Futhi sizothatha ndawo ndawo eBhayibhelini, futhi sihambe sithi ngqu sedlule kokwethu... .

26 Khumbulani, bangaki abantu abadala phakathi lapha abakhumbulayo ngenkathi sasivame ukuthatha njengeNcwadi ka-Eksodusi, futhi siyithathe mhlawumbe izinyanga nezinyanga, singamshiyi neze u-Eksodusi na?

27 Ngangena kuJobe ngesinye isikhathi, futhi njengokungathi angizange ngiphume. Niyakukhumbula lokho na? [Ibandla lithi, "Amen."—Umhl.] Elinye inenekazi langibhalela incwadi, lathi, "Mfowethu Branham, uyoke umsuse uJobe ezaleni na?" Ngaqhubeka kuleyondaba eyodwa, uJobe omdala ompofu, ehlezi phandle lapho phezu kwezala, niyazi. Bonke nje abangani bakhe bamshiyile, wayevimbezalwe amathumba nakho konke. Ngamdabukela kakhulu umfo omdala, ngaze nga... .

28 Futhi, khona-ke, ukuthi iNkosi yaphenduka kanjani futhi yambusisa, ngoba waphila ngolwazi lwakhe olwedlula konke, ngaphansi ko—umhlatshele wokushiswa. Yilokho kuphela ayekwazi, futhi yena... ukuvuma izono zakhe. Futhi wahamba wathola abantwana bakhe—bakhe, futhi wenza umhlatshele, wathi, "Kungenzeka ukuthi bonile ngasese, futhi abakwazi." Wayengubaba wangempela kanjani, futhi uNkulunkulu wambuyisela bonke labobantwana, ekugcineni. Benikwazi lokho na?

29 Awusho, ngifuna ukunibuzisa ukuthize lapho. Nisakhumbula ukuthi Wababuyisela kanjani abantwana bakhe na? Manje, khumbulani, Wamnika isigejane esiphindwe kabili. Izinkabi eziyizinkulungwane eziningi ayenazo ekuqaleni; lapho zonke zazithathiwe, Waziphinda kabili lezozinkabi. Ngenkathi izimvu, Waziphinda kabili lezozimvu. Kodwa khumbulani, wayenakho, ngikholwa ukuthi kwakuyikho, isikhombisa noma ishumi nambili, ngiyakhohlwa manje ukuthi nje kwakuyini, amadodana namadodakazi. Kodwa, wayenenani elifanayo lamadodana namadodakazi, uNkulunkulu wamnika wona. Ngabe kunjalo na? Niyabo, Waphinda kabili yonke ingxenye yakhe yempahla, lapha emhlabeni. Manje, kodwa amadodana akhe namadodakazi, onke abulawa, kodwa Wamnika inani elifanayo lamadodana namadodakazi. Senake naqaphela na? Senake nakucabanga lokho na? Niyakhumbula ngenkathi sikufundisa na? Niyabo?

<sup>30</sup> Ayekuphi lawo madodana namadodakazi na? ENkazimulweni, emlindile. Niyabo? Wabanikela, bonke kuye. Niyabo, akekho noyedwa wabo owalahleka. Niyabo? Inani elifanayo lamadodana namadodakazi Awabalula kuqala, Wabalula inani elifanayo ekugcineni. Kodwa Waphinda kabili ingxenyeye yakhe yezimvu nenkabi, nokunye nokunye, kanjalo. Kodwa amadodana akhe namadodakazi bonke babesindisiwe, belindile, eNkazimulweni, ukuba uJobe eze kubo. O, he! Lokho kufanele konke, akunjalo na? Kulungile.

<sup>31</sup> INewadi yamaHeberu. UPawulu, ngokubona kwami, uPawulu ekhuluma kumaHeberu, ehlukanisa umthetho emuseni. Futhi sinakho . . . Mhlawumbe sizovele sifunde amavesi athi awabe mabili, a—amavesi okuqala esahluko se 10. Bese kuthi-ke sizozala, nokho, ngele 19. Ngiyacabanga ukuthi thina . . . Asibone.

*. . . lokhu umthetho unesithunzi sezinto ezinhle ezizayo, ungesiwu umfanekiso wazo uqobo, ungeze waba-namandla ngemihlatshelo e . . . enikelwa ngu . . . iminyaka ngeminyaka ukubenza baphelele labo a—osondelayo.*

<sup>32</sup> Manje, ngiyacabanga, uma ukuqondisa lengxenyeye yokuqala, UPawulu uzama ukusho kubo, ukuthi imithetho emidala yayiyisithunzi sezinto ezintsha ezizayo. Manje, bona, isithunzi siyinto ethize . . .

<sup>33</sup> Uma ungaya ngasodongeni, noma *ngapha*, ngokubhekene nezibani, ubungathola ukuthi isithunzi sakho sihamba phambi kwakho. Uma ubuqala ngasekushoneni kwelanga, isithunzi sakho besiyoba ngemva kwakho.

<sup>34</sup> Manje qaphela, “Wonke umthetho unesithunzi sezinto ezizayo.” Niyabo, isithunzi nje. Manje, ngaphansi kwesimiselo sesikhathi esidala, uPawulu wayezama ukusho ukuthi babesokwe kanjani, abesilisa, ngenyama, kwakungumfanekiso wokusoka ngenhliziyo, kaMoya oNgcwele walolusuku. Ukuthi babeyigcina kanjani imiyalo emuva lapho, eyayilotshwe ezibhebheni zamatshe. Ezinsukwini zokugcina, uNkulunkulu wathi UZoyiloba ezibhebheni zenyama yenhliziyoyethu.

<sup>35</sup> Manje, indlela kuphela emuva lapho, bazi ukuthi kwakuyiphutha uku . . . “Ungebi.” Babefanele bakubone emyalweni. Futhi umthetho wengezwa, ukuletha—ukuletha ukubuyisana. Ngoba, uma ungekho umthetho, awu . . . Uma ku—kungekho mthetho, asikho isono. Ngoba uma kungalungile . . .

<sup>36</sup> Uma kungekho mthetho kuleli dolobha, othi angeke uhambe elambini elibomvu, angeke ukwenze *lokhu*; ngani, uma uhamba elambini elibomvu, awenzanga iphutha, ngoba awukho umthetho osho njalo.

<sup>37</sup> Ngakho-ke umthetho waletha ulaka, noma waletha isono ekubonweni. Niyabo, babengenakho . . . Bazenza zonke lezozinto

emuva ngaphansi kwe. . . phambi komthetho, futhi babengesiso isono ngoba kwakungekho umthetho othi babeyisano. Kodwa lapho umthetho ufika, umthetho wenezelwa kwaze kwafika ukuphelela.

<sup>38</sup> Manje, umuntu ubehlala ezama njalo ukuthola okuthize ukuze azisindise ngakho. Usalokhu enza into efanayo nanamuhla; akakehluleki nje.

<sup>39</sup> ENdiya, ngesonto eledlule, bekukhona abantu abafika owayeyimpumpethe ngokuphelele, bebuka ilanga, bezama ukuthola ukuthula emphefumulweni wabo. Abanye babo nezinzapho zabo zakhula ngemuva kwezandla zabo, *kanjalo*, bezama ukuthola ukuthula emphefumulweni yabo. Bathi abakaze behlise isandla sabo, futhi basibeke phezulu iminyaka engamashumi amane, bezama ukuthola ukuthula. Abanye nezinyawo ezishile zayobuka kubo, cishe impela, lapho ababedabule khona emalahleni ashisayo, ukuzama ukuthola ukuthula, ukushweleza konkulunkulu babo. Belale engilazini, futhi nje ngamabhodlela amadala aphukile nezinto, belale emabhodini ezinto ezicijile nayo yonke into, bezama ukuthola ukuthula. Futhi akukho ukuthula kubo, ngoba konke kungukukhonza izithombe. Futhi silapha eMelika, angeke sihambe siwele umgwaqo, ukuthola ukuthula emphefumulweni wethu, kuNkulunkulu weqiniso wangempela nophilayo. Kunjalo. Kodwa, zonke lezozinto, leyomibono yobuhedeni yomuntu!

<sup>40</sup> Emuva esikhathini uNkulunkulu athumela ngaso phansi umthetho, futhi wenezelwa ukuze asibonise ukuthi lezizinto zaziye isono. Kodwa, manje, lowomthetho wawungenakusisusa isono. Kuphela wakhulisa isono. Niyabo?

<sup>41</sup> Ngoba, uma ungekho umthetho othi angeke ukwenze *lokhu*, ngani, akunjalo. . . Akukhona. . . Uma ufaka noma wephula lokho, lokho. . . Angeke ukwephule, ngoba awukho umthetho ongawephula.

<sup>42</sup> Kodwa nxa umthetho ususebenza, khona-ke isono siyabonakaliswa. Khona-ke babe. . . Babezothi, “Ungebi. Ungaphingi. Ungafakazi amanga.” Zonke lezozinto. Bakwenza ngaphambili, kodwa kwakungeke kubalwe njengesono, ngoba akukho mthetho omelene nakho. Kodwa-ke kwathi lapho umthetho ungena, wenza indoda ibone ukuthi angeke yebe, angeke iqambe amanga, futhi yona. . . iphinge. Futhi konke okwemiyalo kuyakhulisa nje, kodwa nokho lowomthetho awuzange usisusa isono. Waletha umuntu kuphela ukuthi azi ukuthi kwakuyisano.

Khona-ke, lapho uKristu efika, uKristu wafikela ukususa isono. Niyabo?

<sup>43</sup> Manje, into kuphela umthetho owayenzayo, babazi ukuthi isibambiso esingenacala sasifanele sifele onecala. Lowo

mthetho waqala emuva ensimini yase-Edene. Bese kuthi-ke, manje, babenikela ngemvu, noma inkunzi, noma okuthize, futhi bayibulale, bachithe igazi e-altare, nokunye nokunye; ngoba kwakuyisembozo, noma umnikelo oyisibambiso. Kodwa wawungeke ususe isono, ngoba awekho amandla enele empilweni yesilwane ukuhlawulela ukuphila komuntu, ngoba inkulu impilo yomuntu kunempilo yesilwane.

<sup>44</sup> Manje, silapha, sihlezi lapha, kulobubusuku. Cishe singamaJalimane, ama-Irish, nokunye nokunye, abanye abantu abangamakhaladi. Bona, akunandaba uma bemnyama, bemhlophe, bephuzi, noma yimuphi umbala abayiwo, kusukela kumuntu oyedwa kwaphuma thina sonke. Niyabo? Lokho kufakazelwa ngokwesayensi, ukuthi ungangena ebumnyameni obedlula bonke base-Afrika futhi uthole u—umuntu omnyama kunabo bonke ongamthola, futhi, uma ubugula, ubengakuthekelisa ngegazi. Igazi lakho lifana ncamashi nelakhe. Noma, ubungangena eShayina futhi uthole indoda ephuzi kunawo wonke ekhona eShayina, futhi ibingakuthekelisa ngegazi. Niyabo? Noma, indoda ensundu kunawo wonke ekhona eNdiya ingakuthekelisa ngegazi. “UNkulunkulu, ngegazi elilodwa, wenza zonke izizwe, bonke abantu.” Kodwa asikho isilwane emhlabeni esingaqhathaniswa negazi lomuntu. Niyabo? Igazi lesilwane, ngalinye lhlukile. Kodwa igazi lomuntu lonke liyafana.

<sup>45</sup> Manje uma lokho kungawuthathi umbono wabanye balababantu abakhulumayo, futhi bayafundisa esikoleni, lapha, ukuthi savela ngenguquququko empilweni yesilwane. Uma lokho kunjalo, khona-ke isilwane besingathekelisa ngegazi. Kodwa igazi, impilo yomuntu, ilele ngokufanayo. Kodwa impilo yesilwane, ezinye zazo zifana nenyoka, inegazi elibandayo; inhlanzi, inegazi elibandayo; kodwa manje, ibhere, inyamazane i-elki, nomainja, noma ihhashi, ziwuhlobo olwehlukile. Kanjalo, asikho kuzo—asikho kuzo esingathekelisa ngegazi, esinye kwesinye, ngoba zonke zehlukene. Kodwa isidalwa esingumuntu lonke liyefana.

<sup>46</sup> Khona-ke ngokunikela ngegazi lesilwane, kuphela kwakuyi—isibambiso ngaphansi komthetho, kwaze kwafika uJesu, ongazalwanga ngumuntu. Akekho umuntu kulomhlaba owayengubaba waKhe. Wayenomama, futhi umama wayeyintombi nto, uMariya intombi, intombazane cishe eneminyaka eyishumi nesishiyagalombili ubudala. Futhi uMoya oNgwele wamsibekela, kunguNkulunkulu uBaba qobo lwaKhe, futhi wadala. Yena impela Lowo Owakhuluma izwe laba khona, wakhuluma nje.

<sup>47</sup> Niyazi, ngeSonto, ukuthi singene kanjani kukho. Lapho uNkulunkulu ekhuluma, kufanele kube njalo. Ayikho indlela nhlobo yokusuka kukho. UNkulunkulu uthi, “Makube khona,” futhi kufanele kube khona. Akukho lutho... Lona kanye iZwi

qobo lwaLo! Futhi iZwi laliwumcabango. UNkulunkulu, ngenkathi E...Ngaphambili...Izwi lingokuveziwe komcabango. UNkulunkulu wakucabanga engqondweni yaKhe; wakukhuluma kwaba khona.

<sup>48</sup> Futhi sinokukholwa ezinhliziyweni yethu, ukukholwa kukaNkulunkulu enhliziyweni yethu, futhi singabona ngokucacile. Kuba ukukholwa, bese-ke siyakukhuluma, bese kuba khona, into efanayo, ngoba umqondo kaKristu ukumuntu. Yilokho okwenza ukuphulukisa, nokunye nokunye. Uma uthola lesosambulo esiphelele, nje lokho okwenzayo, khona-ke uyazi ukuthi uhambe kanjani. Yilokho-ke, ngoba lokho ngukuhamba komKristu.

Manje, kodwa igazi lezilwane alisisusanga isono.

<sup>49</sup> Khona-ke ngenkathi uJesu efika, enguNkulunkulu qobo lwaKhe, ebonakaliswe enyameni, iGazi laKhe lalingalandeli igazi lanoma yimuphi omunye umuntu. Sonke, wonke umprofethi, wonke umuntu omkhulu, wayeyigazi lomuntu. Kodwa loMuntu wayeneGazi lobuNkulunkulu. UNkulunkulu, qobo lwaKhe, wadala ingqamuzana leGazi.
