Qaphelani, bese-ke uyaphenduka futhi ubhaphathizwe eGameni likaJesu Kristu, ukuthi Wakuthethelela ezonweni zakho. Qaphela.

<sup>91</sup> Bese-ke, okwesibili, kufika ukungcweliswa, okubeka ingqondo yethu ohlelweni lobungwele, ukuba ucabange ngokuyikho. Kususwe...*ukungcweliswa* kuyigama eliyinhlanganisela lesiGreci, elichaza ukuthi “okuhlanziwe, kwase kubekwa eceleni kwenzelwa inkonzo.”

<sup>92</sup> Bese-ke, okulandelayo, kufika umbhaphathizo woMlilo noMoya oNgewe, ukuze uNkulunkulu ahlale kithi. NoMlilo kaNkulunkulu uhlanze izinhliziyu zethu esonweni, futhi ufake uMoya oNgewe ngaphakathi. Bese-ke siveza ukuPhila okufanayo nokwenziwa yiLokhu, ngoba Lokho kuphakathi kithi.

<sup>93</sup> Qaphelani, ekuzalweni ngokwemvelo, uma owesifazane ezala ingane. Ukuphila kwemvelo kufanekisa ukuphila komoya. Uma owesifazane ezala ingane, okwemvelo, into yokuqala eyenzekayo kuba ngukuqhuma kwamanzi, bese kuba yigazi, bese-ke kuba ngumoya (ukuphila). Bamdumele umfo omncane bese bemthwansula [UMfowethu Branham ushaya ihlombe kanye—Umhl.], futhi nanguya ehamba, ekhala kakhulu. Amanzi, igazi, umoya.

<sup>94</sup> Futhi manje uma ingane izalwa eMbusweni kaNkulunkulu, ifika ngendlela efanayo: amanzi, iGazi, uMoya.

<sup>95</sup> Manje qaphelani, ukungcweliswa, isigaba sesithathu... isigaba sesibili sakho, sihlanza ingqondo; sihlele inhliziyu, ingqondo yenhliziyu, ohlelweni lobungwele.

<sup>96</sup> Owesilisa angaphenduka ezonweni futhi usalokhu ecabanga nge...Awu, mhlawumbe u—ungowesilisa owonakeleyo, bonke abesifazane ababonakala bonakele abatholayo, kusekhona lapho. Mhlawumbe uyisidakwa; njalo nje uhogela utshwala, busekhona lapho. Niyabo?

<sup>97</sup> Kodwa ngaleyonkathi uma esethola ukungcweliswa, lokho kuhlanza lesosifiso siphume kuye. Niyabo? Kususa ukukufuna. Angalokhu esalingwa, kodwa Ususa ukukufuna. Noma kunjalo, akakalungi nokho.

<sup>105</sup> Niyabona ukuthi uSathane, lapha emBhalweni, wazama kanjani ukuMenza ephule icebo likaNkulunkulu ukulemukela,

uMnika lona lapho Emyisa entabeni, futhi wazama ukuMnika lona lona ngaphandle kokuthi lithengwe ngeGazi?

<sup>106</sup> Niqaphelile ukuthi kwaba kanjani uAbrahamama, ngenkathi bezama ukumnika izwe, walithenga ngamashekeli angaka esiliva, phambi kwabantu, njengesiboniso, njengobufakazi? “Makwazeke namuhla ukuthi ngiyithengile lendawo yokumbela.” Niyabo, ukuyithenga! NoSathane wazama uku—ukuMnika umbuso osengowakhe okwamanje. Wazama ukuMnika wona njengesipho, kodwa Akawemukelanga. Bese-ke manje ufanele uthole umbhaphathizo woMlilo.

<sup>107</sup> Niyabo, lifanele manje...Kwenzekani na? UKristu wafika futhi wabizela iBandla ekuphendukeni, umbhaphathizo eGameni likaJesu Kristu, kukho ukuthethelelwa; ungcwelisa iBandla; nangoMlilo kaNkulunkulu wehla wase eshisa konke ukungcola, bese efika ahlale enhliziyweni yomuntu.

USathane wazama ukuthi, “NgizoKunika lona.”

<sup>109</sup> Wathi, “Qhabo, mnumzane, Ngizolithenga.” Makube ubufakazi. Waphakanyiselwa phezulu, kube yisiboniso, ukuthi Walithola ngokuthi alithenge. Walithenga.

<sup>110</sup> Kodwa manje ufanele wedlele embhaphathizweni woMlilo, uMlilo ongcwele ovela kuNkulunkulu, ohlanza umhlaba namazulu awuzungezile. Bese-ke, uthengelwa ukuthi abahlengiweyo bakwazi ukuhlala kuwo, bahlale kuwo ngokuthula. Qaphelani, umbhaphathizo woMlilo ungowokuwuhlanza esonweni, ekuguleni, emagciwaneni ezifo, ezonini, kudeveli nawo onke amaqembu akhe. Uzophoselwa ngaphandle, angene eChibini loMlilo. Umlilo ongcwele ovela kuNkulunkulu, wehla kuNkulunkulu, uvela eZulwini, futhi uwushise, qaphelani, ukuwenza ulungele uNkulunkulu ukuba ahlale kuwo. Ngokuba, uNkulunkulu, eZweni eLisha elizayo, uzohlala emhlabeni. Imbangela, wena uthi, “UNkulunkulu, Uhlala enhliziyweni yomuntu.” Kodwa, Yena noMlobokazi uba Munye, futhi baya eKhaya labo eZweni eLisha. Necebo elifanayo lokuhlengwa liyasetshenziswa ukuhlenga, kokubili, izwe nabantu abahlala kulo.

<sup>111</sup> Niyabo, inhliziyo izofanele ihlanzwe kanjalo. Ngaphambi kokuba uNkulunkulu ehle engumuntu uMoya ongcwele, onguKristu ehla futhi ahlale enhliziyweni yomuntu, kuqala

ifanele iphenduke. Ifanele ibhaphathizwe emanzini, eGameni laKhe, ukukhombisa ukuthi ingekabani.

Bese-ke ifanele ihlanzwe ngeGazi likaJesu.

<sup>112</sup> Bese kuthi-ke uMlilo ongcwele noMoya oNgcwele, ovela kuNkulunkulu, wehla futhi ushise ukhiphe sonke isifiso sesono, yonke imvelo yezwe. “Futhi, ngakho-ke, owona ngamabomu emva kokuba esamukele ukwazi kweQiniso. . .” Bese-ke, futhi iBhayibheli lathi, “akunakwenzeka. . .” “Ngokuba, u—umuntu ozelwe nguNkulunkulu angeke one; akoni.” Ayikho indlela yokuba one. Angaba kanjani yisoni, nohlangiweyo, ngasikhathi sinye na? Ngingaba kanjani sesitolo esibolekisa ngemali kuthathwe isibambiso, futhi ngibe ngaphandle kwesitolo esibolekisa ngemali kuthathwe isibambiso, ngasikhathi sinye na? Niyabo? O, Wasihlenga ngeGazi laKhe; ngoMoya waKhe Wasihlanza; usefika-ke ukuba azohlala phakathi kithi, iBandla. Hhayi ihlelo, manje; iBandla!

<sup>113</sup> Qaphelisisani manje njengoba sithatha lokhu, izindawo esizo—zohlala kuzo. Kwase kufika uKristu wase Echitha iGazi laKhe phezu kwawo, ukuwuhlanza nokuwuthatha ube ngowakhe. Bese-ke kufika, okulandelayo, ukubhujiswa kwezwe njengoba likhona manje.

<sup>114</sup> Sonke isono esisemazulwini phezulu, “ungumbusi wamandla omkhathi,” uvimbela (kuvimba izimpi) izibusiso ezivela kuNkulunkulu. <sup>115</sup> Qaphelani, bukani ukuthi uSathane wazama kanjani ukulithatha, njengoba ngishilo emizuzwini embalwa edule, ngokulinika uJesu ngaphandle kokulithenga. Kanti, uSathane usenakho ukuthi lingelakhe, ngoba libekwe uphawu, niyabo. Kodwa uJesu uyalithenga ngeGazi laKhe elichithiweyo futhi ulibuyisela kumninilo wangokomthetho. Niyabo? Wasithenga kanjalo-ke, ngeGazi laKhe, ukuthi Walithenga kanjani iBandla.

<sup>116</sup> Futhi manje umbhaphathizo walo woMlilo ulihlanza kuwo onke amagciwane, zonke izifo zalo, konke ukugula, ngisho nazo zonke zinto zokomoya; ezingathi, futhi, kwenza indlela efanayo; ukulilungiselela uNkulunkulu ukuba ahlale kulo, kulonyaka omkhulu ozayo, uMhlaba oMusha. Niyabo, Uwuhlenga ngendlela efanayo Enza ngayo abantu baKhe. Ukwenza konke kufane nje, icebo laKhe lokuhlenga. Ngokuba, UguNkulunkulu ongaguquleki, uhlala njalo efana emacebweni aKhe.

117 Ukuthi nginitshele kanjani, ngaphambili, futhi nganazisa, nangayo yonke iminyaka, ukuthi uNkulunkulu angeguquke; kwaziswa, ngezindlela zonke, ngokufanayo.

118 Wawazisa, umlayezo waKhe wokuqala, ezweni langaphambi kokubhubha komhlaba ngamanzi, ngoNowa umprofethi.

119 Bengikhuluma nomfowethu othandekayo okhona ohlezi kanye nami manje. Izolo, uthe, “Into eyodwa owayisho, Mfowethu Branham, eyayihlala njalo ingethusa.”

Ngathi, “Iyini, mfowethu na?”

120 Wayesethi, “Nakhu owakushoyo,” futhi kuyiqiniso, “Idlanzana, ukuthi iqembu elincane lizosindiswa kanjani ezinsukwini zokuFika.’ Futhi sakhuluma ngokuthi uJesu washo kanjani ukuthi, ‘Isango lincane nendlela iyingcingo, futhi kepha bayingcosana abayifumanayo.’ Manje qaphelani, iBhayibheli lathi, ‘Njengokuba kwenzeka emihleni kaNowa imiphefumulo eyisishiyagalombili yasinda ngawo amanzi, kuyakuba-njalo ekuFikeni.’”

Ngathi, “Mfowethu, uthole nje . . .”

Wathi, “Khumbula, yimiphefumulo eyisishiyagalombili kuphela lapho.”

Ngathi, “Uthole nje uhhafu wesithombe.”

121 Nokho, uNowa wayengumfanekiso wensali eweliswayo, hhayi isigejane esithathwayo. UEnoke, umuntu oyedwa, waya ekuHlwithweni ngaphambi kokuba kufike uzamcolo, kukhombisa ukuthi iBandla aliyi ekuhlushweni noma yini eseduze kwakho. UEnoke wathathwa, umuntu oyedwa. O, ibandla lingaba yisibalo; kodwa uMlobokazi uzoba yiqembu elincane kakhulu elizokwenza uMlobokazi. Manje, ibandla lingaba yisibalo esikhulu; kodwa, uMlobokazi, niyabo, qhathanisa abayisishiyagalombili noyedwa. Abangaphansi ngokuphindwe kasishiyagalombili, bayoba nguMlobokazi, kunebandla.

122 “Futhi uma olungileyo esindiswa kalukhuni, uyakubonakalaphi ongamesabi uNkulunkulu noyisoni,” labo abazi kangcono, ukuthi bakwenze, futhi baqhubeke benze noma ikanjani? Labo abalandela imigomo yehlelo esikhundleni seZwi, bayobonakalaphi, nokho bebizwa ngamaKristu, bethatha iGama likaKristu na?

123 Manje, ngokuphelele, uNowa wayengumfanekiso walabo abaweliswayo. Khumbulani, ngenkathi uNowa ephuma, uHamu wayekanye naye. Isono sasisekhona phakathi lapho. Isono savele sawela, ngomkhumbi. Ukungakholwa, ukungabaza, kwawelela emkhunjini, kwathwalwa ngaphezu kokwahlulelwa. Kodwa uEnoke wahamba waba ngaphezulu kunomkhumbi, wahamba waqhubeka wayongena eBukhoneni bukaNkulunkulu. Kodwa uNowa wedlula kukho wase ephuma, futhi sasisekhona isono;

umfanekiso wesikhathi seminyaka eyiNkulungwane, okwesimo sezwe.

<sup>124</sup> Isikhathi seminyaka eyiNkulungwane asisikho ukuphela kwalo. Siyobe sisekhona isikhathi emva kwesikhathi seminyaka eyiNkulungwane. UMuthi wokuPhila uyoba lapho; izinhlobo eziyishumi nambili zesithelo, esisodwa inyanga ngayinye, siyothela kuwo. Abantu abadla lezizithelo, bayoshintsha ukudla kwabo okukhethekileyo njalo, njalo ngenyanga.

Wena uthi, “Usho njalo, Mfowethu Branham na?”

<sup>427</sup> Asiphenye eZambulweni 2, umzuzo nje, futhi sikuthole. IZambulo 2:7. Asithole manje ukuthi kuliQiniso ngempela yini noma qha. IZambulo 2:7 kufundeka kanje.

Futhi *onendlebe, makezwe lokho uMoya...*

<sup>428</sup> Manje, khumbulani, Akakhulumi namaJuda manje. Leli yiBandla, oweZizwe.

*Onendlebe, makezwe lokho akushoyo uMoya emabandleni; Onqobayo, ngiyakumnika ukuba adle*

*kuwo umuthi wokuphila, ophakathi neparadesi likaNkulunkulu.*

429 “Abanqobi kuphela, abanqoba isilo, abanqoba uphawu lwaso,” lobo ubuKatolika, ubuProtestane, ubuhlelo, “abanqoba isilo, uphawu lwaso, uhlamvu lwegama laso.” “Uyoba nelungelo eMthini wokuPhila, lokungena emasangweni lapho okungekho lutho olungcolisayo olungake lungene khona.” Niyabo? Kucabange. Manje, umzuzu nje manje, njengoba sithi ukuqhubeka kancanyana nje. UMuthi wokuPhila uyoba ngowabanqobi kuphela.

430 Amaqabunga ayoba ngawokuphulukisa izizwe. Lokho kungukuthi, amakhosi ahlala phakathi lapho, eletha ubukhosi bawo phakathi, uma eletha ubukhosi bawo phakathi futhi abubeke phambi kwesiHlalo sobukhosi sikaNkulunkulu. Njengaphandle nje, ishumi . . . izizwe eziyishumi nanye zaleta phakathi, zonke okweshumi kuLevi, niyabo. Uma eletha ubukhosi bawo e . . . evela ezweni elibusisiweyo, phakathi kulowo, ayofika eMthini wokuPhila, ephule iqabunga lesihlahla esinamaqabunga angawohloki ahlabayo nezinhlamvu ezibomvu . . . noma iqabunga loMuthi wokuPhila, futhi ayophuma ahambe ndawonye. Ayisekho impi. Yonke into inokuthula. Amaqabunga angawesikhumbuzo, sokuphulukisa isizwe.

431 UMuthi ofanayo, hhayi njengoAdamu, u . . . Kwakukhona uMuthi wokuPhila ensimini yase-Edeni, ayefanele adle kuwo ukuba wayengawanga. LowoMuthi wokuPhila wamkhumbuzo, ngaso sonke isikhathi, ukuthi okusha kwakhe . . . ubusha bakhe babulokhu buqhubeka njalo. Niyabo?

432 Kuyobanjalo nasezizweni. Amaqabunga ayoba ngawokuphulukisa izizwe; qaphelani, akusikho ukugula manje. Uyoba namalungelo afanayo uAdamu ayenawo, njenge le . . . juba lineqabunga lesihlahla esinamaqabunga angawohloki ahlabayo nezinhlamvu ezibomvu, konke ku . . . inkosi ngayinye ithatha iqabunga.

433 Qaphelani, uMfula wokuPhila, mhlawumbe imifudlana eminingi emincane yenza wona. Manje, kulomhlaba . . .

434 Ngizovala emizuzwini embalwa nje. Kulomhlaba . . . Noma, ngizoma nje. *Angako-ke* amanothi onawo, manje sekungamakhosi cishe angamashumi amathathu. Yebo. Bukani.

435 Kulokhu—kulokhu ukuphila, akaze ngibone lutho oluqeda ukoma kangaka kunokuba sezintabeni futhi uthole, njengoba ngashumayela ngakho ngobunye ubusuku, lowomfudlana uphethuza, amandla awo anikeza ukuphila. Kuthi uma ukhathele futhi womile, uwe phansi ngasemfudlaneni omuhle; phansi le lapho amagciwane engayi khona, phansi le amakhulu amafidi emhlabeni, kuphethuza acwebile, angokoqobo, amanzi anikeza ukuphila. Siyakuthokozela lokho. Lokho kuncane.

Manje, umhlaba unemifudlana yawo eminingi enamanzi ahlumelelisanayo. Uma woma futhi ufa, uthola esihle, isiphuzo esibandayo kulawo, ayo—ayokusiza ukuba uphile.

<sup>436</sup> Kodwa bukani ukuthi Lona uvelaphi. EsiHlalweni sobukhosi, kulapho la uthola khona amandla awo anikeza ukuPhila. Uphuma phansi kwesiHlalo sobukhosi sikaNkulunkulu, lapho uNkulunkulu ehlezi khona.

<sup>437</sup> Konke okwawo, konke okwalomhlaba, lomhlaba lapha esiphila kuwo manje; sonke, nomangabe umKristu noma umhedeni, unamathempeli. Senake nacabanga ngalokho na? Amabandla, onke.

<sup>438</sup> Kodwa Lona awunalo. IBhayibheli lathi, “Futhi kwakungekho-thempeli lapho. Kodwa iNkosi uNkulunkulu neWundlu iyiThempeli lawo.” IWundlu lingukuKhanya. IWundlu liyiThempeli. IWundlu liyisiHlalo sobukhosi. IWundlu lingukuPhila. LiyileloThempeli. Niyabo, onke lamathempeli anento abayikhonzayo; kodwa, kuloMuzi, Yilo eliyinto. Linabantu baLo. UkuKhanya kwalo koMoya kuchichima uMuzi oyisivivane.

<sup>439</sup> NjengoPetru noJohane, bephezulu esiqongweni sentaba. UkuKhanya kwasibekela isiqongo sentaba, nePhimbo lakhuluma, lathi, “Lo uyiNdodana yaMi ethandekayo.”

<sup>440</sup> ESambulweni 21:3 nele 4, “Itabernakele likaNkulunkulu likumuntu.” UNkulunkulu izingenele etabernakele elingumuntu, ngokumhlenga, ngalezizindlela ezintathu eziqhubekayo. Manje uNkulunkulu uzohlenga umhlaba bese ehlala etabernakele elingumhlaba, nezikhonzi zaKhe zasemhlabeni, Aziveza emhlabeni. Futhi ngesono wawa, kodwa i. . . Wafanele awuyeke uqhubeke. Kodwa manje Wathuma uJesu ukuba ahlenge lowomhlaba owile, esiyingxenye yawo thina. “Akukho nolulodwa unwele lwekhanda lenu oluyobhubha.” UJesu washo njalo. Wathi, “Ngiyokuvusa futhi ngomuhla wokuphela.” Niyabo? Ngani na? Niyingxenye yomhlaba.

Wathi, “Ziphi pho?”

<sup>442</sup> Ngathi, “Zazikuphi ngaphambi kokuba ngizithole.” Noma yikuphi lapho ezazikhona, into; noma yikuphi lapho zikhona, zingilindele. Niyabo? Kunjalo. Ngiyoya kuzo, ngelinye ilanga.

<sup>443</sup> Lomzimba omdala, oshwabanayo nowayo, nonciphayo emahlombe nobuhlungu emadolweni, no—nokuhoshoza emphinjeni. Kulungile. Ungawungcwaba olwandle, kodwa iCilongo liyongivusa! . . . ? . . . Yebo, mnumzane. Sizoguquka, ngolunye lwalezizinsuku. Ngiyingxenye yalelizwe

elihlengiweyo. Nisezweni, kodwa akusikho okwekosmos. Nisohlelweni olwehlukile, uhlelo oluhlengiweyo.

444 Qaphelani, “Itabernakele likaNkulunkulu liyoba kumuntu.” Qaphelani, “Okokuqala kudlulile.” Lokhu, lento, isidlulile. Lokhu kusho ukuthi iZulu lehlile ukuba lihlale nomuntu. Niyabo? iZulu nomhlaba kuyasingathana.

445 Ngakho impela nje ngenkathi iJuba lehlile phezu kwengxenyane yomhlaba, okwabe kunguJesu; Wayewuthuli lomhlabathi, umuntu. UNkulunkulu, evela kuleyombewana yokuPhila encane eyodwa, ngamandla adalayo. NaleloGazi elalikulelo. . . UkuPhila okwakukuleloGazi kwenyuka kwabayela kuNkulunkulu, kodwa iGazi laconsela emhlabeni, ukuba awuthathe ube ngowakhe. [UMfowethu Branham ushaya phezu kwepulpiti kaningana—Umhl.]

446 Ngenxa yegazi elalethwayo, elivela engqamuzaneni lembewana elavela kuKayini, niyabo; manje Uyabuya ngamandla adalayo njengoba Enza uAdamu, edala uAdamu, nangu uAdamu wesiBili. Futhi ngalelongqamuzana elephulayo lapho, khona (isono) uKayini walephula lelongqamuzana legazi phezu kolungileyo, niyabo, manje leliNgqamuzana leGazi. . . Ngoba, wabulala uAbela, kodwa uAbela wazalwa ngobulili.

447 Kodwa Lona akazalwanga ngobulili. “Kwakungokudaliweyo kukaNkulunkulu, ukuqala kwakho,” futhi Kwahlenga umhlaba. Futhi konke okwekhalsiyamu isakhamathambo, ipotashi isivundisamhlabathi, ipetroliyamu uketshezi olusamafutha kapetroli, ukukhanya komhlaba nezulu, owenziwe ngakho wena, kuhlengiwe. “Akukho nolulodwa unwele oluyolinyazwa. Futhi Ngiyokuvusa futhi ngomuhla wokuphela.”

448 Bese kuba yini-ke na? UNkulunkulu uyehla ukuba ahlale emhlabeni. Okungukuthi, Uyingxenyane yawo, umzimba waKhe uQobo. Wawuvusela ukulungisiswa kwethu, futhi silungisiswa ngokukholwa yilokho futhi semukela lokho. Qaphelani emifanekisweni, uJesu uba. . . Emfanekisweni, uJesu uba umuntu; uNkulunkulu. . . noma wamisela ngaphambili ukuthatha indawo yakhe, ukusihlenga, ukwenza zonke lezizinto zenzeke.

Qaphelani, ngaphandle kwezingange zawo ezinhle, zaloMuzi.

449 Manje seninawo “uMuzi”? Niyabo, uyiNtaba engcwele. [UMfowethu Branham ukhombisa ngomfanekiso ebhlekabhode—Umhl.] “Akukho lutho oluyolimaza noma lubhubhise kuyo yonke iNtaba yaMi engcwele, isho iNkosi.” UMuzi awusiso isikwele esilingana nxazonke. UyiNtaba. Futhi u—ubukhulu ngobubanzi ngokuphakama, kuyalingana, niyabo; amamayela angamakhulu ayishumi nanhlanu *ngapha* amamayela angamakhulu ayishumi nanhlanu *ngapho*, amamayela angamakhulu ayishumi nanhlanu macala onke;

<sup>453</sup> Ngakho, khehla nesalukazi, ningadumazeki. [UMfowethu Branham ukhombisa ngomfanekiso ebhlekbhode—Umhl.] Uma ungomele phezulu *lapha*, kulengxenywe kaNkulunkulu; *lokhu*, uNkulunkulu; uma unakho, uma umelwe *lapha*, ungeke wa...UsePhakadeni. Futhi uma uwelile kulolosuku lwesikhombisa, wangena kwelesishiyagalombili, wangena ePhakadeni ngombhaphathizo kaMoya oNgcwele, ufakiwe ku*Lokhu*. Manje, uma nje wethembele emadlingozini, noma ukugxuma phansi phezulu, noma, “Ngenza *lokhu*. Ngigcina usuku lwami lwesikhombisa. Angiyidli inyama,” nezinto ezinjalo, lokho kuzobhubha, empeleni. Niyabo? Kodwa *Lokhu* kuyiPhakade. Niyabo? *Lokhu* yiPhakade, uMkhosi emva komkhosi wamadokodo. Niyabo?

<sup>454</sup> Umkhosi wamadokodo wawungumkhosi wokugcina, umkhosi wesikhombisa. Siyakhonza manje phansi komkhosi wamadokodo, unyaka webandla lesikhombisa.
