Nalolu uLwesithathu oluzayo ebusuku...Ngifuna ukumuka kusasa, emva kwenkonzo yomngcwabo ngeyodwa ngizomemezela emizuzwaneni embalwa. Sizonazisa ngoLwesithathu ebusuku. Sifuna ukuya ngokuba yizithunywa, sonke, enhla ukuvakashela uMfowethu Graham ngaphambi kokuba avale inkonzo yakhe enhla lapho. Futhi sizozama ukuthi sithole lonke ibandla libe ndawonye, uma singaphumelela, futhi sihambe njengezithunywa ukuyohlanguka, ukuba sibe noMfowethu Graham kwenye yezinkonzo zakhe.

<sup>507</sup> Futhi, manje, kulentambama e—esizindeni sabangcwabi eCharlestown, ngu—nguNkk. Colvin, owake weza ebandleni lapha eminyakeni eminingi edlule, eneminyaka engamashumi ayisikhombisa—nane ubudala, ushiye lokhu ukuphila izolo ukuba ayoba neNkosi uJesu. Nomngcwabo wakhe uzoshunyayelwa ngoMsombuluko, nguMfu. Mnu. McKinny, wayevame, ngaphambilini, umelusi webandla leMethodisti e—ePort Fulton iminyaka eminingi, owayengumngani oqondene nabo. Ngokuba sonke siyazi ukuthi konke lokho kuyini, thina ebesizezansi kulezo, ezigodini, qobo lwethu, futhi siyazi ukuthi kusho ukuthini ukulahlekelwa ngumngani. Futhi ngakho

si...Ulele e—endlini yesonto manje, eCharlestown, eIndiana. Uma nyenyuka kulentambama, ngani, bekungathokozelwa ngumndeni wakwaColvin, ngiqinisekile. Abaningi babantu bakubo uza lapha etabernakele namanje. Ngibashadisile, ngabangcwaba, ngababhaphathiza, cishe impela, umndeni wabo, wonke. Futhi ngakho uMnu. Grayson, owayevame ukuba ngumakhelwane wethu khona lapha, ngumngcwabi enhla lapho.

<sup>508</sup> Bese kuthi—ke lokhu, kulobubusuku, iNkosi ithanda, lapho esishiya khona kulokhu ukusa, sizozama ukucosha kulobubusuku, kulokhu ukutadisha okukhulu esikutadishayo manje. Futhi—ke ngicabanga ukuthi lokho bekuyizimemezelo, ngo—ngokwazi kwami—mi. Futhi kulolu uLwesithathu oluzayo ebusuku, manje, sizomemezela ngobusuku esizokwenyuka ngalo sibe noMfowethu Graham.

<sup>509</sup> Futhi semukela zonke izihambi emasangweni akithi. Futhi siyajabula ukuba nani lapha kulokhu ukusa, futhi sikhulekela ukuthi uNkulunkulu uzothi kakhulu impela, ngokuninginingi, anibusise namhlanje ngalokhu ukubuthana.

<sup>510</sup> UMfowethu Cox usanda kungitshela nje ukuthi impahla yokukhuluma emphakathini ibingasebenzi kahle kakhulu ngesikhathi. Mhlampe ku, mhlawumbe ngokwesimo sezulu, inqwaba yomswakamo emibhobheni lapho. Futhi ayimihle kakhulu, okokuqala nje, ngakho lokho kungaba yimbangela.

<sup>511</sup> Njengoba ngibona udade ehlezi lapha engimaziyo, uDade Arganbright. Ngi...Lokhu akukuhle futhi—futhi ukhloniphana kwabantu, ukubuza lokhu, kodwa uke wezwa kuMfowethu Arganbright selokhu ewelile. Ngikhathalele kakhulu ekuzweni kuye masinya nje uma singaphumelela. UseSwitzerland naseJalimane, emhlanganweni laphaya noMfowethu Tommy Hicks noPaul Cain. Uma kwenzeka uzwa, Dade Ruth, ungazise masinya, ngokukhulu nje ukushesha ongakwenza.

<sup>512</sup> Manje, itabernakele elincane alinabulunga, kodwa sinenhlanganyelo. Asinasivumokholo kodwa uKristu, asinamthetho kodwa uthando, asinancwadi kodwa iBhayibheli. Leyo yiyonaNcwadi kuphela esazi ngayo, nento kuphela esiyaziyo, njengoba sinayo. Njengoba iGazi likaJesu Kristu lisihlanza ezonweni zonke, sinenhlanganyelo omunye nomunye, wonke umuntu.

<sup>513</sup> Bengiqaphele, kulokhu ukusa, kwabanye benu bantu ningahle ukuba nimzwile omunye umfowethu ekhuleka. Lowo bekuyiKatolika, ngakho, noma obeyiKatolika ngaphambilini. Futhi sinazo zonke izinhlobo ezechukene zabantu abeza lapha. Nje ngisanda kuba nenhlanhla, emizuzwaneni embalwa edlule, ukuxhawulana nomfowethu oyiMennonite ohlezi phakathi lapha. NakumaMennonite, kumaMethodisti, kumaBaptisti, neKatolika, kumbe noma ubani othandayo,

mabeze. Futhi sihlanganyela ndawonye ngasezithembisweni zeZwi likaNkulunkulu. Ohleziyo okhona nguFakazi kaJehova nezinhlubo ezehlukene zabantu, ngabona amahlelo ehlukene.

<sup>514</sup> Ngangivame ukuthanda (awu, ngisayithanda namanje) iNtshonalanga. Ngiyawathanda amahhashi nezinkomo. Ngakhuliswa epulazini nje, futhi ngi—ngiyalithanda. Futhi sasivame ukuba nokuqoqa izinkomo, futhi ngangihamba nabo. Futhi sasinohango lokushushumbisa. Angazi noma nina bantu baseMpumalanga niyazi ukuthi yini uthango lokushushumbisa, noma qha. Kungenkathi lapho ufaka izinkomo e—ehlathini, banohango lokuba zingashushumbi ababekubiza kanjalo, zehle zibuyele emadlelweni. Ezaidla utshani, lapho abakhulisa khona utshani bokuziphakela ebusika. Bese—ke kuba phezulu entabeni, kanti futhi banohango lokushushumbisa, lapho abehlukanisa khona amasikazi angaka neduna, kanjalonjalo. Kubizwa ngothango lokushushumbisa. Kodwa uthango lokushushumbisa olukhulu lulapho umqaphi wepulazi ema khona uma izinkomo zedlula.

<sup>515</sup> Futhi manje ngihlale lapho, usuku oluningi, esihlalweni sami sehhashi, futhi ngazibhekisisa lapho izinkomo zedlula. Kwakukhona zonke izinhlobo zohlobo ezazingena. Kwakukhona ezinye ezazibizwa nge “Dayimane.” Nezinye zazo kuthiwa i “Bar X.” Nezinye . . . Ezethu kwakuyi “Tripod,” into ethi ayifane nebheji lamaVulandlela. Umfo olandelayo, ngezansi kwakho, kwakungu “mgudu wekewu” esehhashini. Futhi babenazo zonke izinhlobo zohlobo, u—ukwazi izinkomo zabo uma bezikhapha beziqhuba.

<sup>516</sup> Manje, umqaphi wepulazi wayengakukhathalele kakhulu ukuthi zazihlobo luni, kodwa nakhu okuyikho, umqaphi wepulazi wayekhathalele ukubhekisisa isilengiso esiyicici endlebeni yazo. Yonke into eyayingena lapho, akunandaba ukuthi kwakuwuhlobo luni, kwakufanele kube yiHereford yangempela. Yayingeke ingene lapho ngaphandle uma kwakuyiHereford. Yayifanele kube yimfuyo erigistiwe kungenjalo yayingeke yedlule.

<sup>517</sup> Ngiyacabanga, ngalolosuku uma sekufika iNkosi, Akazukunaka lutho ukuthi sifake hlobo luni, kodwa uma sonke singamaKristu azelwe ngokusha. Kunjalo. Leyo yimfuyo kaKristu. Ukuhlolwa kweGazi kuzosifakazisa, sonke singamaKristu. Futhi uma sonke sizoba ngaleyondlela *lapho*, singahle sibe ngaleyondlela nje lapha. Anicabangi kanjalo na? Yileyondlela, siyithokozela yonke inhlanganyelo kuwo onke amabandla ehlukene.

<sup>518</sup> Manje sitadisha kuleNcwadi yamaHeberu ebusisekileyo. Omunye umfowethu uyijabulele kakhulu useze wathatha amatayipu futhi wenza incwadi yezincwadi ezifundisa ngalokhu.

<sup>519</sup> Manje sizofika, masinya impela, esahlukwen 11. Sibheke ukuchitha ubusika kulokho, esahlukweni 11. Ngazinye zalezozimilo, sifisa ukubuyela emuva sedlule eNcwadini bese sibopha wonke umBhalo ndawonye. Bengizokwenza. Ngikwenza ngesigaba, kokunye kwalokhu, kwalezizahluko zangaphambilini, ukuthola yonke iNcwadi iboshelwe ndawonye. Ngokuba, niyabo, umBhalo ufanele ufakazise umBhalo.

<sup>520</sup> Ngakho-ke, uma kukhona ukuphikisana, ukuthi noma ubani ubengacabanga ukuthi imiBhalo iphikisana nomunye, leso yisiphosiso. Akukho-mBhalo ophikisana nomBhalo. U—ukuphikisana kulapho mhlawumbe Uphambana nendlela yethu yokuWubuka, kodwa Awuziphikisi. Kade ngisenkonzweni, ngiqhubekela eminyakeni engamashumi amabili-nesithupha manje, futhi angikaze, nakanye, ngithole into eyodwa eBhayibhelini ephikisana nanoma yini enye eyabhalwa eBhayibhelini. Futhi ngi—ngiyazi nje ukuthi ayikho lapho.

<sup>521</sup> Futhi namhlanje sitadisha kwesinye sezahluko ezibusiswe kakhulu impela zamaHeberu, isahluko 7. Futhi ukhona yini ongenalo iBhayibheli, ongathanda ukuba asilandele ekufundeni, singajabula ukukulethela iBhayibheli uma nje uzovele uphakamise isandla sakho. Ngizoba namanye amalunga amadala, omunye, eze lapha futhi athathe amanye. Omunye baphakamise izandla zabo emuva lapho. Futhi ngiyabonga, mfowethu. Futhi uma ufuna iBhayibheli, vele uphakamise isandla sakho nje, futhi bazokulethela lona.

<sup>522</sup> Manje, indlela kuphela ibandla elingakhiwa ngayo, indlela kuphela umuntu angaba nokuKholwa ngayo, ayisikho ngokwehlelo lakhe, hhayi ngokuzihlanganisa kwakhe. Kodwa ukuKholwa kwakhe akuphumule phezu kwesayense yezenkolo yeminye imibono yomunye umuntu, ngoba wona, uthi awube, ngumuntu ngakho konke. Kodwa indlela kuphela ukuKholwa okungathola ngayo indawo yakho yokuphumula eqinileyo, iphezu kweZwi likaNkulunkulu elinganyakaziseki nelingaguquleki. “Ukukholwa kuvela ngokuzwa, ukuzwa iZwi.” Kuthatha kanjalo-ke. Futhi—futhi uma ukuKholwa kuzwiwa futhi kwemukelwa, sekuxazululwe kuze kube-phakade. Akukho lutho okunye okungake kukugudluze, akunandaba ukuthi kufikani noma kuhambani. Akukho okungake kuguqule lokho kuKholwa. Cabangani ngalokho. Ugxilise okwehange, futhi awusenakuguquka, okwesikhathi nePhakade. Ugxilise okwehange kuze kube-phakade, “Ngokuba uNkulunkulu, ngomhlatshelo owodwa, uphelelise njalonjalo labo abangcwelisiwe, noma ababiziweyo.”

<sup>523</sup> NokuKholwa kunendawo enkulu ngempela kumKristu, impilo yekholwa, ukuthi kungathatha ukuma kwakho eceleni kwethuna elinodaka noma phezu kwebhokisi lomngcwabo ikhasikhethe, lapho ingane eligugu noma isithandwa sesedlulile kulokhu ukuphila saya ngaleya. Nangokugolozela kweso

lokhozi, ibingabheka kuYe owathi, “Ngingukuvuka nokuPhila.” Futhi bayazikhohlwa izinto esezedlule. Bajonga emgomweni wokubizwa okukhulu.

<sup>524</sup> Ngijabula kakhulu ukuthi uNkulunkulu uhlinzeke okunjalo, futhi ukwenze kwaba yisiphiwo sangesihle kubo bonke. Azoba yilokho-ke amabandla. *Amabandla* akuchazi khona ukuthi amahlelo noma izinhlango; kuchaza ukuthi, “Amaqembu abantu, bamakholwa, ohlangene ndawonye phansi kwenzlanganyelo yeZwi.”

<sup>525</sup> Futhi kulokhu ukufundisa okuyisimangaliso lapha kukaPawulu oNgwele, ezendlalalweni, ezahlukweni zangaphambili, ubephathelele ngqo nobuNkulunkulu obukhulu beNkosi uJesu nokuthi Wayengubani. UKristu wayenguNkulunkulu, wenziwa kanjalo ukuze abantu bakwazi ukuMuzwa ngokuMphatha nokuMthinta, ne-nenzlanganyelo naYe. UKristu, iNkosi uJesu, wayengumzimba uNkulunkulu ayehlala kuwo, “UNkulunkulu waba yinyama wakha phakathi kwethu.” UThimothewu wokuQala 3:16, “Kuvunyiwe ukuthi inkulu imfihlakalo yokukhonza, ngokuba uNkulunkulu wabonakaliswa enyameni.”

<sup>526</sup> UJehova oMkhulu wehla wayesenziwa obambekayo, ngokuhlala emzimbeni weNdodana yaKhe uQobo, ememezela futhi enza ukuba izwe libuyisane naYe. UNkulunkulu wayengelutho.. UKristu wayengasilele ngalutho kuNkulunkulu, no-nukulunkulu wayengasilele ngalutho kuKristu. Ababili ndawonye benza ubuNkulunkulu ngokomzimba, wenziwa wabamncinyane kuneziNgelosi, ukuze Ahlupheke. IziNgelosi ngeke zahlupheka. UJesu wayeyitabernakele uNkulunkulu ayehlala kulo.

<sup>527</sup> IBhayibheli lasho, esahlukweni 7 seZenzo zabaPhostoli, ukuthi, “Amatabernakele, nomhlatshelo wokushiswa neminikelo yokushiswa Awuyithandanga, kodwa UNgilungisele umzimba. Kepha Ophezu Konke akahlali ematabernakele enziwe ngezandla, kodwa UNgilungisele umzimba,” ukuthi ukuhlala etabernakele noma ukuhlala enzlanganyelweni nomuntu.

<sup>528</sup> UNkulunkulu evumela, sizothi nje singaqeda ngalesisahluko lapha, noma siqede ngaleNcwadi, sifuna ukubuya emuva bese sicosha iNcwadi kaRuthe futhi sikhombise phakathi lapho ukuthi uNkulunkulu waba kanjani yisihlobo somndeni, ukuba Abuyisane nolahlekile ngokuhlanganyela nokuba ngomunye wethu. Umhlengi ufanele abe yisihlobo somndeni, futhi indlela kuphela uNkulunkulu ayengaba yisihlobo somndeni kithi, ngokuba abe ngomunye wethu. Ngakho, Wayengeke abe yiNgelosi futhi abe yisihlobo somndeni kumuntu.

<sup>529</sup> Izolo kusihlwa ngenkathi ngikhuluma nendodana edabukile enhliziyweni, uphathini wami, kamama osanda kushona

nje, wathi, “O Mfowethu Bill, ngiqagele useyiNgelosi kulobubusuku.”

530 Ngathi, “Qhabo, Earl. Akasoze aba yiNgelosi. Ungowesifazane, kulobubusuku, njengoba uNkulunkulu amenza nje, futhi uyohlala enjalo, lutho ukuba yiNgelosi.” UNkulunkulu wenza iziNgelosi. Akazange enze abantu babe yiziNgelosi. Wenza iziNgelosi nabantu. Ngakho abantu abasoze baba yiziNgelosi, neziNgelosi azisoze zaba ngabantu. UNkulunkulu wabenza behluka.

531 Manje, futhi kuKristu eba yinyama ukuhlenga kulelophesheya elikhulu lapho umuntu ayewe khona, nalokho okungafi ngesono kwakwehlile, uNkulunkulu wehla wayesethatha isimo sesimo somuntu, wayeseba yisihlobo somndeni kithi, ukuze Athwale izono zethu nokufa kwethu.

532 Futhi komunye wemifanekiso ngokwenza ebesiyinikeza, ezifundweni zangaphambilini; isendlalelo esincane nje ukuze isifiki sizoqonda. UNkulunkulu, esendleleni yaKhe enyukela eKalvari. Njengoba udosi lokufa lwaluphezu kwaKhe, futhi lwalububuza luMzungeza, futhi ekugcineni lwaMtinyela waze Wafa. Wafa ilanga laze layeka ukukhanya. Wafa inyanga nezinkanyezi akwangakunikeza ukukhanya kwakho.

533 Noma, ukuthi Wakwenza kanjani lokho, ukusigxilisa okwehange isitinyeli sokufa! Ukuba Wayekade engumuntu onokungafi, ukuba wayekade esemzimbeni-moya, noma wayekade esemoyeni, ukufa akunakho ukulawulwa kwalokho. Kwakufanele kube yinyama, ukuze Akwazi ukuthatha isitinyeli sokufa. Kodwa uma inyosi noma isilokazana esitinyelayo, uma sike satinyela kwajula, asisophinde sitinyele futhi. Sishiya isitinyeli enyameni. Futhi yilokho uKristu a be-...noma uNkulunkulu aba yikho. UKristu wahlala enyameni, ukuze Asigxilise okwehange enyameni yaKhe uQobo isitinyeli sokufa. Futhi ngenkathi ukufa kumonyuka kuYe esiphambanweni, kwashiya isitinyeli sakho, akubange kusakwazi ukubuye kutinyele ikholwa. Kungenza umsindo wokumumaza, kungenza ukububuza nosongo, kodwa kungetinyele. Akunasitinyeli.

534 UPawulu oNgewele omdala, ekumasheni kwakhe kokufa, wamemeza kakhulu wayesethi, “O kufa, luphi udosi lwakho na? Futhi thuna, kuphi ukunqoba kwakho na? Kepha makabongwe uNkulunkulu osiphe ukunqoba ngeNkosi yethu uJesu Kristu, ngokuba kokubili ukufa nethuna kulahlekelwe amandla akho.”

535 Manje, manje-ke, ngeSonto eledlule sithathe, “Sidlula eziqalweni zemfundiso ngoKristu,” esahlukweni 6, sifunda lokhu, “siqhubekele kokupheleleyo.” Futhi sithole ukuthi abantu namhlanje emabandleni amaningi, kanye neBranham tabernakele nahlukeneyo, sibeka kakhulu ekutadisheni ngeziqalo ngoKristu: WayeyiNdodana ka-Abrahama, Wayeyindodana ka-kas'bani-bani, nasekuqhubekeleni emuva,

izizukulwana. Kodwa iBhayibheli lathi, “Asibeke eceleni lezozinto, futhi siqhubekele kokupheleleyo.”

536 Kuqala nifanele nazi imfundiso, bese kuthi—ke nifanele nazi zonke lezizinto; manje—ke asizibeke eceleni, Wathi, ngokuvuka kwabafileyo, ukubeka izandla, imibhaphathizo, nazo zonke lezozimpahla ezifile ngoNkulunkulu. Nokho, a—azinakuPhila kuzo. Kodwa ibandla namhlanje liya kulezozinto nje, “O, siyakholelwa ebuNkulunkulwini bukaKristu.” Yebo. Impela. “Siyakholelwa embhaphathizweni wamanzi.” Yebo. Impela. “Ukubeka izandla.”

537 UPawulu wathi, “Siyokwenza konke lokhu uma uNkulunkulu evuma. Kodwa ebusweni bakho konke lokho, asikubeke eceleni manje, futhi siqhubekele kokupheleleyo.”

538 Manje, ibandla lingeke lapheliswa ngezinhlango. Liqhela kakhulu kuNkulunkulu, ngaso sonke isikhathi, noma liqhela kakhulu kwelinye nelinye. Sidweba izithiyo, sizehlukana thina, kubonakala sengathi asinakho ukuKholwa. Kodwa manje—ke uma sidlula kulezozinqalozemfundiso, uma siqhubekele ekupheleleni, khona—ke lezozinto ezincane ziphenduka zingabe zisaba ngezisetshenziswa kangako.

539 Singena ekuhlobaneni, futhi sithola ukuthi indlela kuphela esingapheleliswa ngayo ngokuba kuKristu. Futhi siyathola—ke, ngokufundisa kweBhayibheli, singena kanjalo—ke kuKristu; hhayi ngombhaphathizo wamanzi, hhayi ngokubeka izandla, hhayi ngokufundisa. “Kepha ngaMoya munye thina sonke sibhaphathizwe sibe Mzimba munye futhi sibe ngabaphelelisiweyo ngokuhlupheka kwaKhe.” Manje—ke, sibuka ngokwehlukile. Sicabanga ngokwehlukile. Senza ngokwehlukile. Siphila ngokwehlukile. Hhayi ngoba kungumsebenzi esiwumiselweyo noma singabesonto, kodwa ngenxa yo “thando uNkulunkulu alwabe ndawo zonke ezinhliziyweni zethu ngoMoya oNgcwele,” lokho kusenza sibe yizakhamizi ezingabangani zoMbuso kaNkulunkulu, manje—ke akukho—hlelo noma zithiyo kulokho. Sonke singuMzimba omkhulu owodwa.

540 Manje sesilungele ukungena phezu kwesifundo sasekuseni, emizuzwaneni embalwa. Enye futhi into eyodwa engithanda ukufinyelela kuyo lapha, okungukuthi, ukuthi, uPawulu ekhuluma eNcwadini, yesesi 7. . . noma isahluko 6, siyathola lapha ukuthi senziwe saphelala kuKristu. Bese kuthi—ke evesini 13 lesahluko 6, isendlalelo esincane nje.

*Ngokuba lapho uNkulunkulu wamthembisa uAbrahama, wazifunga yena, lokhu kungekho omkhulu kunaYe,*

UNkulunkulu wazifunga Yena, ngoba Wayengenakufunga nganoma ubani omkhulu kunaye.

541 Manje sifuna ukubuyela emuva. Asiye kwabaseGalathiya imizuzwana embalwa nje. Sibuyele eNcwadini kwabaseGalathiya, futhi sithole kwabaseGalathiya 3:16. Futhi sizofunda lapha umzuzwana nje, ngalokho A funga ngakho.

*Manje-ke isithembiso zanikwa uAbrahama nenzalo yakhe. Akasho ukuthi, nakuzo izinzalo, kungathi ngeziningi; kepha kungathi ngeyodwa, . . . enzalweni, enguKristu.*

542 Manje uma nizoqaphela, nifunde lokho nisondele manje, lapho nifunda.

*. . . izithembiso (ubuningi) zanikwa uAbrahama nenzalo yakhe (ubunye).*

543 “UAbrahama neNzalo yakhe.” Manje, iNzalo ka-Abrahama yayinginye, okwakunguKristu; ngokufanekisela, uIsaka.

Kodwa uAbrahama wayenabantwana abaningi. Wayenoyedwa ngaphambi kokuba abe noIsaka, okwakukhombisa ukungena ngesinyelela kokungakholwa kukaSara owayefuna uHana ukuba alethe umntwana, ecabanga ukuthi wayeseguge kakhulu, noNkulunkulu ukuba edlela futhi enze enye indlela ethize endleleni Ayethembise ukukwenza.

544 Kodwa uNkulunkulu uyasigcina isithembiso saKhe. Akunandaba ukuthi kungabonakala kungokungenangqondo kanjani, uNkulunkulu ubophezelekile esithembisweni saKhe. NoSara wacabanga ukuthi mhlawumbe wayengaba noHana . . . noma uHagari, njalo, incekekazi yakhe, ukuba azale ingane ngoAbrahama, futhi wayezoyithatha. Naleyo yaba nguIshmayeli, okwakuyiva enyameni, kusukela lapho kuze kube manje. Kusalokhu kuyiva enyameni, ngokuba lapho kuvela ama-Arabu, futhi kade beyileyondlela njalo.

545 Manje, njalo uma ungakholwa yiZwi likaNkulunkulu elisobala futhi uzithathele enye indlela ethize, kuyoba yiva enyameni yakho kusukela lapho kuqhubeke. Thatha nje lokho okushiwo nguNkulunkulu. Uma ALisho, lokho yilokho nje Akuchazayo. O, malibusiswe iGama laKhe! Thatha iZwi laKhe nje.

546 Akunandaba ukuthi yini ezama ukwedlula, uthi, “Awu, ngempela Akuchazi khona Lokho.” Kuchaza nje lokho Elikushoyo, nxa uNkulunkulu enza isithembiso.

547 Manje uma sizoqaphela ngokusondela.

*. . . zethenjiswa uAbrahama nenzalo yakhe. . .*

Omunye kwakuyiNzalo, ubunye, nenye kwakuyizethembiso. Kunesithembiso esingaphezu kwesisodwa, nomuntu ongaphezu koyedwa ofakwe eNzalweni ka-Abrahama. Niyabo? KuneNzalo eyodwa, kodwa abantu abaningi baleNzalo. Niyabo? Babengesuye nje uAbrahama yedwa, noma kuIsaka yedwa. Kodwa i . . . Kwakukuyo yonke iNzalo ka-Abrahama.

Izithembiso senziwa kuleyo naleyonzalo ngayinye yaleyoNzalo. Niyakuthola na? [Ibandla lithi, “Amen.”—Umhl.]

548 “Ngakho-ke, thina, ngokuba ngabafile kuKristu, ngokwemiBhalo, sithatha iNzalo ka-Abrahama futhi siyizindlalifa ngokwesithembiso.” Hhayi ngokujoyina isonto, noma ukubumba izinto ezifile, noma—noma kanjalo. Kodwa ngokuzalwa nguMoya kaKristu, siyiNzalo ka-Abrahama, futhi siyizindlalifa ezihlangene kanye naYe eMbusweni.

549 Bese siyaqhubeka-ke, ukufunda, manje-ke, phambidlana nje manje, “UNkulunkulu wenza isifungo.” Manje ivesi 17 lesahluko 6.

*Lapho-ke uNkulunkulu, ethanda kakhulu impela . . .*

*. . . uNkulunkulu, ethanda kakhulu impela ukubonisa izindlalifa zesithembiso ukungaguquleki kwecebo lakhe, waqinisa ngesifungo:*

550 O, asiphumule manje imizuzu embalwa. “UNkulunkulu ethanda kakhulu.” Hhayi ukuthi Wayedingeka akwenze, kodwa ukwenza lokhu kube yinto eqinisekile.

551 Manje, sesivele simtholile uNkulunkulu eba yinyama, wakha phakathi kwethu, ukuthi Wazibonakalisa kanjani Yena ngakulo izwe. Ngenkathi Ethola owesifazane esekuphingeni, wathi, “Angi. Angikulahli. Hamba, ungabe usona.” Ngenkathi Ethola abagulayo, Wavele wenza nje ngendlela Ayezokwenza ngayo, ngokuba WayenguNkulunkulu, futhi Wa—Waphilisa abagulayo. Wavusa abafileyo. Wathethelela izono. <sup>662</sup> Niyazi, kwakuvamise ukuba nabantu abeza enkonzweni yami ePhoenix, eArizona, bethi, “Ngithanda ukuxoxa ngakho naYe. Ngithanda ukuthi, ‘Nkosi, Wangithanda lapho indlela yami yezinyawo yayifiphele kakhulu.’” Ngithanda nje ukuxoxa ngakho naYe ngaphambi kokuba siwelele ngaphesheya. Ngi—ngifuna ukuMbona. [Ibandla lithi, “Amen.”—Umhl.] “Wonke Ambizile, Umlungisisile. Labo Abalungisisile, Usevele ubakhazimulisile.” Nakho lapho okhona. Wasazi ngaphambili, wasibiza, wasilungisisa, futhi sesivele sikhazimulisiwe naYe, ekupheleni kwezwe,

<sup>667</sup> *Libusisiwe Igoda EliBophayo*, Dadewethu Gertie. "Izinhliziyo zethu othandweni lobuKristu," sisenalenhlanganyelo encane yokukhonza lapha manje, sizobe-ke sesikhulekela abagulayo. UNkulunkulu anibusise. Nina eniphakamisela izandla zenu kuKristu kulokhu ukusa, tholani indawo ukuba nikhonze, Mkhonzeni.

<sup>668</sup> Manje, asiMkhonze nje manje, njengenhlangano yebandla, nonke nina maMethodisti, church of God, Assemblies of God, maPresbyterian, maLuthela, Katolika. Sonke kanyekanye manje, asicule manje.

 simunye,  
 Futhi sithemba ukuphinde sibonane.

Uma singasekubonana lapha, ngaloloSuku olukhulu siyobonana.

<sup>670</sup> Manje, Baba, yemukela ukukhonza kwethu kulokhu ukusa. Thatha iZwi futhi uLitshale ezinhliziyweni zamakholwa. Kwangathi bangeshukunyiswe nje, futhi babephezulu namhlanje futhi babephansi kusasa, kodwa kwangathi lamaZwi angathola indawo yawo yokuphumula enhliziyweni yalolonke ikholwa. Ukwazi lokhu, ukuthi, “UNkulunkulu ufunge ngesifungo, futhi kunezinto ezimbili ezingaguquleki. Ukungaguquleki kukaNkulunkulu, okungukuthi, ukuthi akunakwenzeka ukuba Yena aqambe amanga, ukuze izindlalifa zalensindiso zibe nalelithemba elinamandla, ligxilile futhi liqinile, ihange emphefumulweni.” Ukwazi lokhu, ukuthi, “UNkulunkulu usethembisile, ngesifungo esifungelwe. Esisodwa, ukuthi Angeqambe amanga; esinye, Wafunga isifungo phezu kwalokho, ukuthi Uyosivusa ngomuhla wokuphela futhi asinike ukuPhila okuPhakade.” Sazi, ukuthi, “Emva kokuba sesibiziwe, ukuthi Wathi Wasazi ngaphambi kokusekelwa kwezwe, futhi wasimisela ngaphambili sibe nesimo sobuntwana ngoJesu Kristu. Futhi Wasazi ngaphambili. Wasibiza. Futhi ngenkathi Esibiza, Wasilungisisa.” Ngeke sazilungisisa ngesingathi, ngakho Wasilungisisa ngokufa kweNdodana yaKhe uqobo. “Labo Abalungisisile, Usevele ubakhazimulisile.” IZwi siivele likhulunywe. Futhi nje sisemgwaqeni wethu, sihambisana, sijabula endleleni yethu ebheke eNkazimulweni.

<sup>671</sup> Nika abantu ukukholwa, futhi kwangathi imikhuba emincane nezinto ezilenga kubantu, kwangathi bangazithintitha zisuke kubo, kulokhu ukusa, ngaleliZwi likaNkulunkulu eliyihange lomphfumulo, babambebele futhi baqinise. Kwangathi bangathintitha futhi basuke emikhubeni yabo, ulaka lwabo oluncane. Nezinto ebezi. . . Njengoba uPawulu wathi, ekuqhubekeleni phambili kwengxenywe yomlayezo ezinsukwini ezimbalwa, “Masilahle konke okusindayo, nesono esithandela kangaka kithi, ukuze sigijime ngokubekezela kulokhu ukuncintisana esikumiselweyo; sibhekile kumqalisi nomphelelisi wokukholwa kwethu, uJesu Kristu, Owalingwa ngayoyonke indlela njengoba nathi silingwa, nokho engonanga.” Wavunyelwa ukuba alingwe, kodwa Akakunakanga ukulingwa. Futhi silingwa ukuba sone, kodwa ukuba singakunaki neze. Ngoba ukuPhila okuphakathi kwethu kuyihange lesiphetho sethu saPhakade, futhi sibambe lobobungwele enhliziyweni yethu.

<sup>672</sup> Manje, baningi uSathane abahluphile ngezinhlupheko. Silungiselela ukubakhulekela, Baba. Kwangathi bona, njengoba

bedlula phansi kweZwi likaNkulunkulu namhlanje. . . LeloZwi eliyigugu elishunyayeliwe, iBhayibheli linikeza ubufakazi, iziNgelosi zikaNkulunkulu zimi eduzane, futhi uMoya oNgcwele omkhulu, ngaphezu kwakho konke, umi lapha ukunikeza ubufakazi eZwini. Manje, Baba, njengoba bedlula phansi kweZwi lesithembiso, kulokhu ukusa, kwangathi bangasuka lapha ukuba basinde. Ukususa izinsimbi zabo zokuhamba, ukuba bashiye izihlalo ne—nemibhejana eyizinhlaka abebelele kuyo, futhi ukuba nje benziwe baphile. Siphe khona, NKosi. Kwangathi bangabuya enkonzweni elandelayo abavunyelwe ukuza, noma emabandleni abo uqobo, bejabula, bekhombisa ukuthi zinto zini ezinkulu uKristu azenzile. Lokhu sikukhonzisa ngenkazmulo yakho, eGameni likaJesu. Amen.

<sup>673</sup> Ngifanele ngixolise ngesithembiso engisenzile, ukuthi kulokhu kusa besizoba nesahluko 7, kodwa angifikanga kuso. Kufanele sivumele isikhathi esincane lapha sa—salokhu, somugqa womkhuleko. Futhi manje, kulobubusuku, iNkosi ivuma, sizothatha isahluko 7, futhi sithole ukuthi kwakungubani loMelkisedeki. Bangaki abangathanda ukwazi na? O, sehlela kuYe nje ngqo, sithole nje ngempela ukuthi Ungubani. Futhi umBhalo uyasho ukuthi Ungubani. Niyabo?

<sup>674</sup> Futhi iScofield yasho kwakungu “bupristi.” Kwakungaba kanjani ubupristi, kungenakuqala noma bungenakuphela na? Niyabo, kwakungesibo ubupristi. KwakuyiNdoda, uMelkisedeki (igama), uMuntu.

<sup>675</sup> Njengokuthi, kungesikho ukudelela, kodwa iSayense yobuKristu ithi uMoya oNgcwele ungu “mcabango.” Futhi iBhayibheli lathi, “Yena, uMoya oNgcwele.” Futhi *Yena* isabizwana somuntu. NguMuntu; hhayi umcabango. NguMuntu. Ngokoqobo.

<sup>676</sup> Futhi uMelkisedeki uMuntu, uMuntu owayengenakuqala kwezinsuku noma ukuphela kweminyaka. Wayengenayise noma unina, noma uzalo. Futhi sizothola ukuthi Ungubani, iNkosi ivuma, kulobubusuku, ngeZwi. NiyaLithanda na? [Ibandla lithi, “Amen.”—Umhl.] O! “IZwi laKho liyisibani endleleni yami nasezinyaweni zami.” O!

<sup>677</sup> Manje, wena uthi, “Mfowethu Branham, angiLiqondi lonke.” Kanjalo nami.

<sup>678</sup> Kodwa, ngesinye isikhathi, ngangishumayela ezansi eKentucky. Futhi kwabanye abafika okokuqala, neKatolika nabanye abehlukile, abangeqonde ukuthi zijulile kanjani lezi, izinto ezicebile zomBhalo. Ngangikade ngishumayela ngokuphilisa kobuNkulunkulu. Intombazanyana encane ingafake lutho ezinyaweni yaletha. . . Yayingenayo iminyaka eyishumi nanhlanu ubudala, yayinengane encane, futhi yayife uhlangothi. Ngathi, “Yini indaba, dadewethu, ngengane yakho na?”

679 Yathi, “Inokudlikiza.” Yayingazi ukuthi izothini, ife uhlangothi. Yayingazi ukuthi kubizwa kanjani.

680 Intwana encane cishe impela yayingakaze iligqoke ipheya lezicathulo, empilweni yayo. Isithandwa sendoda ethize, izinwele ezinde zilengela phansi. Ngathi, “Uyakholwa na?”

681 Nalawo amancane, amehlo aqinile ampunga angibuka. Yathi, “Ya, mnumzane. Impela ngiyakholwa.”

682 Ngathatha inganyana. Futhi ngisayikhulekela, yayeka ukudlikiza. Ehhe. Futhi kwaphuma, kwaphuma.

683 Ngosuku olulandelayo, ngangizingela izingwejeje, ngale engxenyeni yentaba. Ngezwa indoda athize ehlezi lapho ekhuluma, isaha elidala likhala. Ngathi nyelele ngehla. Kade ngizingela izingwejeje. Ayekhuluma ngami, ehlezi lapho, ehlafuna ugwayi futhi ephimisa. Amaqabunga endiza, kanjalo. Futhi ayekhuluma ngo, manje, ngomhlangano wangobusuku bakuthangi. Enye yawo yathi, “Ngiyibonile leyongane. Ngiye eduze kwalapho, kulokhu ukusa. Ayisadlikizi, namanje kulokhu ukusa.” Niyabo? Yathi, “Lokho bekuyikho ngempela.” Futhi yayiphimisa.

684 Futhi ayenezibhamu zincike esihlahleni, ngakho ngacabanga kungcono ngizazise. Niyazi, ayenemibango ezansi lapho, futhi. Ngakho, ngenyuka. Ngathi, “Sanibona ekuseni, bazalwane.”

685 Lowo mfo omkhulukazi, obonakale sengathi ubekhuluma, wayenokuhlafuna ugwayi emlonyeni wakhe, ka *njalo*, ngale eceleni ka *njalo*, futhi enkulu, intamo ende. Futhi wayegqoke isigqoko esikhulukazi, wasehlisela ebusweni bakhe. Wayeseqalaza futhi wangibona. Wafinyelela futhi wathatha lesosigqoko, wasihlwitha, wayese...[UMfowethu Branham uyagwinya—Umhl.] Wagwinya lowogwayi ohlafunwayo, wathi, “Sawubona ekuseni, mfundisi.” Niyabo? Yebo, mnumzane. Inhlonipho. Futhi kunjalo. Ukuthi wake waphila kanjani kukho, angazi, kodwa wakwenza.

686 Ngakho, ngobusuku obulandelayo, ngibuya, kwakukhona indoda lapho eyayifuna ukuphikisana nami kancanyana. Yaya ebandleni elalingakholelwa ekuphiliseni ngokukaNkulunkulu. Ngakho, leli kwakuyibandla lamaMethodisti, eWhite Hill, eKentucky. Ngakho ya—yayiya e...Yayimi ngaphandle. Yayinesiketekete esandleni sayo. Futhi yathi, “Ngifuna ukusho okuthize, mshumayeli. Ngeke nje ngakwemukela Lokho, isizathu angiKuboni.”

687 Ngathi, “AwuKuboni na?”

688 Yathi, “Qhabo.” Yathi, “Ngiyindoda egulayo, mina uqobo. Kodwa,” yathi, “Nje angiKuboni.”

Ngathi, “Uhlalaphi na?”

Yathi, “Ngemuva ngale eBig Renox.”

Ngathi, “Awu, uzofika kanjani ekhaya na?”

Yathi, “Awu, ngizohamba ngiye ekhaya.”

Ngathi, “Uyalibona ikhaya lakho na?”

Yathi, “Qhabo, mnumzane.”

Ngathi, “Kumnyama kakhulu kulobubusuku, kunamafu.”

Yathi, “Yebo.”

Ngathi, “Uzoya kanjani ekhaya na?”

Yathi, “Ngalesisiketekete.”

Ngathi, “Isiketekete asikukhombisi ukukhanya yonke indlela eya endlini.” Ngathi, “Uhamba kanjani na?”

Yathi, “O, ngihamba ngesiketekete.”

<sup>689</sup> Ngathi, “Yilokho. Unokukhanya kwesiketekete manje, futhi ngasonke isikhathi uya *ngapha*, ukukhanya kuyolokhu kukukhombisa ngaphambi kwakho. Uma nje ulokhu uhamba, ukukhanya kuzolokhu kuhamba nawe.”

<sup>690</sup> Futhi wenza lokho kulokhu ukusa, ufuna uKristu, umPristi oPhakeme oMkhulu, uMkhulumeli wokugula kwakho, noma izifo zakho, noma umphefumulo wakho. Ungahle ungaKuqondi. Asikuqondi. Kodwa siyayalwa uku “Hamba ekuKhanyeni njengoba EsekuKhanyeni.” Wenza isinyathelo ekuKhanyeni. Futhi uma unokuKhanya kunawe, ukuKhanya kuyokhanya osukwini oluphelele. Kuyocina indlela phambi kwakho.

Futhi siyokwenyuka ngalomgwaqo omkhulu  
omdala omuhle,  
Ngixoxa noma ikuphi la ngiyakhona,  
Ngiqoka ukuba umKristu wakudala, Nkosi,  
Kunoma yini engiyaziyo.

Sewake walizwa lelo culo elidala na?

Ayikho into efana nomKristu wakudala,  
Ukukhombisa uthando lobuKristu;  
Sihamba emgwaqeni omkhulu omdala omuhle,  
Futhi ngixoxa noma kuphi la esiyakhona,  
Ngiqoka ukuba umKristu wakudala, Nkosi,  
Kunoma yini engiyaziyo.

<sup>691</sup> Ngiyalithanda nje. Kulungile. Manje sizokhulekela abagulayo. Asi. . . Asizisho ukuthi singaphilisa abagulayo. Uma sikwenzile, besizoba sisho okuliphutha. Wonke umuntu ogulayo phakathi lapha usevele uphilisiwe. Yilokho umBhalo owakusho. “Ngemivimbo yaKhe thina siphilisiwe.” Kunjalo na? [Ibandla lithi, “Amen.”—Umhl.]

<sup>692</sup> Sonke isoni esiphakathi lapha, mhlampe singaba khona esisodwa, usindisiwe selokhu uJesu afa. Kodwa ungalokothi ufe lapha lapho ithuba lakho lalibekwe phambi kwakho, ukuya eBukhoneni baKhe kunokuzama ukuLemukela. Kwenzelwe
