*Lalaba bazakuya ekujezisweni okungapheliyo: . . .*

26 Manje, umbuzo yikuthi, “Kuyini . . . Chasisa . . .” Manje ibala *okungapheliyo* livela ebaleni kusuka ku “nini lanini,” futhi *unininini* li “banga lesikhathi.” Kutsho kuphela “isikhathi esingako,” njengo *nininini*. Kumbe, “Bazakuya ekujezisweni okulaPhakade, futhi omunye eMpilweni elaPhakade.” Bona, nxa kulokujeziswa okulaPhakade, ukujeziswa kuze kube nini lanini, khona-ke kulokulaPhakade . . . uleMpilo elaPhakade;

<sup>77</sup> Manje khangela, ibale nje. Manje:

Futhi omunye wabadala wasephendula, esithi kimi, Ngobani laba futhi...abembethe izembatho ezimhlophe? futhi bavela ngaphi?

<sup>78</sup> Omdala wathi kuJohane, lowo owayengumJuda lowo owananzelela abazinkulungwane ezilikhulu lamatshumi amane lane, wathi, “Manje, wawubazi, bangaJuda bonke. Kodwa ngobani laba? Bavela ngaphi?” Bona lokho omdala akutshoyo? “Omunye wabadala waphendula,” (labo ngabadala phambi kwesiHlalo sobukhosi) “wangiphendula, esithi, ‘Bangobani laba abagqoke ngezembatho ezimhlophe? Futhi bavela ngaphi? Manje, sonke siyazi amaJuda lesivumelwano sabo lokunjalo, kodwa laba babuya nini?’” Manje khangela:

Ngasengisithi kuye, Mnumzana, nguwe owaziyo. (“A—a—angazi,” uJohane wathi, “kuyangedlula nje. Kangazi.”) Wasesithi kimi, Laba yibo labo abaphuma phakathi kokuhlupheka okukhulu, (“Ngasekuvivinyweni lezinengi lezi ingozi,

ukutshikatshika lezithiyo, sengivele ngedlula.”  
 Bona?) . . . laba baphuma kokukhulu ukuhlupheka,  
 futhi *bahlambe izembatho zabo*, . . . (ebandleni?  
 Ngabe lokho kuzwakala kuqondile?) . . . *sebahlamba  
 izembatho zabo, benza izembatho zabo zaba mhlophe

 uMlobokazi wakho)

<sup>79</sup> Nanzo izinkulungwane zakho ezilikhulu lamatshumi  
 amane lane, nanzo inceku zakho. Ngakho “abantwana  
 boMbuso” lapha, muntu othandekayo obuze umbuzo, kuyi . . .  
 lowo obuze lumbuzo obalulekileyo. Ngicabanga ngingabe  
 ngikutshiye emuva lapha e . . . kwenye indawo, kodwa “kunini  
 abayakuphoselwa phandle,” akutsho ukuthi bayakuphoselwa  
 phandle kwengqondo kaNkulunkulu. Baphoselwa ngaphandle  
 kwenzuzo zikamoya okwesikhathi. Bona, okwesikhathi  
 esincinyane nje.

<sup>80</sup> Ngoba, lapho umprofethi ebona uIsrayeli kulolusuku  
 ayesiza kulo, wathi, “Awu, ngabe uIsrayeli ezakuba ekhona  
 lapho iSabatha lisuswa, futhi—futhi bayathengisa ngeSabatha  
 ngokufanayo njengaloba yiluphi olunye usuku, lazo zonke  
 lezi izinto?” Wathi, “Awu, Unga—Ungake u . . . UIsrayeli  
 engakhohlakala ngokugcweleyo?”

<sup>81</sup> Wathi, “Kuphezulu okunganani ukuya ezulwini? Ujule  
 kanganani umhlaba? Kulinganise ngalolo luthi oluphambi

Wathi, “Angikwanisi!”

<sup>82</sup> Wathi, “Lami ngingeke ngikhohlwe uIsrayeli.” Ngeqiniso  
 hatshi! UIsrayeli akasoze akhohlakale.

<sup>83</sup> Ngakho, uyabona, *okungapheliyo lokulaPhakade* kuyizinto ezimbili ezehlukeneyo. UIsrayeli waphoselwa phandle, kodwa hatshi phandle kwengqondo kaNkulunkulu. Futhi uPhawuli uyakhuluma khona lapha, nxa bengile...ngangi lesikhathi sokutaditsha, ukuze ngenelise ukufika eMbhaweni lowo... ngangingayi khombela kini, bona, lokho okubuya engqondweni yami.

<sup>84</sup> Uphawuli ekhuluma laphana, wathi thina abeZizwe siqaphele, indlela esahamba ngayo lalokho esakwenzayo. Bona? Ngoba nxa uNkulunkulu engaluyekelanga ugatsha lokuqala, bona, futhi thina sixhunyaniswe phakathi, bona,... Futhi uIsrayeli, owaphumputhekiswa okwesikhathi, wathi. Okwesikhathana nje, uIsrayeli wayephumputhekisiwe. Kunjalo, kodwa iveyili lizaphakanyiswa lisuswe elihlweni labo. Futhi lokho kulapho oweZizwe wokucina uzakuzalelwa eMbusweni kaNkulunkulu, khona-ke iveyili labo seliphakanyisiwe elihlweni likaIsrayeli. Futhi bazakuthi, "Lowu nguMesiya Lowo ebekhangele ukumbona." Kunjalo, kodwa umnyango wabeZizwe uvaliwe (umkhumbi uvaliwe), akusela musa futhi—futhi oseleyo kwabeZizwe kuleso sikhathi.

<sup>85</sup> Manje, ngithatha isikhathi esinengi kakhulu embuzweni owodwa. Futhi omunye umuntu uthi, "Manje awufiki kowami." Awu, sizaphangisa futhi sibone uba singasoze sifike kuwo.

<sup>86</sup> Kulungile, nanku o—omude. Futhi okuncinyane kwakho umfazi ubuzile kumbe indoda ibuzile, kumbe loba ngubani okunguye, uqondile.

**53. Akusilo yini iqiniso ukuthi iNkosi uJesu akazange afele umhlaba wonke, kusitsho wonke umuntu emhlabeni, kodwa kuphela...**(manje, ngingachasisa lokho, kodwa yena...owesilisa kumbe owesifazana, loba kungubani... Kukhangeleka njengesandla somfazi)...**kodwa kuphela okwalaba—kuphela okwalaba kuzo zonke ingxenye zomhlaba, uBaba Amnika zona? Labo abathi ngaphambili kokusekelwa komhlaba, uNkulunkulu wabamisela eMpilweni elaPhakade, ebakhethile ngokufisa okuhle Kwakhe uQobo?**

<sup>87</sup> Impela, kunjalo! Kunjalo sibili. UJesu wafela...hatshi nje uku...Ujongile.

<sup>88</sup> Kasiboneni, ngiyakholwa i...Ngi—ngiyakholwa bayabala...umbuzo uyeza ngalokhu:

**54. Umbhalo kungela kuthandabuza usitshela ukuthi laba yilabo abangasoze babe—yilabo abangasoze basindiswe. Ngakho-ke...**

<sup>89</sup> Kunjalo sibili. Umbhalo usitshela ukuthi kulabantu ababemiselwe ngaphambili nguNkulunkulu ukulahlwa.

90 Lingathanda ukukubala lokho, ukuze kuphume izikhathi zonke engqondweni yenu? Kulungile, asivuleni manje eBhukwini lika—likaJuda, uJuda ekhuluma lapha.

*UJuda, inceku kaJesu Khristu, umfowabo kaJakhobe, kulabo abangcweliswe nguNkulunkulu uBaba, labagcinwe kuJesu Khristu, ababiziweyo:*

91 Bona lowo aYibhalela kuye? Hatshi isoni, hatshi kuphela inkonzo yobuvangeli, kodwa kwabangcwelisiweyo lababiziweyo. Bona, labo asebevele beseMbusweni.

*Isihawu kini, lokuthula, lothando, kakwandise.*

*Bathandekayo, . . .Nginikeza yonke inkuthalo yokulibhalela ngosindiso oluhlanganyelwayo, ngaswela ukulibhalela, lokuthi ngilikhuthaze . . .kufanele lina lilwele ngoqotho ukholo lolo olwanikwa kanye kwabangcwele.*

*Ngoba kulabantu abathile abangenileyo kungananzelelwa, abamiselwa ngaphambili lokhu kulahlwa, . . .(njani?) . . .abaphendula umusa kaNkulunkulu wethu ube ngamanyala, . . .*

92 Abamiselwa kudala! Hatshi ukuthi uNkulunkulu wahlala emuva esihlalweni sobukhosi, futhi wathi, “Ngizasindisa lumuntu, Ngizalahlekelwa yi lowo muntu.” Lokho kwakungayisikho! UNkulunkulu wafa, futhi lapho uJesu esifa, inhlawulo yamboza umhlaba wonke okomuntu wonke. Kodwa uNkulunkulu, ngokwazi ngaphambili . . .Hatshi ukuthi Uza . . . Akathandi ukuthi loba ngubani abhubhe. Wayefuna umuntu wonke asindiswe. Leyo kwakunge Yakhe i—kwakuyinjongo Yakhe elaPhakade. Kodwa nxa WayenguNkulunkulu, Wayesazi ukuthi ngubani owayezasindiswa lowayengasoze asindiswe. Nxa Wayengazi, khona-ke Wayengasuye uNkulunkulu ongakhawuliyo. Ngakho iBhayibhili liyakufundisa lokho. Ukuthi sasinga . . .

93 Nxa besilesikhathi ukuvula ngalapha kwabaseRoma, isahluko 8, futhi lingabala. AbaseRoma, isahluko 9, indawo ezinengi eBhayibhili. AbaseEfesu, isahluko 1. Futhi lingabona ukuthi ukhetho lukaNkulunkulu, ukuthi kungama kuqinisile, uNkulunkulu wanika isivumelwano kungelasimiso. Wathumela uJesu ukuzofela labo Ayebazi ngaphambili. Bona?

94 Hatshi nje ukuthi, “Awu, wena uthi uNkulunkulu kakwazi loba uzakusindiswa kumbe hatshi?” UNkulunkulu wayekwazi ukuthi uzakusindiswa, kumbe loba wawungasoze, umhlaba ungakaqali, kungenjalo Wayengasuye Nkulunkulu.

95 Liyakwazi ukuthi ibala lokuthi *ukungabi lamkhawulo* litshoni? Khangela ku . . .khangela isichazamazwi futhi sifumane ukuthi ibala elithi *ukungabi lamkhawulo* litshoni. Ngani, Wayesazi indwebundwebu yonke eyayizakuba

semhlabeni, yonke impukane, lonke ubudununu, lonke igcikwane. Wazazi ngaphambili zingakabikhona, kungenjalo Wayengasuye Nkulunkulu. Ngeqiniso, Wayekwazi. Kulungile.

<sup>96</sup> Khona-ke, phakathi lapho, uNkulunkulu wayengeke—wayengeke athi, “Ngizakuthatha *wena*, futhi ngikuthumele esihogweni; futhi ngizakuthatha *wena*, futhi ngikuthumele eZulwini.” UNkulunkulu wayelifuna lobabili liye eZulwini. Akukho eMibhalweni, kusuka kuGenesisi kusiya kuSambulo. Kodwa wonke umuntu eBhayibhilini wabhaphathizwa eBizweni likaJesu Khristu!

<sup>148</sup> Uthi, “Mana okomzuzu, mtshumayeli. Uthini ngoJohane? Kazange abhaphathize loba ngaliphi ibizo ngitsho!”

<sup>149</sup> Kulungile, siyafumana ukuthi kuyini okwenzakalayo; kasivuleni ku—ku—kuMisebenzi, isahluko 19. Yikho lapho esithola khona abafundi bakaJohane. Wonke umuntu wayebhaphathizwe eBizweni likaJesu Khristu, kusiya kuze kube manje sithole leliqembu lapha. Imisebenzi, isahluko 19. Futhi kasiqaliseni ukubala manje, futhi siyathola abafundi bakaJohane:

*Kwasekusithi, . . .lapho uApolosi (lowo owayeligqwetha, eguquliwe) eseKorinte, uPhawuli wafika esedabule indawo eziphakemayo ze . . . Efesu: ufumana abafundi abathile, (babengabalandeli bakaJesu)*

<sup>150</sup> Nxa like lananzelela nje isahluko esedluleyo ngaphambi kwalapho, babesiba lesikhathi esikhulu baze bamemeza futhi bethokoza. Bangaki abakwaziyo lokho kuliqiniso? Futhi uAkwila loPrisila babesemhlanganweni. Futhi uPhawuli loSayilasi babetshayiwe futhi babahlubula, futhi babafaka entolongweni. Kunjalo na? Futhi beza lapha, futhi bafumana uAkwila loPrisila. Futhi babe lemvuselelo phezulu lapho ngomtshumayeli weBaptisti, obizo nguApolosi, owayefakaza ngeMibhalo ukuthi “UJesu wayenguKhristu.” Manje uPhawuli uyamthola:

... *uPhawuli wafika esedabule indawo eziphakemeyo ze... Efesu: ... fumana abafundi abathile,*

*Wathi kubo, Lamemukela yini uMoya oNgcwele selokhu lakholwayo? ...*

151 Manje, wena mngane othandekayo weBaptisti, nxa lokho kungatshayi i—izisekelo ngaphansi kwesayensi yenkolo *yakho*, lapho usithi we “mukela uMoya oNgcwele *lapho* ukholwa.”

152 Kodwa uPhawuli wayefuna ukubuza lawa maBaptisti, “Lawemukela yini uMoya oNgcwele *selokhu* lakholwayo?” Manje khangela lokho abakutshoyo:

... *Basebesithi kuye, Siyakwazi ... ukuthi kukhona uMoya oNgcwele.*

*Wathi kubo, Kukuphi ... (manje, nxa ufuna ukuthatha isichazamazwi sesiGriki lapha, sizakutshengisa, “Labhaphathizwa kanjani?”) ... Kukuphi ... elabhaphathizwa kikho? Basebethi kuye, Ngaphansi kukaJohane emuva lapha. UJohane wasibhaphathiza.*

153 Manje ngifuna ukubuza: Nxa laba lobhaphathizo lolo, ungasuthiseka ngalo? Indoda efanayo eyahambisa uJesu emfuleni, futhi yabhaphathiza uJesu Khristu, leyo ndoda efanayo yayibhaphathize abantu laba. Lolo lubhaphathizo oluhle kakhulu: hatshi ukuchela, hatshi ukuthela, kodwa ukucwilisa eJordani omdala olamadaka endaweni efanayo uJesu abhaphathizwa kuyo. Cabanga ngalokho.

154 Uphawuli wathi, “Lawemukela yini uMoya oNgcwele selokhu lakholwayo?” Bona ... yena ...

Bathi, “Siyakwazi ... ukuthi kukhona uMoya oNgcwele.”

Wathi, “Labhaphathizwa njani?”

Bathi, “Sabhaphathizwa.”

“Labhaphathizwa njani?”

“KuJohane!”

155 Manje khangela lokho uPhawuli akutshoyo. Khangela lapha:

*Wasesithi kubo, ... labhaph- ... KolukaJohane ... Futhi ba ...*

*Futhi khona-ke uPhawuli wathi, UJohane ngeqiniso wabhaphathiza ... ubhap- ... ekuphendukeni, esithi e ... abantwini, ... kufanele bakholwe kuye lowo oweza emva kwakhe, okuyikuthi, kuJesu Khristu.*

156 Bona, uJohane wabhaphathiza kuphela ekuphendukeni, kodwa ubhaphathizo lwamanzi eBizweni likaJesu lungolokuthethelwa kwezono. Inhlawulo yayingakenziwa lesosikhathi, izono zazingeke zesulwe. Manje ... Kwakuyikuphendula nje okwesazela, njengaphansi

komthetho. Luka 16:16, wathi, “Umthetho labaphrofethi kwakukhona kwaze kwafika uJohane, kusukela lapho uMbuso sewatshunyayelwa.” Manje khangela. Futhi . . . Khangela.

Futhi uPhawuli *wathi ku-. . .*(manje khangela) . . .  
*Selawemukela. . .*

157 Eyesi 5—indima 5:

Futhi *lapho bekuzwa lokhu, babhaphathizwa* (futhi)  
*ebizweni lika. . .* Jesu Khristu.

158 Kunjalo na? Khona-ke abantu laba, abantu kuMisebenzi 2, babhaphathizwa eBizweni likaJesu. AmaJuda abhaphathizwa eBizweni likaJesu. AbeZizwe babhaphathizwa eBizweni likaJesu. Futhi wonke umuntu eBhayibhili lonke wabhaphathizwa eBizweni likaJesu.

159 Manje dinga indawo eyodwa lapho loba ngubani owake wabhaphathizwa ngeyinye indlela, futhi ngizabuyela khona emuva lapha futhi ngilitshengise lapho ibandla leKatolika elikuvuma khona, futhi ngithi liyakukhothamela. Futhi wathi, “Kungaba lamanye amaProtestant asindisiweyo ngoba balokulutshwane kwezimfundiso zamaKatolika, njengokubhaphathiza ebizweni lika ‘Baba, Ndodana, loMoya oNgcwele’; ukuthi ibandla leKatolika elingcwele lilelungelo lokuguqula lokho kuqiniseka kusukela eBizweni likaJesu, kusiya ku ‘Baba, iNdodana, loMoya oNgcwele,’ futhi ibandla lamaProtestant liyakuvuma.” Leli kalivumi, ngihlala leBhayibhili. Ngiyakholwa iBhayibhili.

160 Uthi, “Mfowethu Branham, uyalayela abantu ukuthi babhaphathizwe njalo?” Impela! UPhawuli wakwenza, lapha.

161 Manje khangela, kasithatheni abaseGalathiya 1:8, futhi sifumane lokho uPhawuli akutshoyo:

*. . .lanxa kungaba yithi, kumbe ingilosi evela ezulwini, engalitshumayeza ivangeli elehlukene. . .*  
*kabe ngoqalekisiweyo.*

162 Nanko-ke, “Nxa thina kumbe ingilosi.” Futhi uPhawuli, indoda efanayo, walayela abantu ukuthi babhaphathizwe njalo lokho babe lobhaphathizo olungcono kakhulu ukwedlula lolo elibe lalo, mzalwane wami; ngoba uJohane umBhaphathizi wayengumzawakhe uQobo kaJesu, umzawakhe wesibili; ebhaphathiza umzawakhe uqobo emfuleni iJordani, futhi watshibilika khona lapho futhi wabhaphathiza abafundi bakaJohane. Futhi uJesu wathi, “Lokho akuyi kusebenza!” kumbe uPhawuli waKutsho, futhi waba layeza ukubhaphathizwa kakutsha eBizweni likaJesu Khristu bengakemukeli uMoya oNgcwele; emva kokuba bememeza futhi bedumisa uNkulunkulu lokuba lesikhathi esikhulu, besiba lemvuselelo enkulu—enkulu, futhi befakaza ngeBhayibhili (ngesayensi yabo yenkolo zabo) ukuthi uJesu wayenguKhristu.

Bangaki abakwaziyo ukuthi nguMbhalo? Isahluko 18. Ngeqiniso kuyikho. Nanko-ke. Ngakho kakula mbuzo Kikho.

163 Manje mangilinike okuncinyane okuqakathekileyo. Manje, akazange aphume ohlelweni, kodwa kuLukha... Mathewu, isahluko 16. UJesu, lapho besehla phansi entabeni, Uthi, “Abantu bathi Mina iNdodana yomuntu ngingubani?”

164 “Abanye bathi Ungu ‘Elija,’ futhi abanye bathi ungaba ‘profethi,’ futhi abanye bathi Uyi ‘lokhu, lokho.’”

165 Wathi, “Kodwa lithi Ngingubani?”

166 UPhetro wathi, “Wena unguKhristu, iNdodana kaNkulunkulu ophilayo.”

167 Khangela! “Ubusisiwe wena, Simoni Kajona (indodana kaJonasi), inyama legazi akuzange kwambule Lokhu kuwe.” Amen!

168 Bona, kufanele kubuye isambulo sikamoya. Inyama legazi alizange litshela uAbela ukuthi wayephambukile (UKhayini, ukuthi wayephambukile), akazange atshela uAbela ukuthi “uKhayini wayephambukile.” Kodwa kwakuyisambulo uAbela ayelaso, “Kwakuligazi!” Siyeza kulowombuzo ngemizuzu embalwa. Kwakuligazi, hatshi izithelo, elasisusa esivandeni saseEdeni. “Kwakuligazi,” futhi uAbela, ngesambulo sikamoya, kwambulwa nguNkulunkulu ukuthi kwakuligazi, futhi yena, “Ngokholo,” AmaHebheru 11:1 athi, “wanikela kuNkulunkulu umhlatshelo ongcono kakhulu kuloka Khayini. Lokho, uNkulunkulu wamukela umhlatshelo wakhe.” Nanko-ke. Bona, wakunikela ngokholo, ngesambulo.

169 Manje khangela, “Inyama legazi kakwembulanga lokhu kuwe,” (kuze kuyefika eNkosini uJesu) “kodwa uBaba Wami oseZulwini wembulile Lokhu kuwe. Futhi phezu kwalelidwala (isambulo sikaJesu Khristu)... Phezu kwalelidwala Ngizakwakha iBandla Lami, futhi amasango esihogo akayi kuLehlula.” Yikho lokho Akutshoyo. Esikamoya isamb-... “Futhi Ngithi ukuthi unguPhetro, futhi ngizakunika izihluthulelo zoMbuso. Futhi loba yini... Ngoba ulendlela kamoya evulekileyo phakathi kwalapha laseZulwini. Inyama legazi: awuzange ungenise iseminari, awuzange ungenise okwesikolo, awuzange uthathe i—imfundo yesayensi yenkolo. Kodwa uthembele kuNkulunkulu, futhi uNkulunkulu ukwembulile Khona kuwe, futhi ngempela kunguMbhalo osobala okuBophanisa ndawonye. Ngithi unguPhetro, kunjalo, futhi Ngizakunika izihluthulelo; futhi lokho okubophayo emhlabeni, Ngizakubopha eZulwini; lokho okukhululayo emhlabeni, Ngizakukhulula eZulwini.”

170 Futhi uPhetro waye yisikhulumi ngoSuku lwePhentekhosti, lapho bonke besesaba ukukhuluma, wamemeza futhi wathi, “Lina madoda eJudiya lani elihlala eJerusalema, makwaziwe lokhu kini futhi zwanini amaZwi ami. Laba kabadakwanga

njenge likucabangayo, sibona kulihola lesithathu losuku, kodwa lokhu yilokho okwakhulunywa ngumprofethi uJoweli. ‘Kuzakwenzala ensukwini zokucina,’ utsho uNkulunkulu, ‘Ngizathulula uMoya Wami phezu kwenyama yonke. Amadodana enu lamadodakazi azaprofetha. Futhi laphezu kwencekukazi Zami, incekekazi eyisisebenzi, Ngizakuthulula okoMoya Wami. Futhi ngizatshengisa izibonakaliso emazulwini phezulu lasemhlabeni phansi, insika zomlilo lentuthu lenkungu. Kuzakwenzakala ngaphambi koSuku lweNkosi olukhulu lolwesabekayo lungakafiki, ukuthi loba ngubani ozabiza iBizo leNkosi uzasindiswa.’” Nanko-ke. O, minabo.

<sup>171</sup> “Mangikhulume ngesihle kini lina ngokhokho uDavida,” wathi, “wafa konke lokungcwatshwa, futhi ingcwaba lakhe likanye lathi kuze kube lusuku lolu. Ngakho-ke, engumprofethi, wabona . . . Wabona ngaphambili esandleni Sakhe sokunene, ‘Futhi kangiyi kunyikinywa. Njalo inyama Yami izaphumula ethembeni ngoba Akayi kutshiya umphefumulo Wami esihogweni, futhi akasoze avumele oNgcwele Wakho ukubona ukubola.’”

<sup>172</sup> “Futhi uDavida ukonke ofileyo,” wathi, “futhi wangcwatshwa, futhi ingcwaba lakhe likanye lathi lolusuku. Kodwa engumprofethi, wabona ngaphambili ukubuya kwaLowo Olungileyo, Lowo uNkulunkulu owamenza konke iNkosi loKhristu.” O, minabo. Nanso iMibhalo yakho. Nanso into. Yikho lokho.

<sup>173</sup> Manje siyafumana lapha, khona-ke, ukuthi indlela eqondileyo, lendlela eqotho, lendlela kuphela eyake yabekwa . . . Futhi uPhetro wayezihluthulelo, futhi ngosuku lapho etshumayela, bathi . . . Manje khangela, nanti iBandla lokuqala. Lina maKatolika lalalani kuLokhu. Lina maCampbellite lalalani kuLokhu. Lina maBaptisti lamaMethodisti lilalele kuLokhu. Futhi lani maPhentekhosti lalalani kuLokhu. Church of God, amaNazaren, amaPilgrim Holiness, lalalani kuLokhu.

<sup>174</sup> UPhetro wayezihluthulelo, futhi waye legunya, kungenjalo uJesu waqamba amanga. Futhi akwenzeki Kuye ukuthi aqambe amanga, “izinto ezimbili ezingaphendukiyo, akwenzeki ukuthi uNkulunkulu aqambe amanga.” Wayezihluthulelo. UJesu wamupha izihluthulelo. Lapho Evuka ngo—ngosuku lwesithathu njengalokho, Wayezihluthulelo zokufa, lesihogo, kodwa hatshi izihluthulelo zoMbuso. UPhetro wayelazo! Kuqondile sibili.

<sup>175</sup> Futhi manje khangela, Phetro, ulezihluthulelo ezilenga ohlangothini lwakho, futhi uyatshumayela. Umbuzo uyabuya, abaphendukayo bakuqala bebandla elitsha. IBandla lesiKhristu lakuqala. Manje Katolika, manje Baptisti, Methodisti, Presbyterian, ngabe lisemfundisweni yeBandla eliTsha? Fumanani nxa likiyo.

... Ndoda labazalwane, sizakwenzani?

...UPhetro wasukuma futhi wathi...  
Phendukani, ...lonke ngamunye wenu... (khangela, mfana; indlela ofaka ngayo lezo zihluthulelo lapha, uKhristu uzazifaka eZulwini) ...Phendukani, lonke ngamunye wenu, futhi libhaphathizwe ebizweni likaJesu Khristu... (yiyo indlela ongena ngayo kuLokhu) ...ethethelelweni lwezono zenu, futhi lizakwamukela isipho sikaMoya oNgcwele.

<sup>176</sup> Izihluthulelo zathi “khoxo” lapha, futhi kwathi “khoxo” Khonale. Yiso isizatho abafundi bakaJohane kwakufanele babuye futhi babhaphathizwe kakutsha, njalo, eBizweni likaJesu Khristu (bengakahambi eZulwini), bathole uMoya oNgcwele. Wagcina iLizwi Lakhe. Ngakho akukudidi manje, ngabe kukudida? Bona? Ngeqiniso, uMathewu 28:19 kwakuyizihloko, hatshi iBizo.

<sup>177</sup> Kulungile, sisalesikhathi esinengi okunganani? Singaba lemuzuzu elitshumi lanhlano yokuphendula eminye imibuzo embalwa ngokuphangisa? Singabalayo? Kulungile, sizaphangisa khona masinya. Ngilemibili phansi lapha ngaphansi, ebengifuna ukuyithatha ngokuphangisa, ihlanganiswe lalowu, nxa ngingenelisa. Khona-ke ngingathatha eminye yayo yonke ngeSonto ekuseni.

**57. UKhayini wayeyinzalo yenyoka na? (Lowu ngomuhle.) Nxa kunjalo, kungani uEva engazange akhulelwe kwaze kwaba ngemuva uAdamu esemazile?**

Okufanayo... Umbuzo olandelayo ungendlela efanayo:

**58. Kwakuyi—kuyi sihlahla uqobo leso uEva adla isithelo? Wabona ukuthi sasisihle ukusidla.**

<sup>178</sup> Kulungile, mfowethu, dadewethu, loba ngubani obekunguye, kasibuyeleni ngemuva kuGenesisi futhi sifumane enye into lapha. Kasiyeni kuGenesisi 3:8, nxa lingathanda. Kulungile, futhi lalélisisani manje.

<sup>179</sup> Manje ngizaletha indaba. Konke kwakumsulwa futhi kungcwele, kwakungela sono kumbe kungela kungcoliswa. Manje ngizathatha i...okwakho...lumbuzo wakuqala kuqala. Isihlahla empilweni...phakathi kwesivande, phakathi kwesihlahla. Isihlahla sasi “ngumfazi.” Manje ngizafakaza lokho kini ngeMibhalo nxa nje lingabekezela okwemizuzu emilutshwana.

<sup>180</sup> Sizathatha kuqala loba waye...loba wakhulelwa engakamazi uAdamu kumbe hatshi, kumbe ngaphambilini... Lalelani:

*Futhi basebesizwa ilizwi leNKOSI uNkulunkulu lihamba esivandeni, futhi ekupholeni kosuku: futhi*

*uAdamu lomkakhe basebecatsha ebusweni beNkosi uNkulunkulu phakathi kwezihlahla zesivande.*

*Futhi iNkosi...yasibiza uAdamu, futhi yathi... Ungaphi?*

*Futhi wathi, ilizwi lakho ngilizwile esivandeni, futhi ngangisesaba, ngoba nganginqunu;... (manje, kazange abekwazi ukuthi izolo kwangakhona; enye into yayenzakele, enye into yambula kuye ukuthi wayenqunu) futhi ngasengicatsha.*

*Futhi yasisithi, Ngubani okutshela ukuthi unqunu? Udlile yini okwesihlahla, ...?*

<sup>181</sup> Edlile okwesihlahla kwamenza wananzelela wayenqunu? Njengoba ngihlala ngisitsho, (lokhu akusikho kusoma, kangikutsholo ukusoma) “Kodwa nxa ukudla ama aphula kwabangela abafazi ukunanzelela ukuthi banqunu, kungcono sibaphe ama aphula njalo.” Bona? Kwakungasikho bunqunu. Kwakungasiso sihlahla, i-apula abalidlayo, kwakuyikuhlangana emacansini. Khangela:

*...Udlile yini okwesihlahla, engakulaya ngaso ukuthi ungadli kuso?*

*Futhi indoda yathi, Umfazi owangipha yena, ukuthi abe lami, wangipha... isihlahla, futhi ngasengisidla.*

*Futhi iNkosi...yathi kumfazi, Kuyini lokhu okwenzileyo? Futhi umfazi wasesithi, Inyoka ingikhohlisile, ... (huh?)... Inyoka ingikhohlisile ngasengisidla. (isikhathi eside engakakhulelwa, bona, ngoAdamu)*

<sup>182</sup> UAdamu wamazi, futhi wakhulelwa futhi wazala—futhi wazala uAbela.

<sup>183</sup> Kodwa ngifuna ukulibuza, nje ngokubona kwangempela nje. Manje ukufakaza kini ukuthi wayeyisihlahla, umfazi wonke uyisihlahla sesithelo. Bangaki abakwaziyo lokho? Awusiso sithelo sikamama wakho? Ngeqiniso, uyiso. “Futhi phakathi kwesithelo, kumbe phakathi kwesihlahla, isithelo leso okungafanelanga asithinte.”

<sup>184</sup> Nxa ungananzelela, uJesu wayengasuye yini isiHlahla sokuPhila? Akazange Athembise kuMathewu oNgcwele, kumbe, uJohane oNgcwele, isahluko 6, “NgiyiSinkwa sokuPhila esavela kuNkulunkulu eZulwini”?

<sup>185</sup> Nxa umuntu esidla emfazini... Futhi khangelwa, ngokuzala ko...ngomfazi, sonke siyafa; ngoba singaphansi kokufa (kunjalo na?) ngokuzalwa ngumfazi. Ngokuzalwa yindoda, sonke siphila kuze kube nininini. Umfazi uyisihlahla sokufa, indoda iyisihlahla sokuphila; ngoba umfazi akala mpilo kuye. Kunjalo sibili. I—inhlanyelo yempilo iphuma endodeni, kuqondile. Kungene emfazini, futhi umfazi akasilutho kuphela

umfukameli; futhi ingane kayixhunywaniswanga, kuphela inkaba. Ngitsho lethonsi legazi elilodwa likamama elikhona kungane; elizalwa egazini lakhe, kodwa ngitsho lethonsi legazi elilodwa enganeni. Hamba ufumane... kumbe ubale ibhuku likadokotela, kumbe ubuze udokotela wakho, uzabona. Alikho lapho, hatsi, mnumzana, ngitsho lethonsi elilodwa lakho lakancinyane. Uliqanda nje, yikho kuphela. Futhi impilo ivela endodeni.

<sup>186</sup> Lolo luhlobo oluhle ukutshengisa lokho ngomfazi, ngokuzalwa kwemvelo, sonke kumele sife, ngoba sifile kwasekuqaleni; futhi kuphela ngeNdoda uKhristu Jesu singaphila. Futhi nanzo izihlahla ezimbili esivandeni seEdeni. Alikuboni na?

<sup>187</sup> Futhi khangela! Futhi kulolosuku kwakule Kherubi elabekwa ukulinda lesi sihlahla. Ukuthi nxa bengavele banambithe lesosiHlahla sokuPhila, bonke babengaphila kuze kube nininini. Bangaki abakwaziyo lokho? Babezakuphila kuze kube nininini. Futhi isikhathi sokuqala besinambitha... INgilosi yathi, "SizasiLinda." Futhi bafaka amaKherubhi lapho kanye lenkemba ezivuthayo ngasempumalanga ukuSilinda. BasiBuyisela eMpumalanga, futhi balinda leso siHlahla ngenkemba ezivuthayo ukuze bangangeni ukuSithatha (lesi siHlahla).

<sup>188</sup> Futhi lapho uJesu esiza, Wathi, "NgiyiSinkwa sokuPhila, ukuthi umuntu odla lesiSinkwa akasoze afe." Nanso isiHlahla sakho.

<sup>189</sup> Nango umfazi wakho, nanko ukuhlangana kwakho kwemacansini oluletha ukufa. Ngeqiniso njengokuba kulesifiso semacansini, kulokufa okutshiywa yiso. Futhi ngeqiniso njengoba kulokuzalwa kukamoya, kuleMpilo elaPhakade okutshiywa yikho. Ukufa kwabuya ngokuzala komfazi, futhi iMpilo yabuya ngokuza kweNdoda. Ameni! Nanko-ke.

<sup>190</sup> Manje asithatheni emuva kuKhayini. Ungangitshela lapho lowo moya lalolo lunya olwavela khona? Nxa uKhayini... khangela, nxa uKhayini wayeyindodana kaAdamu owayeyindodana kaNkulunkulu, bavela ngaphi lobo bubu? Into yokuqala lapho ezalwa, wazonda, wayengumbulali, wayelomhawu. Futhi manje thatha imvelo kababa wakhe, ukuqala sibili ekuqaleni, uLusifa, futhi wayekhona ekuqaleni... wayelomhawu ngoMikhayeli, lokho okwaqala uhlupho lonke. Bangaki abakwaziyo lokho? Futhi uKhayini wayeyimvelo kababa wakhe, ukuthi wayelomhawu ngomfowakhe futhi wambulala. Lelo elimsula... leyo mvelo yayingeke iphume kuleso sifula esimsula. Kwavela... kwakufanele kuphume kulesi sifula esiphambukisiweyo. Futhi nanzelela uKhayini, masinyane lapho ezalwa.

<sup>191</sup> Futhi-ke uAbela wazalwa emva kwakhe, khona-ke wakhulelwa ngoAdamu, futhi wamazimazi—mazi yena futhi wazala indodana uAbela. Futhi uAbela wayengumfanekiso kaKhristu; futhi lapho—lapho uAbela ebulawa, uSethi wathatha indawo yakhe; ukufa, ukungcwatshwa, lokuvuka kukaKhristu, ngomfanekiso.

<sup>192</sup> Kodwa, manje, uKhayini wakhonza; konke okwemisebenzi yakhe yenyama, njengebandla lenyama lamuhla: bayahamba ebandleni, bayakhonza. UKhayini wakhonza; waye ngayisuye ongakholwayo, wayengayisilo ikhomanisi. UKhayini wayelikholwa; wahamba kuNkulunkulu, wakha i-altare. Wenza yonke into yenkolo uAbela ayenzayo, kodwa wayengelasambulo sikamoya sentando kaNkulunkulu. Kalibusiswe iBizo leNkosi! Nanko-ke. LiyaKubona? Wayengela sambulo sikamoya, futhi yikho okuluhlupho ngebandla lamuhla. Futhi uJesu wathi Uzakwakha iBandla Lakhe kulesosambulo sikamoya. LiyaKubamba? O, minabo, amehlo akho angavuleka manje. Bona, isambulo sikamoya.

<sup>193</sup> UKhayini weza: wakha i-altare, wakhonza, waletsa umhlatshelelo, waguqa phansi, wamdumisa uNkulunkulu, wakhonza uNkulunkulu, wenza yonke into yenkolo uAbela ayenzayo. Futhi uNkulunkulu wamala ngempela ngoba akazange abe lesambulo sikamoya!

<sup>194</sup> Landela lowo mzila ofanayo kaKhayini: kusehla kusiya emkhumbini, kusuka emkhumbini kukhwela kusiya phezulu kuLsrayeli, kusuka kuLsrayeli kusiya kuJesu, futhi kusuka kuJesu kusiya kuze kube lusuku lolu; futhi ubone nxa lelo elenyama, ibandla lemfundiso yasekuqaleni, elukhuni lelomileyo, elezefundo, Ngitsho abantu abaleMibhalo, abakwazi yonke imfundiso lesayensi yenkolo, bangakuchasisa, mfana, *kanjalo* nje, kodwa kungela sambulo sikamoya! [UMfowethu Branham utshayanisa iminwe yakhe—Mhl.] Kunjalo. Leyo yimfundiso kaKhayini.

<sup>195</sup> IBhayibhili lathi, “Maye kibo! ngoba bahamba ngemfundiso kaKhayini, bagijima ngamaphutha kaBalamu, futhi babhubha ekuphikeni kukaKora.” IBhuku elifanayo, uJuda, wathi, “Babemiselwe ngaphambili kulokhu kulahlwa.” Ngeqiniso, banjalo. Bona? Wayeyini uBalamu? Wayengu bhishopi. Wayephezu kwebandla lonke. Wabuya phezulu lapho esemfundisweni yasekuqaleni ngalokho ayengaba yikho. Wanikela... Mkhangeleni emile phezulu lapho kwabezodumo, emile phezulu lapho ngodumo lwabo olukhulu. Futhi babengasibo abangakholwayo, babengamakholwa.

<sup>196</sup> Leso—leso sizwe sakoMowabi savela kundodakazi kaLothi. ULothi lowo owaphila... indodakazi kaLothi owaphila lobaba wakhe, futhi wakhulelwa futhi wazala umntwana, futhi lowo mntwana waye... kwaphuma isizwe samaMowabi.

Futhi babe yinhlanganiso yesonto enkulu. Abakhulu, abantu abacwebezelayo, futhi babele zinkosana lamakhosi labodumo. Babelabo bhishopi lamakhadinali lakho konke.

<sup>197</sup> Futhi nanku kusiza ixuku labagiqiki abangwele, elinye iqembu, uIsrayeli; ixuku elidala kancinyane elalingayisilo lenhlanganiso yesonto, inhlanganiso zamasonto ezixubeneyo. Futhi benza into yonke eyayikhona emephini eyayimele yenziwe, imbi njalo. Kodwa lokho okwakuyikho, babelesambulo sikamoya, futhi uNkulunkulu waye labo eNsikeni yoMlilo.

<sup>198</sup> O, ngi—ngiyazi babelezinto zenyama, futhi abantu bathi, “Ixuku elinjalo labasalele emuva njengalelo, kungela lutho lokwenza kodwa ukubakhahlelela phandle.” Kodwa babelesambulo sikamoya, futhi babele Dwala elatshaywayo, babelenyoka yethusi, babeleNsika yoMlilo eyayihamba labo. Haleluya! Ngiyazi li—licabanga ukuthi ngizwa amadlabuzane, kodwa anginjalo. Ngizwa kahle nje.

<sup>199</sup> Nanzelela! Lapho ngicabanga, “Lowo Nkulunkulu ofanayo, lamuhla, uhlala lathi.” Lokhu kuyisambulo sikamoya seLizwi. Sibili, kuyikho. Kuqondile laPhakade. Kalibusiswe iBizo leNkosi! Yebo, mnumzana.

<sup>200</sup> Nangu emile phezulu lapho, wemfundiso yasekuqaleni; wona amaxuku amaBaptisti lamaPresbyterian bema phezulu oqaqeni, futhi bethola ubhishopi wabo phandle lapho. Futhi nje babengabenkolo njengoba, futhi lohlobo lwenkolo olufanayo, bakhonza uNkulunkulu ofanayo. Bathi, “Khangela phansi lapho lelo xuku lengcekeza. Ngani, abala ngitsho lenhlanganiso yesonto. Abasilutho kodwa ixhuku labakhalayo, abakhalayo, abagiqiki abangwele.”

<sup>201</sup> Kunjalo na? Khona kanye, babeyikho. Nxa ungakholwa ukuthi babengabagiqiki abangwele, buyisela kuGenesisi futhi ufumane lapho bechapha. Futhi isimanga senziwa, futhi uMiryemu wathatha ithamborine futhi wehla phansi okhunjini, eyitshaya; edansa eMoyeni, futhi uMose wahlabela eMoyeni. Nxa lelo kungayisilo xuku lalokho esikubiza abakhululekileyo... abagiqiki abangwele, angikwazi okuyibo; ukuhlabela lokweqa lokudumisa. Futhi sonke isikhathi izizwe zabazonda, kodwa uNkulunkulu wayekanye labo. Babelesambulo sikamoya, sasilandela leyoNsika yoMlilo.

<sup>202</sup> Futhi uMowabi wathi, “Manje, khangela lapha. Sizakubiza bonke amakhadinali labo bonke obhishopi, labo bonke labadala bezigaba, lokubakhupha phandle lapha. Sizakwenza ulutho ngakho, ngoba siyisizwe senkolo. Asiyi kuvumela leyo mfundiso yamanga ihlanganiswe lenhlanganiso yethu enhle.”

<sup>203</sup> Futhi babakhuphela phandle lapho. Futhi bakha ama-altare alitshumi lambili; yikho kanye uIsrayeli ayelakho, ama-altare alitshumi lambili. Babeka imihlatshelo elitshumi lambili kuwo, inkunzi; khona kanye uIsrayeli ayelakho, lokho uNkulunkulu

ayekufuna. Babeka izimvu ezilitshumi lambili kulo, kumela ukubuya kweNkosi uJesu Khristu; izimvu ezilitshumi lambili endaweni zombili.

<sup>204</sup> Bonke abodumo, obhishopi futhi labo bonke, bema ngalapho. Balumathisa umhlatshele. Bakhuleka, baphakamisa izandla zabo kuJehova futhi bathi, “Jehova, sizwe!” Kuyini ababezama ukukwenza? Futhi oBalamu babo abadala bahamba phambili njengalokhu, futhi uMoya wehla phansi phezu kwakhe. Sibili (kodwa wayengowenyama).

<sup>205</sup> UMoya ungawela phezu komzencisi, iBhayibhili latsho. Langizwa ngifundisa lokho, manje. “Izulu lina kwabalungileyo labangalunganga.” Kodwa kufanele kuqathaniseke leLizwi, nanko lapho okuthola khona.

<sup>206</sup> Khona-ke lapho ekwenza, futhi i...lapho uMoya, loba, uphezu kwakhe wakhuluma iQiniso, wazama ukuqalekisa uSrayeli, futhi wabusisa uSrayeli.

<sup>207</sup> Manje, nxa uNkulunkulu nje ehlonipha ibandla elihle, lobhishopi omuhle, lomfundisi omangalisayo, ixuku labantu bezimfundo, Wayebotshelwe ngomlandu ukwamukela lowo mhlatshele, ngoba wayeqondile ngeziqalo njengoba uSrayeli wayeqondile; kodwa akazange abe lesambulo sikamoya seLizwi lentando kaNkulunkulu. Nanko-ke, yiwo umehluko lamuhla.

<sup>208</sup> Khangela uJesu. Bona bathi, “Khatshana lalowo mfo. Siyakwazi ungumSamariya. Uyahlanya. Ungasifundisa? Awu, wazalelwa ebufebeni. Awusilutho kodwa umntwana ozelwe ngokungekho emthethweni ukuza lakho. Ngubani ubaba wakho? Uthi uNkulunkulu ngubaba wakho, wena mhlabazi! Ngani, utsho ukusitshela thina? Besingabatshumayeli, besingobhishopi; kudlulisela kubobaba omkhulu-omkhulu-omkhulu-omkhulu-omkhulu-omkhulu omkhulu bethu babengabatshumayeli labobhishopi. Sizelwe futhi sakhuliswa ebandleni. Sedlule kumaseminari aphakemeyo enkolo. Siyalazi lonke iLizwi kuze kuthi ngqe. Futhi uzama ukusifundisa? Wahamba kusiphi isikolo? Wakuthola ngaphi ukufunda lokhu?”

<sup>209</sup> Wathi, “Lingabaka...Lingabakayihlo udeveli,” watsho uJesu.

<sup>210</sup> Babengela zibonakaliso lezimangaliso phakathi kwabo. Babengela kusilisa kwaPhezulu lezinto phakathi kwabo. Babengela zibusiso phakathi kwabo. Kodwa uJesu ngempela wayeyisambulo sikamoya seMibhalo.

<sup>211</sup> Bathi, “Ngani, kulotshiwe *usibani-bani*.”

<sup>212</sup> Futhi uJesu wathi, “Yebo, futhi kulotshiwe njalo.” Kodwa uNkulunkulu waqinisa umuntu Wakhe ngezibonakaliso zakhe.

<sup>213</sup> UPhetro watsho okufanayo, kuMisebenzi 2, wathi, “Lina madoda akoIsrayeli; UJesu weNazaretha, iNdoda efakazelwe nguNkulunkulu phakathi kwenu, ngezibonakaliso

lezimangaliso uNkulunkulu azenzayo Kuye phakathi, futhi lokho lani lonke ngokwenu elikwaziyo.” (nanko-ke) “Yena ekhululwa ngokwe...ngokwangapha-...ngeSanhedrin Council enkulu phezulu lapho. Kodwa ngokwazi ngaphambili kukaNkulunkulu, uNkulunkulu Emgcoba ngaphambili ukufa ngalokhu kufa. Limnikele ngezandla ezilolunya lezimbi. Libethele iNkosana yokuPhila, Leyo uNkulunkulu ayivusileyo. Futhi singabafakazi bayo.”

214 Whew, umtshumayeli bani! Kazange...wayengenelisi ngitsho ukubhala ibizo lakhe uqobo, kodwa wayemazi uNkulunkulu. Bathi ba “bamqaphela ukuthi waye loJesu.” Ngeqiniso, kuyisambulo sikamoya. O, minabo. Manje, nanko-ke.

215 UKhayini wayekulolo sendo nje, lelo bandla lenyama lisemzileni ofanayo lamuhla. IBandla likaMoya lokhu lisaseleNsika yoMlilo, lokhu lisaselezibonakaliso, izimanga, lokhu lisaseloKhristu ofanayo; okuqinisa indlela yonke evela ewundlwini, elifayo, lasesivandeni seEdeni, kuze kube yikuBuya kwesibili kweWundlu. Impela, ofanayo izolo, lamuhla, lanininini.

216 Futhi lolo sendo lukaKhayini, abezenkolo futhi lulolongiwe labezimfundo, khona phansi ngokufanayo; okufanayo nje, nsuku zonke nje ngokufanayo. Abachothozi labahluphi, njengalokho uKhayini ayeyikho kuAbela, banjalo lamuhla, futhi bahlezi banjalo futhi bazahlala banjalo; abenyama, abangakholwayo. Kunjalo.

217 Manje uGenesisi 3:8, futhi ngifake 20 lapha, bengikhangele isikhatshana esedluleyo:

*Futhi uAdamu wabiza...Futhi uAdamu wabiza umkakhe...Eva; ngoba wayengumama wabo bonke abaphilayo.* (bona, lokho kwakungemuva kwalokhu kukhohlisa okwasekuvele kwathathi ndawo)

218 UKhayini waye...“Manje mana!” Uthi, “Inyoka kanjani, inyoka?”

219 Kodwa, mfowethu, khangela lapha, iBhayibhili alitsho ukuthi wayeyinyoka; iBhayibhili lathi, “Wayeyisilo esihlakaniphe kulazo zonke izilo zasensimini.” Yayingasiso sidalwa esihquzelayo, yayiyisilo. Yayi yi...Futhi lapho...

220 Futhi mangilinike lokhu njengesiboniso esincinyane phakathi kwethu, nxa lingathanda. Yikho lapho isayensi edideke khona. Into eseduze kakhulu abangayithola emuntwini, yitshimpanzi. Bangaki abakwaziyo lokho? Kodwa kulenye into phakathi lapho. Abangeke benze amathambo etshimpanzi ahlangane lamathambo omuntu, kukanti kuyinto eseduzane. Bengamletha phezulu kusuka kushobishobi. Bengamletha ekubeni lixoxo. Bengamletha phezulu enyamazaneni futhi zonke inyamazana. Bengamletha abe libhere. Uthathe ibhere futhi ulihlubule isikhumba, linjengomfazi omncinyane. Into

efanayo nje. Umbuyisele emuva lakho konke, ubamise lapho, futhi uhambe udonse umfazi njenge...umise umfazi njenga lokho. Kuyafanana njenge—njenge—njenge bhere. Unyawo luphuma ngokufanayo, futhi isandla siphuma njenga lokhu, njengomuntu. Kodwa itshimpanzi iyasondela kulalokho. Iphosa ibe, kodwa abakutholi.

221 Nansi imfihlo encinyane, nxa ufuna ukwazi. Liyakwazi ukuthi kungaphi? Kufihliwe kubo. Bangagebha wonke amathambo abawafuna ukuwagebha. Bangagebha...Ababazi bengagebha, labezesayensi, futhi i—futhi abahlela izikhathi zembali bengalinganisa izilinganiso zesikhathi ngezilinganiso ze-atomu kodwa abasoze bakubambe. Ngoba kwakuyinyoka eyayinjengomuntu ukwedlula enye into yonke eyayikhona emhlabeni, futhi uNkulunkulu wamqalekisa futhi wabekwa phansi ngesisu sakhe, futhi usebuyele njalo waba yinyoka kungela kufanana lomuntu. Manje nwaya nje ikhanda lakho, bona abezesayensi, futhi mabathathe lokho okwesikhathshana.

222 Kodwa iBhayibhili liyatsho ukuthi, “Wayehlakaniphe kakhulu kuzo zonke izilo zasensimini.” Kunjalo. Wayeyi lesi sihlanganiso esima phakathi komuntu lenkawu, futhi uNkulunkulu wamqalekisa futhi wambeka phansi ngesisu sakhe ngenxa ye—yento ayeyenzile. Wakhohlisa lumfazi, futhi waletha indodana yakhe yokuqala okwakungu Khayini, emva kwemvelo yokuphefumulela kwenyoka uqobo, udeveli, owangena enyokeni, kwenza lokho.

223 Futhi-ke wakhulela futhi wazala, wakhulelwa njalo emva kokuba esekhohlisiwe. Manje khangela, wakhohliswa, wayephose...Awu, wenza okubi. Kodwa yena, ngempela, wayesemthethweni lapho ekhulelwa ngendoda yakhe, ngoba lokho kwakungabe kwaba kanengi, izikhathi ezinengi emva kwakho, inyanga ezinengi lensuku ezinengi emva kwalokho; awungeke ukutsho lokho, asikwazi, kodwa wazala ngoAdamu.

224 Futhi omunye umuntu ulombuzo, othi, “Awu, indodana... wathi wayesiya... UKhayini ezalwa, wathi ‘wathola indodana eNkosini.’” Impela, ngeqiniso, kwakufanele kubenjalo. Kwakungumthetho wemvelo. Yiyo kanye indlela oyiyi lamuhla. Lapho uzalwa, uNkulunkulu kabuyi phansi nje futhi akwenze. Ulihlumela likababa wakho lomama. Futhi uzakuba li... kuzakuba le... abantwana bakho kuzakuba ngamahlumela akho. Yikuzalana isikhathi sonke, khona kusehla phansi, njengezihlahla zentanga lezinto ezinjalo; kodwa kubuyela ekuqaleni. Ngithemba lokho kuyakuchasisa.

225 Silesikhathi esinengi okunganani? Asilaso esinye esinengi. Lalelani kulowu omuhle okulandelayo... esiwutholayo ngeSonto: “NgoMoya munye sibhaphathiziwe sonke eMzimbeni munye...” (Sizathanda ukubakwazi lokho.) “...UKhristu.” Ngesikhathi...Manje, ngicabanga ukuthi ngithola eminye

iMibhalo, iMibhalo emihle kulokho [UMfowethu Branham uphendula lokhu kusiGaba II, umbuzo 60—Mhl.].

226 Nanku omuhle, njenge...Lingangivumela nje omunye umzuzu owodwa kumbe emibili, ukuphendula lokhu? Ungaziphendula wona.

**59. Lapho—lapho usithi “ababi kabayi kutsha laPhakade,” . . .** (Awu, manje ngenza iJehova Witness ibaleke, angikwenzi na?) . . . **Lapho usithi ababi abasoze batshe laPhakade, utsho ukuthi esihogweni kumbe echibini lomlilo? Ngiyakwazi ithi kuSambulo (leso yiso isahluko 20) ukuthi isihogo sizaphoselwa echibini lomlilo. Nxa bengatshi laPhakade, khona-ke kuyini okwenzakalayo ngabo?**

227 Njengoba ngisanda kuqeda nje ukutsho, mfowethu kumbe dadewethu, loba kungubani; bayatshabalala, abaseyilutho. Babelesiqalo, futhi lapho bayaphela; abaseyilutho futhi. Kuyakuba kanjani. . . kube kube nini besitsha, lokho kunzima ukukutsho. Kodwa, khangelana, lapho. . .

228 Nxa nje ungathola lokhu engqondweni yakho, bona, kulula kakhulu. Kukhona kuphela uhlobo olulodwa lweMpilo elaPhakade, futhi leyo iza ngoNkulunkulu Ngokwakhe. Futhi uNkulunkulu kuphela uyiMpilo elaPhakade. Nxa ungafika lapha kusichazamazwi, ukhangele ibala lesiGriki *Zoe*. *Zoe* kuyi “Mpilo elaPhakade.” *IMpilo elaPhakade* ngu “Nkulunkulu.” Futhi uJesu wathi, “Ngabanika iMpilo elaPhakade.” Futhi nxa ungakhangelana lapha kusichazamazwi, kwathi, “*Zoe*.” Leyo yiyo kuphela iMpilo elaPhakade ekhona. Akula ndawo eBhayibhilini lapho Elake lathi kuzakuba lesihogo esilaPhakade, lathi bazakutsha “kuze kube nini lanini.”

229 Manje, ukuthatha ibala *nininini*, khangelana u, *isikhathi esingalinganisekiyo*. Linanzelele *lapha*, eBhayibhilini? Bangaki abake bakuzwa kukhulunywa, “Futhi Isikhathi esingalinganisekiyo le ae- . . .”? Bangaki abakwaziyo ukuthi *isikhathi esingalinganisekiyo* ku “libanga lesikhathi”? Ngani, sibili, loba ngubani uyakwazi ukuthi *isikhathi esingalinganisekiyo* ku “libanga lesikhathi.”

230 “Futhi bazakutsha okwesikhathi esingalinganisekiyo,” lokho ngamabanga esikhathi. “Bazaphoselwa echibini lomlilo, futhi bazakutsha okwesikhathi esingalinganisekiyo.” *Isikhathi esingalinganisekiyo* kutsho ama “banga esikhathi.” Bangatsha izigidi ezilikhulu zeminyaka ekujezisweni kodwa, ekucineni, kumele bafike ekupheleni; ukutshabalala, ngakho konke. Bona, ngoba yonke into engaphelelanga iphambukisiwe kokuPheleleyo; futhi kwakulesiqalo, ngakho kumele ibe lesiphetho.

231 Kodwa thina esikholwa eNkosini uJesu Khristu sile*Zoe*, “iMpilo kaNkulunkulu uQobo” phakathi kwethu, futhi sileMpilo elaPhakade. Kungayisikho ukuba lempilo kuze kube

nini lanini, isoni silempilo kuze kube nini lanini, kodwa thina sile “Mpilo elaPhakade.”

<sup>232</sup> Mfowethu Cox, kungasi kude, ngangihlezi egumeni lami ngaphambili singakafaki i . . . emva kokuba lamadwala lapho, futhi wadobha encinyane, insalela endala yamathambo into endala, futhi wathi, “Mfowethu Branham, kudala okunganani lokho?”

<sup>233</sup> “O,” ngathi, “ngokulandela izikhathi zembali, ungatsho ukuthi kuyiminyaka eyizinkulungwane ezilitshumi ubudala. Olunye uhlobo oluncinyane, inunu endala yaselwandle eyake yaphila ngesinye isikhathi, inyamazana yolwandle encinyane, kungabe yaphila khonale ngemuva ezikhathini ezedluleyo.”

<sup>234</sup> Wathi, “Cabanga nje ukuthi imfitshane okunganani impilo yabantu eyiyo kuleyo mpilo.”

<sup>235</sup> Ngathi, “O, kodwa, mfowethu, into leyo iyaphela, kodwa iMpilo esilayo kuKhristu kayipheli. Lokho kungaphila *nininini* kabili kumbe kathathu, kodwa akusoze kube leMpilo elaPhakade, ngoba iMpilo elaPhakade ivela kuNkulunkulu kuphela.”

<sup>236</sup> LaPhakade, “Lowo ozwayo Amazwi Ami futhi akholwe Kuye Ongithumileyo, uleMpilo elaPhakade futhi AKASOZE abuye ekwahlulelweni kodwa usedlule ekufeni waya ekuPhileni.” Nanko-ke, uyathola iMpilo elaPhakade ngokuba ulikholwa. Ongakholwayo ulempilo kuze kube nininini. IlaPhakade . . . ikholwa lileMpilo elaPhakade, futhi angeke abhubhe ngoba kungulaPhakade.

<sup>237</sup> Kodwa ikholwa, uzakhamba . . . Ongakholwayo uzadlula emhlabeni, uzadubeka, izinhluho; lokho akubiza ngokuba lesikhathi esikhulu, “whoopee, esiba lesikhathi esikhulu.” Abafazi, iwayini, lesikhathi esikhulu, ucabanga ukuthi uyaqhubeka. Uzakufa, uzakuya echibini lomlilo lesibabule esivuthayo, lapho ukuvutha kuqhubeka nininini lanininini, futhi mhlawumbe izigidi zamakhulu eminyaka umphefumulo wakhe ungahlukuluzwa echibini lomlilo lesibabule.

<sup>238</sup> Ngi . . . Wena uthi, “Kuzakuba njengesibabule esijwayelekileyo na?” Ngiyakukholwa kuzakuba ngokuphindwe kazigidi ukwedlula lokho. Ngiyakholwa awungeke ukuchaze ngomlilo, ngomlilo wangempela. Isizatho kuphela kubekwa “ngomlilo,” lowo mlilo uyinto eqothula kakhulu esilayo. Kuyaqothula impela futhi kubhidlize yonke into, umlilo uyakwenza. Awu, khona-ke, kuzakuba phakathi lapho, kodwa uzakuba lomphfumulo ozakujeziswa ngohlobo oluthile . . .

<sup>239</sup> Manje, kufanele uqaphele ibala *umlilo*, ngoba uMoya oNgewele usetshenziswa ngokuthi “uMoya oNgewele lomlilo”; ngoba umlilo kaMoya oNgewele utshisa isono, bona, futhi wenza kuhlanzeke.

<sup>240</sup> Kodwa *lumlilo*, uvela esihogweni, kwathiwa i “chibi lomlilo.” Futhi loba yini okuyikho, kuyisijeziso ngokuhlukuluzwa. Indoda enothileyo yaphakamisa amehlo ayo, isesihogweni, futhi yathi, “Thumela uLazaro lamanzi amancinyane eminweni yakhe, ukufaka endebeni zami, ngoba lawa amalangabi ayangihlukuluza.” Ungacabangi ukuthi akula sihogo esivuthayo, lesihogo sangempela, lesi sikhona. Nxa kulodeveli wangempela, kulesihogo sangempela.

<sup>241</sup> Kodwa, uyabona, yonke into ephambukisiweyo ilesiphetho kiyo, ngoba ekucineni kumele iphenduke kulobo bumsulwa lobungwele bukaNkulunkulu. Futhi uNkulunkulu ulaPhakade; futhi nxa sileMpilo elaPhakade, uNkulunkulu uphakathi kwethu, futhi angeke sife njengoNkulunkulu engeke afe. Nanko-ke.

<sup>242</sup> Manje, indaba iyachasisa sibili ngokwayo, bona, futhi ikwenze kuqonde. Manje, kasiboneni, bengi le...kangazi loba...Yebo:

**“Kuyini okuza—kuyini okuza kwenzakala kubo?”**

<sup>243</sup> Bayatshabalala, akusela lutho kubo: umphefumulo uyahamba, umoya uyahamba, impilo iyahamba, umzimba uyahamba, imicabango iyahamba, imikhumbulo iyahamba.

<sup>244</sup> Futhi akusoze kube lemicabango ngitsho eyobubi, kumbe kwake, kwake kwenzakala, eNkazimulweni. Kunjalo, konke kuza kuba...Ungakucabanga, ukuthi lapha kuzakuba labantu khona lapha kulingxanye...?

<sup>245</sup> Alitsho yini iBhayibhili, “Lemicabango yababi izabhubha”? Imicabango yonke yakho izabhubha.

<sup>246</sup> Kuzakuba lomuntu *lapha*, nangu uNkulunkulu oMkhulu Lowo oNgcwele *lapha*, futhi ngisazi lokho ukuthi phandle ngale komgodi kanye lemiphefumulo etshayo kiwo? Ngani, lelo akungeke kube liZulu. Imicabango ngokwayo, umkhumbulo ngokwawo, yonke into ephambukisiweyo, wonke umcabango omubi, yonke into izabhubha, lento yonke embi kiyo. Futhi kasiyi kuba yilutho kuphela ubumsulwa, leZoe, iMpilo kaNkulunkulu; elaPhakadeni, futhi okwezikhathi kusiya, lokuya, lokuya, lokuya; akusoze kwaphela, kuzakuba laPhakade!

<sup>247</sup> “Bangena ekujezisweni *okungapheliyo*, kodwa abalungileyo bangena eMpilweni elaPhakade.” Liyakubamba? Ukujeziswa *okungapheliyo*, iMpilo elaPhakade, kungumehluko onganani!

<sup>248</sup> Manje, bona, aku...Manje, ngiyazi, kini, bathandekayo bami abancinyane, A—angitsho ukuzama ukuzitshengisa njengowazi konke. Nxa ngingenza lokho,...

<sup>249</sup> Manje, ngilemithathu kumbe emine eminye imibuzo emihle. Ngizayithatha ngeSonto ekuseni, iNkosi ithanda.

<sup>250</sup> Manje, khangela. Bona, le ivusa imibuzo. Ngingumtshumayeli omdala. Ngi—ngi—ngi—ngileminyaka engamatshumi amabili lesithupha enkonzweni. Futhi ngi—ngilokubonga kakhulu ngalokhu, ukuthi ngingatsho lokhu, okwami... Angikaze ngizame ukutshengisela loba yini empilweni yami kungazange kuqala kwambulwe. Futhi ngilokubonga kakhulu ukuthi iNgilosi yeNkosi... Lowo engangingela mfundo, ngingela kwenelisa. Futhi liNgilosi yehla phansi, futhi ibe lusizo lwami oluthunye luvela kuNkulunkulu. Futhi Akakaze angitshela into eyodwa kodwa lokho okwahlangana ndawonye kusukela kuGenesisi kusiya kuSambulo kanye lalokho, okokuthi kwaze... Ngaloba phansi khona ngokuphangisa lapho Esithi “Futhi u—futhi uzathatha isipho sokuSilisa kwaPhezulu.” Futhi ngakubhala phansi ngendlela Akutsho ngayo.

<sup>251</sup> Futhi phose iminyaka emithathu isiyedlule, umaneja wabizela ukuqaphela kwami—kwami kikho, wathi, “Mfowethu Branham, uke wananzelela lokho? Lokho kuphelele waze Wakutshela i’sipho.”

<sup>252</sup> Bona, kazange athi “isipho.” Futhi wonke—wonke umuntu eBhayibhili... isipho sonke “siyisipho” kodwa ukuSiliswa kwaPhezulu, futhi “isipho.” Kuyi “zipho zokusilisa.” Ungaba lenhlobo yonke yezipho zokusilisa, indlela ezehlukeneyo. Kodwa, zonke ezinye “isipho”: “i” sipho sokuprofetha, “i” sipho salokhu. Kodwa ukuSilisa kwaPhezulu kusebunengini: “izipho.” Futhi kangizange ngikunanzelele lokho, ukuthi uMoya oNgcwele uphelele sibili. O, kayibusiswe iNkosi!

<sup>253</sup> Uyazwisisa ukuthi uMoya oNgcwele ofanayo owabhala iBhayibhili lelo, ngamakhulu amadoda, amakhulu eminyaka betshiyene... futhi ngitsho loyedwa wabo owehlukanayo komunye, wonke ngamunye wabo wayephelele; futhi omunye kazange azwe ngomunye.

<sup>254</sup> Futhi uPhawuli wehla phansi, futhi wayephansi eArabhiya, futhi akazange ngitsho avakatshela iJerusalema okweminyaka elitshumi lane, kodwa wayephansi eJerusalema futhi phansi... wahamba esuka... kazange aye eJerusalema. Kodwa phansi eArabhiya, futhi waqala ukutshumayela, engazange abone uPhetro labanye babo bonke okweminyaka elitshumi lane. Futhi lapho besiza ndawonye, babetshumayela into efanayo: ubhaphathizo lwamanzi eBizweni likaJesu Khristu, losiliso lwaPhezulu, lamandla kaNkulunkulu.

O!

Ngiyathokoza ukuthi ngingathi ngingomunye wabo.

Omunye wabo, ngingomunye wabo,  
Ngiyathokoza ukuthi ngingathi ngingomunye  
wabo; (Haleluya!)

Omunye wabo, ngingomunye wabo,  
Ngiyathokoza ukuthi ngingathi ngingomunye  
wabo.

Kulabantu phose indawo zonke,  
Inhliziyo zabo ezivutha amalangabi,  
NgoMlilo lowu owehla ePhentekhosti,  
Lowo owahlanza futhi wabenza bahlanzeka;  
O, kuyavutha manje ngaphakathi kwenhliziyo  
yami,  
O, udumo eBizweni Lakhe!  
Ngiyathokoza ukuthi ngingathi ngingomunye  
wabo.

Babebuthene endlini yaphezulu,  
Bonke bekhuleka eBizweni Lakhe,  
Babhaphathizwa ngoMoya oNgcwele,  
Futhi amandla enkonzo abuya;  
Manje lokho Abenzela khona lolosuku  
Uzakwenzela okufanayo lawe,  
Ngiyathokoza ukuthi ngingathi ngingomunye  
wabo.

Ngathi, “iBhayibhili kalitsho ukuthi uNkulunkulu usebandleni Lakhe, kodwa iBhayibhili lithi uNkulunkulu useLizwini Lakhe. ‘Ekuqaleni kwakukhona liLizwi, futhi iLizwi laliloNkulunkulu, futhi iLizwi lalinguNkulunkulu; futhi lahlala phakathi kwethu.’” Kunjalo. 277 Wathi, “Ngingangcono ngiye laye engcwabeni.”

278 Wathi, “Ihlazo kuwe.” Wathi, “Kumele ukuthi ubonge leyo nkazana iyaphuma kulowo mbhedo, isiya ebandleni leKatolika.”
