UNkulunkulu Owaziyo! Ngangisekamelweni lami, ngabona indoda lapho okwakukhona iwashi elikhulu, futhi Yayisesihlalweni esinamasondo, sasinswininiza, ngabuka iwashi lasodongeni elidala futhi kwakuyimizuzu eyishumi ncamashi

nje emva kwehora lesithathu, futhi ngangimi ngasesitolo sezinto sikasheleni, futhi ngi . . . Kwathi, “Sondela kuleyondoda.”

⁵⁶ Kwase kuthi-ke ngenkathi ngisondela eduze kwayo, yayiphethe iBhayibheli, ineBhayibheli ngesandla sayo, njalo, futhi ngayibuza ukuthi iyaLikholwa yini, yathi, “Yebo.” Futhi ngayibamba ngesandla, ngayiphakamisa, yaphulukiswa. Ngabona indlela yokusuka.

⁵⁷ Wayesefika-ke, ngabona i—i—ingane, yayilele, ifa. Nodokotela wayephumile, ngaqaphela ukuthi wangena emotweni empunga, wayenamadevu, futhi kwakukhona isango lapho, khona impela emva kwesango kwakubekwe igeja. Ngangibeke isigqoko sami phezu kwetelevishini lapho ngingena ekamelweni, kwakukhona inenekazi eligqoke ijezi elibomvu, omunye enebhantshi elinsundu, babekhala izinyembezi, Wayesethi, “Yana ngale enganeni.” Futhi ngahamba, ngabeka izandla enganeni, yasinda.

⁵⁸ Ngenkathi ngiphuma embonweni, ngangena, ngathi kumkami, “S’thandwa, buka phansi, uma ubona noma yini ngengane, noma ngendoda esesihlalweni esinamasondo ebhalwe phansi lapha.”

“Qhabo.”

⁵⁹ Ngashayela ihhovisi ucingo, “Mangaki amathikithi endiza eliphakathi ezansi lapho na?”

“O, amahlanu noma ayisithupha.”

“Afundeka kanjani na?”

⁶⁰ Bangitshela ngalendlela, woza *lapha*, noma *lapho*; angizwanga kuzwa lutho. Awu, ngakuyeka kwahamba cishe, ngiqagele, amaviki amabili noma ngaphezulu, emva kwesikhashana, indoda yayingithumelele ithikithi ukuba ngize eDenver, futhi lapho sengiwelele eDenver, ngazizwa ngiholeleka ukuthi ngifanele ngiye eDenver, ngahamba, ngakhulekela indoda. Angazi ukuthi kwenzekani kuyo, ngavele ngaya ngale nje, yayiludaba lwesifo sofuba, yayiphandle lapho, kade isesikhungweni sabanezifo ezihlala isikhathi eside, isosha.

⁶¹ Ngakho ngacabanga, “Awu, ngizolinda nje manje, silapha edolobheni futhi kuzoba ligamenxe elesihlanu ngaphambi kokuba ngihambe ngebhanoyi, ngakho ngizoqalaza ngaseDenver.”

⁶² Futhi ngakho, ngangihamba ngehla ngesitaladi, ngithi nje ukuhambahamba *kanje*, futhi khona manjalo ngezwa owesifazane ekhala, ngase ngibheka phezulu, ngase ngibona udokotela ephethe isikwama sakhe esincane sodokotela esandleni sakhe, wathi, “Sawubona,” wayeseqala ukuhamba ephuma.

⁶³ Ngacabanga, “Ngike ngayibona leyondoda ndawo ndawo. Amadevu, isudu empunga, leyomoto, futhi iyaphuma, isango.”

Futhi ngangisondele impela, phakathi cishe kwamafidi ayishumi kuyo, yabuka ngale, ngathi, “Sawubona, Dokotela?”

⁶⁴ Yathi, “Sawubona?” Yama, yaphenduka, ngacabanga... ngiqagele, yazibuza ukuthi ngazi kanjani ukuthi yayingudokotela. Awu, nganginesineke. Ayizange isho lutho, yangena emotweni yashayela yahamba.

⁶⁵ Ngacabanga, “Nkosi, uma lelogeja lilele emva kwesango, yilokho-ke.” Ngase ngiwelela lapho ngase ngibuka, nakho kubekwe igeja, kwakuyilokho-ke. Ngahamba ngenyuka ngezitebhisi, ngangqongqotha emnyango, inenekazi liza emnyango, lalifake ijezi lalo elibomvu, ngase ngithi, “Unengane egulayo enenyumoniya na?”

“Yebo, mnumzane.” Futhi lathi, “Udokotela uthe nje bekungekho mathemba ngakho.”

Ngathi, “Ngingumfundisi, igama lami nguMnu. Branham. Uyangazi, noma uke wezwa ngami na?”

Lathi, “Qhabo, mnumzane, angikholwa kanjalo.”

Ngathi, “UngumKristu na?”

Lathi, “Qhabo, mnumzane, asiyiwo, asiyi esontweni.” Lathi, “Besifanele, ngiyazi.”

Ngathi, “Ngingangena futhi ngibe nezwi lomkhuleko ngengane yakho efayo na?”

Lathi, “Impela ungakwenza, bengiyokujabulela ukuba ukwenze, mnumzane.”

⁶⁶ Ngahamba ngangena, kodwa kwakungekho-nenekazi lapho eligqoke ibhantshi elinsundu. Ngabeka isigqoko sami phezu kwetelevishini, ngalinda imizuzu embalwa. Awu, ngi... Lamangala ukuthi kungani ngangengeke ngikhuleke, kodwa angikwazanga ukusho lutho, ngadingeka ngilinde inenekazi eligqoke ijezi elinsundu. Manje, kulula kanjalo-ke.

⁶⁷ Ngalinda lapho, ngiqagele, ingxenye yehora ngikhuluma nalo ngeNkosi, kanjalonjalo. Kwase kuthi-ke, emva kwesikhashana, kwabakhona umuntu ongqongqozayo emnyango, nenenekazi eligqoke ibhantshi elinsundu liyangena, kodwa lalifanele ngabe lihlezi kulelocala, nenenekazi eligqoke ijezi elibomvu ezansi ngakuloluhlangothi, futhi kwaba ngapha nangapha indawo yabo. Noma kunjalo angikwazanga ukusho lutho baze bathola yonke into isesimweni; umbono ufanele uphelele.

⁶⁸ Ngase ngithi, “Manje, nenekazi, ungahle ukuba uzibuzile ukuthi kungani ngilindile, lona ngumbono, ungahle ungakuqondi engikushoyo, kodwa nje bhekisisa ingane yakho umzuzu.”

⁶⁹ Ngaya ngale futhi ngakhulekela ingane, nomfo omncane uqala ukudazuluka futhi eqhubeka. Umama wayiphakamisa,

emizuzwini eyishumi noma eyishumi nanhlanu yayidlala kwiphansi, imfiva yonke yayisukile kuyo nayo yonke into, lathatha imfiva yayo. Futhi lapho ngabaholela bobabili kuKristu kwiphansi lendlu.

⁷⁰ Ngaphuma, ngaqala ngehla ngesitaladi, ngacabanga, “Ngiyabonga, Nkosi, sengiyabona manje.” Futhi angihambanga kodwa ucezu oluncane, ngaze kwenzeka ngacabanga, “Wawuyini wonke lowombono na? Kwakuyinto ethize.” Futhi ngenkathi ngisamile lapho, ngezwa iwashi lasodongweni lishaya ngesithathu nqo. Futhi ngahamba ngazungeza ekhoneni ngeceleni kwesitolo sezinto zikasheleni, futhi nakho kwakukhona lelowashi elidala laphaya kulowombhoshongo, ngacabanga, “Nkulunkulu, nginemizuzu eyishumi yokulinda khona lapha.”

⁷¹ Futhi ngenkathi ngisalindile lapho, imizuzu eyishumi yafika, ekupheleni kwemizuzu eyishumi ngenkathi lifika, ngezwa into ethize inswininiza iza, kwakuyindoda ikhala izinyembezi, ihlezi esihlalweni esinamasondo, nenenekazi liyiphusha, iphethe iBhayibheli esandleni sayo. Kuphelele, nakho lapho kwakukhona.

⁷² Ngathi, “Uyalikholwa leloZwi, mnumzane na?”

Yathi, “Ngayo yonke inhliziyo yami.” Yathi, “NgingumKristu.”

Ngathi, “IBhayibheli liyasho, lelo olifundayo, ukuthi uJesu waphulukisa abagulayo ngezinsuku zaKhe.”

Yathi, “Yebo, mnumzane. Kade ngifunda lokho nje.”

Ngathi, “Akasuye yini namuhla na?”

Yathi, “Yebo, mnumzane, Unguye.”

Ngathi, “Uyakukholwa lokho na?”

Yathi, “Ngayo yonke inhliziyo yami.”

Ngathi, “Sukuma khona-ke, Ukuphulukisile.”

⁷³ Futhi yagxumela phezulu futhi iqala ukumemeza. Ngagijima, ngadlula esitolo sezinto zikasheleni, ngaphuma, futhi ngehla ngomhubhe, ngase ngibuyela ngale, ngase ngithola itekisi, ngaphuma ngaya esiteshini. Isiqephu esikhulu kwi-Associated Press: *Ukuphulukiswa Okuyimfihlakalo EDenver*. Abakazi okwamanje. Niyabo? Yilokho-ke. Kodwa iNkosi uNkulunkulu yakwenza. Niyabo?

⁷⁴ Manje, lokho akungenzanga ngibe buthakathaka nakancane, kodwa yima lapha lapho ofanele udonse khona futhi uzikhandle, niyabo, lowo nguwe usebenzisa isiphiwo sikaNkulunkulu, angihlanganise lutho naso. SingesikaNkulunkulu, akusiso esami, ngesikaNkulunkulu; ungasisebenzisa, noma Uyasisebenzisa, nakho-ke. Seniyaqonda manje na? Yilokho okwenza ubuthakathaka, futhi uma

uzobhekisisa iBhayibheli, kuqhathanise nangemuva emBhalweni futhi ubone ukuthi lokho akusilo yini iqiniso impela nje.

Asikhuleke manje.

⁷⁵ Nkosi, yiba nathi manje, futhi njengoba sihlanganyela ngaseZwini, ngikhathele nje kulobubusuku, Nkosi, kul'khuni ukuba ngime lapha, kodwa ngikhulekela ukuthi Uzongisiza manje ukuba ngikhonzise iZwi. EGameni leNkosi uJesu. Amen.

⁷⁶ EHubweni 63, ngifisa ukufunda okwesifundo somBhalo manje. Futhi silindele ukuphuma emizuzwini engamashumi amathathu noma engamashumi amane elandelayo.

O Nkulunkulu, wena unguNkulunkulu wami; ngiyakufuna ekuseni: umphefumulo wami womela wena, inyama yami ilangazelela wena ezweni elomileyo eligagadekileyo, lapho amanzi engekho khona;

Ukuba ngibone amandla akho nenkazimulo yakho, . . . njengoba ngikubonile endlini yaKho engcwele.

Ngokuba umusa wakho ungcono kimi kunokuphila, izindebe zami ziyakukudumisa.

⁷⁷ Lalelani umprofethi lapha evesini 2:

Ukuba ngibone amandla akho nenkazimulo yakho, . . . njengoba ngikubonile endlini yaKho engcwele.

⁷⁸ Kodwa indaba yami kulobubusuku ithi: *UkuPhila*.

⁷⁹ Futhi ukuphila yilokho okusilawulayo, ukuphila yilokho okukunika imizwa yakho, Bese kuthi-ke, ngempilo yakho wonke umuntu uyazi ukuthi uyini.

⁸⁰ Ngishumayela intshumayelo yomngcwabo maduze nje, ngathi, "Asikho isidingo sokuba ngisho noma yini ngempilo yalendoda, ngifuna ukushumayela kini ophilayo, ozofanele ahlangebazane nalokhu. Nonke, nakhula futhi naphila futhi nafa kulendawo yomakhelwane, ucabangisise kahle ngalokho obukucabanga ngaye." Niyabo?

⁸¹ Ukuphila, yini enkulu na? Amadlingozi akho enza lokho oyikho, kungukuphila kwakho. Futhi hlobo luni lwesimilo esifanele sibe yilo uma sizisho ukuthi sinokuPhila okuPhakade na? Manje, lunye kuphela uhlobo lokuPhila okuPhakade, nalokho ngukuPhila kukaNkulunkulu. Lowo kwakunguMoya omkhulu ekuqaleni, oMoya abayisikhombisa bakaNkulunkulu njengemibala yothingo lwenkosazana eyisikhombisa; umoya ngamunye uphuma kuwo, ukuphendukeyela, kuyehla.

⁸² Igama lesiGreeki lokuPhila okuPhakade livela egameni elithi *Zoe* elichaza ukuthi, "UkuPhila kukaNkulunkulu uQobo." Futhi kuyi. . .

⁸³ Uthando lukaNkulunkulu lubizwa nge-*Agapao* okusho ukuthi, "Uthando lukaNkulunkulu." Uthando onalo ngomkakho

yifiliyo, uthando ifiliyo, lolo wuthando lomuntu. Nanku umehluko wakho, ukuthola kuxovekile, njengokukholwa nethemba, kuyaxoveka: uthando, uhlobo lothando onalo ngomkakho lubizwa ngothando ifiliyo, nalolothando luyokwenza ube nesikhwele, kuze kuthi uma indoda ibiyomthuka, ubuyoyidubula emikhondweni yayo, yilokho uthando ifiliyo obeluyokwenza, uyamthanda ngalohlobo lothando; kodwa uthando lwe-Agapao luyokwenza ukhulekele umphefumulo wakhe onesono. Yilowo umehluko. Niyabo?

⁸⁴ Manje, kukhona ukuphila. Kunohlobo olulodwa lokuPhila okuPhakade futhi lokho ngukuPhila kukaNkulunkulu. Futhi ngenkathi wemukela lokho, unokuPhila okuPhakade. Kodwa *ukuphila* kunezihumusho eziningi njengoba kwehla.

⁸⁵ Kukhona uthando, uthando i-Agapao, uthando ifiliyo, inkanuko; niyabo, ulokhu nje wehlela phansi, wehlela phansi uye kokuphansi kunakho konke. Kodwa konke okwalokho kwakunesiqalo ngakho kuzoba nesiphelo; kodwa lezozinto ezazingenasiqalo azinasiphelo. Ngakho uNkulunkulu wayengenasiqalo, nokuPhila kwaKhe kwakungenasiqalo, futhi akuyikuba nasiphelo. Futhi uma unokuPhila okuPhakade, khona-ke awunasiphelo ekuPhileni okuPhakade, kungunaphakade. Nesimilo sakho sifakazelwa ngukuphila okukuwe.

⁸⁶ Esikhathini esithile esedlule umthengi wezigqila ezansi eningizimu eminyakeni eminingi eyedlula, wadlula ethenga izigqila e...babeya emasimini amadala futhi babethi...Babeyothenga izigqila, impilo yomuntu, njengoba nje ubuyothenga imoto esike yasetshenziswa endaweni yokudayisela, othenga athengisele abanye. Futhi babehamba bayothenga lezigqila ezinkulu, nezigqila ezinkulu eziphilile, mhlawumbe, nabesilisa, bazizalanise njengezinkomo kwabakhulu, abesifazane abaphilile, bazala ezinkulukazi, izigqila eziyizidlakela. Mfowethu, lokho akulungile!

⁸⁷ Futhi lapho ngolunye usuku othenga athengisele abanye wafika ngasensimini ethile endala, futhi wathi, “Zingaki izigqila onazo lapha na?”

Wathi, “Ngaphezu kwekhulu.”

Wathi, “Ngingazibuka na?”

Wathi, “Zisize.”

⁸⁸ Futhi wahlala usuku lonke, futhi wabhekisisa indlela yokuziphatha kwezigqila, nokuthi zaziziphatha kanjani, noma ngabe zaziyizisebenzi ezinhle, noma ngabe zazingesizo. Futhi njengoba usuku ludlula...

⁸⁹ Niyabo, izigqila zazikude nekhaya, kude nobaba, umama, amaBhunu azithenga eJalimane, noma, e-Afrika futhi aziletha ngapha futhi azithengisa zibe yizigqila. Futhi

ngezinye izikhathi babedingeka bazibhaxabule ukuzenza zisebenze. Abathandekayo bazo wayengaphesheya kolwandle, zazingasophinde zibabone, zazifanele zife lapha ebugqilini, yilokho kuphela ezazikwazi futhi zazidabukile, futhi ba—babedingeka bazibhaxabule ukuze bazenze zisebenze.

⁹⁰ Kodwa baqaphela isigqila esisodwa esincane, abadingekanga ukuba basibhaxabule, isifuba siphumile, isilevu sibheke phezulu, khona *manje* ngomzuzu. [UMfowethu Branham ushaya umunwe wakhe—Umhl.] Futhi lowo othenga athengisele abanye wathi, “Ngifuna ukuthenga lesosigqila.”

Umnikazi wathi, “Kodwa asithengisi.”

Wathi, “Yini esenza sehluke kakhulu kangaka kunazo zonke ezinye na?” Wathi, “Awu, mhlawumbe singubasi phezu kwazo zonke ezinye.”

Umnikazi wathi, “Qhabo, siyisigqila nje.”

Wathi, “Awu, mhlawumbe usondla kangcono kunoma wenza zonke ezinye.”

Wathi, “Qhabo, zonke zidla phandle egumbini lokudlela emkhunjini ndawonye.”

Wathi, “Awu, yini esenza sehluke kakhulu kangaka kuzo zonke ezinye na?”

⁹¹ Wathi, “Bengihlala njalo ngizibuza, ngaze ngathola ukuthi iqiniso laliyini.” Wathi, “Lowomfana, ngale emazweni endabuko uyise uyinkosi yesizwe, futhi uyazi ukuthi uyindodana yenkosi, futhi nakuba engowezizwe futhi ekude nekhaya, nokho, uziphatha njengendodana yenkosi.”

⁹² Belifanele lenzeni iBandla kulobubusuku na? Nakuba sisezweni eliphuphuthekile lesono nenxushunxushu, sifanele siziphathe njengamadodana namadodakazi kaNkulunkulu.

⁹³ Ngenkathi ngifunda lelivesi lomBhalo, ngacabanga, “Umprofethi ubengabe uchaza ukuthini na? Yindikimba engajwayelekile, ‘Umusa wakho ungono kunokuphila.’” Ngacabanga, “Kufanele kube neziningi izincazelo kukho *ukuphila*. Futhi bekungeke kusho ukuphila esikuphila manje enyameni, ngoba lokho kuphila kunobuhlungu benhliziyo, lokho kuphila kunosizi, nalokho kuphila kuba kubi kakhulu ngesinye isikhathi, umuntu aze afune ukuthatha ivolovolvo futhi aqhumise ubuchopho bakhe buphume. Ngakho lokho bekungeke kwaba ngukuphila ayekhuluma ngakho, kufanele kube ngokunye ukuPhila akhuluma ngakho. Lokho kuphila kuba lusizi kakhulu abantu baze bakhwele embhoshongweni ophakeme, futhi bagxume, futhi bazibulale. Bathatha uphoyizeni, amashumi ezinkulungwane ngonyaka phezu kwe-United States, lapho ebesifanele siphile ngezininga eliphakeme kunakho konke lokuphila.

⁹⁴ “Ngakho kufanele kube nenye incazelo, futhi kuthi lapha, ‘Ngoba umusa waKho ungcono kunokuphila. Nomphefumulo wami womele Wena. Njengoba ngiwabonile amandla aKho endlini yaKho engcwele. Ezweni elomile neligagadekileyo; umphefumulo wami womela Wena, ukubona umusa waKho ongcono kimi kunokuphila.’ Khona-ke kulokhu esikubiza ngokuphila namhlanje, kunokudumazeka okuningi kakhulu.”

⁹⁵ Esikhathini esithile esedlule edolobheni elikhulu eCanada nganginomhlangano, futhi kulomhlangano othize kwakukhona iqembu laseMelika lenyukela lapho ukugubha olunye uhlobo lwe—lwejubili ledlangala elithile eMelika. Futhi ngaqaphela lapho bengena ngalolosuku, babephuza; futhi kwacishe kwangenza ngaba namahloni ngezwe lakithi uqobo. Futhi ngalobobusuku, ngenkathi sengisukile enkundleni yemidlalo futhi ngangiya ekhaya kulelihhotela elikhulukazi, ngenyukela cishe kwisitezi seshumi noma seshumi nanhlanu, futhi ekheshini amabhodlela ewiski ayenqwabelene yonke indawo. Futhi ezansi endlini ongenela kuyo babephuza futhi beqhubeka, futhi lapho ngibuza umfana wekheshi, ngathi, “Kuyini konke lokhu na?”

Wathi, “Impela banesikhathi.”

⁹⁶ Futhi ngakho ngenkathi bengidedela esitezi sami, ngahamba eceleni, futhi ngezwa umsindo phezulu ekugcineni kwehholo. Futhi ngabuka futhi nakho kumi ababili abasebasha, abesifazane baseMelika begqoke nje ingubo yabo yangaphansi, bedakwe nje ngakho konke, bobabili mhlawumbe abesifazane abashadile, ngoba babengabesifazane abaseminyakeni engamashumi amathathu, begqoke nje ingubo encane yangaphansi, ibhodlela lewiski, behla bedabula kulelophaseji, namadoda ebahudula besuka egumbini beya egumbini.

⁹⁷ Omama, be “nokuzijabulisa okuncane okumsulwa.” Mhlawumbe umyeni wabo ekhaya egada izingane, noma omunye umntwana oqashiwe unakekela abantwana babo. UNkulunkulu wakupha labo bantwana ukuba ubanakekele wena uqobo futhi yisibopho sakho kuNkulunkulu. Asinabo ubuhlongandlebe bentsha, ngubuhlongandlebe babazali. Abanye omama usukile emisebenzini yabo, bafuna ukugijimela emabhareni, futhi baqhubeke, futhi bagijime ubusuku bonke, futhi bashiye abantwana babo bekhula, akumangalisi bekhula kulowonyaka wokuguliswa yimizwa. UNkulunkulu wakunika lowomntwana ukuba umkhulise, nokuthi umnakekele.

⁹⁸ Futhi lona wesifazane, lapho eza ediyazela, bobabili, futhi bama maphakathi nephansi lendlu, badonsa iziketi zabo ezincane zaphakama, base bephosa imilenze yabo phezulu emoyeni, base bempompoloza, “Whuupi!” Bathi, “Lokhu ngukuphila!”

⁹⁹ Angibange ngisakwazi ukukumela, ngaphuma ngqo ngaphuma endaweni encane engangimi kuyo, ngathi, “Umzuzu

nje, manenekazi, ngifuna ukukhuluma nani. Nikuhumushe ngokungesikho lokho, nithe, ‘Lokhu ngukuphila.’”

Bathi, “Phuza!”

Ngababamba emahlombe, ngathi, “Ngabe ungowesifazane oganile na?”

Wathi, “Kuyini lokho kuwe na?”

Ngathi, “Ngingathanda ukukubuza. Ngabe ungowesifazane oganile na?”

Wathi, “Impela,” wathi, “Ngiyazijabulisa kancane nje.”

¹⁰⁰ Ngathi, “IBhayibheli lathi, ‘Ophila ngokutamasa ufile esaphila.’” Ngathi, “Ngingumfundisi ovela eMelika, ngingapha kulenkundla yemidlalo yeqhwa, futhi uletha ihlazo kulo impela igama laseMelika naphezu kobumama! Aninamahloni ngani na? Baphi abayeni benu na?”

¹⁰¹ Baqala ukuyendezela, base bebukana. Futhi baqala ukuhosheka, ngabamba ingalo yabo. Ngathi, “Umzuzu nje. Nizokwenzenjani lapho nihlangana noNkulunkulu na? Ukuba-ke ngaphansi kwalesi sitshulu esinewayini kulobubusuku, niyafa kulesisimo na? Kuzokwenzekani kini na? Uthi unokuphila, ufile esonweni naseziphambekweni!” Futhi badluthula basuka ezingalweni zami, futhi bahamba ezansi ephaseji, cishe impela bengagqoke zingubo, futhi basuka emehlweni ami.

¹⁰² Nicabanga ukuthi lokho ukuphila na? Lokho ngukufa. Yini eyenza umuntu omele ukwenza lokho na? Yini eyenza umuntu afune ukwenza lokho na? Yingenxa yokuthi uNkulunkulu wabenza ngaleyondlela, uNkulunkulu wenza umuntu ukuba ome, Wenza *okuningi kangako* kumuntu ukuba ome, kodwa uNkulunkulu wenza lokho koma enzela Yena, nodeveli uyakuphendukezela kusukela ekuPhileni okuPhakade kuye ekufeni, futhi akwenze ukuthande. Isizathu sokuba ulangazelele lezozinto yingoba unika udeveli indawo uNkulunkulu abefanele ukuba kuyo. O, muhle kulokho.

¹⁰³ Uzokomela okuthize, ngoba wenzelwe ukuba wome, uNkulunkulu wakwenza ukuba wome, futhi uzama ukukwenelisa ngezinto zezwe. NeBhayibheli lathi, “Uma uthanda izwe, noma izinto zezwe, uthando lukaNkulunkulu alukho ngisho kuwe.” Uzama ukwenelisa leyo ebusisiwe, into engcwele ngokuphuza, umbukiso wezithombe uqhubeka, ukugembula, imidanso, konke lokho kuyinkokhelo yokufa, awunalungelo lokwenza lokho. Ngilaleleni njengomfowenu: Udeveli ubeke into ethize phezu kwenu, futhi aniyazi.

¹⁰⁴ Kwenzekeni kubantu bakithi na? Kwenzekeni emabandleni ethu na? Nginganikhombisa ukuthi kanjani kungeke kube khona noyedwa umuntu ompofu kulelidolobha onyakeni kusukela namhlanje, akuyikubakho neyodwa indlu eyimfucumfucu

edolobheni: Makuthi abantu abazibiza ngamaKristu bathathe imali abayichitha kwiwiski, ubhiya, nosikilidi, futhi niyihlanganise ndawonye, niyoqeda konke ukucindezeleka.

¹⁰⁵ Kubale, ukuthi kungakanani, nokuthi yimalini echithwa unyaka ngamunye kosikilidi. Kungani benganikeza lemiklomelo emikhulukazi, nezinto, bekushaya kuhulumeni na? Nodokotela ngokuphelele basho ngaso sonke isikhathi ukuthi ngumdlavuzi, umdlavuzi, umdlavuzi, futhi laba besifazane baseMelika ngokuqhubekayo bekuhudula emphinjeni wabo. Nicabanga ukuthi ninesikhathi esimnandi, aninjalo na?

¹⁰⁶ Angikhulumi kumaKristu, ngikhuluma kini enicabanga ukuthi ningamaKristu. Kwenzekeni emabandleni ethu na? Ake sedlule kukho umzuzwana nje, sibone ukuthi yini . . . kanjani . . . ukuthi udeveli unguzomabhizinisi kanjani.

¹⁰⁷ Kwakuvame ukuba kudala ukuthi zonke izimfashini zethu zivela eParis, manje ayiveli eParis, iParis iza eHollywood ukuzoyithola. Kwakuvamise ukuthi kwakungalungile kuwe ukuya emibukisweni yezithombe, nina bantu bobungwele, futhi nibone leyomidlalo emibi, kodwa udeveli ukushayile kukho, wakufaka kwithelevishini, wakubeka ngqo endlini yakho uqobo. Kunjalo.

¹⁰⁸ Akumangalisi ninabantwana abancane phandle ukuthi amaphoyisa adutshulwa alahlwe phansi, futhi agwazwe afe, nayo yonke into, emi ekhoneni nezibhamu ezimbili nayo yonke into, bayayibona leyonto, bakhuliselwa kuyo.

¹⁰⁹ Sekuyisikhathi sokuba ibandla lithathe indawo yalo futhi liphume ezintweni zezwe, niyakwazi. Kwakuvamise ukuthi kwakungalungile ukuba abesifazane abangamaKristu emaqenjini obungwele ukuba babe nezinwele ezimfishane. Kwenzekeni na? Ngiyakhumbula ngenkathi wawungeke ungeniswe ebandleni nezinwele ezimfishane; kwakuyiphutha endaweni yokuqala, kuseyiphutha namanje. IBhayibheli lasho ukuthi uma owesifazane egunda izinwele zakhe, umyeni wakhe unelungelo lokuhlukanisa naye futhi asuke kuye. Kunjalo impela. Ukwenzela ini na? Ukulandela izimfashini.

Futhi ngenkathi ngifika laphaya, esinye sezikhulu ezinkulu siyafika. Lendoda yayikhuphula itrakhi, yayehlisa ezinye izincwadi, ngashayela elinye itrakhi. Nalendoda yayiyisoni, yayibhema usikilidi. Si—sine i—i . . . Singamnakelwa umelusi wethu, singcono, siphila kangcono. Si—singagqoka izingubo ezingcono, singazihlanganisa nezinga elingcono.”

¹³⁴ Angazi noma ubungakwazi noma qha. Imihlangano engcono kunayo yonke engake ngaba nayo kwakusemishini endadlana ezansi eceleni kwesitaladi ndawo ndawo, lapho idazini lihlangana khona ngenhliziyo eneqiniso. Kunjalo. Ngingaqoka ukuba lapho, noma nini.

¹³⁵ O, niyabona ukuthi kulula kanjani, yingoba nehlise imigoqo. Umzuliswano wokuqala wenu bantu bePentecostal nenze kahle, omunye umzuliswano uyafika, uqala ukuba buthakathaka phansi, khona-ke uthola induku yehlelo ngemuva: “Siyi-Oneness. SiyiThreeness. SiyiFiveness.” Awulutho, kunjalo impela, inqobo nje uma ucabanga lokho.

¹³⁸ Sikuphi manje na? Niyazi ukuthi kuyiQiniso. Esikudingayo namhlanje akusilo ibandla elisha, esikudingayo namhlanje a—akusuye u—umvangeli omusha, esikudingayo namhlanje ngeyakudala, imvuselelo kaPawulu oNgcwele noMoya oNgcwele, nokuhlanza indlu yonke indlela kusukela epulpiti kuya kumlindimnyango, kunjalo, kushanelisisiwe,

kwahlanzisiswa. Omunye asukume ame lapho futhi uzokutshela iqiniso noma ngabe liyasika noma ngabe alisiki. Kunjalo. IZwi likaNkulunkulu, libukhali kunenkemba esika nhlangothi zombili, uMahluleli wemicabango yengqondo, amaHeberu 4 asho njalo.

¹³⁹ Kodwa kwenzekani na? Khona-ke udeveli uzama ukwenelisa lokho koma enzela wena, “Awu, uJohn unomsebenzi ongcono. Akabusiwe uNkulunkulu, sihambile futhi sashiya lelo elidala, ibandla labagingqiki abangcwele futhi sawelela *kuleli*.” Niyabona ukuthi niyephi na? Kulungile.

¹⁴⁰ Manje-ke nansi enye into: Udeveli uzozama ukukwenelisa nge-ngethelevishini, ngokuphuza, ngokugembula, ngokugqoka izingubo zokungamesabi uNkulunkulu, . . . [Akuqoshwanga eteyipini—Umhl.] . . . ukuzicabangela.

¹⁴¹ Futhi ngaya ebandleni lapha esikhathini esingeside esedlule, babefuna ngibambe imvuselelo, nomshumayeli empeleni wayefanele azikhulule emva cisse kwemizuzu engamashumi amabili entshumayelo, futhi avumele bonke abadikoni baphume bayobhema osikilidi. Mfowethu! Lapho . . . Saba ne—saba nemvuselelo ngobunye ubusuku, futhi ngobusuku obulandelayo ngaphoselwa ngaphandle. Kodwa bezwa ngakho, empeleni, igazi lisukile ezandleni zami. Ucabanga ukuthi uKristu ubeyokwenzani ukuba Ubesemhlabeni namhlanje na? Wa—Wayephica ngaphezu kwezintambo ezithi azibe zimbili ndawonye futhi abashaye abakhiphe: “Nenza indlu yaMi umhume wabaphangi!”

¹⁴² Futhi enye into udeveli azama ukuyenza ukucima lokho koma . . . Wena uthi, “Awu, ngikholwa impela.”

Yathi, “NgingumMelikana!” Hhe!

Ngathi, “Lokho akuhlangene ngalutho nakho, akukho-nto.”

¹⁴⁶ Ukuhamba udabule esibayaneni sezingulube akukwenzi ingulube, leyo yinto eyodwa eqinisekile. Ufanele uzalwe ngokusha, khona-ke imikhuba yakho yehlukile.

147 Wake walithatha igwababa nejuba na? Emkhunjini kokubili kuhlala othini lunye, okukodwa kwakungandiza nje endaweni efanayo njengokunye, kodwa igwababa laneliseka ngenkathi lidedelwa, laphuma futhi landiza lisuka kwesinye isidumbu esifile liya kwesinye lapho izilokazana nezinto yayidla khona, nakho lalidla kulokho, kwakulungile; kepha ijuba alifumananga ukuphumula kwezinyawo zalo, lalifanele libuye, lalingenakukumela lokho kunuka okudala.

148 Niyazi, igwababa lingomunye wabazenzisi abakhulu kunabo bonke okhona. Uthatha ijuba, lizondiza lehlele ensimini kakolo futhi lidle ukolo, igwababa lingandiza phezu kwesidumbu esidala esifile futhi lidle isisu salo sigwale, futhi lize ngapha futhi lidle ukolo, futhi; kodwa ijuba lingeke lavela ensimini kakolo liye esidunjini esifile. Qhabo, mnumzane.

149 Noma yini egulisayo ingumzenzisi, ngingaqoka ukuba ngumphikinkolo noma ngasiphi isikhathi. Kodwa umzenzisi omdala uzoya esontweni, futhi baphakamisele ikhala labo emoyeni, futhi benze sengathi bangumuntu othize, basuke baye ezintweni zezwe bese bethi, “Awu, umelusi wami unomqondo obanzi kunomelusi wakho onomqondo omncane.” Wena ompofu, obuthakathaka angazi-ukuthi-ini! Udinga umelusi oyifeshini endala oyokunikinela izinwele zakho, ozokutshela iqiniso.

151 Igwababa, isizathu sokuba likwazi ukudla, lingagaya noma yini; kodwa ijuba lenziwe ngokwehlukile, kungukwakheka okwehlukile, ijuba alinanyongo, alikwazi ukukugaya. Futhi umKristu ozelwe ngokusha angeke adle izinto zezwe, akasenayo inyongo. Bekuyombulala, angeke ulibone ijuba lidla idina negwababa inqobo nje uma lisekulesosidumbu esifile.

152 “O, ngivele ngahamba nabo nje ezansi endlini yokubhejela, angicabanganga ukuthi bekukhona okulimazayo.”

153 UMoya oNgcwele ukufundisa kangcono kunalokho. Bese kuthi-ke udeveli ufuna ukwenelisa lokho, wena uthi, “Ngiyakholwa, ngijoyine ibandla.” Lokho akuhlangene ngalutho nakho. Udeveli uzama ukwenelisa lokho koma onakho enhliziyweni yakho ngoNkulunkulu, ukukuvumela ujoyine ibandla; lokho kungamanga amakhulu njengoba engakwenza ukuba ukholwe. Ukujoyina ibandla akuhlangene ngalutho nakho, ubungajoyina onke amabandla kulelidolobha, futhi uye esihogweni, njengemathini iya ebhokisini layo, ubungaba ngowawo onke.

Lapho umoya wakho ufakazelana noMoya waKhe, impilo yakho ibambisana nawo. Yebo.

155 “O, umphefumulo wami ulangazelela Wena, O Nkosi. Ngilangazelela ukuKubona,” uDavide, ngenkathi esebone ibandla lisuka, “Ngilangazelela ukuKubona sengathi ngiKubonile endaweni yaKho engcwele,” omsulwa, ongcwele. “Ukoma kwami...Umphefumulo wami womela Wena, njengasezweni elomile eligagadekileyo lapho amanzi engekho khona.

156 UDavide wayengumzingeli, wayebhekana nezilwane zasendle, futhi wayazi ukuthi zaziyi. Ungafunda okuningi ngezilwane zasendle uma nje uzozibukela; ngiyathanda nje ukubukela izilwane zasendle. Bengiphumile namhlanje, ngishayela emigwaqeni, nezinto, ngizama ukuthola into ethize engingayibuka, ngibone ukuthi ngingayibona yini inyamazane idiye, noma into ethize ebengingayibuka. Ukuthi ungambona kanjani uNkulunkulu kuzo uma nje uzozibuka!

157 Futhi uDavide wayeqaphelile ukuthi kanjani ukuthi ezweni lapho babenenqwaba yezinyamazane amadiye, babenezinja zasendle kulelozwe, noma sizibiza lapha, izimpisi, futhi wathi, “Njengendluzele yomela umfula wamanzi, umphefumulo wami womela Wena.” Njengendluzele, inyamazane idiye, yomele imifula yamanzi.

158 Manje kwabanye benu bazingeli, uma ulimaza inyamazane idiye futhi ingafika emanzini, uzolahlekelwa yiyo, iyolokhu iphuza, ikhuphuke, izungeze ibuyele emuva. Ungayilandela ngomkhondo noma yikuphi lapho ofuna khona, ubuyele ngqo kulawomanzi, ayisoze iwashiye lawomanzi. Kodwa uma ingafiki emanzini, uzoyicosha khona lapho.

159 Khona-ke ngesikhathi sikaDavide, njengoba kunjalo eBritish Columbia nezindawo eziningi lapho engizingela khona, qaphelani leyompisi, nanso inyamazane encane idiye imi phandle lapho, ukubonakala okujwayelekile kwelincane, inenekazi eliselincane ebutshitshini balo, noma encane, insizwa, noma isithandwa sendoda ethize, umkayo, noma indoda yowesifazane othize...Futhi bakubiza ngokuthi namhlanje, “impempe yempisi,” niyazi, ukumemeza kwempisi.
