<sup>21</sup> Niyazi, izolo kusihlwa, ikakhulukazi, sibe nesampula encane yalokho. Manje, thina singabantu beVangeli eligcwele, sikholelwa kukho konke ukusebenza okuningi kukaMoya oNgcwele. Futhi manje, yiyona ndlela kuphela esingaba yiVangeli eligcwele ngayo, ngukukholwa yiVangeli eligcwele, konke iNkosi ekulobile. Futhi ngikholwa ukuthi si, thina uqobo, asiyilutho. Sifana nje...

<sup>22</sup> Njengoba ngishilo kuMfowethu Carl, izolo, ngibheke isihlahla, ngathi, "Akusilo isundu elihle lelo na? Kodwa, empeleni, akukho lutho kulo kodwa isigejane somlotha wentabamlilo. Liyilokho kuphela." Futhi ngathi, "Lehluke kanjani manje kulowomgamthilini. Awu, yini umgamthilini na? Umløtha wentabamlilo, unokuphila kuwo nje." Ngathi, "Empeleni, ngiyini futhi wena uyini na? Umløtha wentabamlilo, kunjalo impela, uvela emhlabeni; uthuli lomhlaba, kunokuphila kuwo."

<sup>23</sup> Kodwa impilo ngayinye itshalwe yinkosi uMnikezelikuphila, futhi Yena uyazi ukuthi kanjani nje futhi yini emele yensiwi. Futhi konke Akumise lapha emhlabeni kungokwenkazimulo yaKhe. Izinkanyezi zingezenkazimulo yaKhe. Imimoya ingeyenkazimulo yaKhe. Izimbali zingezenkazimulo yaKhe. Futhi singukuqheliswa kwenkazimulo yaKhe.

<sup>24</sup> Kodwa kubonakala sengathi konke kuzoMlalela ngaphandle komuntu. Umuntu nje ubonakala sengathi... Unesikhathi esinjalo, ngenxa yokuthi wayeyiyonanto kuphela eyawa. Konke okunye kwahlala esimweni sakho sasekuqaleni. Kodwa, umuntu wawa. Ngakho-ke, uNkulunkulu unempi naye, ukumenza enze okulungileyo, nokulalela.

<sup>25</sup> Futhi enye yezinkinga ezinkulu zikaNkulunkulu, ezansi kudabula eminyakeni, njengoba umlando webandla usho, ngukuthola umuntu mumbe Angakwazi ukumthola ngokuphelele ekulawuleni kwaKhe. Udinga umuntu oyedwa kuphela. Ubehlala njalo esebezisa umuntu oyedwa ngesikhathi. Sikufundisisile lokho ubusuku obumbalwa bokugcina: umuntu oyedwa, hhayi iqembu. Ufuna nje oyedwa. Yilokho kuphela Akudingayo. Isizathu, abantu ababili bebengaba nemibono emibili ehlukene. Uvele nje enze umuntu oyedwa, emeleta Yena uqobo ngalowomuntu oyedwa. Akakaze akwenze ngaphandle kwalokho. Niyabo?

<sup>26</sup> Manje, UnoMuntu oyedwa namhlanje, futhi lowoMuntu yiLovo esisanda kufunda kamuva: uMoya oNgcwele. UnguMuntu uNkulunkulu amthumelile, uMoya kaJesu Kristu emhlabeni, uMoya kaNkulunkulu, ukubonakalisa

nokumemezela uKristu ngeBandla laKhe, niyabo, nje ukuqhubeza iMpilo kaKristu ngeBandla.

<sup>27</sup> Manje, kuyinto enhle kakhulu, futhi—futhi nokho kulula kakhulu, uma besingama nje futhi sicabange. Siyacindezela, siyathuthumela, si—siyesaba, singena ekukhungathekemi nokungabaza, sicabanga nje. “Awu, ngifanele ngicindezele na?” Akusikho lokho. Kungukuvumela nje, niyabo, uqonda ukuthi awulutho, futhi nje uMvumele ngokuphelele akulawule, alawule ukucabanga kwakho, ukulawula.

<sup>28</sup> Manje, angiqondile ukuhamba unyuukele kuKristu ngo—nje ngo—umqondo ongenalutho. Angiqondile lokho. Woza kuYe ngomqondo wakho oswangulukile, futhi ngo—u—umqondo ophendukile, nokuthobeka. Beso uthi, “Nkosi Jesu, ngilapha. Manje, kulotshiwe lapha eZwini laKho, ukuthi Wena ‘waba nezinto eziningi nokho ukuzisho kubafundi.’ Wena wathi, ‘Babengenakuzithwala manje.’” Futhi mhlasimbe lolo udaba lwethu namhlanje, asikwazi ukuziqonda.

<sup>29</sup> UNkulunkulu angavusa okuthile okuncane okwehlukile nje, futhi ngakho konke siyakujivaza. Esikhundleni sokuhlolwa umBhalo ukuze sibone uma kulungile noma kungalungile, sivele sikulahle ngokushesha nje, “Akukho lutho kukho.” Besifanele sizihlole lezi zinto, sithole ukuthi zilungile noma qhabo. Futhi khumbulani, uma kungalungile, kuyofa ekugcineni, ngokuba uJesu wathi, “Sonke isitshalo uBaba waMi waseZulwini angasitshalanga sizosiphulwa.”

<sup>30</sup> Kodwa ngicabanga ukuthi kwakunguGamaliyeli owenza leyo nkulumo mbiko enku lu ngaleso sikhathi, “Uma kungokukaNkulunkulu, asifuni ukutholakala silwa naKho. Futhi—futhi uma kungesikhona okukaNkulunkulu, kuyoba yize noma kanjani.” Ngakho, kufundisise futhi ucabange ngakho.

<sup>31</sup> Futhi manje, Wathi phakathi lapha, “Kodwa lapho Yena, uMoya oNgcwele, esefikile.”

<sup>32</sup> Manje, othile washo, ngesinye isikhathi esidlule kwenzeka, ekhuluma, wathi, “UMoya oNgcwele empeleni ungumqondo wengqondo yakho. Uyacabanga.” Lokho bekuyobeka uMoya oNgcwele umcabango.

<sup>33</sup> Kodwa iBhayibheli lathi, “Lapho Yena . . .” Futhi u “Yena” uyisabizwana somuntu. Niyabo? Niyabo? “Lapho Yena,” uMuntu, uMoya oNgcwele, uNkulunkulu, “efika, Uyokwembula lezi zinto kini, enginitshele zona.”

<sup>34</sup> Khona-ke, niyabo, ayikho enye indlela yokwazi ukuthi liyini iQiniso. Kuphela ngo . . . Ungeke ulithole ngesiko, ngezipiliyomi zasekholiyi lezenkolo. Uzolithola kuphela ngoMoya oNgcwele. NguYe othunyelwe ukuLembula.

Manje, khona-ke, Waphinde wathi, “Futhi Uzonibonisa izinto ezizayo.”

<sup>35</sup> Manje, amaHeberu, isahluko 1, athi, “UNkulunkulu emandulo nangezindlela eziningi wakhuluma kobaba ngabaprofethi, kodwa ngalolusuku lokugcina ngeNdodana yaKhe, uKristu Jesu.” Niyabo? NguMoya oNgcwele uthatha ukwengamela, noma wengamela iBandla, ukusebenzisa uKristu eBandleni. Khona-ke, uba njengalokhu Wayenjalo. Yena uba njengoba wawunjalo, ukuze wena ube njengalokhu Wayenjalo. Niyabo? Yena uba nguwe, ukuze wena ube nguYe. Lokho, ku—kungaphezu kokuqonda. Ayikho indlela yokukuchaza, futhi ungakuzami. Kwamukele nje. WaLikhuluma, futhi lokho kuyakuxazulula. Vele uthi kulungile. Likholwe.

<sup>36</sup> Manje, njengomKristu osemusha, bengihlale ngenza lenkulumo mbiko. Ngajabula ukuthi uNkulunkulu wangibamba ngaphambi kokuba ibandla lingibambe. Ukusho okunzima ukuthi bengiyoba kuphi. Kodwa nga—ngaba nokubonga ngobuholi nokuxhumana okuqondile uMoya oNgcwele ahlabe umxhwele impilo yami ngakho, ngaphambi kokuba ngize ngikuniikezele. Ngokuba, njengomfana omncane, ngazi ukuthi kwakukhona iNto ethile. Wayekhulumile, futhi ngangikhuluma naYe. Wangiphendula. Futhi ngiqala ukuqaphela ukuthi izinto Angitshela zona, njengomfana omncane, ukuthi ziqala ukwenzeka ncamacashi nje ngendlela Athi ziyokwenza ngayo. Ngakho ngazi ukuthi kwakufanele kube yiqaqiso.

<sup>37</sup> Manje, ngiyindoda endala manje. Futhi a—angikaze nakanye... Futhi ngingabiza izwe ukuba—ukuba lime ngqi, futhi ngibacele. “Beka umunwe wakho entweni eyodwa Ake angitshela yona, ku ISHO KANJE INKOSI, eGameni leNkosi, kepha lokho okwaba yiqaqiso uqobo futhi isiminya, futhi kwenzeka, ezinkulungwaneni ziphindwe kazinkulungwane zezinto.” Kwenzani...

<sup>38</sup> Ngikusholo ukuthini lokho na? Niyabo, ngisibeke sonke njengothuli lwentabamlilo. Kodwa yisithembiso seZwi likaNkulunkulu. Ngakho-ke, angikwazi ukuzethemba. Awukwazi ukuzethemba. Kodwa, ndawonye, singaba nokwethemba kuLokho okusingamele. UMoya oNgcwele usengamelile. Sifanele sibe nokwethemba kuLokho. Futhi njengoba sibeka ukwethemba kwethu kuLokho, khona-ke imiphumela iyafika.

<sup>39</sup> Bekungaba ngaphandle kwesizathu mina ukuba ngizame ngisho uku—ukubhekana nokunitshela ezinye zezinto uMoya oNgcwele azenzile empilweni yami uqobo ephukile, izinsuku zami. Ngisho lokhu neBhayibheli laKhe livuliwe, iZwi laKhe. Futhi yilokho Ayikho. UyiZwi.

<sup>41</sup> Futhi uma ngimele ngihlale phansi, futhi ngithathe isikhathi sokubhala phansi izinto engiMbome ezenza, kuyokwenza umthamo wezincwadi. Futhi ukucabanga ngakho lapha, iminyaka engamashumi amahlanu nantathu ubudala, futhi ngingasho phambi kukaNkulunkulu, iBandla laKhe, neBhayibheli, ebukhoneni baleli qembu, ukuthi: Angikaze nakanye ngiKubone kwehluleka; ngokuphelele esikhonkosini, ngaso sonke isikhathi.

<sup>42</sup> Ngaphandle kwalokho, ngolunye usuku lapho ngiza ngasentshonalanga. Niyidlalile iteyiphu, iningi lenu, ngiqagele, futhi niyaqonda. Angazi ukuthi yini. Ngilindile. Ngilapha manje. Angazi ukuthi kungani. Ngilindele nje.

<sup>43</sup> Kungahle kube isikhathi sami sokuya ekhaya. Kubukeka kakhulu kakhulu ngaleylo ndlela. Uma kunjalo, kuzovuka omunye umuntu emva kwami, oyoqhube ka noMlayezo. Uyoba ngumuntu oyinqaba, kodwa uyovuka emva kwalokhu bese eqhubeka noMlayezo. Futhi kulaleleni. Inqobo nje uma kungumBhalo, hlalani nakho.

<sup>44</sup> Uma kungenjalo, kuza enye ingxene manje, ngokuba ngyiakholwa ukuthi siphila ezinsukwini zokugcina, futhi ngingokubonga ukuthi ngiphile kulolusuku. Beningeke ngashintshanisa ngalolusuku nganoma yiluphi usuku. Lolu ngusuku olukhazimula kunazo zonke olwake lwaba khona emhlabeni. Alukho olunye usuku olwake lwathatha lolusuku.

<sup>45</sup> O, uMose wayeyokwenzani, u-Elija, uPawulu, uSilas, lawo maqhawe amakhulu okholo, ezinsukwini esezandlula, bengavuka futhi bathathe incwadi yomlando, futhi babuke nciamashi lokho ababeprefethe ngakho, kufezeka, futhi babone lapho sikhona manje na? Ngani, bebeyobafaka etilongweni, eholeni. Impela. <sup>46</sup> Kodwa ngingathanda ukubuyekeza ngokuphuthumayo nje, ukuthi ukuthola ibandla...

<sup>47</sup> Empeleni, ngabe uBilly Paul unikezelile ngamakhadi omkhuleko kulelibandla kulobubusuku na? Ngisanda kufika ngivela eTucson imizuzu embalwa edlule. [Omunye uthi, “Yebo.”—Umhl.] U—uwakhophile amakhadi. Manje, lokho kuzoba indlela embi kabi yokuzama ukuba letha ngapha. Sizokuzama.

<sup>48</sup> Angeke ngithathe isikhathi eside kakhulu, ukunikeza ubufakazi nje phezu kwalomBhalo.

ongahluleki. Ufanele agcine elaKhe. Niyabo? Kodwa angidingeki ukuba ngigcine elami. Awudingeki ukuba ugcine elakho. Kodwa Uyakwenza. O, lokho akubeki into ethize kuwe, ukwazi ukuthi U—Ubophezeleke ngokuphelele kuleloZwi na? [Ibandla lithi, “Amen.”—Umhl.]

<sup>50</sup> Futhi kuleliviki, indlela esize ngayo eBhayibhelini, nalabo baprofethi kanye nokhokho, futhi isikhathi ngasinye kubonisa ukuthi lapho ibandla liqhele kulokho, uNkulunkulu wathumela omunye umuntu ezansi ngqo futhi wabazamazamisa babuyela ngqo kuleloZwi futhi, eqondisa ibandla. Bekuhlala kunjalo. Lowo ngumgomgo kaNkulunkulu. Wakhetha abantu ukuba enze kanjalo.

UPapa wayeza nesinkwa, lapho ayeshanyela khona isitolo, noma okuthize, futhi bayothululela ikhofi phezu kwaso, bese befaka ushukela phezulu kwalokho. Futhi umama wayenza sengathi wayengalambile, ukuze thina bantwanyana sibe nokuthile esingakudla. O, a—angisoze ngakukhohlwa lokho. Niyabo? Futhi izikhathi eziningi wayengiqukula, kanye nezinto angenzele zona. Kodwa, niyazi, uNkulunkulu u—ugcwele nje umusa. Uqonda zonke lezozinto, lapho Efanele abathathe. Futhi ngi—ngiyaMthanda ngakho.
