlabeni. Futhi uJesu wathi, “Ukwazi njani ukuthi baqondile kumbe hatshi? Ngezithelo zabo lizakubabazi. Lowo okholwa Kimi imisebenzi engiyiyenzayo uzakuyenza laye. Lezi izibonakaliso zizakubalandela labo abakholwayo.”

<sup>78</sup> Manje, bazalwane bami bePhentekhosti. Ngikanye lani. Ngingomunye wenu. Ngilawo uMoya oNgcwele. Ngakhuluma ngendimi, kodwa kangiwutholanga phezu kokwamukela uMoya oNgcwele. Ngathola ubhaphathizo lukaMoya oNgcwele; ngakhuluma ngendimi, ngaprofetha, ngaba lezipho zolwazi, inhlakanipho, ukuchasisa, lakho konke kusenzakala. Kodwa ngingaphansi kwaloba yikuphi kwalezo zinto, ngoba khathesi ngingumntwana kaNkulunkulu. Amandla, uMlilo kaNkulunkulu uphakathi komphefumulo wami; lolo limi loMlilo olwahlala phezu—lungene ngaphakathi kwami futhi lwatshisa yonke into eyayiphambene loNkulunkulu, futhi manje ngikhokhelwa nguMoya Wakhe. Ubengathi, “Hamba lapha,” futhi ngingahamba. “Hamba lapha,” ngingahamba. “Khuluma lapha,” ngingakukhuluma. “Futhi yenza lokhu, lokho, lokunye.” Nanko-ke, njenge... Ukhokhelwa nguMoya. Lowo nguNkulunkulu phakathi kwakho, esebenza intando Yakhe. Loba kuyini, Usebenza intando Yakhe.

<sup>79</sup> Khathesi, lalelani. Makuthi ngibone ngibale lapha singakaqalisi imibuzo phezu kwelexikoni lapha. Manje, kusuka ekuTolikweni kweVatican, Volume 7, 190–1205:

“Kunzima ukutsho ukuthi kwakulilizwi labantu labo bekhuluma ngolimi lwabezizweni; kumbe umbiko kumbe ihungahunga lokwenzakala komoya ongaphezu kwemvelo olamandla uvunguza owapha ixuku amadlabuzane.”

Abazange bakuzwisise. Manje khangelani. Loba kwakungabantu. . .

<sup>80</sup> Ngizazekelisa nje. Nanti ixuku elingabayanga, lamaGalili abamanikiniki. Futhi nampa lapha phandle-le esitaladeni. Babengakaze babone into enjengakho: izandla zabo phezulu emoyeni, besehla kuleyo ndlu yaphezulu, besehla phansi kuzona izitebhusi, bephuma bengena lapho, begcwalisiwe nje; bengakakhulumi. Bona? Nampo besehla phansi lapho. Futhi manje, kasithini, babephandle lapho bedayizela lapho kulokhu. Futhi abantu bathi. . . UmGriki wagijima esiza kimi futhi, esithi, ngikhuluma isiGalili.

Uyagijimela kuye futhi uthi, “Futhi kuyini okwenzakala ngawe, Mfana?”

<sup>81</sup> “Ngigcwaliswe nguMoya oNgcwele. Amandla kaNkulunkulu ehlela phezulu lapho ekamelweni lelo. Enye into yenzakele kimi. O, dumo kuNkulunkulu!”

Futhi omunye ngangapha, wayekhuluma lomArabhi, futhi yena engumGalili esithi isiArabhi—ulimi lwesiArabhi.

<sup>82</sup> Manje, kabanelisi ukutsho, kwakungumoya ovunguzayo owadonsa abantu ndawonye lapho ixuku lisiza ndawonye, kumbe kwakuyikukhuluma ngolimi lwabezizweni lolo ababelukhuluma? Manje, iBhayibhili kalitsho khona kanye. . . Ulezinto ezimbili ongazikhangela. Kwakuyikho. . . O—ongaphandle wathi, “Kukanjani ukuthi sizwa wonke umuntu ngolimi lwethu uqobo esazalelwa kulo?” Kalitshongo ukuthi babelukhuluma, kodwa babeluzwa.

<sup>83</sup> Khona-ke iqembu linye, abantu banye, chasisa lokhu. UPhetro weqela phezu kwenye into futhi wathi, “Lina bantu baseGalili, lani lina elihlala eJerusalema, makuthi lokhu kwazeke kini (abantu bathi babengela limi lwaseGalili) makuthi lokhu kwaziwe kini futhi zwanini amazwi ami (yiluphi—yiluphi ulimi ayekhuluma ngalo, kubo bonke?); ngani, laba kabadakwanga njengokuba licabanga, libona ukuthi lihola lesithathu losuku, kodwa lokhu yilokho okwakhulunywa ngumprofethi uJoweli: ‘Futhi kuzakuthi ensukwini zokucina, utsho uNkulunkulu, Ngizakuthulula uMoya Wami phezu kwenyama yonke. Amadodana enu lamadodakazi enu azakuprofetha.’” Njalo njalo waqhubeka, futhi wathi, “Lina ngezandla ezimbi libethele iNdodana

kaNkulunkulu engelacala. UDavidida wakhuluma Ngaye... 'kangeke atshiya umphefumulo Wakhe esihogweni, noma Avumele ONgcwele Wakhe ukubona ukubola.'" Futhi wathi, "Makwaziwe kini ukuthi uNkulunkulu wenza luJesu munye elambethelayo konke iNkosi loKhristu." Futhi lapho besizwa lokhu... Amen! Ubani? Wonke umuntu ngaphansi kwamazulu. Kuyini okwakuthathi ndawo? Wayengatsho ukuthi, "Manje, ngizakhuluma ngesiGalili; ngizakhuluma ngalokhu; futhi ngizakhuluma ngalolu...?..."

<sup>84</sup> Lapho uPhetro esakhuluma lamazwi, bathi, "Madoda labazalwane, kuyini esingakwenza ukuthi sisindiswe?" Futhi uPhetro wabapha indlela yakho. Yiyo indlela okuhlala kusenzakala ngayo. Bona?

<sup>85</sup> Kuyenyuka, kucindezela kuNkulunkulu, uhambo oluseduzane. Ukwazi njani? Awu manje, lapho uLuther esamukela ukulingisiswa, wakubiza lokho uMoya oNgcwele. Wawuyiwo. UNkulunkulu wagxamuzwa okuncinyane kwakho phakathi. Khona-ke Wasesithini? UWesley wemukela ukuNgcweliswa, futhi wathi, "Mfana, nxa umemeza, usuLawo." Kodwa abanengi babo bamemeza ababengelawo. Lapho iPhentekosti ikhuluma ngendimi—indimi ezingaziwayo, bathi, "Mfana, uLawo." Kodwa abanengi babo babengeLawo.

Kakula zinto ezinjengalezo izibonakaliso zokubakwazi lokho. "Indlela kuphela owazi ngayo isihlahla," uJesu wathi, "kungezithelo esizithelayo," imisebenzi kaMoya, isithelo sikaMoya. Khona-ke lapho ubona umuntu ogcwaliswe ngamandla, ogcwaliswe ngoMoya oNgcwele, khona-ke uyabona impilo eguquliweyo. Uyabona lezi izibonakaliso zibalandela bona labo abakholwayo: "EBizweni Lami bazakuxotsha odeveli, bakhulume ngendimi ezintsha. Nxa inyoka ingabaluma, ingeke ibalimeze. Nxa babengaba lento ebulalayo, beyinatha, yayingeke ibabulale. Bazakubeka izandla phezu kwabagulayo, futhi bazakusila." Minabo! Loluhlobo lwezibonakaliso luyabalandela abakholwayo. Kodwa ungena njani phakathi kwakho? Zona izipho ziseMzimbeni. Ungena njani eMzimbeni? Hatshi ngokukhuluma indlela yakho phakathi; kodwa ngokubhaphathizwa eMzimbeni munye (AbaseKorinte bokuQala 12:13). Moya Munye sibhaphathizwe sonke kulowoMzimba futhi singaphansi kwezipho zonke. INkosi ilibusise.

<sup>86</sup> Manje, nxa omunye engezwa ithephu leyi kumbe omunye lapha ongasoze avume, khumbulani, kwenze ngobungane, mfowethu, ngoba ngiyalithanda.

**93. Umbuzo wokuqala lobubusuku: Mfowethu Branham, ngicabanga ukuthi ithelevishini iyisiqalekiso emhlabeni. Ucabangani ngayo?**

<sup>87</sup> Awu, loba ngubani okubhalileyo, ngizavumelana lawe. Bayenze yaba yisiqalekiso emhlabeni. Ibingaba yisibusiso emhlabeni, kodwa bayenze isiqalekiso. Into enjengaleyo, bantu bami abathandekayo, yilokho okubukelayo ngokwakho. Nxa ithelevishini iyisiqalekiso, khona-ke iphephandaba liyisiqalekiso, khona-ke umsakazo uyisiqalekiso, futhi isikhathi esinengi ifoni iyiso. Bona, bona, bona, bona? Yilokho okwenzayo ngayo. Kodwa kuyikuba umfowethu watsho ngobunye ubusuku, ukuthi akusela lakancane inhlelo kuthelevishini ngitsho; leyo yimali enengi kakhulu. Abatshumayeli abangabayanga abatshumayela iVangeli eliGeweleyo bangeke benelise ukuba lohlelo kuthelevishini. Ngakho-ke. . . UMfowethu wathi obunye ubusuku, ngiyakholwa, kwenye indawo, wathi, “Thintitha irediyo yakho,” kumbe omunye umuntu, kumbe, “Ikhuphe ekhoneneni futhi ulalele kuzo izinhlelo.” Kunjalo.

<sup>88</sup> Kodwa, muntu othandekayo, loba ungubani, ngempela ngiyavumelana lawe. Isibe ngenye yezinto eziqalekisiweyo kakhulu kusendo lwabantu. Phakathi lapho bayathatha yonke leyo mali okumele iye kuhulumende okwemithelo, futhi bayikhuphe ekukhangiseni kwazo zonke izinhlelo zegwayi lenhlelo zotshwala lezinto ezinjengalezo, futhi bayikhuphe emithelweni kahulumende; futhi-ke bayabuya lapho futhi bathathe abatshumayeli futhi babadonsele phakathi komthethwandaba ukuthola imali encinyane kubo. Ngiyavumelana lawe, yinto embi kakhulu. Manje, lokho akusikho. . .Liyazi, ngenye into nje oyitholayo. Ngiyabonga, dadewethu, mfowethu, loba ungubani obuze lokho.

**94. Manje, nanku omuhle lapha. Umbuzo: Kulezindawo eBhayibhilini ezinjengoSamuweli wokuQala 18:10, ezithi umoya omubi ovela kuNkulunkulu wenza izinto. Kangizwisisi “umoya omubi ovela kuNkulunkulu.” Ngiyacela uchasise lokhu.**

<sup>89</sup> Awu, mhlawumbe ngosizo lweNkosi, ngingenelisa. Akutsho ukuthi uNkulunkulu unguMoya omubi. Kodwa wonke umoya wento yonke ungaphansi kukaNkulunkulu. Futhi Wenza into yonke isebenze mayelana lalokho Akuthandayo. Bona?

<sup>90</sup> Manje, embuzweni wakho, ukhuluma ngomoya omubi owaphuma uvela kuNkulunkulu ukuyahlukuluza uSawuli. Wayenyukubele, isimo esephukileyo—isimo, ngoba, okwakuqala, wayehlelele emuva. Futhi lapho uhlehlele emuva, umoya omubi—uNkulunkulu uzavumela umoya omubi ukuba ukuhlukuluze.

<sup>91</sup> Ngizathanda ukulibalela enye into nge—ngesikhathshana. Ngilomunye umcabango ngakho lapha. Bona? Wonke umoya kufanele ube ngaphansi kukaNkulunkulu. Liyakhumbula lapho uJehoshafathi loAhabi bephuma besiya empini? Futhi into yakuqala uyazi, kwakule—babehlezi emasangweni. Futhi

uJehoshafathi wayeyindoda elungileyo, futhi wathi (amakhosi amabili ayehlezi lapho, futhi bahlanganisa amabutho abo ndawonye) ngakho wathi, “Kasibuzeni iNkosi mayelana ngokuthi siphume kumbe hatshi.”

<sup>92</sup> Futhi uAhabi wahamba futhi wathatha abaprofethi abangamakhulu amane ayelabo, bonke, wayehlala ebapha ukudla futhi bezimuka layonke into; babesesimweni esihle. Futhi benyukela lapho, futhi bonke baprofetha ngangqondo nye, bathi, “Khuphukani, futhi uNkulunkulu uzalipha ukunqoba. Khuphukelani eRamothi-giliyadi futhi khonale uNkulunkulu uzalithathela leyonto.” Omunye wabo wazenzela ipheya yempondo futhi waqalisa ukugijima nxazonke njengomzekeliso, wathi, “Ngalezi impondo zensimbi, lizakubafuqa libakhuphele phandle kwelizwe; lingelenu.”

<sup>93</sup> Kodwa liyazi, kulenye into mayelana ngomuntu kaNkulunkulu ongemukeliyo konke lokho. Bona? Nxa kungahambelani loMbhalo, kulento ephambukileyo. Lonke ikholwa leqiniso...Ngakho uJehoshafathi wathi, “Awu, bona abangamakhulu amane bakhangeleka bonke belungile. Bakhangeleka njengabantu abahle.”

“O, banjalo,” mhlawumbe uAhabi watsho.

Kodwa uJehoshafathi wathi, “Kawusela omunye oyedwa?” Ngani omunye oyedwa lapho ulabangamakhulu amane abangqondo nye? Ngoba wakwazi ukuthi kwakulento engazwakali kahle nje. Bona?

Wathi, “Yebo, silaye omunye oyedwa, indodana kaImla, phezulu lapha,” wathi, “kodwa ngiyamzonda.” Sibili. Ungavala ibandla lakhe loba yisiphi isikhathi ongenelisa ngaso. Ungamxotshela phandle kwelizwe. Bona? Sibili. “Ngiyamzonda.”

“Kungani umzonda?”

“Uhlezi eprofetha okubi ngami.” Ngiyakholwa uJehoshafathi wazi khona lapho ukuba kwaku—lenye into engalunganga.

Ngakho wathi, “Hambani futhi lithathe uMikhaya.”

Ngakho basebesiya mthatha, futhi nango lapha esiza esehla...Ngakho lapho behamba, bathumela isithunywa futhi bathi, “Manje, mana umzuzu. Manje, balaboDokotela bezobuNkulunkulu abangamakhulu amane phansi ngale. Babesedlula bonke abakhona elizweni, abalamaPh, LLD, layo yonke into.” Bathi, “Manje, uyazi, wena muntu ongumyanga omncinyane ongafundanga, kawuyi kuphambana labo bonke labo bafundisi.”

<sup>94</sup> UImla wathi lokhu, kumbe ngitsho, uMikhaya watsho lokhu: “Kangiyi kutsho lutho kuze kuthi uNkulunkulu alubeke emlonyeni wami, futhi-ke ngizakutsho khona kanye

lokho Akutshoyo.” Ngiyakuthanda lokho. Ngiyakuthanda lokho. Ngamanye amazwi, “Ngizahlala leLizwi.” Kungelani lalokho abanye bonke abakhulumileyo. Wathi, “Awu,” wathi, “Ngiyakutshela. Nxa ungafuni ukuphoselwa phandle, kungcono utsho into efanayo.”

Ngakho wehla phansi khonale. Futhi wathi, “Ngingakhuphuka na?”

Wathi, “Qhubekani.” Wathi, “Ngiphani lobubusuku. Yekani ngikukhulume leNkosi.” Ngiyakuthanda lokho. Ngakho lobobusuku iNkosi yabonakala kuye, futhi usuku olulandelayo wenyuka. Futhi wathi, lapho ekhuphuka, wathi, “Qhubekani; kodwa ngibone uIsrayeli enjengezimvu ezingela melusi, zihlakazekile emaqaqeni.” O, minabo! Lokho kwamkhupha umoya.

Futhi yena wathi, “Angilitshelanaga na? Bengikwazi. Yiyo kanye indlela enza ngayo sonke isikhathi, ekhuluma into embi ngami.”

<sup>95</sup> Ngani? Wayehlala leLizwi. Ngani? Umprofethi phambi kwakhe, iLizwi likaNkulunkulu libuya livela kuElija, umprofethi weqiniso, wathi, “Ngoba wachitha igazi likaNabothi ongela cala, izinja zizakhotha igazi lakho lawe.” Futhi wantshela okubi. UElisha wayese hambile eZulwini. Kodwa wayekwazi ukuthi uElisha wayeleLizwi likaNkulunkulu, ngakho wahlala leLizwi. Ngiyakuthanda lokho. Hlala leLizwi.

<sup>96</sup> Nxa iBhayibhili lathi uJesu Khristu ofanayo izolo, lamuhla, lanininini; Amanda Akhe angafanayo ngokunjalo; uMoya oNgewele ungoka loba ngubani othandayo, maka buye, hlala leLizwi. Yebo, mnumzana! Kungelani lokuthi bonke babo bathini. Baphiwa ukudla kuhle kanganani futhi zingaki izikolo abadlule kuzo, lokho akulani lakho.

Ngakho-ke wathi...Lumfo omkhulu kanye lempondo ekhanda lakhe, bazakulifuqa—ilizwe phandle kusiya kude kwenkosi, wakhuphuka futhi wamwakala emlonjeni (lumtshumayeli omncinyane). Wayekwazi ukuthi wayengumgiqiki ongewele omncinyane nje ngakho kwakungela lutho olwalungatshiwo ngakho, ngakho waphongukumwakala nje emlonjeni. Wathi, “Ngifuna ukukubuza enye into.” Wathi, “Yiphi indlela uMoya kaNkulunkulu ohambe ngayo lapho uphuma kimi nxa wena uLawo?”

<sup>97</sup> Wathi, “Uzakuzwisisa lapho uhlezi ekhejini laphaya njengesithunjwa.” Wathi, “Ngabona uNkulunkulu ehlezi esihlalweni (Ameni! Manje lalelani!), futhi ibandla laseZulwini laliMbuthanele.” Lwaluyini uhlupho? Umprofethi Wakhe wayesevele watsho lokho okwakuzakwenzakala kuAhabi. UNkulunkulu...Lowo kwakungasuye uElija owatsho lokho; lowo kwakungumprofethi ogcotshiweyo. Lelo kwakuliLizwi leNkosi, ITSHO KANJE INKOSI. Futhi uMikhaya wathi,

“Ngibone lonke ibandla laseZulwini libuthanele uNkulunkulu emhlanganweni omkhulu. Futhi babekhuluma omunye komunye. Futhi iNkosi yathi, ‘Ngubani Esingamthola ukuthi ehle phansi ngubani phakathi kwenu ongenelisa ukuya phansi futhi akhohlise uAhabi, ukumusa phandle lapho ukugcwalisa iLizwi likaNkulunkulu, ukumenza ahlatshwe? Ngubani Esingamthola ukuthi ehle phansi?’”

<sup>98</sup> Awu, omunye wayesithi *lowu* kumbe *loyana*. Futhi emva kwesikhatshana, umoya omubi, umoya wamanga wakhuphuka uvela phansi futhi wathi, “Nxa nje Ungangivumela. Ngingumoya wamanga. Ngizakwehla phansi futhi ngingene phakathi kwabo bonke abatshumayeli, ngoba kabala Moya oNgcwele; futhi ngizabenza (bangabafana abafundiswe esikolweni)—futhi ngizakwehla phansi, futhi ngingene phakathi kwabo bonke, futhi ngibakhohlise, futhi ngibenze baprofithe amanga.” Wakutsho yini? Futhi wathi, “Yiyo indlela esizakhohlisa ngayo.” Ngakho wehla phansi.

Wathi—UNkulunkulu wathi, “Ulemvumo Yami yokuhamba.”

<sup>99</sup> Futhi wehla phansi futhi wangena kulabo baprofethi bamanga, inkonzo ezifundiswe esikolo, futhi wabenza baprofetha amanga. Kwakungumoya wamanga usebenza entandweni kaNkulunkulu. Makuthi ngi... Enye into nje elingayibona lapha, okomzuzu nje. Khangela lokhu. Ngifuna livule lami kwabaseKorinte bokuQala isahluko 5, indima 1, okomzuzu nje. AbaseKorinte bokuQala... <sup>121</sup> Futhi-ke, enye into. Izikhathi ezinengi abantu bazakuphakama futhi bakhulume ngendimi, futhi abantu bahlale behlafuna itshingamu, bethalaza. Nxa uNkulunkulu ekhuluma, thula, lalala! Nxa lelo kuliQiniso, nxa lowo kunguMoya oNgcwele okhulumayo kulowo muntu, hlala uthule futhi ulalele, uhloniphe. Ukuchasisa kungeza kuwe. Bona? Hlala uthule; lalala ukuchasiswa. Kodwa nxa kuqalisa *ukukhala kokuvusa*, lokho kutsho ukuthi “phakama!” Nxa kuvuthela *kancane*, lokho kutsho ukuthi “tshona phansi.” Bona? Nxa luvuthela ukuthi *hlasela* lokho kutsho ukuthi “hlasela.” Kumele kuphe umutsho futhi kungasikukhuluma kuphela nje. Ngakho ebandleni, nxa kungela mchasisi, kodwa kuyikuthi kulomchasisi, khona-ke indimi zingezasebandleni.

<sup>123</sup> Manje, embuzweni wakho, mngane othandekayo, othi, “Kungabangcono ngikhulume inkulungwane ezinhlanu... amazwi amahlanu phakathi, futhi-ke abantu bengangizwisisa kulezinkulungwane ezinhlanu (kumbe lobayini okunengi okukutshoyo) ngolimi olungaziwayo.” Kuliqiniso lokho. Kodwa bala usehla phansi: “. . . ngaphandle kungesambulo kumbe ngokuchasisa ukwakha.” Bona? Ukwakha.

<sup>124</sup> Manje, ngizalipha umbono omncane aluba—aluba... Aluba ngangingelusa leli bandla elizayo, uba uNkulunkulu ebengangibiza ukulelusa, nansi indlela engingaliphatha ngayo: Ngingazama ukuthola wonke umuntu phakathi lapho olesipho. Futhi ngangingenza lababantu bahlangane phose ihola inkonzo ingakaqalisi, ekamelweni bebodwa. Akuthi bahlale ngaphansi koMoya. Futhi into yokuqala uyazi, oyedwa uyehla phansi, ulesipho sokukhuluma ngendimi. Futhi uyakhuluma ngendimi. Umuntu wonke uyahlala athule. Futhi-ke omunye uyaphakama futhi achasisise lokho akukhulumayo. Manje, lokho kungakaphiwa ebandleni, iBhayibhili lithi kufanele kwahlulelelwe phakathi kwabafakazi ababili kumbe abathathu. Manje, lowo ngumuntu olokudalula kukamoya (bona?), ngoba izikhathi ezinengi amandla amabi ayangena phakathi lapho. (Bona?) UPhawuli wakhuluma ngakho. Kodwa-ke, amandla kaNkulunkulu aphakathi lapho lawo. Ngitsheleni ibandla lapho ububi obungahlali khona. Ngitshela lapho amadodana kaNkulunkulu abuthana ndawonye lapho uSathane angekho phakathi kwabo. Kuyinto yonke. Ngakho unga hwaqeli lokho. Bona? USathane undawo yonke. Manje, nanku silapha. Omunye ukhuluma ngendimi. Manje, kulabathathu abahlezi lapho abaloMoya wokudalula. Futhi omunye ukhuluma ngendimi futhi aphe umbiko. Manje, akungeke kube yikuchaphuna uMbhala, ngoba uNkulunkulu akasebenzisi ukuphinda phinda okuyize, futhi wasitshela ukuba singakwenzi lokho. Bona? <sup>126</sup> Bona i-inter—khona-ke uMoya oNgcwele wehlela esakhiweni izolo ebusuku. Bona? Lokho ngokokwakha. Ngangimile lapho ngizama ukutshela abantu ukuthi kufanele bemukele uMoya oNgcwele. Futhi udeveli wayeseze ebantwini, esithi, “Ungalaleli; hlala uthule.”

Udadewethu wathi, “Bill, bengijabula sibili lapho utshumayela; ngezwa sengathi ngingaphakama futhi ngeqe emdulwini.”

Ngathi, “Phakama futhi weqe.” Yikho kuphela.

Futhi wathi, “Kodwa lapho ususenza lokho,” futhi wathi, “abantu baqala ukumemeza,” wathi, “khona-ke ngezwa njengokuthi ngangiyinto endala engasilutho.”

Akula ukuba bahlulelwe. Alibaboni besima phambi kukaIsaya, kumbe uJeremiya, loba uphi wabaprofethi, ngoba babeloe ITSHO KANJE INKOSI! Kodwa uMoya wesiprofethi phakathi kwabantu; kumele likukhangele lokho, ngoba uSathane uyanyenyela phakathi lapho. Bona? Manje. Kodwa kumele kwahlulelwe.

<sup>130</sup> Manje, siza—sizakuba lemvuselelo. Manje, khangelisisa lokhu khathezi, lina batshumayeli. Silungiselela imvuselelo. Kulungile. Kumbe mhlawumbe siba lenkonzo yebandla yansukuzonke. Ibandla lisemlilweni. Kufanele libe njalo

sonke isikhathi. Awu, mhlawumbe silabantu abahlanu kumbe abayisithupha abangabantu abalezipho; omunye ukhuluma ngendimi, ababili kumbe abathathu mhlawumbe bakhuluma ngendimi, abane kumbe abahlanu ngendimi, balesipho sendimi, bekhuluma ngendimi ezingaziwayo. Ababili kumbe abathathu babo bangachasisa. Mhlawumbe kuloyedwa—ababili, kumbe abathathu babo abalezipho zenhlakanipho. Kulungile. Bonke bayahlangana, labobantu abalezipho. . . Lina. . . Thatha izinto zakhe futhi lisuke!”

<sup>132</sup> Manje, lokho—lokho kuzwakala kukuhle. Kodwa mana okomzuzu. Kumele kube lamadoda amathathu lapho aloMoya wokudalula. Omunye wabo uthi, “BekungokweNkosi.” Omunye athi, “BekungokweNkosi.” Lokho ngababili bemelana labathathu—ababili kumbe abathathu abafakazi. Kulungile. Bayakubhala lokho phansi esiqetshaneni sephepha. Yikho lokho uMoya akutshiloyo. Kulungile. Bayabuyela ekukhulekeni, bebonga iNkosi.

<sup>133</sup> Emva kwesikhatshana, “ITSHO KANJE INKOSI (umprofethi aphakame) ITSHO KANJE INKOSI, lobubusuku, kuvela eNew York City kuzakuba kungowesifazana; ephezu kohlaka; uzangena esakhiweni ephezu kohlaka. Ulesikhava esiluhlaza ekhanda lakhe. Uyafa ngemvukuzane. Kuyini okwambangela ukuba ngalindlela, iNkosi imelana laye—ngesinye isikhathi wantshontsha imali eBandleni Lakhe lapho esaseleminyaka elitshumi lesithupha ubudala. Tshela uMfowethu uBranham ukuba amtshela lezi izinto. ITSHO KANJE INKOSI, nxa engalungisisa lokho, uzakusiliswa.” Mana okomzuzu. Lokho kuzwakala kukuhle sibili, kodwa mana okomzuzu. Uzabeka ibizo lakho ephepheni leli, mdaluli? Uzalibeka ibizo lakho na?

Yonke leyi mbiko iphiwa. Kulungile.

Futhi siza lapha sikhuluma, yonke into ngokuthula, ngokuhlonipha, uMoya uhamba. Otshaya ipiyano uyabuya kupiyano phose imzuzu emihlanu inkonzo yezingoma iqala, eqala kahle kamnandi:

Esiphambanweni lapho uMsindisi wami wafa,  
Phansi lapho ekuhlanzweni esonweni  
ngakhala;

Kumbe enye ingoma enhle emnandi, ngokuthuleyo sibili. Kuyaletha uBukho buka Moya oNgcwele emhlanganweni. Bona? Kulungile.

<sup>136</sup> Abantu bahlezi lapho. Abanye babo baqotho—baqala ukukhala futhi babuye phezulu elathini, baphenduke inkonzo ingakaqalisi. UMoya oNgcwele ulapho. Bona? Ibandla lisekuhelelweni. AmaKhristu ayakhuleka; bathole izikhundla zabo. Kabahlalanga lapho behlafuna itshingamu, besithi, “Yeyi, Liddie, ngipha okunye kwakho kokupenda indebe; Ngifuna . . . Uyazi. Uyazi. Ngifuna . . . Uyazi, ngolunye usuku lapho ngiphansi lapho ngishopa, ngiyalitshela, ngaphosa nganyathela phezu kwamazwane akho. Ngake ngakubona okunjalo . . . Kuyini okucabangayo ngalokho?” O, isihawu! Futhi ukubize ngokuthi indlu kaNkulunkulu. Ngani, kuyisinengiso. UMzimba kaKhristu usiza ndawonye. Lapho sahlala.

Indoda ihlezi lapho, “Ithi, uyazi lapho sisiya ngale, lowu *usi-bani-bani lo sibani-bani lo sibani-bani . . .*” Lokho kulungile phandle, kodwa phakathi lapha yindlu kaNkulunkulu.

<sup>137</sup> Ngenani likhuleka; thathani izikhundla zenu. Ngiyakhuluma khathesi, hatshi emabandleni enu, bazalwane. Kangikwazi lokho elikwenzayo; ngikhuluma kulelithabhanekeli. Ngikhuluma kowami umnyango wangemuva. Bona? Kunjalo.

138 Manje, lapho usiza phakathi njengalokho, khona-ke into yokuqala liyazi, umalusi uyaphuma. Ugcotshiwe. Akufanelanga abe ephendula *lokhu*, *lokho*, futhi *lokunye*. Uphuma khona phandle kwa—kwamazolo enkonzo yakhe. Ubengaphansi kwamandla kaMoya oNgwele. Uyangena khona phakathi lapho inlimi zomlilo ezinengi zibuthene ndawonye. Sekuphose kwaba yinsika manje (bona?), uyahamba ngalapho. Uyaphuma phandle lapha, adobhe lokhu. “Umbiko ovela ebandleni: ‘ITSHO KANJE INKOSI, UMfowethu Jones ukusuka endlini yakhe. Kusasa emini ngehola lesibili nta isiphepho esikhulu sizatshaya indawo yakhe. Thathani izinto zakhe futhi lisuke.’” UMfowethu Jones uyakuthola lokho. Kulungile. Lokho kulotshiwe. “ITSHO KANJE INKOSI, kuzakuba lomfazi obizo lokuthi *Si-bani-bani* uzabuya phakathi lapha lobubusuku, futhi kwaku—wenza *okunje-lo-kunje*.” (Njengokuba ngitshilo, bona, kunjalo.) Kulungile, lokho sekubekiwe. Yikho. Sebevele bathola isikhundla sabo khathesi ebandleni. Kulungile.

139 Khona-ke abesethatha umbiko. Futhi into yokuqala uyazi, uyaqala ukutshumayela. Akulalutho oluphazamisayo; sekuvele kwathathi ndawo. Manje, sesisiya phambili, siyatshumayela umbiko.

140 Futhi emva kwesikhatshana lapho i . . . Into yokuqala liyazi lapho umbiko usuphelile, umzila wokukhulekelwa uyaqala. Nanko kusiza owesifazana. Omunye umuntu wakhuluma ngendimi futhi wathi wayesiza. Bona? Sonke ngamunye wethu siyazi lokho okuzakwenzakala. Sonke ngamunye wethu siyakwazi. Bona ukuthi ukholo luqala ukwakheka kanjani kanye lazo inlimi zomlilo zimile phezu kwenu manje. Useqalile ukubuthetheleka ndawonye. Ngani, kungumsebenzi oqediweyo; yikho kuphela.

Owesifazana lowo . . . ngizakuthi, “Nkz. *Si-bani-bani*, ovela eNew York City, ohlezi lapha . . .” Bona?

“O, kunjalo. Ukwaze njani lokho?”

“Ngumbiko ovela eNkosini kubandla. Lapho useleminyaka elitshumi lesithupha ubudala, wawungekho na endaweni *ethile-thile* futhi wenza—wathatha imali ebandleni, futhi wayintshontsha, futhi waphuma, futhi wathenga impahla ezintsha ngayo?”

“O, kunjalo. Lokho kunjalo.”

“Yikho kanye lokho uNkulunkulu asitshele khona lobubusuku ngoMfowethu *Si-bani-bani*, wakhuluma ngendimi; Mfowethu *Si-bani-bani* wachasisa; Mfowethu *Si-bani-bani* lapha wathi, okokudalula, wathi kuvela eNkosini. Futhi lelo liqiniso.”

“Yebo!”

“Khona-ke, ITSHO KANJE INKOSI, hamba uyekulungisisa, futhi uzakuphepha kumvukuzane yakho.”

<sup>141</sup> UMfowethu Jones uyahamba ngekhaya, athathe inqola, abuyele muva, athathe imphahla zakhe, futhi asuke lapho. Ngelesibili nta kusasa emini: Heyi madoda! into yonke yehlukana. Bona? Khona-ke ibandla liyadumisa... "Siyakubonga, Nkosi Jesu, ngobuhle Bakho." Manje, yikho lokho okuyikho, ukwakha, okwebandla.

<sup>142</sup> Manje, aluba kungenzakali emva sebekukhulumile? Khona-ke lilomoya omubi phakathi kwenu. Kalifuni leyonto embi. Kungani lifuna into embi lapho i—izibhakabhaka zigcwele ngesiPhentekhosti esiqotho? Lingathathi isibambiso esidala esivela kudeveli. Thathani into eqotho. UNkulunkulu ulakho ukubekele lina. Khona-ke lingabe lisaba lemihlango njalo, futhi libeke ulutho phezulu lapha, kuze kuthi uNkulunkulu esevele waqinisa ukuthi liqondile, ngoba ungumcedisi ebandleni ekusebenzeni kweVangeli. Manje, liyakuzwisisa ukuthi kuyini?

<sup>143</sup> Futhi indimi, indimi ezingaziwayo... Akula muntu u—owazi lokho akhuluma ngakho. Uyakhuluma; kodwa umsindo wonke ulomutsho. Lokho kulomutsho. [UMfowethu uBranham uqakeza izandla zakhe—Mhl.] "Gluck, gluck, gluck!" Lokho kulo—lokho yi—lolo lulimi kwenye indawo.

<sup>144</sup> Lapho ngiseAfrica, angizange ngikukholwe, kodwa yonke into eyenza umsindo yayilohlobo lomutsho kiyo. IBhayibhili lathi akula msindo kungela okukutshoyo, ongelamutsho. Umsindo wonke owenziwayo ulomutsho othile kwenye into. Ngani, Ngangisizwa abantu besithi...ngangisithi, "UJesu Khristu, iNdodana kaNkulunkulu."

Futhi lokho kwakungu, "UJesu Khristu, iNdodana kaNkulunkulu." Bona? Kwakule...Futhi kungatsho lutho kimi, kodwa kibo kwakululimi nje ngokufanayo ngikhuluma kini. Lapho umtoliki wesiZulu, isiXhosa, aBasuto, futhi lokunengi, kusiza lapho, konke lokho okwakhulunywayo, wonke umuntu wayesizwa. Futhi lezi izinto elizizwayo abantu laba nje bezingunguna, futhi ucabanga ngokukhuluma okungaqondakaliyo okunengi, akusikho; kulemitsho. Ngakho kufanele sikuhloniphe, sikubeke endaweni yakho.

<sup>146</sup> Manje, mhlawumbe bekungela mbiko. Manje, inkonzo isiphelile; ukubizwa kwelathi sekusenziwa. Futhi emva kwalapho omunye umuntu (bekungela mbiko emuva lapho) omunye umuntu uyaphakama masinya lapho bethola ithuba lokukwenza. UMoya oNgcwele...Manje, iBhayibhili lathi, "Nxa kungela mchasisi, makazithulele." Akulandaba ukuthi kuzama kangamani ukukukhuluma, zithulele.

<sup>147</sup> Uthi, "Angeke ngikwenze." IBhayibhili lathi ungakwenza. Bona? Ngakho lokho—lokho kuyayiqeda indaba. Bona? Makazithulele.

148 Khona-ke, lapho khona, ithuba libuya lapho yonke into isehlelweni, khona-ke uba uMoya oNgcwele useqela kuye ukupha umbiko, khona-ke unikeze. Yikho kanye okufanele ukwenze. Khona-ke incazelo ibisisiza, yathi, “Kulowesifazana phakathi lapha ngebizo lokuthi Sally Jones (Ngithemba lowomfazi akakho phakathi lapha owebizo lelo, kodwa . . .) Sally Jones. (Bona?) Mtshele ukuthi lobu yibusuku bokucina bokubizwa kwakhe. Kulungisise loNkulunkulu ngoba ulesikhahi esifitshane ezakuba elapha.” Manje, uSally Jones uzagijimela elathini nje ngokuphangisa angakwenza ukufika lapho (bona?), ngoba lokho yikubizwa kwakhe kokucina. Bona? Lokho yikupha umbiko, kumbe isiqiniso, kumbe enye into.

149 Lelo libandla lePhentekhosti lisebenza. Akula kwenzeka ukuba imimoya emibi ingene phakathi, ngoba sokuvele . . . IBhayibhili iyapha khona kanye, “Makube ngokudedelana, futhi lokho ngabathathu; futhi ababili kumbe abanye bahlulele.” Lelo libandla. Kodwa lapho esikulethe khona lamuhla? Ukweqa phezulu, ukuqhubeka nje, ukuhleka lokuqhubeka lapho omunye ekhuluma ngendimi; omunye ekhangele, ekhuluma ngenye into; futhi lokugcwala ndawo yonke; umalusi esenza enye into; kumbe omunye umuntu egwala ndawo yonke. Awu, lokho akulunganga. Mhlawumbe umalusi etshumayela, futhi omunye umuntu uyasukuma emphazamise phakathi e . . . Mhlawumbe ebala iBhayibhili futhi omunye umuntu . . . Ebala iBhayibhili, futhi omunye ngemuva-le ekhuluma ngendimi. O, hatshi! Bona? Umtshumayeli phezulu etshumayela kuphuluphithi, omunye aphakame futhi amphazamise, ekhuluma ngendimi. Kulungile. Angitsho ukuthi akusiMoya oNgcwele, kodwa ufanele ubekwazi ukuthi usebenzise njani uMoya oNgcwele (bona?), ukuWusebenzisa.

Manje, ngi—ngithatha . . . Ngabe lile ndawo yomunye owodwa? Khona-ke, kusasa yiSonto. Khona-ke, sizaku . . . Nje kasi . . . Nanku owodwa. Ngicabanga ukuthi muhle sibili. Futhi khathesi, nxa lonke nje lingabekezela kanye lami okwemzuzu emilutshwane emide, ngiyacela. Futhi-ke, ngiza . . . Ngifuna lina—Ngifuna lina ukuthi likuthole lokhu. Ngagcina lokhu ngenjongo. Lowu ngowami owokucina.

Manje, kuqala, ngizabala izinto ezimbili lezo umuntu azibuzileyo. Kuyisiquetshana sephepha esidala, esilotshwe ngesandla esihle. Kangila lwazi lokuthi ngubani, akula bizo elisayiniweyo—kuloba yiphi yawo.

Lelo yilo kanye iqiniso, leBhayibhili leli liphambi kwami. Ngathi, “Yikuhlambaza kuNkulunkulu lakubalandeli Bakhe.” Nxa uNkulunkulu ekuthuma, Uzakunakekela. Nxa Engakuthumanga, khona-ke makuthi inhlanganiso yesonto ikunakekele-ke. Kodwa—kodwa wena... Uba uNkulunkulu ekuthuma, Uzakunakekela.
