Futhi-ke Wenziwa inyama futhi wahlala phakathi kwethu, ukuze Aphenduke njalo emuntwini, futhi aphile emuntwini, futhi abuyisele umuntu esimweni sokudlelana Laye njalo, futhi amuphe ilungelo lakhe aliphiwe nguNkulunkulu. Yikho lokho Akwenzayo.

31 Yiyo injongo kaMoya oNgcwele. KunguBaba, njalo, uNkulunkulu uBaba ehlala kuwe, esenza amacebo Akhe, ukuqedisa icebo Lakhe lokuhlenga; esebenza ngawe, ekwenza ube ngosebenzelana Laye; ekupha indawo, ekupha ingxenye yowileyo, umfowenu lodadewenu olahlekileyo; ekupha uMoya Wakhe lothando Lwakhe, ukuthi uyezingela abalahlekileyo, njengalokho Akwenzayo esivandeni saseEdeni. “Adamu, Adamu, ungaphi?” Yikho lokho uMoya oNgcwele akwenzayo endodeni kumbe kowesifazana. Lapho Utshaya enhliziyweni yabo futhi uthathe indawo Yawo yokuhlala, kulokoma lokulambela imimoya elahlekileyo.

Yiyo indaba ngemihlangano lamuhla. Akula kubamba kukaMoya okweneleyo kukho, ukuhambela imimoya elahlekileyo labafayo. Kanengi yikwenza ibizo, kumbe ibandla, kumbe isakhiwo, kumbe inhlanganiso yesonto, kulohlelo lokuzuza imiphefumulo. Kulusizi olunganani! Singahlala kikho okwesikhathi.

UNkulunkulu waZithulula kuKhristu. Kuqondile.

32 UKhristu waZithulula eBandleni. Ngakho-ke, manje khangelani, "Ngalolosuku lizakubakwazi ukuthi ngikuBaba, futhi lani liKimi, futhi Lami ngikini. Ngalolosuku lizakubakwazi." Ngoba, yikuthi, into yonke licebo elilodwa lokuhlengwa lisehla phansi, ukuthi uNkulunkulu ephenduka ukuzophila phakathi, futhi ahlale kanye, futhi ahlangane labantu Bakhe, njengalokho Akwenzayo ekuqaleni.

Manje, khona-ke, lapho eletha iBandla Lakhe ezimweni zokukhuluma, alethe iBandla Lakhe endaweni leyo Angageleza esebenza, futhi athande, futhi ancenge, njalo abe lobudlelwano, khona-ke kuzabuya iEdeni. Uzabuyisela iBandla Lakhe lapho Ela—ElaMtshiya khona, ukubuyela eEdeni njalo, lapho Elawa khona. Lona, manje . . . Yikho lapho Elayenza ukuqala Kwalo, kumbe ukuwa. Yikho lapho Elizabuyiselwa khona, lokuhlengwa konke okungelasici, ebaletha khona kanye kuleyondawo njalo.

33 IBandla belisemhlabeni okwesikhathi esithile. Futhi iBandla, sibili, ngemva kweNguquko, eyeminyaka engamakhulu alitshumi lanhlanu ezikhathi zobumnyama . . . ULuther wayengumguquli wokuqala ukuza ngemva kokuqala kwabapostoli. Futhi-ke lapho uLuther esebuyile, uNkulunkulu wathontisela kancinyane okukaMoya futhi waKuthulula phezu kweBandla, ekulungisisweni. Futhi-ke ensukwini zikaWesley, Wathulula okunenganyana Kwakhe, ekungcwelisweni. Futhi njengesikhathi sesikhulile, kusiya esikhathini sokucina, uNkulunkulu ubegcwalisa iBandla Lakhe. Thalaza nje ufumanise nxa lelo kuliQiniso, kumbe kungeyisilo.

34 Khangela isikhathi samaLutheran, lina elibala imbali, khangelani imvuselelo yabo lalokho abakwenzayo. Khangelani ukuthi imvuselelo kaWesley yayinkulu okunganani, babelamandla amanengi okunganani, kodwa beyingcosana. Khangelani ensukwini zePhentekhosti, babele mvuselelo enjani ngalesosikhathi, enkulu kanganani, eyathanyela ndawozonke.

35 Futhi, *ISethekeli Sethu SangeSonto*, iphepha leKatolika, lapha isivumo ukuthi amaPhentekhosti aletha isigidi lenkulungwane ezingamakhulu amahlanu zabaphendukayo emnyakeni owodwa, bedlula wonke amabandla ndawonye. AmaKatolika aguqula kuphela, bathi, isigidi. Kwesabo *ISethekeli SangeSonto,* iphepha elithiwa *yiSethekeli sangeSonto,* banika isitsho ukuthi amaPhentekhosti babedlula.

Futhi, khumbula, ukuphenduka ePhentekhosti kuyikuphenduka kokugcwaliswa nguMoya oNgcwele. Kwabayingcosana, okokuqala, ehlangothini lwemkotweni phandle lapho, le—lekatali endala. Futhi abafazi babengenelisi ngitsho ukuba lepheya yamasokisi eyodwa. Belele phandle lapho esipolweni sesitimela, futhi bedobha amabele futhi bewachola, njalo besenzela abantwana babo isinkwa. Kodwa kwafika ngaphi? Ibandla elilamandla sibili elimileyo emhlabeni

lamuhla, kungayisikho emehlweni omhlaba, kodwa emehlweni kaNkulunkulu, ngoba Uyakutshengisa ngalokho Abenzela khona. UyaZithulula kubo, eWuthulula phakathi.

36 Nanzelelani manje lokho okwathatha indawo, uNkulunkulu eZithulula kibo. Manje iBandla selifike endaweni, kusukela kuLuther, Wesley, futhi lemvuselelo isisiya ePhentekhosti; futhi khathesi esikhathini lesi esiza kuso khathesi, ngoMoya oNgcwele ofanayo, ubunengi Bawo nje. Manje, lapho wona amaLutheran ngemuva-le esindiswa, bathola ingxenye kaMoya oNgcwele. Lapho amaMethodisti engcweliswa, lowo kwakungumsebenzi kaMoya oNgcwele. Bona, kwakuyingxenye kaMoya oNgcwele. "Bona bengelathi abapheleliswanga," utsho uMbhalo. Bona?

37 Manje, uNkulunkulu, njengokuKhanya sekuqalile ukukhazimula ensukwini zokucina, Ukhangelele kithi, into enkulu kithi. Ngoba, "Lapho okulokunengi okuphiwe khona, kulokunengi okufunakalayo." Ngakho uzafuna okunengi sibili kithi kulalokhu Akwenza kumaLutheran kumbe amaMethodisti, ngoba sihamba ekuKhanyeni okukhulu, laMandla amakhulu, lobukhulu . . . u—ubufakazi obukhulu ukwedlula ababelabo. Manje, silobufakazi obukhulu bokuvuka. Silezinto eziqotho kakhulu, ngokuqiniseka ukwedlula ababelazo.

38 Kodwa kufana lengakukhulumayo ekholeji yamaLutheran, kungasikude.

Bathi, "Kuyini esilakho?"

Ngathi, "Umuntu wahlanyela insimu yengqoloyi. Amahlumela okuqala amancinyane aphuma, futhi wathi, 'Bonga iNkosi nge—ngesilimo sengqoloyi!' Wayezakuba, laso, kodwa wayelakho esimweni sokuqala. Kusiya ngokuya, kwaba luhlanga."

Futhi isitshakala saphuma kukho, okwakungamaMethodisti.

39 Nxa ungakhangela imvelo, uzabona uNkulunkulu esebenza. Kulemfihlo ehlezi lapho ehamba lenkonzo yami. Bona? Lokho, ukhangela imvelo, khangela ukuthi kwenza njani, isikhathi bani futhi libanga liphi, ungabona lapho ophila khona. Khangela isikhathi.

40 Manje, khona-ke, amaMethodisti, babeyizitshakala. Bakhangela emuva kumaLutheran, bathi, "Silokungcweliswa; lina alila lutho Kukho."

Ngokuya lokuya, kusuka kuleyompova, kusukela kumaMethodisti, kwabuya uhlamvu lwe . . . indlebe yengqoloyi. Leyo kwakuyi Phentekhosti.

Nanko-ke, ukulungisiswa, isigaba esisodwa Sakho. Ukungcweliswa, esinye isigaba Sakho. UMoya oNgcwele, esinye isigaba Sakho; IPhentekhosti. ULuther, Wesley, Phentekhosti.

41 Manje kuyini lokho okwenza iPhentekhosti? Ngikufanisa, ngoba, ePhentekhosti, kwabuyisela, hatshi uhlamvu oluluhlaza, hatshi isitshakala, kodwa . . .

Ingqoloyi ayingeke ithi esitshakaleni, "Angilamsebenzi lawe." Kumbe, isitshakala asingeke sithi e—ehlamvini, "Angilamsebenzi lawe," ngoba impilo efanayo eyayisehlamvini yenza isitshakala. Impilo efanayo eyayisesitshakaleni yenza indlebe.

Futhi kwakulibandla leLutheran elenza ibandla likaWesley. Kwakulibandla likaWesley elenza iPhentekhosti.

Kodwa, iPhentekhosti, kuyini? Yikubuyiselwa kohlamvu olufanayo olwangena emhlabathini ekuqaleni, luletha konke ukugcwala kwaMandla ePhentekhosti, ngobhaphathizo lukaMoya oNgcwele, bona, ensukwini zokucina. O, yinto enkulu, ukukhangela, ukukholwa lokukhangela.

42 Manje esikhathini lesi esiphila kuso, lesisikhathi, singaphambi kwePhentekhosti.

IPhentekhosti isizihlalise ezinhlanganisweni, futhi yaqala ukwenza inkohliso ngezinhlanganiso, "Siyi*lokhu* futhi siyi*lokho*." Leyo yimvelo nje. Awungeke nje wenze lutho ngakho. Yimvelo. Bazakwenza lokho. Licebo, ukuthi bakwenze lokho.

Kodwa iBandla selihambe phambili. Selihambe kokukhulu, okulamandla amanengi. Yikubuyiselwa kwezipho.

Futhi labantu bePhentekhosti abanengi abakholwa ekusilisweni nguNkulunkulu, inkonzo yeziNgilosi, lamandla kaNkulunkulu. AmaPhentekhosti abanengi babiza imibono leyi engiyibonayo, "udeveli." Inhlanganiso ezinengi azilani lokwenza Ngakho, ePhentekhosti. Bona, sesihambe sedlula lokho. NjengamaMethodisti abiza amaPhentekhostali, "bayahlanya," ngokukhuluma ngendimi. Njengokuba amaLutheran abiza amaMethodisti, "abahlanyayo," ngokuklabalala. Bona?

Kodwa konke yikubuya kukaMoya oNgcwele, kuze kuthi iBandla elikhulu liyagcwaliswa, futhi lagcwaliswa phamu, haleluya, ngamandla amakhulu kaNkulunkulu uSomandla. Kuze kuthi, sekufike endaweni lapho imisebenzi uqobo eyenziwa nguJesu izibonakalisa ngokwayo ebandleni khathesi. Sesiseduze, bangane.

43 Ake ngime lapha, okomzuzu nje, ukuletha lokho uNkulunkulu akufakela khona uMoya oNgcwele eBandleni, ngilinike omunye umfanekiso ukuze libekwazi. Emuva kuThestamente eliDala, lapho u—umntwana . . .

Umuntu wazenzela umuzi. Wathola umlobokazi wakhe, yinto yokuqala.

Khona-ke waba yindoda enkulu, njengenhlanganiso. Lokho kwakukuhle.

Into elandelayo eyenzakalayo, kweza ukuzalwa kulowomuzi. Yikho lapho uMoya oNgcwele, bona, omunye umoya wangena, okwakuyindodana. Leyo ndodana, wayenga phathanga konke, futhi waye ngasondlalifa aze afikise iminyaka ethile. Futhi kwakumele ahlolwe, kuqala. Yebo.

Futhi-ke babelomthetho wokubeka ubuntwana. Kini batshumayeli, "ukubekwa kwendodana," yikho engikhuluma ngakho khathesi, bona, khona-ke lapho efika endaweni lapho ayebekwa ubuntwana khona. UJesu wapha umzekeliso omuhle ngakho, eNtabeni yokuGuqulwa.

44 Njengoba ngitshilo, uNkulunkulu kasoze aphume phandle kwemithetho Yakhe ukwenza ulutho.

Nxa ulomthombo ontshazayo oqaqeni *lolu*, ukhaphaza amanzi indawo yonke emoyeni, futhi lasoqaqeni lolu *lapha*, ulesilimo esitshayo, ungama oqaqeni lolu futhi umemeze, "O, manzi, fika ngapha futhi ugcwalise isilimo sami! O, manzi, fika esilimweni sami!" Akusoze kukwenze lokho. Kodwa nxa ungasebenza ngokwemithetho yamandla okugeleza, ungathelezela leso silimo.

45 Ulomuntu ogulayo olele lapha, kumbe isoni esilele lapha, kumbe umuntu ofuna ukulunga, ongakwanisiyo ukutshiya ukunatha, ongakwanisiyo ukutshiya ukubhema, ongakwanisiyo ukutshiya inkanuko lezinto. Nxa ungasebenza ngokwemithetho kaNkulunkulu, yeka uMoya oNgcwele angene phakathi lapho, khona-ke akasenguye owakhe. Yena, uzatshiya leyonto, ngoba uMoya oNgcwele uyamthatha. Kodwa kumele usebenze ngokwemithetho kaNkulunkulu, imilayo kaNkulunkulu.

46 Manje, kuThestamente eliDala, lapho lumntwana esezelwe, bamkhangela, ukubona ukuthi wayeziphethe njani, ukuziphatha.

Khona-ke ubaba, eyindoda enkulu yamabhizimusi ngalesi sikhathi, mhlawumbe kumatshumi amane akhe kumbe amatshumi amahlanu, wayengela sikhathi sokufundisa lumntwana, ngokwakhe, ngakho wathola . . . Kulezonsuku babengela zikolo zomphakathi njengalezo abalazo khathesi, ngakho babelalokho abakubiza ngokuthi "utitshala," kumbe "umkhulisi," umbalisi wesikolo. Futhi umbalisi wesikolo lowu wayengomkhulu ayengamthola, ukuze abe ngoqotho futhi atshele ubaba iqiniso ngakho.

47 Futhi-ke lapho lumfana esefike eminyakeni ethile, sithi, wayesekhulile. Nxa lumfana wayeligwelegwele, engalunganga, enganaki ibhizimusi likayise; konke ayekucabanga kwakuyikudlala lokugijima labafazi, kumbe—kumbe ukunatha, kumbe ukubheja, kumbe umjaho wamabhiza; lowomfana wayezabe elokhu eyindodana, kodwa wayengafakwa esikhundleni sokuba yindlalifa kukho konke uyise ayelakho.

Kodwa nxa wayengumfana olungileyo, futhi engophatheke ngomsebenzi kayise, futhi watshengisa ukuba ngumntwana olungileyo, khona-ke babesiba lomkhosi. Bathatha umfana phandle esitaladeni futhi bamgqokise ingubo emhlophe, futhi bambeke phezu kwengalane ukuze idolobho lonke likubone. Benza idili lejubili, futhi ubaba-ke abe lomkhosi wokubeka ubuntwana. Wabeka indodana yakhe ubuntwana ebhizimusini lakhe, futhi-ke indodana yayisilingana loyise. Ngamanye amazwi, nxa kade kulamuhla, ibizo lendodana etshekini lalifana lelikayise.

48 Manje khangela lokho uNkulunkulu akwenzayo. Lapho iNdodana Yakhe izalwa, Wamyeka wahamba okweminyaka engamatshumi amathathu, Emhlola, Emvivinya. Khona-ke WaMnika iminyaka emithathu yokulingwa okulukhuni. Futhi-ke ekupheleni kokulingwa okulukhuni, lapho Esebonile ukuthi iNdodana Yakhe yayingomsebenzi kaYise; INtaba yokuGuqulwa, iBhuku lika Lukha; Wathatha uPhetro, uJakhobe, loJohane, ofakazi abathathu, futhi waya phezulu esiqongweni sentaba, futhi lapho uNkulunkulu wayenza imithetho yokubeka ubuntwana. Wa . . . Bakhangela phezulu futhi babona uJesu, futhi impahla Zakhe zacazimula zimhlophe njengombane. Futhi njenge Yezi limeMbesa, futhi iLizwi laphuma eYezini, futhi lathi, "Leyi yiNdodana Yami Ethandekayo; umzweni Yena. Ngizahlala phansi manje futhi ngingabi lokokukhuluma. Lokho akutshoyo ngumthetho leQiniso."

49 Manje ibandla seledlule ezikolweni lezo. Watshada ngemuva ngale, isikhathi eside esedlulayo, futhi waba yinhlanganiso yesonto, inhlanganiso. Kodwa, liyananzelela, ukuZalwa kwaletha enye into. Futhi khathesi sekufike endaweni lapho ibandla lePhentekhosti, lokuZalwa okutsha, lihloliwe lavivinywa, futhi khathesi sekusiza endaweni . . . UNkulunkulu akasebenzi leBandla njengenhlanganiso nje. Akasebenzi leBandla njenge—njengeqembu labantu.

Usebenza leBandla njengomuntu ngamunye, umuntu munye eBandleni. Futhi manje sekufike esikhathini . . . Futhi akusimfihlo; sonke siyakubona. Lapho umuntu etshengisa, futhi uNkulunkulu emthanda, uyamkhupha kwenye indawo ukuba abe Laye. Lapho phambi kweNgilosi Uyamenzela olunye ulutho. Uyamphakamisa lapho eBukhoneni bukaNkulunkulu, futhi amuphe izipho, futhi amgcwalise, njalo ambeke phandle. Yiso isikhathi esiphila kuso.

50 UMoya oNgcwele ofanayo owasindisa amaLutheran, owangcwelisa amaMethodisti, owabhaphathiza amaPhentekhosti, khathesi usehlela ukuBuya kweNkosi uJesu. Lapho, kuzakuba lamandla kangako, lowoMzimba, uzabuya eQenjini leli, iBandla, kuzadonsa abanye babo bonke ethuneni. Kuzakuba lokuvuswa. Yikho lokho uMoya oNgcwele

ongowakho. Uyini uMoya oNgcwele? "Singekho thina angeke bapheleliswe." Baphila ngolunye usuku, ngaphansi kwalokho. Siphila kolunye usuku.

"Nxa isitha sibuya njengesikhukhula, Ngiza . . . uMoya kaNkulunkulu uzaphakamisa isilinganiso esimelana laso." Bona? Sisesukwini khathesi . . .

51 Emuva-le, babengakhaliphanga ngitsho ingxenye njengalamuhla. Babengakwanisi ukwenza ibhomba ye-atomu kumbe imota. Babengela sayensi lezinto njengalezi esilazo khathesi, kodwa, futhi lezinto ezifihlakeleyo; ukuzama ukuthi umuntu wavuthelwa ndawonye, ngothuli lokunjalo, futhi bethathe ukuhlola futhi bazame ukukufakaza, ukwenza abantu abangakholwayo ebantwini.

Kodwa manje, lapho siKufuna, uMoya kaNkulunkulu uyaphakamisa isilinganiso. Kuyini? Uyathulula uMoya Wakhe. Khona-ke, labo abaphumulileyo ethuneni, kumbe ngaphansi kwelathi likaNkulunkulu, njengoMbhalo usitsho, bayakhala, "Kuze kube nini, Nkosi? Kuze kubenini? Kuze kuthathe isikhathi esinganani?" UNkulunkulu ulindele kimi lakuwe. IBandla lilendele kimi lakuwe. Isikhathi sokubekwa ubuntwana, lapho uNkulunkulu engathulula kithi ukugcwala Kwakhe, Amandla Akhe, ukuvuka Kwakhe, lapho iBandla loKhristu besiba seduzane sibili uKhristu aze abonakale phakathi kwethu, futhi avuse abafileyo, futhi siye oHlwithweni.

52 Manje sizakuthi, sitshengise ngemva kwesikhatshana, ukuthi labo abagcwaliswe nguMoya oNgcwele bayangena kulolo Hlwitho. "Ngoba bonke ababefileyo abaphilanga okwesikhathi esiyiminyaka eyinkulungwane." Kunjalo. Abantu nje ababegcwaliswe nguMoya oNgcwele yibo kuphela abangenayo oHlwithweni. Manje, uNkulunkulu wapha uMoya oNgcwele . . .

53 Ngilomunye uMbhalo lapha, kuJohane 14:12. Lowo nguMbhalo owejwayelekileyo ebantwini bonke lapha eThabanekeli.

Ngiqinisile, ngiqinisile, ngithi kini, Lowo okholwa kimi . . .

Manje, lingavumeli ibala lelo "okholwa" lingathi liyalibuyisela emuva. Ebandleni lokubizwa nje, sithi, "Yebo, ngiyakholwa. Sibili, ngiyakholwa uJesu Khristu uyiNdodana kaNkulunkulu." Udeveli ukholwa into efanayo. Yikho kanye. IBhayibhili yathi uyakwenza.

Kodwa uMbhalo uthi, kuJohane, ukuthi, "Akulamuntu ongabiza uJesu uKhristu, kuphela ngoMoya oNgcwele." Umbizile, khona, ngoMbhalo . . . Ake ngime lapha okomzuzu nje, ngingakaqedi ukubala. Awukaphenduki uze wamukele uMoya oNgcwele. Kunjalo.

54 Ukholwela “ku.” UMoya oNgcwele ukhulume kuwe, futhi umvumile emphakathini. Udeveli ulento efanayo. “NgiyaMkholwa ukuba yiNdodana kaNkulunkulu.” Kanjalo lodeveli uyakwenza. Kodwa uhamba usiya Kuye.

Lapho, uPhetro ebiziwe futhi walungisiswa, ngokukholwa eNkosini uJesu Khristu; futhi kuJohane 17:17, uJesu wabangcwelisa ngeLizwi, ngoba iLizwi lalili Qiniso. Futhi WayeyiLizwi. 1, Johane uthi, “Ekuqaleni kwakuliLizwi, futhi iLizwi laliloNkulunkulu, futhi iLizwi lalinguNkulunkulu. Futhi iLizwi lenziwa laba yinyama, futhi lahlala phakathi kwethu.” WayeyiLizwi, ngakho Wabangcwelisa. Wathi, “Baba,” ekhuluma kuMoya oKuye, “Ngiyabangcwelisa ngeLizwi,” Ngokwakhe, ngokubeka izandla Zakhe phezu kwabo. “ILizwi lakho liliQiniso.” WaMkhuluma wabakhona, esibelethweni sowesifazane; o, kwakungenzeki sibili ukuthi Abe ngenye indlela ngaphandle kweLizwi leli likaNkulunkulu ukumenza Abonakalise. “Ngiyabangcwelisa.”

55 Wabapha amandla phezu kwemimoya engcolileyo. Yaphuma phandle. Wabeka amabizo abo eBhukwini leWundlu lokuPhila. Futhi wabathuma, uJohane . . . uMathewu 10, futhi wabapha amandla phezu kwemimoya engcolileyo; bakhupha imimoya emibi, futhi benza imisebenzi, lokunjalo. Futhi baphenduka, bethokoza, bathi, “Labodeveli bayazithoba phansi kwethu.”

Wathi, “Lingathokozi ngoba odeveli baphansi kwenu; kodwa thokozani ngoba amabizo enu aseBhukwini.” Futhi uJudasi wayelabo. Bona ukuba engasondela eduze okunganani; khona kusiya phezulu ekulungisisweni, ahambe khona ekungcwelisweni. Kodwa watshengisa ngaphi ukukhanya kwakhe? Wazitshengisa ngaphi? IPhentekhosti ingakafiki, watshengisa imibala yakhe.

56 Khangelani, lowo moya uzabe ungcwele nje futhi ulalise inkophe ngakho konke, kuze kufike eMoyeni oNgcwele, futhi bazakuquma Khona lapho. Yiwo lowomoya (alikuboni na?) ukhwela, umphikukhristu. Futhi uJesu wathi, “Izakuba iseduzeduze, ensukwini zokucina, izakukhohlisa abaKhethiweyo uba kusenzeka.” Kodwa, khumbulani, ngabaKhethiweyo kuphela abazakubona.

UNkulunkulu ubiza ngokhetho. Wena, awuthokozi na ukuthi ungomunye wabo? Alinjalo, bantu lapha lobubusuku, usazi ukuthi enye into enhliziyweni yakho iyadonsa, “Ngifuna lowo Moya oNgcwele. Ngifuna Wena, Nkosi, enhliziyweni yami”? Kungenxa yokuthi uNkulunkulu wafaka ibizo lakho eBhukwini leWundlu lokuPhila umhlaba ungakasekelwa. Wakutsho lokho.

“Akulamuntu ongeza Kimi,” watsho uJesu, “ngaphandle uBaba Wami emdonsile kuqala. Futhi bonke abaza Kimi, Ngizabanika Impilo elaPhakade.” Kuyini iMpilo elaPhakade? UMoya oNgcwele. “Impilo elaPhakade,” thatha ibala lelo

futhi ulikhangele ngesiGriki, futhi lathi, *Zoe*. Zoe nguMoya oNgcwele. "Konke lokho uBaba aNgiphe khona kuzakuza Kimi. Futhi bonke abaza Kimi, Ngizamupha uMoya oNgcwele, futhi Ngizamvusa ngosuku lokucina. Ngizakwenza," Watsho. Kungayisikho o-aluba labo futhi Ngakho. "Ngizakwenza. Konke lokho okuzayo; futhi Ngiyapha iMpilo elaPhakade." Uzamele avuke, ngoba uleMpilo elaPhakade. Kumele abuye. Angeke afe njengoNkulunkulu engeke afe.

57 O, bangane bami abathandekayo abaselizweni leli futhi lakuleli idolobho elincinyane, nxa kuphela ngingakwenza, ngelizwi lami lomuntu, ngibeke enhliziyweni zenu ukuqakatheka kokwamukela ubhaphathizo lukaMoya oNgcwele, kuzakuba yisambulo esimangalisayo sibili owake waba laso empilweni yakho. Ukubona lokho . . . Kumele ukwenze.

Mangenze lokho kube sobala, mayelana, "Awuphendukanga."

58 UPhetro wayesindisiwe. Wakholwa eNkosini, Wamlandela. UJesu wamtshela ukuthi wayengubani, wamenza waMlandela. Wamnika amandla phezu kwemimoya engcolileyo futhi wamngcwelisa. Kodwa ngemva kwakho konke lokho, futhi waba yisikhulumi esikhulu seqembu; njengamaKatolika engafuna ukumbiza ngakho, "ubhishopi webandla, kumbe upapa," kumbe loba yini okwakuyikho, umuntu oyinhloko yebandla; kukanti uJesu wathi, ngobusuku bokuthengiswa Kwakhe, "UyaNgithanda na, Phetro?"

Futhi wathi, "Nkosi, Uyakwazi ngiyaKuthanda."

Wathi, "Nika izimvu Zami ukudla." Wakutsho lokho kathathu.

Futhi uPhetro wathi, "Uyakwazi ngiyaKuthanda, ngize ngihambe Lawe eku—ekucineni, futhi ngizahamba Lawe ekufeni," lokunjalo.

59 Wathi, "Iqhude lingakakhali kathathu, uza . . . iqhude lingakakhali, uzabe usuNgilandulile kathathu." Wathi, "Kodwa, Phetro, Ngikukhulekele." Lalelani. Kayisikho konke okwakho. "Ngikukhulekele. Futhi ngemuva usuphendukile, khona-ke qinisa abazalwane bakho."

"Emva usuphendukile." Wayememezile. Mhlawumbe wayedanse eMoyeni. Yena, wayeyenze inhlobo zonke zezinto, kodwa wayengakayemukeli uMoya oNgcwele. "Emva usuphendukile khona-ke qinisa abazalwane bakho," lokho kuliqiniso, "qhuba uhlelo Lwakhe."

60 Manje ake ngiqedise ukubala uJohane 14:12. Manje kusahluko 14 futhi lendima 12, uJesu wathi, "Ngiqinisile, ngiqinisile, Ngithi kini, lowo okholwayo . . . " Futhi awungeke ukholwe . . . "Okholwa Kimi." Ungakholwa *ku*Ye. Bangaki

abakuzwisisayo lokho? Wothini, “Ameni.” [Ibandla lithi, “Ameni.”—Mhl.]

61 Liyakhumbula, kuImisebenzi 19. Ngiyazonda ukumisa lokhu lapha, kodwa kumele ngikukhulume njengokuba kusiza kimi. KuImisebenzi isahluko 19, lapho lumtshumayeli womBaptisti, owayeli—ligqwetha futhi waphenduka, futhi wayetshumayela njalo esenza abantu basindiswe. Futhi babelentokozo enkulu, bethokoza nje bememeza, besiba lomhlangano. Imisebenzi 18, uAkwila loPrisila, sikhulume ngakho ubusuku obudlulileyo, futhi babehambe ukuyambona. Futhi babekwazi ukuthi wayeyindoda enkulu, njalo wayengumfundi. Futhi wayetshengisa ngeBhayibhili ukuthi uJesu wayeyiNdodana kaNkulunkulu, esazi kuphela ubhaphathizo lukaJohane. Wayengakabi kwazi ubhaphathizo lukaMoya oNgcwele. Ngakho wathi . . .

UAkwila loPrisila, leyondoda lomfazi, abenzi bamathente abancane; labo, uPhawuli wayengumenzi wama thente, laye. Futhi babeyamukele uMoya oNgcwele phansi kwemfundiso kaPhawuli. Bathi, “Silomfowethu omncinyane ozayo lapha. Makakhulume kithi kancinyane mayelana ngakho.”

Futhi lapho uPhawuli esebuyile futhi wamuzwa etshumayela, wabakwazi ukuthi wayeyindoda enkulu, wathi, “Lamamukela na uMoya oNgcwele selokhu lakholwayo?”

Bathi, “Asikwazi ukuthi . . . kumbe kukhona uMoya oNgcwele.”

Wathi, “Khona-ke kuwuphi,” kumbe ibala lesiGriki eliyilo lapho, “labhaphathizwa njani?”

Bathi, “Sesabhaphathizwa nguJohane uMbhaphathizi.”

62 Manje khangelani lokho uPhawuli akukhulumayo. UPhawuli wathi, lokho, “UJohane ngeqiniso wayebhaphathizela kukho ukuphenduka; hatshi ukuthethelwa kwezono, kodwa ekuphendukeni, esithi yikho lokho elakukholwayo.”

Nxa usamukela uKhristu njengo Msindisi wakho, ukho*le*lwa ekubhaphathizeni kukaMoya oNgcwele. Lokho akusilo ubhaphathizo lukaMoya oNgcwele, bazalwane bami abathandekayo beBaptisti. Ayisikho.

Umfowethu wathi kimi ngolunye usuku, wathi, “Mfowethu Branham,” kumbe esinye isikhathi esedlulayo, inyanga ezedlulayo, wathi, “Mfowethu Branham, uAbrahama wakholwa uNkulunkulu, futhi kwabalelwa kuye ukuthi yikulunga.”

Ngathi, “Qiniso.”

Wathi, “Kuyini okunye umuntu angakwenza ukwedlula ukukholwa?”

63 Ngathi, “Yikho kuphela umuntu angakwenza. Yikho kuphela angakwenza lamuhla, yikukholwa uNkulunkulu.

Kodwa uNkulunkulu wamnika uphawu lokusoka," lokho sidlule kukho ubusuku obedluleyo, "njengesibonakaliso sokuthi Wemukela ukholo lwakhe Kuye." Futhi, lamuhla, kuze kuthi uNkulunkulu . . .

Uyakholwa Kuye lapho umaMukela njengoMsindisi wakho. Kodwa lapho uNkulunkulu ekupha uphawu lukaMoya oNgcwele, ukubeka uphawu kuze kube sesiphethweni sakho salaPhakade lapho oya khona. Manje lina maBaptisti thathani lokho, futhi ngizahamba lani ekulondolozweni okulaPhakade. Yebo, mnumzana. Ngoba, "Lingamdabukisi uMoya oNgcwele kaNkulunkulu, lowo elibekwe uphawu ngaye kuze kube lusuku lokuhlengwa kwakho." Awubekwa uphawu ngokukho*le*lwa, kodwa ubekwa uphawu nguMoya oNgcwele. AbaseEfesu 4:30, "Lingamdabukisi uMoya oNgcwele kaNkulunkulu, elibekwe uphawu ngaye kuze kube lusuku lokuhlengwa kwakho." Lokho kuyakubeka uphawu, lapho usuthole isisa loNkulunkulu, futhi Wakubeka uphawu ngoMoya oNgcwele.

Kuyilokho, ngoba iBhayibhili lathi, "Akulamuntu ongabiza uJesu ukuthi nguKhristu, kuphela ngoMoya oNgcwele."

64 Uthi, "Ngiyakukholwa ngoba umfundisi watsho njalo." Uqondile, kodwa lokho akubali wena. "Ngiyakukholwa ngoba iLizwi litsho njalo." Kuqondile lokho, kodwa lokho akusikho kwakho, lokho akubali wena.

Indlela kuphela ongatsho ngayo ukuthi uJesu unguKhristu, kulapho uMoya oNgcwele ungena phakathi kwakho futhi uveze ubufakazi, futhi uZifakazele, "UyiNdodana kaNkulunkulu." Yiyo indlela kuphela owazi ngayo ukuvuka, kulapho uMoya oNgcwele eveza ubufakazi. "Lapho Yena uMoya oNgcwele esebuyile, Uzafakaza Ngami, alitshengise izinto ezizabuya; alethe lezi izinto, engazitshoyo, emikhumbulweni yenu." Awusoze ukuthole esikolweni. Bona? Uzaletha lezi izinto emikhumbulweni yenu.

65 Manje sifuna ukubala phambidlana kancinyane eMbhalweni lowu khathesi, uJohane oNgcwele 14:12.

> *Ngiqinisile, ngiqinisile, ngithi kini, Lowo okholwa kimi, imisebenzi eNgiyenzayo laye uzakuyenza njalo; futhi lemikhulu . . .*

Kuyikuthi, ukutolika okuyikho lapho yikuthi "eminengi," nxa ufuna ukukukhangelisisa.

> *. . . imisebenzi emikhulu kulaleyi uzakuyenza; ngoba Ngiya* ku*Baba*.

66 Nxa Wahamba kuBaba, uMoya oNgcwele wawuzakubuya. Kunjalo na? Omunye uMbhalo wathi, "Nxa Ngingahambi, uMduduzi akasoze abuye. Kodwa nxa Ngihamba, Ngizaphenduka njalo futhi ngibelani, laphakathi kwenu."

Bona, nguNkulunkulu elawe. Phezu kwakho, kuqala; elawe, kuKhristu; ekuwe, eMoyeni oNgcwele. NguNkulunkulu ekuwe.

67 Manje, "Imisebenzi eNgiyenzayo lani lizakuyenza njalo," hatshi omunye umsebenzi. Kodwa uNkulunkulu ufuna ukuletha uMoya oNgcwele, kuwe, ukuthi aqhubeke ngomsebenzi ofanayo lowo Ayewenza kuKhristu.

Umsebenzi wawungadingakali kangako ngensuku zikaLuther. Lelo kwakuliBandla likaNkulunkulu. Kwakungayisikho . . . Kwakudingeka kancinyane ensukwini zikaWesley.

Ngoba, "Umhlaba," iBhayibhili lathi, "bazakuba buthakathaka, futhi bahlakaniphe, njalo babebabi isikhathi sonke." Thina siya . . . Umhlaba uba mubi kakhulu sonke . . . Siyakwazi lokho. Ngani, umuntu wenza izinto lamuhla lezo, iminyaka elikhulu eyadlulayo wawungeke ucabange ukuthi kungaba lomuntu ololunya kangako. "Emubi kakhulu isikhathi sonke, futhi ababi bazakwenza ububi obunengi, sonke isikhathi," watsho uMbhalo, "okunengi lokunengi."

68 Ngakho, uMoya oNgcwele ubehamba. Kwakulomphefumulo omncinyane Wakho kuLuther; ukuphephetha okuncinyane Kwakho loWesley; futhi lokuphephetha okujulileyo Kwakho lamaPhentekhosti; manje umphefumulo loMoya sokube yinto yinye. Uyabambana ndawonye, eletha ukuphephetha okulamandla kukaMoya oNgcwele njenga lokho Akwenzayo emuva-le, ubonakalisa imisebenzi efanayo Ayenzayo emuva-le, iyabonakaliswa khona lamuhla, into efanayo.

69 Khangela lokho uJesu akukhulumayo: "Ngiqinisile, ngiqinisile Ngithi kini, iNdodana ayingeke yenza lutho ngaphandle Ibone uBaba ekwenza kuqala. Lokho uBaba akwenzayo, Uyatshengisa iNdodana. UBaba uhlala phakathi Kwami; Uyenza imisebenzi." Bona?

70 Manje nanzelela, nansi enye into lapha engizathanda ukuyitsho khona lapha. "Njengo," UJesu wathi, "ngengoBaba eNgithumile. Njengo," manje khangelani, "njengo Baba eNgithumile, lami Ngiyalithuma." "Njengo Baba . . ." UBaba waMthuma kanjani? UBaba, owaMthumayo, wehla phansi evela eZulwini futhi wahlala Kuye.

Wahamba phambili. Wathi, "Ngihlezi ngisenza lokho okuthokozisa uBaba Wami." Bona? Wahamba esenza izinto lezo uBaba ayeMtshengisa ukuthi azenze. "Angenzi lutho ngaphandle uBaba Wami aNgitshengise kuqala." UNkulunkulu aMthumayo, wayengaphakathi Kwakhe. "Futhi njengoBaba eNgithumile, indlela efanayo uBaba aNgithuma ngayo, Lami ngiyalithuma." Kuyini? UNkulunkulu ekuwe, eqhubeka (ini?) imisebenzi efanayo, ngokufanayo.

UJesu wathi, "I . . . lowo *okholwayo*, lowo oLami phakathi kwakhe, uMoya oNgcwele; lowo *okholwayo*, osevele wafakaza

ukuvuka Kwami, esazi ukuthi Ngikuye. Lowo oKimi; nxa ungahlala Kimi, Amazwi ami ahlale kuwe."

71 Manje uthi, "Ngihlala kuJesu; kodwa angikholwa sibili ekusilisweni nguNkulunkulu." Lokho kuyatshengisa ukuthi Akakho lapho.

72 "Ngikholwa kuJesu; angikholwa eMoyeni oNgcwele kulolusuku, hatshi njengalokho ababeLakho ngemuva-le." Lokho kuyatshengisa ukuthi Akakho lapho.

73 UMoya oNgcwele uzafakaza lonke iLizwi Alikhulumayo. Akasuye umqambimanga. Akesabi muntu kumbe inhlanganiso. Akadingi ukuyekethisela umuntu. Uyakhuluma futhi-ke Uyahlala lakho.

Nxa eziphakemeyo, lezingcolileyo, lezifundileyo, kumbe njengalokho esikubiza ngakho, izinothi ezingababusi, nxa babengafuni uKukwamukela, "UNkulunkulu uyenelisa kulawamatshe ukuphakamisela uAbrahama abantwana." Uzathatha izigebenga, lezidakwa, futhi lakho konke, njalo akuvuse. UNkulunkulu engakwenza, futhi Uyakwenza. "UNkulunkulu uyenelisa kulamatshe ukuphakamisela uAbrahama abantwana." Omunye uzakwenza, ngoba UnguNkulunkulu.

74 "Nxa lihlala Kimi, futhi laMazwi Ami kini, celani elikufunayo," ngoba licela iLizwi Lakhe, futhi iLizwi Lakhe liyiMpilo. Likukhulume. Nxa uNkulunkulu wakutsho, futhi uleqiniso ukuthi Wakutsho, uMoya oNgcwele uyafakaza ukuthi iLizwi lelo liqondile, khona-ke, nanko-ke, mfowethu. Kukhulume; nanko lapho. "Tshono kulintaba, 'Mawususwe,' ungathandabuzi enhliziyweni yakho, kodwa kholwa ukuthi lokho okukhulumileyo kuzakwenzakala." Kayisuwe okhulumayo, kodwa uBaba ohlala kuwe; Nguye okhulumayo. Ayisuwe okhuluma kuleyontaba, nguBaba okuwe, ekhuluma kuleyontaba. Kumele isuke. "Wonke amazulu lomhlaba kuzakudlula," Wathi, "kodwa uMoya Wami awusoze, kumbe, iLizwi Lami aliyi kwedlula." Sibili, Alingeke ledlule. Baba!

75 Manje, "Imisebenzi eNgiyenzayo." UNkulunkulu useBandleni Lakhe, ukuqhubeka ngemisebenzi Yakhe. Yikho Wathumela uMoya oNgcwele. Manje, Wayekwazi lokho. Yena, Wayekwazi ukuthi akusoze kubenjalo, kwakungasoze kwenziwe ngaleyo ndlela, ngakho ngeyinye indlela, ngakho Kwakumele athumele. UBaba wathumela iNdodana, wafaka konke okwakuphakathi kwe fon-. . . INdodana kuwe. Futhi lemisebenzi efanayo Ayenzayo, imisebenzi efanayo manje leyo uJesu ayenzayo, lani lizayenza, iBandla.

Awungeke uthande ukwenza imisebenzi kaNkulunkulu? UJesu wathi, "Nxa ufuna ukwenza imisebenzi kaNkulunkulu, kholwani Kimi." Ukholwa njani Kuye? Awungeke ukwenze lokho uze ube loMoya oNgcwele.

76 Ngoba, akulamuntu ongathi uyiNdodana kaNkulunkulu; utsho lokho okukhulunywe ngomunye umuntu. "IBhayibhili lathi ukuthi uyiNdodana kaNkulunkulu; ngiyalikholwa iBhayibhili." Kulungile. "IBhayibhli lithi UyiNdodana kaNkulunkulu; Ngiyalikholwa iBhayibhili. Umalusi uthi UyiNdodana kaNkulunkulu; Ngiyamkholwa umalusi. Umama uthi uyiNdodana kaNkulunkulu; ngiyamkholwa umama. Umngane wami uthi uyiNdodana kaNkulunkulu; ngiyamkholwa umngane wami."

Kodwa indlela kuphela engingatsho ngayo ukuthi uyiNdodana kaNkulunkulu, kulapho uMoya oNgcwele ungena phakathi futhi azifakaze Ngokwakhe, khona-ke ngiyakwazi ukuthi uyiNdodana kaNkulunkulu. "Akulamuntu ongabiza uJesu, 'UKhristu,' kuphela ngoMoya oNgcwele." Lapho!

77 Akulamuntu okhuluma ngoMoya kaNkulunkulu owabiza uJesu ngokuthi uqalekisiwe, kumbe uthi Wayengolunye ulutho ngalolosuku futhi lenye into lamuhla. Lokho kumenza abebuthakathaka futhi abelamaphutha. Hatshi, mnumzana.

Ungofanayo izolo, lamuhla, lanininini. Umoya wonke weqiniso uzafakazela lokho. Kulungile.

78 Manje, Wathi, "Leyi imisebenzi engiyenzayo lani lizayenza njalo," UJohane 14:12, manje, imisebenzi efanayo.

"O," bathi, "ibandla lenza umsebenzi omkhulu lamuhla." Ngayiphi indlela?

Wathi, "Imisebenzi engiyenzayo."

"Lokho," bathi, "awu, silamamishinari umhlaba wonke, lowo ngumsebenzi omkhulu."

79 Kodwa Wathi, "Imisebenzi eNgiyenzayo." Manje iyenze, iyenzeni kuqala, khona-ke beselikhuluma ngamamishinari.

80 Lamuhla, ngikhuluma lapha isikhathi esedluleyo mayelana ngomMohamedi, wathi, "UMohamedi sowafa."

"Kunjalo, usethuneni, kodwa ngolunye usuku uzavuka." Wathi, "Nxa evuka ethuneni, umhlaba wonke uzakubakwazi phakathi kwamahola angamatshumi amabili lane." Wathi, "Lina bantu lithi uJesu wavuswa iminyaka eyinkulungwane ezimbili, futhi akula loyedwa phakathi kwabathathu abantu asebekwazi."

Lokho kungenxa yokuthi ukhulume ngombono wengqondo yakho. Ukhulume ngesimo sesikolo kumbe imfundo.

Nxa lonke leli, ibandla elikhulu likaNkulunkulu, sibala amaKatolika, Protestanti, bonke ndawonye, babeyamukele uMoya oNgcwele, lumhlaba ungabe umi uqinile esiKhristwini; ngabe kungelanto enjengesikhomanisi; bekungasoze kube lento enjongombango, kumbe ubutha, kumbe ulunya, kumbe inzondano. UJesu angabe ehlezi esiHlalweni Sakhe, futhi

singabe sihamba phakathi kwamaparadiso kaNkulunkulu, leMpilo elaPhakade, siphila ninilanini; sesivusiwe emzimbeni omutsha, sihamba hamba, singasaluphali, singasabimpunga, singasaguli, singasalambi; sihamba entokozweni zeNkosi, sikhuluma lenyamazana. Futhi, o, lusuku bani! Kodwa senze konke ngaphandle kwalokho Yena . . .

81 Wathi, "Hambani emhlabeni wonke futhi litshumayele iVangeli." Lenzani iVangeli? "Kungeyisilo iLizwi kuphela, kodwa ngaMandla lokutshengisela kukaMoya oNgcwele." Usenza iLizwi likaNkulunkulu libonakale, liVangeli.

82 Awungeke ukwenze. Manje, uJesu wayekwazi lokho, ukuthi kwakumele Aphile eBandleni Lakhe.

Ngakho-ke, wayekwazi ukuthi sizakuba lezikolo zokuhlakanipha. Futhi awusoze ukuthole lokhu esikolweni sokuhlakanipha. Bazabe bephikisana lakho. Ngoba, konke abakwaziyo yimfundo yomuntu okhaliphileyo, eyinye ivumankolo kumbe inhlanganiso yesonto abafuna uku—ukuphila ngayo. Ngakho baza—bazakubeka kulokho futhi bakwenze ubelilunga lalowomzimba, futhi, mfowethu, bakucaphunele ezinye izinto ezivela kusivumankolo eyayingakhangeleka sengathi iphelele nje. "Ibandla elikhulu elingcwele, umama, lamela ukutshaywa okunengi, lamela ukudutshuzwa okunengi." Kanjalo lodeveli; ukhahlelwe phandle kwendawo yonke ekhona, phose, futhi ulokhu ehamba ngokufanayo nje. Yebo, mnumzana. O, bazazama ukucaphuna lezi.

83 Ngakho uJesu wayekwazi ukuthi kuzakuba khona ingqubo yenhlakanipho njengalokho okwakukhona ngezinsuku Zakhe, ekugeziseni imbiza lamapane, futhi lokugqoka impahla, futhi lamakhola aphendulelweyo, futhi lento yonke njengoba babesenza, zonke lezi izinto ezitshiyeneyo ababengazenza. Wayekwazi ukuthi bazakwenza lokho, ngakho Wathi, "Manje manini umzuzu nje. Angisoze ngilitshiye lingaduduzekanga, Ngiyaphenduka njalo ukuzoba lani. Ngakho-ke," Wathi, "imisebenzi engiyenzayo, lizakuyenza lani."

84 Isizatho sokuthumela uMoya oNgcwele kwakuyikuthi uNkulunkulu aqhubeke ngeqembu labantu, ukuqhubeka ebonakalisa uNkulunkulu emhlabeni. Yikho kanye. Kungeyisikho ngesivumankolo, kungeyisikho ngenhlanganiso yesonto, kodwa ngaMandla okuvuka Kwakhe, ngokwenza iLizwi Lakhe libe qotho; ngokuthatha isithembiso Sakhe, futhi lokuma ohlangothini lwabayingcosana, njalo lokukholwa uNkulunkulu; futhi khangela izibhakabhaka ezimnyama zibuyela emuva, futhi laMandla kaNkulunkulu engena phakathi futhi ethatha indawo. Ameni. Yikho lokho Akufunayo. Yikho lokho uMoya oNgcwele owathunyelwa khona. Yiyo injongo leyo Awuthumela

Yona. Siyakwazi ukuthi Uyini khathesi, futhi yiso isizatho WaWuthumela.

85 Ngakho-ke, akula elinye igazi elalingangcwelisa abantu. Ngangingeke ngikungcwelise, futhi wawungeke ungingcwelise, ngoba sonke sizelwe ngokuhlangana kwendoda lomfazi. Kodwa uJesu wazalwa kungela kuhlangana kwendoda lomfazi, kunjalo, ngakho iGazi Lakhe lalingcwelisa. Futhi uNkulunkulu wehla phansi, wenza umzimba, waphila phakathi kwawo, wachitha leloGazi ngokungcweliswa kwalokhu, lelo ngoqobo lakhupha icala lesono lehlazo. Khona-ke, ngokholo, sikholwa kuLokho, uNkulunkulu uyehla phansi kulowo mzimba womuntu, ngokungcwelisa kwalelo Gazi, ambeke iNzalo kaAbrahama, ngokholo.

86 Ukukholwa ukuthi leloGazi lizabuya, leloGazi elimsulwa lizakuba yisimanga njengegazi lakhe, waya khonalapho emva "wayefana lokuthi ufile." Wakholwa uNkulunkulu okweminyaka engamatshumi amabili lanhlanu, yena iminyaka engamatshumi ayisikhombisa lanhlanu ubudala, futhi wakholwa waze waba lekhulu. Futhi uSara, amatshumi ayisithupha lanhlanu, futhi wakholwa waze waba lamatshumi ayisificamunwemunye. "Futhi wayefana lokuthi ufile."

Futhi uNkulunkulu wathi, "Ukuze abantu ngeqiniso bengakweqi, umthathe phezulu lapha entabeni futhi umnikele njengomhlatshelo."

87 Wathi encekwini, "Manini lapha lembongolo futhi lilindele. Indodana lami sizakuyaphetsheya futhi sikhonze, futhi indodana lami sizaphenduka." O, uzakwenza njani na?

UAbrahama wathi, "Ngamamukela njengovela kwabafileyo. Futhi ngiyakwazi ukuthi Lowo owanginikayo, enjengovela kwabafileyo, uyenelisa ukumvusa kwabafileyo nxa kuphela ngingagcina iLizwi Lakhe. Gcina, ngiyagcina iLizwi Lakhe; Uyenelisa ukumvusa kwabafileyo."

88 Kukhuluma ngokupheleleyo ngoKhristu! Nango Yena lapho. Futhi ngaleso sicucucu sesakhiwo seGazi kwabuya uMoya oNgcwele, owawuZibophe emzimbeni obizwa uJesu. Lelo Gazi langcwelisa indlela, ngokholo, ukubiza abahlengiweyo, kumbe abaKhethiweyo bakaNkulunkulu. Futhi lapho usuyemukele Lokho, futhi uMoya oNgcwele esekhuphe ulunya lonke kuwe, Uyangena phakathi, uNkulunkulu Ngokwakhe, ukusebenza intando Yakhe.

101 Ingqe kuphela uNkulunkulu elabantu, uNkulunkulu uleBandla, uNkulunkulu uloMoya oNgcwele ematsha kanye Lawo. Yikho lokho uNkulunkulu akunikela khona uMoya oNgcwele. Izikhaliphi zizaphakama; zihlezi ziphakama. Kodwa uNkulunkulu ulengcosana kweyinye indawo. UNkulunkulu uleBandla elincinyane elizaqhubeka ngobhaphathizo lukaMoya oNgcwele, besemukela ukuKhanya. Futhi bazakuba yibo labo, ngobufakazi babo, abazakwahlulela umhlaba.

Alitsho yini iBhayibhili ukuthi uJesu wathi, "Babusisiwe abamsulwa enhliziyweni; bazabona uNkulunkulu"? Futhi Alikutsho yini, ukuthi, "Abalungileyo, abangcwele, bazakwahlulela umhlaba"? Sibili.

Ubufakazi bakho lamuhla buzaletha ukwahlulela mayelana ngedolobho leli. Ubufakazi bethu bobhaphathizo lukaMoya oNgcwele laMandla kaNkulunkulu, impilo engcwele, buzaletha ukwahlulela mayelana ledolobho. Lapho leli...

102 "Labo abokuqala bazakuba ngabokucina; labo abokucina bazakuba ngabokuqala." Angisoze ngazi lutho ngoSankey

loMoody, ekuvukeni kwabo. Kabasoze bazi lutho ngami, kulokhu. Kodwa ngizakuma kulokhu, ukupha ubufakazi; lawe uzakwenza.

Futhi ngalokho, ngokuhlakaza ukuKhanya kwakho, lobhaphathizo lukaMoya oNgcwele, langempilo eliziphilayo, lezinto uNkulunkulu azenzileyo ukutshengisa ukuthi Uhamba lapha; futhi lokukhalipha kwabo, basuka Kukho; bazakwahlulelwa ngabangcwele. Sebevele bahlulelwa. Sebevele bakwedlula khona. O, minabo!

103 Bengikhuluma ngaMandla okukhuleka, Amandla okukhuluma, Amandla empilo engcwele. Ameni. Yikho lokho uMoya oNgcwele ozakwenza.

104 Abanye benu lina bantu lihamba lapho, lisithi, "Awu, angikwanisi ukutshiya ukunatha. Angikwanisi nje ukutshiya *lokhu*."

UMoya oNgcwele uza ukuzophila phakathi kwakho, ukwenza konke lokhu *ukungakwanisi* kusuke kuwe. Kunjalo. Wenze abafazi bayekele ukuquma inwele zabo, ubenze bayekele ukugqoka okabhudula lamabhulugwe. Akula zaba. Ubenze batshiye ukunyeya. O, yebo, yikho lokho Ongakho, ukukwenza impilo engcwele. Uzalandela izilayezo zeBhayibhili sonke sikhathi.

105 Umfazi uthi, "Kuyatshisa nje kakhulu; Kumele nje ngigqoke lezi. Kungitshayisa ngekhanda nxa ngitshiya inwele zami zikhula."

Kodwa akulazaba ngoMoya oNgcwele. Ulapho ukukwenza kube njalo. Uzalandela iLizwi khona kanye nje. Yikho lokho uMoya oNgcwele ozakwenza.

Yikukwenza wena ndoda utshibilikise ikhanda lakho kubo abafazi abagqoke okungakwananga, futhi utshiye ukubakhanuka, futhi lamalunga ebandla. Yikho lokho Omele ukwenze.

106 Yikukwenza utshiye ukubhema lokunatha, futhi ube. . . ufuna ukuba yisikhulu. Uzakususa lokho kuwe. Uzakuthoba lapho usenza lokho. Yikho lokho uMoya oNgcwele ongakho. Ungowempilo engcwele. Kunjalo. Ukwenze utshiye ukunyeya. Ukwenze utshiye ukudlala amakhasi, ukudlala amadayiza, lazo zonke ezinye lezi izinto ozenzayo ekhoneni.

Uzakwenza utshiye ukuqhubeka kwakho ngendlela oyenzayo, uphila ngokungaqiniseki kumkakho. Yikho lokho Ozakwenza. Kunjalo. Uzakuyekelisa ukufuna ukuthatha umfazi womunye umuntu. Kunjalo sibili.

Yikho lokho Oyikho. Yikukwenza uphile impilo engcwele. Yikho lokho uMoya oNgcwele ungaMandla okokwenza, "ukubeka izifiso zakho ezintweni zaPhezulu," lapho uNkulunkulu ama khona e. . .?. . .umqondo kaKhristu kuwe.

Awungeke ukwenqabele ukubona lezozinto; lapho ukhangela kizo, uyatshibilikisa ikhanda lakho. Kunjalo. Yikukwenza.

107 Wena uthi, "Angikwanisi ukukwenza. O, angeke nje ngikwenze." Sibili, *awu*ngeke.

Kodwa uMoya oNgcwele walanda injongo leyo. Yikho lokho Owakwenzayo. Weza ukuzokhupha kuwe, yonke imikhuba yakudala lezinto ozenzayo.

Lokho okudala ukunyeya, uzehlukanisa, usithi, "Busisa uNkulunkulu, ngingumMethodisti, angiyi kuba lolutho lokwenza lalabo abagiqiki abangcwele abadala." UMoya oNgcwele weza ukuzokhupha lokho kuwe.

108 "NgingumBaptisti. NgingumPresbyterian. Angisoze ngiye kuleloxuku labagiqiki abangcwele abakudala." UMoya oNgcwele weza ukuzokhupha bonke ubulukhuni phandle kwakho. Yikho lokho Owakwenzayo. Uyakugeza eGazini; aku ayine. Yikho lokho Oweza ukuzokwenza.

Wabuya ukukuqondisa. Wathi, "Ukwenza indawo ezingaqondanga ziqonde." Yikho lokho Oweza ukuzokwenza; ukukuqondisa. "Ukwenza indawo eziphezulu zehle phansi; wenze izintaba zonke zikhangeleke sengathi ziyaqolotsha zonke njengenqama ezincinyane, futhi wonke amahlamvu aqakeza izandla zawo, kuwe." [UMfowethu Branham uqakeze izandla zakhe—Mhl.] Inyoni zihlabela okwahlukileyo. Amabhera entokozo ekhala. Akula mazaba. Yikho Oweza ukuzokwenza. Yiyo injongo kaNkulunkulu ethumela uMoya oNgcwele, ukuze wenze lezi izinto, ukuze uhambe ngokuMlandela.

Nxa usithi uLawo, futhi ulecala lalokhu, ngiyamangala ukuthi kuyini okukukhokhelayo. UNkulunkulu kasoze akukhokhele ngaphandle kweLizwi. Uzakugcina uleLizwi, ngoba yiyo imilayo kaNkulunkulu uQobo, yeBandla Lakhe, ebantwini Bakhe, ebafazini, lasemadodeni.

114 "Awu," uthi, "akungoni ukwenza *lokhu* kumbe *lokho*." Akukwenzi? ILizwi lithi kuyakwenza.

120 "O, nxa nje unganatha ukuzilibazisa, futhi nje ubusudakwa kancinyane, kanye ngesikhatshana."

Kodwa uNkulunkulu wathi, "Maye kuye."

121 "O," wena uthi, "kulungile, Mfowethu Branham. Ngi—ngi—ngiyaquma inwele zami ngoba ngokwento eqotho. Umfazi, liyazi, bonke abafazi bayakwenza." Angilandaba lokho abanye abafazi abakwenzayo. Abayisiwo umzekeliso wakho kumbe abaso basi wakho. Nxa uloMoya oNgcwele phakathi kwakho, uzalandela izilayezo Zakhe kungelani lokuthi abantu bathini ngawe.

150 Omunye owodwa uMbhalo, nxa lifuna ukuwubhala phansi, uJohane 12:24. Mangilicaphunele wona ngokuphangisa. UJesu wathi:

> . . . nxa *uhlamvu lwenqgoloyi* luwela *emhlabathini* . . . *ngaphandle* lufe, alungeke lulethe enye impilo.

Manje, khangela, esinye isitsho esisodwa sokuvala manje. Futhi khumbula, khona-ke, ngempela . . . Yebo sibili, i—ibele, eBhayibhilini, bengikubala nje khona lamuhla, kukhuluma ngentanga yefulakisi loba yiluphi uhlobo lwentanga, kodwa, ingqoloyi, ibhali, umumbu, kumbe ini, kulibele. kodwa lapho uhlamvu lwengqoloyi luwela emhlabathini, khathesi, kukhona . . . Sonke thina lapha sibonile, siyakwazi lokho kuyenzakala. Uhlamvu lwengqoloyi, kumbe intanga yebele,

ingakhangeleka njengalokho okungaba yikho, futhi uyifake emhlabathini, futhi nxa uhlamvu lolo . . .

Lulempilo eqhubekela phambili. Luzakuya phansi lamuhla, luzizale ehlangeni; futhi luphenduke njalo phansi, futhi luye phezulu njalo; futhi luphenduke phansi. Yimpilo eqhubekela phambili.

Nxa ibele lelo lingela mbewu yempilo kulo, akulandaba likhangeleka lilihle okunganani, alisoze limile. Lizangena emhlabathini futhi libole, futhi yikho. Ingxenye yalo, okulibumbayo, kungasetshenziswa ukwenza ifethalayiza lezinto emhlabathini. Kodwa mayelana lokuba libe liphila njalo, alisoze liphile ngaphandle lilempilo eqhubekela phambili phakathi kwayo. Loba ngubani uyakwazi lokho. Awungeke nje.

152 Kungaba labantu ababili, omunye wabo eyikho kanye nje, bobabili babo befanana nje. Omunye wabo angaba ngumuntu olungileyo, angenza imisebenzi emihle, angenza okunjalo; kodwa ngaphandle umuntu lowo abe leMpilo elaPhakade kuye, akasoze aphakame ekuvukeni. Angeke akwenze; akula lutho lapho lokuvusa. Akula lutho lokumphakamisa, akulaMpilo. Ngakho, uyabona, mfowethu othandekayo, dadewethu othandekayo, ngaphandle umuntu azalwe kutsha, angeke langayiphi indlela aphenduke eMbusweni lowu. Angeke. "Ngaphandle uHlamvu lolu lwengqoloyi luwele emhlabathini futhi lufe." Wayekhuluma Ngaye. Kodwa Wayelayo, kungasi mpilo eqhubekela phambili, Waye leMpilo elaPhakade; futhi iMpilo Akupha yona, ukuthi ungaba lohlobo lwempilo efanayo.
