

# ISIVUMELWANO SOMUSA

## SIKA-ABRAHAMA

 Ngiyabonga, Mfowethu Sullivan. Sanibona kusihlwa bangane. Ngiyjabula ukuba lapha futhi kulobubusuku enkonzweni yeNkosi yethu enkulu noMsindisi, uJesu Kristu, ngethemba ukuthi Ubemuhle ngempela kini namhlanje, futhi wanibusisa. Futhi silindele kulobubusuku okwedlulele, ngokuchichimayo ngaphezu kwakho konke ebisingakwenza noma sikucabange.

<sup>2</sup> Kuthi ukuba kuhle ukuba phezulu lapha kulobubusuku. Umkami ungitshela ezansi ekhaya ukuthi lilungiselela ukukhithika ezansi lapho, ngakho ngicabanga ukuthi ngizovele ngihlale enhla e-Ohio, nje, uma nizoba nami.

<sup>3</sup> Nginezinsuku ezimbalwa ze, ngiyethemba, ukuphumula uma ngingakwazi. Angikwazi ukuhlala ekhaya. Ngifika ekhaya nje ngiphinde ngihambe futhi, ngoba kubi kakhulu ekhaya kunoma kunjalo noma yikuphi, ekhaya. Ngakho ngikhathele ngempela. Kade ngihamba kusukela ngoKhisimusi, saqala amaviki amabili etabernakele emiNyakeni yeBandla eyisiKhombisa. Ngasuka lapho futhi ngehlela ezansi eShreveport, eLouisiana, ngisuka lapho ngaya e-Arlington, eTexas, noma, ngiyaxolisa, eBeaumont, eTexas; ePhoenix, e-Arizona; eTucson, e-Arizona; eLong Beach, eVisalia, eCalifornia; phandle, eTulare, eCalifornia; ngase ngiyabuya; enhla eRichmond, eVirginia; bese-ke kuba ngapha.

<sup>4</sup> Futhi ngasukuma, nje-nje cishe sengihambile, lapho sekufika ekukhulumeni ngokomzimba. Kodwa ngaphandle, ngizizwa nginamandla, kodwa ingaphakathi yilapho engivele nje-nje ngikhathele, angikwazi ukucabanga kahle, kodwa ngikholwa ukuthi uNkulunkulu uzobusisa imizamo yethu njengoba sizama ukuMkhonza. INkosi inibusise.

<sup>5</sup> Ngithemba ukuthi angeke kunenze nibe yiqeqeba lamakhaza, kodwa ngiyjabula ukuthi bakucishile lokho, ngoba kuncane, kunomsindo kakhulu. Niyangizwa kangcono manje na? Lokho kuhle. Omunye athole izipikili futhi asilungisele lokhu namhlanje futhi. . . Ngithemba kanjalo. Bengesaba ukuthi belizowa izolo ebusuku, futhi bengithi ukulisekela phansi lapha kancanyana.

<sup>6</sup> Manje, sizosondela eNkosini kulobubusuku, iZwi laYo, njalo, phezu kwendaba yesiprofetho, eyodwa engike ngacabanga ngayo futhi ngakhuluma ngayo izikhathi eziningi, kodwa

ngifuna ukuthi ukusondela kuyo ngendlela yokubuka kulobubusuku, okwehlukile kancane, ngoba . . .

<sup>7</sup> Abaningi babo bengishayela ucingo namhlanje futhi bangitshela ukuthi bebengezwa emuva lapho, bekungukuwawaza okukhulu nokuvungama; futhi a—anilitholi iZwi kahle kakhulu. Leyo yingxeny ebalulekile, ngukuthola iZwi, ngoba empeleni yiZwi elisemqoka. IZwi likaNkulunkulu yilokho okusemqoka.

<sup>8</sup> Ngithemba ukuthi angiqondwanga ngokuyikho izolo ebusuku ngabaningi babazalwane bethu. Niyabo, uma sisondele kuNkulunkulu, sifanele size phezu kwe. . . Isimemo saKhe seZwi laKhe. Sifanele sethembeke kuleloZwi. Futhi uma wenza noma yini, noma usho noma yini, noma ushumayela noma yini, ephambene nomqondo wenhliziyo yakho yangempela, ungeke waba nokukholwa, ngoba uyazi ukuthi wenza. . . awuqinisile impela nje. Ufanele wenze ngayo impela nje indlela ocabanga ukuthi ilungile futhi usho nje lokho okwaziyo ukuthi kuyiqiniso. Uma ungakwenzi lokho, ungeke waba nokukholwa, qobo lwakho. Nomlayezo wakho awusoze wafika kubantu, ngoba ungeke wagcotshwa; ngoba phansi le kulokhu kububuza okuncane phansi *lapha*, nicabanga into ehluke kunalokho enikusho phezulu *lapha*; lokho nje ngeke kusebenze. Ufanele uthembeke ngempela.

Futhi amaHeberu, isahluko 10, ebengibhekisela kuso izolo ebusuku. Niyabo?

*Ngokuba uma sona ngamabomu (Niyabo?) emva . . .  
sesamukele ukwazi kweqiniso, akusekho umnikelo  
ngezono.*

<sup>9</sup> Futhi ebengizama ukukubeka (Uma ningizwa kangcono kulobubusuku, niyabo?): Labobantu babenesithembiso sikaNkulunkulu, u-Israyeli wayenaso. Niyangizwa nonke manje na? Phakamisani izandla zenu, wonke lowo ongizwayo. Kuhle. Labobantu bathenjiswa nguNkulunkulu, izwe lesithembiso, kodwa lapho sebefike endaweni ukuba bathathe isithembiso, bangabaza. Base-ke bebuyela emuva futhi bafela ehlane, bonke abangasikhohlwanga lesosithembiso. Ngabe yiqiniso lelo na? Phakamisa isandla sakho ukuze ngibone. Bonke bafa. Babili kuphela abakukholwa, uJoshuwa, uKalebi. Futhi ababili kuphela balabobantu bonke abayizigidi ezimbili nengxeny, babefanele bangene ezweni, ngoba bakukholwa.

<sup>10</sup> Manje, iTestamente eLidala lingumfanekiso weLisha, ngenkathi ngilifanisa ndawonye. Namhlanje, u-Israyeli wokomoya wenze lona impela iphutha elifanayo u-Israyeli wemvelo alenza. Futhi lapho bekhuphukela endaweni yangempela, kungukuthi usudlule esikoleni sesayense yezenkolo phandle lapho, njengoba nje benza ku-Eksodusi 19.

<sup>11</sup> Abakwazi ukukwemukela, uma kwenza, inhlango abayabakhipha. Benginabefundisi phambi kwami namhlanje, amadoda akahle: I-Assemblies of God ingomunye wabasekeli bami abakhulu; iChurch of God, umsekeli; iFoursquare, umsekeli; i-Oneness, umsekeli; iTwouess, umsekeli; i-United Pentecostal, umsekeli; iPentecostal Holiness, umsekeli. Futhi abanye babefundisi abangamaKristu abakahle kunabo bonke okhona ebusweni bomhlaba ukulezo zinhlango. Angibancengi labo bafowethu. Bangabafowethu futhi bangamadoda kaNkulunkulu.

<sup>12</sup> Kodwa inqubo, hhayi amadoda, hhayi abantu, kodwa inqubo, ibazungezisa futhi ibahlukanise nabanye abafowethu. Bangeke bakwenza lokhu lapho inqubo abangaphansi kwayo ingeke ibavumele ukuba bakwenze. Yilokho engimelene nakho, bazalwane. Bengingethande ukuba niqonde ngokungesikho. Ngiyazi ukuthi lelo yiqiniso likaNkulunkulu, futhi ngiyazi ukuthi into izofanele ife. Wonke umfanekiso, isithunzi, futhi ngisho nomBhalo qobo lwaWo uyakufakazisa.

<sup>13</sup> Ngakho-ke, ngiyabathanda abazalwane bami kwi-Assemblies nakuwo onke amanye amabandla: i-Oneness, neTwouess. Angikaze ngenze mehluko phakathi kwabantu ukuthi bangabayiphi inhlango. Inqubo nje uma bezelwe ngokusha futhi bagcwaliswa ngoMoya nNgcwele bangabafowethu. Futhi ngizamile ukuma ngqo esikhaleni futhi ngithi, “Ningabafowethu.”

<sup>14</sup> Kulobubusuku, umhlango onjengalona edolobheni, lapho engithole khona indoda eyodwa engixhasayo: uMfowethu Sullivan. Ngokwazi kwami, lokho kuyiqiniso. Lapho sonke besifanele sibe ndawonye, onke amabandla. Lokho kuyakhombisa: ngingumfowenu impela nje, lapha epulpiti kulobubusuku, njengoba ngangumfowenu phandle eChautauqua. Ngingumuntu ofanayo. Angikashintshi. NginoMlayezo ofanayo nje. Kunjalo. Nginithanda kakhulu impela nje, akunandaba ukuthi ubuyoke wenzeni kimi, lokho akungenzi ngiphatheke kabi ngani. Uma kwenza, khona-ke nginephutha nami.

<sup>15</sup> Futhi uma ngenyukela lapha futhi ngixokozele, ngempela ngibeke isono e... nokungakholwa nezinto emgqeni wokugweda ukwehluka nje, bazalwane, ngiyisikhonzi esingafanele salendawo engcwele. Ngimubi kakhulu kunomuntu osekwedukeni ngokomBhalo, ngoba ngisephutheni qobo lwami ngokuzama ukubukisa noma ngenze into ethize ehlukile. Uma ngingakwenzi ngokukholelwa kuNkulunkulu, ngothando lobuzalwane enhliziyweni yami, nginephutha. Futhi yile yondlela engikwenza ngayo, bazalwane bami.

<sup>16</sup> Ngifanele ngibhekane nabantu abagulayo, amandla amademoni. Ngingaba kanjani nokukholwa lapho ngiphambene

mento ethize futhi...e—engingayikholwa ngempela, futhi ngizama ukuthi, “Yebo, kulungile. Qhubeka nje.” Ngeke ngakwenza lokho. Lokho nje akusikho ukwakheka kwami. A—a—angenziwanga ngaleyondlela. UMoya oNgcwele ungeke ungivumele ngibe ngaleyondlela. Ngifanele nje ngibe yilokho engiyikho, futhi wonke umuntu uyangazi ngaleyondlela; futhi yileyondlela engifuna ukwazi ngayo wonke umuntu: lokho nje oyikho, yiba nguwe nje.

<sup>17</sup> Njengoba uCongressman Upshaw asho ngesinye isikhathi, niyamkhumbula, waphulukiswa emihlanganweni yami, kade...emva kokukhubazeka iminyaka engamashumi ayisikhombisa...amashumi ayisithupha-nesithupha, wathi, “Ungeke waba yilutho ongesilo!” Futhi kunjalo; amaKristu ashesha kakhulu ayakufunda lokho, kungcono uyoba njalo.

<sup>18</sup> Ijoyinti likagweva ngeke lilimaze ibandla kangako. Qhabo, yindoda ebandleni ezisho ukuthi iyinto ethize e “ngesiyoyi.” Yilokho okuyikho, lowo ngumuntu. Yiqiniso.

<sup>19</sup> Manje, ukuze nizoqonda ngokucacile kusukela izolo kusihlwa, ngenkathi benyuka ubuso nobuso nesithembiso sikaNkulunkulu emva kwabo, ukuthi zonke lezizinto zazingezabo, futhi behluleka ukukukholwa, futhi bafuna ukubuyela emuva futhi futhi baqale izinto zabo ezindala ezifanayo njengoba babenjalo, uNkulunkulu wabayeka bazulazula khona lapho kulelohlane baze bafa bonke.

<sup>20</sup> Futhi amaHeberu, manje bhekisisani, amaHeberu isahluko 10 athi, “Uma sona ngamabomu...” Manje, yini *isono*, bazalwane na? “Ukungakholwa.” “Ongakholwa uselahliwe vele.” Uyaphinga. Kungani na? Ngoba ungongakholwayo. Uyeba, uqamba amanga, uyakhohlisa. Kungani na? Ngoba ungongakholwayo. Kunjalo. Ikhohla leqiniso langempela alikwenzi lokho. Niyabo? Alikwenzi, ngoba uMoya oNgcwele ukulo, uma kwenzeka ngisho enze iphutha, iBhayibheli lashi futhi, “Futhi okhonzayo, esehlajjululwe kanye, akasenawo unembeza wesono.” “Ozelwe nguNkulunkulu akenzi isono.” Akasuye ongakholwayo, uyikholwa. UMoya kaNkulunkulu uhlala kuwe, ungeke wona. Ungeke waba yikholwa nongakholwayo ngesikhathi esifanayo. Kuphakathi kokuthi uyikholwa noma awusilo ikholwa. Manje, lalalani umBhalo.

<sup>21</sup> Owesilisa noma owesifazane ofika emaqinisweni eBhayibheli, ukhuphuka amelane nemfundiso yangokomBhalo, mfundisi, noma ngabe ungubani, futhi ngikusho lokhu ngothando lukaNkulunkulu, futhi uyakubona, futhi wazi ukuthi kuyiqiniso, futhi ukufulathele, “akusekho umnikelo ngezono, kepha ukulindela okwesabekayo ukwahlulelwa, ulaka oluvuthayo oluzakuqeda iphikankani. Odelele umthetho kaMose...”

<sup>22</sup> Ngenkathi benikela ngewundlu elincane, bathatha umfo omncane base behluthula umphimbo wakhe omncane futhi wabamba ikhanda lakhe futhi wamuzwa evevezela, efa, igazi liphuma emcengezini, futhi lelo laphoswa e . . .njengomkhuleko, lakhuphukela e-altare lethusi lomhlatshelo nokwahlulela, i-altare lokwahlulela, ithubi likhuluma ngokwahlulela kukaNkulunkulu. Nalelowundlu elincane, emva kokuba ekugcineni seliyeke ukukhahlela, umkhonzi emi lapho, waqonda ukuthi kwakuyizono zakhe ezenza lokho. Lowo bekufanele kube nguye, kodwa iwundlu lathatha indawo yakhe.

<sup>23</sup> Manje iwundlu, umhlatshelo wesilwane, wawungeke neze usindise umuntu. Ngoba ukuphila okwakukulelogazi kwakungukuphila kwesilwane. Kwakungeke kubuyele phezu komkhonzi. Ngakho isono sasimboziwe nje. Kwakuyi . . .nje i . . .ukulinda kuze kufike iWundlu langempela. Kwakuyisenzo sokukholwa, kukhombisa ukuthi iWundlu langempela laliza.

<sup>24</sup> Kodwa manje-ke, manje-ke uma enze lobo bugebengu obufanayo futhi, ngaphambi kwalokho kuhlanzwa endaweni engcwele, futhi waqoshwa ngokuphinga okwesibili, phansi kofakazi ababili noma abathathu abafakazisa ukuthi bambona ekwenza, wayekhandwa ngamatshe ngaphandle kwesihawu. Akunandaba noma ngabe wayengumshumayeli, wayeyimeya yedolobha, ukuthi wayengubani, wafa ngaphandle kwesihawu. AmaHeberu, ekubuka, amaHeberu, isahluko 10:

*. . .wafa ngaphandle kwesihawu ngezwi lawofakazi ababili noma abathathu:*

*Nicabanga ukuthi ukujeziswa okubuhlungu kakhulu kangakanani, . . . (Manje bhekisisani . . .) nakuba ufanele . . . (ungumfundisi, noma ungaba ngubani, uvuma uMoya oNgcwele) . . . onyathele phansi iNdodana kaNkulunkulu, washaya igazi lika . . . Jesu Kristu . . . njengento engengcwele.*

<sup>25</sup> Sikhulu kangakanani isijeziso lapho nibeka izandla zenu ezinyaweni zeNkosi uJesu, futhi uzwe izinhlungu nezinto Akufela, futhi uMvume njengoMsindisi wakho, akusiyo impilo yesilwane lapho; kanjalo kwakungesiyo impilo yomuntu; kwakungukuPhila kukaNkulunkulu. NalowoMoya owawukuYe, ubuyela phezu kwakho, futhi ukwenze indodana kaNkulunkulu.

<sup>26</sup> Futhi uma wenyukela ukubhekana nalamaqiniso, niyabo, “Ngokuba uma singakholwa ngamabomu, noma yiyiphi into yangokomBhalo kumbe noma kungaba yini, uma singakholwa ngamabomu . . .”

<sup>27</sup> Uthi, bathini na? “Asikwazi ukukuthatha. Kukhulu kakhulu kithi. Asikwazi . . .” “Uma ngifanele ngikhiphe inhlango yami, uma ngikwamukela lokho, bazongixosha. Ngeke ngibe nendawo engingaya kuyo, akukho-muntu ozongesekela.”

28 Ubani owabhala iBhayibheli, inhlangotho yakho na? Ubani onesibopho ngeZwi, inhlangotho yakho na? UNkulunkulu unesibopho ngeZwi laKhe. UNkulunkulu uzonakekela abaKhe uQobo. UNkulunkulu uzokweseka. Noma yimuphi umuntu owake waba kakhulu kakhulu kulokhu ukuphila, kwakungamadoda ama odwa noNkulunkulu. Yileyondlela, uma uke wama, uzofanele ume.

29 Manje, uyenyuka bese uthi...Njengalapha, sengathi ubungaba yiMethodisti, futhi uyenyuka futhi Lathi, “Umbhaphathizo kaMoya oNgewele ngosuku lwePhentekoste,” futhi niyabona ukuthi lokho kuqinisele: ukuthi amandla kaNkulunkulu ehlela kanjani phezu kwalabobantu futhi wena uthi, “Ku—ku...ngi—ngiyazi ukuthi lelo yiqiniso, kodwa uma ngikwemukela, bazongixosha enhlanganweni.” Bazokwenza. Impela bazokwenza.

30 Manje, ufanele wenze ukukhetha. Uyazi ukuthi kuyiqiniso. Manje niyabo, “ongakholwa ngamabomu, emva kokuba esemukele ukwazi kweqiniso, ongakholwa, afulathele lokho, akusekho umnikelo wokungakholwa.” Usuphelile futhi ugezekile kuze kube phakade. Kunjalo.

31 Futhi iPentecostal ezokwenyukela kuleyondawo efanayo...Labo babengabangaphambi kwePentecostal, futhi babenesithembiso sokuthatha izwe, naso sonke isibusiso uNkulunkulu asethembisa. UNkulunkulu wabanika khona, kodwa ngoba ukuphikisana kwakukukhulu kakhulu, babuyela emuva futhi bahlala ehlane iminyaka engamashumi amane, esikhundleni sokubhekana namaqiniso.

32 Leyo yinto efanayo uPawulu akhuluma ngayo lapha kumaHeberu 10. Seniyaqonda manje na? Manje, lowo ngumBhalo, bazalwane bami. Futhi lapho umuntu efulathela iqiniso, futhi asuke kulo ngamabomu, emva kokuba esebone ukuthi kuyiqiniso, khona-ke ungumkhiqizo osuqediwe noNkulunkulu. Kunjalo, “ngokuba akusekho umnikelo ngesono, kodwa ukulindela okwesabekayo ukwahlulelwa nomlilo oshisayo, ozakuqeda iphikankani.” Ngoba uma bafa phansi kofakazi ababili noma abathathu, phansi komthetho kaMose, ngalolohlobo lwewundlu, kuyofika kakhulu kangakanani ukwehlukana kwaPhakade kulowomfo osuka eqinisweni, ngenxa yenhlangotho yakhe, noma unina, ubabayi wakhe, kumbe noma yini enye eyayingamvimbela ukuba aqhubeke noNkulunkulu.

33 Ngiyethemba niyakuqonda. Uma—uma ngikulimaza, angiqondile ukukwenza. Ngethula nje iqiniso engaziyo ukuthi liyiqiniso. Ngadingeka ngibhekane nalokho, bazalwane, futhi ngiyazi ukuthi kusho ukuthini. Futhi nga—ngabhekana nakho. Futhi udeveli wangitshela ukuthi ngiyobulawa yindlela, nakho konke okunye, futhi ngiyoba yisilahlwa, nomelusi wami

wathi, “Uzoba ngumgingqiki ongwele futhi uzolahlekelwa yingqondo yakho futhi ube sesikhungweni sezinhlanga.” Kodwa kwakuyiZwi likaNkulunkulu! Futhi ngabhekana nakho futhi ngakwemukela, futhi angikaze ngizisole ngakho, kodwa ngibonga uNkulunkulu ngoMoya oNgwele ongiholele kukho kusukela lapho, futhi ngime ngedwa kusukela ngaleyonkathi. Asikhuleke.

<sup>34</sup> Baba wethu waseZulwini, siyaKubonga ngalo lonke iZwi elinomusa elilotshwe kuleliBhayibheli. Lokhu sihaqiwe yifu elingaka lawofakazi. Abantu abayizigidi ezimbili ngenxenye bafa, ya, bebhumba ehlane lokungakholwa, futhi ababili kuphela abakhulwayo bavunyelwa ukuba bawele. Baba Nkulunkulu, ngikhuleka kuWe ukuba usisize ukuba sibone lokho futhi—futhi sibheke ukuthi kusho ukuthini. Masingabi ngabangakholwa eZwini laKho, kodwa kwangathi singabi kuphela ngabezwayo kodwa abenzi beZwi. Siphe khona, Nkosi.

<sup>35</sup> Kwangathi kulomhlangano omncane engizizwe ngiholeleka ukuba ngize lapha kumfowethu, nakulababantu abakahle olapha kulelidolobha...Futhi ngiza noMlayezo Owubeke enhliziyweni yami.

<sup>36</sup> Manje, ngingahlwanyela imbewu kuphela, Nkosi. Ufanele ube nguYe onikeza ukwanda. Futhi ngikhulekela ukuthi uMoya oNgwele uzonisela lezozimbewu ize iveze ukuhlangana phakathi kwabazalwane, naphakathi kwezinhlangano kulelidolobha nalomphakathi, baze ba...kuzothumela ukukhanya kweVangeli emhlabeni wonke. Siphe khona, Baba. Sisize kulobubusuku manje, njengoba siqhubeka sihamba, siqhubekela phambili ekukholweni singene eZwini laKho, ngoJesu Kristu iNkosi yethu. Amen.

<sup>37</sup> Nginendaba encane lapha engishumayele ngayo. Kodwa bengifuna ukuyithatha ngendlela yesiprofetho, kulobubusuku. Itholakala kuGenesisi 22:14. Ngifuna ukuqala:

*U-Abrahama waqamba igama laleyondawo ngokuthi uJehova-jire njengalokhu kuthiwa nanamuhla, Entabeni yeNkosi kuyakubonakala.*

<sup>38</sup> *UJehova-jire*, “iNkosi izozibonela uMhlatshelo.” Manje, lokhu kusempilweni ka-Abrahama, ongubaba wethu sonke. Manje bangaki abaziyo ukuthi sifanele sibe yinzalo ka-Abrahama kungenjalo asisoze sangena eZulwini na? Sifanele. Kungenzeka yini ukuthi sibe yinzalo ka-Abrahama na? Kanjani na? Yinye kuphela indlela ezweni kuze kube phakade ukuba ube yinzalo ka-Abrahama, lokho ngukwemukela uMoya oNgwele.

<sup>39</sup> Manje, sisanda kwedlula kulokho eCalifornia, emuva naphambili futhi emuva naphambili ngophawu lwesilo noPhawu lukaNkulunkulu, indlela kuphela esiyoke sibe yinzalo ka-Abrahama, ngoba lokho kusinika ukukholwa kuka-Abrahama. Futhi u-Abrahama akazange asemukele

lesisithembiso ngenkathi esekusokeni, phansi komthetho, kodwa ngenkathi ephansi komusa, ngaphambi kokuba kuze kukhishwe ukusoka. Ngakho-ke, akusiyo into ebesingayenza ukukufanela; ngumusa kaNkulunkulu osinika khona. Ngokukholwa, u-Abrahama wamkholwa uNkulunkulu, futhi kwabalelwa kuye kungukulunga. Umthetho yilokho umuntu ayekufuna, hhayi lokho uNkulunkulu ayekufuna.

Manje, sifuna ukuqala ku-Abrahama manje. Futhi ngifuna nilalelisise ngempela, uma ningakwazi.

<sup>40</sup> Futhi empeleni, ngabe bekukhona...noma ubani onikeze...ngabe bawakhiphile amakhadi omkhuleko na? Ngikhohliwe ukumbuza, ngabe ukhona umkhuleko...? Uphi uBilly na? Ngabe akhona amakhadi omkhuleko anikeziwe na? Ya, kubekhona amakhadi omkhuleko anikezwayo, kulungile. Kulungile, khona-ke sizo, mhlampe sikhulekele abagulayo ekupheleni kwalenkonzong encane lapha.

<sup>41</sup> Manje, asiqale ngo-Abrahama, futhi sithole ukuthi u-Abrahama wayeyini, nokuthi siba kanjani yinzalo yakhe. Bese kuthi-ke uma ngempela besingasekela ngempela phezu kweZwi leNkosi, khona-ke si...kususa konke ukwesaba kithi uma sazi ukuthi senzani.

<sup>42</sup> Ubungaphuma kanjani futhi ucoshe...? Nina banumzane abahloniphekile, zinsizwa lapha, ningaphumela emgwaqeni bese nicosha owesifazane futhi nimshade, ngoba nje uphumile futhi wamcosha; wayengowesifazane na? Anginayo imicabango kakhulu yomqondo wakho uma ubungakwenza. Kodwa niyabo, kuqala ufanele wazi okuthile ngaye, ukuthi uvelaphi, isimilo sakhe. Kungaleyondlela ngowesifazane kumyeni wakhe, indlela efanayo. Ufanele ucabange ngalezozinto, ngoba ngukuhambisana kwakho naye konke ukuphila kwakho konke.

<sup>43</sup> Futhi lokhu ngukuPhila kwethu okuPhakade noNkulunkulu, noma sahlukaniswe ngokuphelele futhi sishabalaliswe esihogweni. Niyabo? Kungokukodwa noma okunye. Ngakho sifuna ukusondela kulokhu phezu kwezisekelo zomBhalo, futhi sazi ukuthi sikuphi, khona-ke uzoba nokukholwa ukwazi. Uma ungabona lapho oya khona, khona-ke unokukholwa okuzoya khona. Kodwa uma ungaboni ukuthi uyaphi, ukhubeka nje ebumnyameni, awazi ukuthi wenzani.

<sup>44</sup> Ngakho u-Abrahama, lapho esaqala khona ukufunda ngaye...Nina enimaka imiBhalo, ngibona abaningi benu. Futhi ngikusho lokhu ngenhlonipho yokuzithoba, ngibhekisisile izolo ebusuku nakulobubusuku futhi, inenekazi elithize lapha, ngiyalithakasela. Lifunda leloBhayibheli; nomaphi lapho ngicaphuna khona umBhalo liya ngqo kuwo. Ngiyakuthanda lokho. Yileyondlela. Kwesekele. Khona-ke uyazi ukuthi un-ISHO KANJE INKOSI.

45 Omunye wangibiza, wathi, “Mfowethu Branham, ngayo yonke into oyishumayelile, awukaze ushumayeke neyodwa into engake ngakuzwa eminyakeni eyishumi edlule, kodwa lokho engikuthole kubhalwe emakhasini eBhayibheli lami.” Lokho, ngiyakuthanda lokho, niyabo. Kunjalo. Futhi wathi, “Ngiwalalele amateyipu akho, amanye awo agxe kiwe,” kodwa wathi, “Ngihambe ngaqonda ngqo kubagxe ki futhi ngathi, ‘Ake nginikhombise khona eBhayibhelini.’” Niyabo? Kulungile lokho. Lokho kuhle. Niyabo? Lowo nguMoya oNgewele: KuseBhayibhelini, khona-ke kuqinisele.

46 Manje, sithatha u-Abrahama esahlukweni 12. Manje, ngilandeleni nesahluko. UNkulunkulu wahlangana no-Abrahama; ungumuntu ojwayelekile nje. Indoda endala kwasekuqaleni nje, iminyaka engamashumi ayisikhombisana-nanhlano ubudala. Ngakho bazalwane, uma nicabanga ukuthi usumdala kakhulu ukuba uqalele uNkulunkulu lapho usunamashumi amahlanu, amashumi ayisithupha, iminyaka engamashumi ayisikhombisa ubudala, ngani, awunjalo. U-Abrahama wayeneminyaka engamashumi ayisikhombisana-nanhlano ubudala. Udadewabo ingxenywe, ashadelwa nguye, uSara, ngalesosikhathi wayeneminyaka engamashumi ayisithupha-nanhlano ubudala. Futhi babeyinyumba, bengenabantwana. NoNkulunkulu watshela u-Abrahama, “Ngizokwenza isizwe esikhulu futhi ngikwenze uyise wezizwe,” futhi umnika isivumelwano.

47 Manje, indawo yokuqala ngifuna niqaphele, isivumelwano asenziwanga ku-Abrahama kuphela, kodwa ku-Abrahama nenzalo yakhe emva kwakhe. Manje, ake sisho lokho kanyekanye. Manje, silungiselela inkonzo yokuphulukisa. Niyabo? “Ku-Abrahama, nenzalo yakhe, emva kwakhe.”

Niyabo? Manje, uNkulunkulu akwenzela u-Abrahama, Ukwenzela inzalo yakhe emva kwakhe.

Manje, ngizokufakazisa lokho kini kulobubusuku ngeBhayibheli. Futhi impela lokho kuzonixazululela ubusuku bayizolo ebusuku. Niyabo? Qaphelani!

48 Kweyakhe... u-Abrahama, ngakwesokudla sami, nasenzalweni yakhe emva kwakhe, *ngapha*. Ngizothatha izincwadi ezimbili, futhi ngizozibeka phezulu *kanje* ukuze nibone: *lona* ngu-Abrahama, *lena* yinzalo emva kwakhe; u-Abrahama, nenzalo emva kwakhe. UNkulunkulu, lokho Akwenza ku-Abrahama, Wafunga ku-Abrahama nenzalo yakhe emva kwakhe. Manje, lalélisisani; ningakugeji lokhu.

49 “Oyimbewu yakhe...” uma ufile ezintweni zezwe, futhi wenziwa waphila kuKristu, ngoMoya oNgewele. “Ngokuba thina esifele kuKristu, sithathe inzalo ka-Abrahama, futhi siyizindlalifa kanye naye, ngokweSithembiso”: IBhayibheli.

<sup>50</sup> Manje, nisiqaphelile isivumelwano Azenza no-Abrahama esahlukweni 12 sikaGenesisi na? Isivumelwano sasingesikho ukuthi, “Abrahama uma uzokwenza into ethize, Ngizokwenza into ethize.” Sona, isivumelwano, sasingumusa ngakho konke. Qhabo, “uma uzo...” UNkulunkulu wathi ku-Abrahama, “Ngine...” hhayi, “. . . uma uzokwenza into ethize.”

<sup>51</sup> UNkulunkulu wenza isivumelwano no-Adamu. U-Adamu wasephula. Njalo lapho Enza isivumelwano nomuntu. . . U-Eksodusi 19, Wenza isivumelwano; wasephula.

<sup>52</sup> Kodwa uNkulunkulu, ekunqumeni kwaKhe, hhayi ngemithetho, noma izivumelwano nomuntu, kodwa ngezivumelwano naYe uqobo, Wayezimisele ukusindisa umuntu, ngoba yindodana yaKhe.

<sup>53</sup> Ngakho U. . . akusikho kuphela ukuthi Wenza lesivumelwano, kodwa Wafunga ngaso. Futhi umuntu ethatha isifungo uthatha ngomunye umuntu, isifungo, omkhulu kunaye. Futhi kwakungekho-muntu omkhulu kunoma Wayenjalo, ngakho iBhayibheli lathi Wathatha isifungo ngaYe uqobo, ukusigcina.

<sup>54</sup> Cabanga ngakho manje. Wena uthi, “Awu, ukuba nje benginezibusiso zika-Abrahama, ukuba nje benginesithembiso esifanayo u-Abrahama ayenaso. . .” Wena unaso, uma uyinzalo kaKristu. Uma ufile kuKristu, wemukela uMoya oNgcwele; uyinzalo ka-Abrahama, ngoba uKristu uyiNzalo ka-Abrahama. Niyakubona na? Lokho kubeka ingaphakathi lethu lisebenze, ukukholwa kuNkulunkulu.

<sup>55</sup> Manje, ukuba yinzalo ka-Abrahama awusoze wahlehla esithembisweni sikaNkulunkulu. Ubuyohlala njalo uzigcina izithembiso zikaNkulunkulu. Ubuyokwenza lokho kube yiqiniso, akunandaba ukuthi noma yini enye yayiyini. Yilokho u-Abrahama akwenza. Akunandaba ukuthi *Noma ubani* utheni, *Noma ubani* utheni, lokho akulutho. UNkulunkulu washo njalo, nalokho kuyakuxazulula. Yileyondlela inzalo ka-Abrahama ebukeka ngayo. Manje niyinzalo ka-Abrahama na? IZwi likaNkulunkulu malibe yiqiniso nelawo wonke omunye umuntu lingamanga. IZwi likaNkulunkulu!

<sup>56</sup> Ngakho ngakho-ke, niyabo, uma uza kukho, uzisho ukuthi uyinzalo ka-Abrahama futhi ufulathele, akunakwenzeka. Ufulathela uNkulunkulu, futhi awusekho umhlathshelo osele ngokungakholwa kwakho. Sewuphelile. Niyabo?

<sup>57</sup> Manje, Wasenza ku-Abrahama. Hhayi ukuthi, “Abrahama, uma uzokwenza into ethize, Ngizokwenza isizwe esikhulu futhi ngikwenze uyise wezizwe.” Wathi, “Ngikwenzile.” Khumbulani, isithembiso sasingumusa ngakho konke futhi akukho-mthetho oxutshwe kuso nhlobo. Akukho *o-uma* lutho nhlobo, kungukukhetha kukaNkulunkulu ngokoqobo kuka-Abrahama.

<sup>58</sup> Manje, ngisho noma ungavumelani nokunye kwalokhu, nje—nje kucabange ngomkhuleko. Manje niyabo, akusikho okwenzile, lokho izifiso zakho eziyikho, kwakungesiso isifiso sika-Abrahama; wayengumhedeni. Khona wa... Wehla evela embhoshongweni waseBabele, ezansi ezigodini zaseShinari nasezweni lamaKaledi nomuzi wase-Uri. Futhi waye—wayengumuntu ojwayelekile nje futhi akukho lutho u-Abrahama ayekwenzile, hhayi ngisho nezifiso zakhe, kodwa uNkulunkulu, ngomusa nangokukhetha, wakhetha u-Abrahama. Yileyondlela Akukhethe ngayo wena: Hhayi lutho olwenzile, lokho Akwenzile. Manje khumbulani, “Ku-Abrahama nenzalo yakhe.”

<sup>59</sup> Uma ucabanga ukuthi uzoba ngumfundisi, noma umKristu, ngoba abantu bakhuluma kahle ngawe, noma ujoyina ibandla ukuba uhlale emphakathini, noma, “leli yibandla elikhulu kunawo onke edolobheni,” uyazikhohlisa nje, yilokho kuphela. Ungumuntu olusizi lapho sekuza ebuKristwini.

<sup>60</sup> UNkulunkulu ukhetha ngokhetho. KwabaseRoma isahluko 9, isahluko 8, basho ukuthi ukukhetha kukaNkulunkulu kume kuqiniseke. U-Esawu noJakobe, ngaphambi kokuba noma yimuphi umntwana azalwe, babenendlela ngisho yokwenza isinqumo ukuthi babezokwenzani, uNkulunkulu wathi, “Ngiyamzonda u-Esawu futhi ngiyamthanda uJakobe,” ngoba uNkulunkulu wayazi ukuthi babeyini ngaphambi kokuba izwe lize libunjwe. UNkulunkulu wakhetha wena kuKristu ngaphambi kokuba izwe lize libe khona, iBhayibheli lasho njalo, faka igama lakho eNcwadini yokuPhila yeWundlu. Hhayi lapho uza e-altare, kodwa ngaphambi kokusekelwa kwezwe Wakwenza. IBhayibheli lasho njalo.

Umphikukristu ngezinsuku zokugcina, ekholwa kakhulu, ngisho nePentecostal, kuze kudukise nabakhethiweyo uma kwakunokwenzeka.

UBilly Graham wathi ngobunye ubusuku emlayezweni wakhe, wathi, “Udeveli ubhonga kakhulu useze udukise abakhethiweyo uqobo.”

Ngacabanga, “O, o, Billy, wenze iphutha lapho.” E-hhe, ungeke udukise abakhethiweyo, ngoba baphephile noKristu.

<sup>61</sup> IBhayibheli lasho ukuthi lomphikukristu uyosondelana kakhulu ngangokuthi uyodukisa abakhethiweyo uma kwakunokwenzeka, nalokho ayokwenza ngezinsuku zokugcina, uyosondela kakhulu manje, ukuthi uyokwenza lokho. Futhi Wathi, “uyodukisa bonke phezu kobuso bomhlaba...” ISambulo, ngiyasicaphuna. “. . . abamagama abo angalotshwanga eNcwadini yokuPhila yeWundlu kusukela ekusekelweni kwezwe.” Leyo yinzalo ka-Abrahama. Ukukhetha kukaNkulunkulu, hhayi okwakho, okukaNkulunkulu. UNkulunkulu wakhetha wena. Awuzange

ukhethe uNkulunkulu; uNkulunkulu wakhetha wena, futhi wafaka igama lakho eNcwadini yokuPhila yeWundlu.

<sup>62</sup> Lahlatshwa nini iWundlu na? Eminyakeni eyizinkulungwane ezimbili eyedlula eKalvari na? Hhayi emehlweni kaNkulunkulu. WayeyiWundlu elihlatshiwe kusukela ekusekelweni kwezwe. Ngenkathi uNkulunkulu ebona i...lokho uSathane ayekwenzile, uhlelo lwaKhe lwendlalwa, futhi Wayazi ukuthi Wayezothumela iNdodana yaKhe, futhi Yayizoba yiNhlawulo ngezono zethu. Nasemqondweni kaJehova, ukunqoba, futhi...?...abantu baKhe, Wahlababa iWundlu emqondweni waKhe uQobo, ngaphambi kokusekelwa kwezwe futhi wafaka igama lakho eNcwadini njengohlengiwe. Udumo! Yilokho Akwenzile. UNkulunkulu wakwenza lokho. Manje-ke sesabani na? Hhayi ukuthi, “Uma uzo...”; “Ngikwenzile.”

<sup>63</sup> Khona-ke uthi ekuphulukiseni ngokukaNkulunkulu, “Mfowethu Branham, uNkulunkulu angangiphulukisa na?” Uyinzalo ka-Abrahama, Ukuphulukisile. “Ungabeka izandla zakho phezu kwami ngendlela uMfowethu Roberts enza ngayo na?” Lokho akuhlangene ngalutho nakho, iphuzu nje lokuxhumana.

<sup>64</sup> Kanye, intshumayelo yomuntu uqobo yathi, “Beka isandla sakho phezu kwengemuva lesihlalo esingemva kwakho.” Manje, isihlalo asinakho ukuphulukisa kuso. Niyabo? Ngukukholwa kwakho emsebenzini osuqedliwe, ukuthi usuvele uhlangeniwe. “Yalinyazwa ngenxa yeziphambeko zethu; ngemivimbo yaYo saphulukiswa thina.”

<sup>65</sup> “Mfowethu Branham, ngizophulukiswa kulobubusuku na?” Usuvele uphulukisiwe. UNkulunkulu wathumela uMoya oNgcwele. Wathumela abelusi benu, futhi bashumayela iZwi; lalalani. Futhi Uthumela iziphiwo zezilimi, ukuhumusha, uthumela abaprofethi neziphiwo zesiprofetho, nakho konke, ezama ukunidonsela endaweni. Umelusi angeke akuphulukise. Ukukhuluma ngezilimi akukuphulukisi. Ukuhumusha akukuphulukisi. Umprofethi akakuphulukisi. Ezinye iziphiwo azikuphulukisi, zikhomba wena kuphela, uma kuyisiphiwo seqiniso, sikukhomba kuphela lapho owaphulukiswa khona, ngokuba uyinzalo ka-Abrahama, futhi wawusuvele uphulukisiwe futhi wasindiswa. Futhi yingakho uMoya oNgcwele ungqongqotha enhliziyweni yakho.

<sup>66</sup> “Konke uBaba aNgiphe khona kuyakuza kiMi.” Kunjalo. Manje, yingakho sishumayela iVangeli. Yilokho engikuvezayo lemizamo. Yilokho abanye abefundisi abaveza imizamo yabo, ngukuzama ukushwiba leyonetha enkulu, uyidonsele ngaphakathi, futhi ubone ukuthi yini. Angazi; abanye abefundisi abazi; sidoba ngamanetha nje.

<sup>67</sup> “UMbuso kaNkulunkulu ufana nomdobi, waya enetheni... wathatha inetha wayeseya olwandle wayeseyiphonsa phakathi.

Ngenkathi edonsa wayenamaxoxo, izimfudu, izinyoka, izilwembu, nezinhlanzi.” Bhekisisani ukuthi kwenzekani. Ukuthonya kweVangeli kubamba abaningi.

<sup>68</sup> Futhi nje cishe ngeviki lokuqala kamuva, inyoka endala yathi, “Manje bukani, uma ngizodingeka ngenze konke lokhu okunye, ngiyeke amakhadi ami, ugwayi wami, mm”; usho ubuyela ngqo emanzini.

<sup>69</sup> UNkk. Lwembu Lwamanzi uhlezi lapho, futhi uyaqalaza, uthi, “Hhe! Usho ukuthi angikwazi ukuba namaklabhu ami, futhi ngenze lezizinto lapho, futhi ngifanele ngisuse upende wobuso wami, ngiyeke izinwele zami zikhule, futhi ngikhumule izikhindi zami, izinto na? Hhe!” Gxumbu! Gxumbu! Gxumbu! “Ingulube nje ekuzibhixeni kwayo nenja ebuhlazweni bayo.”

<sup>70</sup> Manje, wayeyini na? Wabanjwa enethini, wakhushulelwa e-altare, naye wabanjwa, kodwa wayeyinyoka kwasekuqaleni. Yisicabucabu kwasekuqaleni nje. Inetha yayingahlanganise lutho nakho; kuphela yamdonsela phezulu lapha. Nenhlanzi yayiyinhlanzi kwasekuqaleni. Niyabo? Kunjalo impela.

<sup>71</sup> Izimvu zaMi ziyalizwa iPhimbo laMi. Niyabo? O, abanye babo bahlakaniphile futhi bafundile futhi banobuqili njengoba bengaba njalo. Lokho akuhlangene nakho. Yintobeko noMoya oNgcwele, eqondisa, ehola. Futhi Akasoze akuhole nangelilodwa izwi usuke kuleloBhayibheli. Uyokugecina usemgqeni ngqo naleloBhayibheli. Yebo, mnumzane, kanye neBhayibheli ngqo.

<sup>72</sup> Lapho ubona umBhalo, futhi ubona lapha, nalapha, nalapha, nalapha, futhi ubuza umelusi wakho ngakho, uthi, “Awu, lokho kwakungokolunye usuku.” Uma ungumntwana kaNkulunkulu ungeke ukukholwe lokho, qhabo, mnumzane.

<sup>73</sup> Ngenkathi Lithi, “UJesu Kristu onguye izolo, namuhla, naphakade; imisebenzi engiyenzayo Mina nani niyakuyenza”; niyabona ukuthi Wayeyini, niyabo isithembiso lapha, umelusi uthi, “Awu, lowo ngumbhedo, akukho lutho kulokho.” Ungeke ukukholwe, ngoba awusilo ulwembu noma inyoka, uyinhlanzi. Niyabo? Nakho-ke. Awusiyo imbuzi, noma ingulube, uyiwundlu.

<sup>74</sup> Nejuba alikwazi ukukhanyisa lutho ngaphandle kwewundlu. Yimvelo efanayo. Into enkulu kunazo zonke... Ngikholwa ukuthi ngawushumayela lowomlayezo phezulu lapha ngesinye isikhathi: *IWundlu neJuba*. Ngumlayezo omkhulu kunayo yonke engake nganikwa wona weNkosi. Ngenkathi uNkulunkulu ezimele Yena uqobo, Wazimela Yena uqobo evela eZulwini, inyoni, emnene kunazo zonke izinyoni, ijuba. Futhi uNkulunkulu noMoya oNgcwele unguMuntu ofanayo uqobo. Uma kungazange, uJesu wayenobaba ababili, kuMathewu 1:18 wathi, “Lokho okukhulelweyo kungokukaMoya oNgcwele.” Wayengesuye umntwana wesihlahla. Wazalwa nguNkulunkulu ngakho konke, ngakho Wa—Wa—WayeyiNdodana kaNkulunkulu. Kunjalo.

<sup>75</sup> Ngakho, ngenkathi Efika ehla evela eZulwini, hhayi abanye abantu abathathu phezulu ngaleya bekhuluma, kodwa babona uMoya kaNkulunkulu njengejuba. WawuyiLowo-ke uMoya, hhayi umuntu wesithathu ekhuluma. Akusibo oNkulunkulu abathathu, kunezikhundla ezintathu zikaNkulunkulu ofanayo: uNkulunkulu uYise, eNsikeni yoMlilo; UNkulunkulu iNdodana, enyameni yomuntu; uNkulunkulu uMoya oNgcwele kuwe, uNkulunkulu ofanayo. UJesu wathi, “Ngalolosuku niyokwazi ukuthi NgikuBaba, uBaba ukiMi, naMi ngikini, nani nikiMi.” UNkulunkulu, ezama ukubuyela enhlanganyelweni nesidalwa saKhe Asidala ensimini yase-Edene.

<sup>76</sup> Angeke angayilaleli imithetho yaKhe uQobo. Amadoda ayenesono. Ngenkathi Ehlala eNtabeni yaseSinayi, uma ekhona othinte intaba, ufanele agwazwe ngomcibisholo. Kodwa ngenkathi Enziwa inyama, sasingaMthinta. Manje Uba yingxenye yethu, niyabo, ukusihola nokusihola ngokusiqondisa, ahlanganyele nathi futhi.

O, he, he, ukuthi kungamathizethize kanjani nokungahloniphi ukuthi abantu bathatha iZwi likaNkulunkulu futhi balenze.

<sup>77</sup> Bese kuthi-ke, omunye athole ukukhanya okuncanyana kuLo, bese egijima ngapha futhi ahlele futhi enze inhlangano futhi aqophisane nomfo oseduze. Awusho ngani nje ukuthi ikhona indawo yethu sonke na? Sonke masimashe sibheke ngaseSiyoni. Asihlukene! SingamaKristu: amaMethodisti, amaBaptisti, amaPresbyterian, iLuthela, iPentecostal, i-Oneness, iTwones, iThreeness, i-Assemblies, iChurch of God, onke. Asihlukene. SingamaKristu. Lapho semukela uKristu njengoMsindisi oqondene nathi, futhi sigewaliswe ngoMoya oNgcwele, singumkhqizo kaNkulunkulu obekwe uphawu.

<sup>78</sup> Kwabase-Efesu 4:30, uthi, “Ningamdabukisi uMoya oNgcwele enibekwe uphawu ngaye kuze kuba omunye akuhlanyise; awu, noma iminyaka emibili noma emithathu; uze ungamlaleli uNkulunkulu kanye.” Qhabo. Ungahle ukuthole lokho kwiLadies Birthday Almanac endala, kodwa awukutholi eZwini likaNkulunkulu. “Ningamdabukisi uMoya oNgcwele kaNkulunkulu enabekwa uphawu ngaye kuze kube luSuku lokuhlengwa kwenu.”

<sup>79</sup> Isiphetho sakho saPhakade sinqunywa nguNkulunkulu, bese-ke ubekwa uphawu phakathi lapho. Yileyondlela Enza ngayo u-Abrahama. U-Abrahama waMkholwa futhi wa... kwabalelwa kuye kube ngukulunga, khona-ke Umnika uphawu lokusoka njengesiqinisekiso, “Ukuthi Ngikwenzile! Uyimpahla yaMi!” Amen. Yilokho-ke.

Manje, uGenesisi isahluko 12: hhayi, “Uma uzo...”; “Ngikwenzile.”

<sup>80</sup> Manje, asiye kuGenesisi isahluko 15, yilapho Aqinisa khona isivumelwano ku-Abrahama. Manje lalelisisani. Waqinisa isivumelwano, noma wasayina isivumelwano no-Abrahama, esahlukweni 15 sikaGenesisi.

<sup>81</sup> Manje, sithola ukuthi u-Abrahama wathi, “Nkosi, Uzonginikani, lokhu ngihamba ngiyinyumba...” Usezoba yindoda endala; lokhu kwaba yiminyaka eminingi kamuva. Wathi, “. . .lokhu ngihamba ngiyinyumba nendlalifa yendlu yami ngu-Eliyezeri waseDamaseku. Uzonginikani na?”

<sup>82</sup> Futhi uNkulunkulu wamtshela ukuba athathe imbuzi yesikazi eneminyaka emithathu ubudala, isithokazi esineminyaka emithathu ubudala, nemihlatshelo yakhe, nemvu eneminyaka emithathu ubudala, inqama, nokukhuphuka; wayesehlukana leyomihlatshelo yavuleka, wayesethatha ijuba nehobhe.

Niyangizwa na? Thanini, “Amen.” [Ibandla lithi, “Amen.”—Umhl.] Kulungile, ngizoba. . .Ngifuna nithole lokhu manje.

<sup>83</sup> Manje, Uzoqinisa lesisivumelwano ku-Abrahama, noma asayine isivumelwano naye. Usevele umtshelile, “Ngizokunika sona.” Leso yisithembiso. Manje, Uzosisayina futhi afakazise ukuthi Uzokwenza kanjani. Ngakho u-Abrahama wenze zonke lezizinto, futhi wabhekisisa imihlatshelo, wavimba izinyoni kuyo laze lashona ilanga. Aba. . .Umhlatshelo awufanele wonakaliswe, niyazi. Ngakho, wazivimba izinyoni laze lashona ilanga. Futhi lapho ilanga selishonile (manje lalelani) okujulile, ubumnyama obesabekayo bobuthongo bufika phezu kuka-Abrahama. Niyakukhumbula lokho na? Lokho kumele ukufa kuwo wonke umuntu. Futhi phambi kwakhe kwakukhona isithando somlilo esishunqayo. Sonke isoni sifanele ukuya esihogweni; kodwa ngaleya kwalokho kwahamba okuncane, ukuKhanya okumhlophe. Niyabo?

<sup>84</sup> Wonke umuntu ufa ukufa kokwehlukana, nesihogo singukubhubha kwakhe. Kodwa ngaleya kokufinyelela kulokho kwahamba okuncane, ukuKhanya okumhlophe. Babhekisiseni. Bangena phakathi kwaleyomihlatshelo; phakathi kwe—kwembuzi yesikazi, isithole, inqama. Wa—Wathatha futhi wangena phakathi kwabo, eqinisekisa ku-Abrahama Ayezokwenza.

<sup>85</sup> Manje, wonke umfundisi wasesontweni, lapha noma yikuphi, uzovuma, uDkt. Scofield, lapha, uyakuvuma, bonke abanye abefundisi basesontweni abakhulu uyazi ukuthi lokho kungenkathi uNkulunkulu eqinisa isivumelwano no-Abrahama.

<sup>87</sup> Manje, senzani lapho senza isivumelwano omunye nomunye noma sisayina isivumelwano omunye nomunye na? Ngokwejwayelekile, singahle siphume futhi sibe nesemishi ndawonye, inkomishi yekhofi, noma okuthize, bese kuthi-ke, emva kokuba sekwedlule konke, siyakhuphuka, bese sibambana ngesandla, sithi, “Xhawula, mfana!”

“Kulungile. Ngizovuma. Ngizovuma ukuthi ngizokwenza into ethize.”

<sup>88</sup> Uma ngenze isivumelwano no—nomunye umfowethu nge, njengoMfowethu Gene Goad ohlezi lapha, ngizothi, “Mfowethu Gene, ngoLwesibili ngizohamba nawe ezansi eKentucky emsebenzini othize.”

“Kulungile, Mfowethu Branham, kubeke lapha.” Niyabo? Leso yisivumelwano.

<sup>89</sup> Uma laba bafowethu ababili base-Arkansas behlezi lapha, uma ngithi, “Ngi...” Kade bengincenga iminyaka embalwa edlule ukuba ngize e-Arkansas futhi. Uma ngikubizile phezulu lapha ngase ngithi, “Mfowethu...” Angiwazi ngisho amagama enu. Kodwa uma ngithi, “Ngizokwenza isivumelwano nawe, isithembiso sokuthi ngeviki elizayo ngizokwehlela e-Arkansas...”

“Ngiyabonga, Mfowethu Branham.” Kuyisivumelwano, isivumelwano. Yileyondlela ebesingasisayina ngayo, ngokuxhawulana. Akunjalo na?

<sup>90</sup> Manje, eJapani, niyazi ukuthi benza kanjani isivumelwano, omunye nomunye na? Baxoxisana ngezinto, bese-ke bethatha uphiso oluncane lukasawoti bese bephosa usawoti komunye nomunye. Lokho ngukuthi, usawoti unokuphila. Niyabo, uyaxhumana, uyabamba: usawoti uyagcina. Futhi yileyondlela abaphosa ngayo usawoti komunye nomunye.

<sup>91</sup> UJesu wathi, “Nina ningusawoti womhlaba.” Niyabo? Futhi lapho benza isivumelwano, omunye nomunye, baphosa usawoti omunye komunye. Lokho kusho ukuthi isivumelwano sabo sifanele sigcine. Usawoti uyabahlanganisa, usigcina singonakali. Akukho okungonakalisa isivumelwano sethu. Yisivumelwano; ukuxhawulana kwethu kuyinhlanganyelo. “Siyavumelana phezu kwezisekelo zenhlanganyelo, ukuthi sizogcina isivumelwano sethu omunye nomunye. Usawoti uzosigcina isivumelwano sethu, ngoba ngeke sonakalise noma sonakale. Isivumelwano sethu siyohlala sigciniwe.”

<sup>92</sup> Kodwa ezinsukwini zika-Abrahama kwakwehlukile. Manje, ngenkathi benza i—isivumelwano ngalezozinsuku, abakwenzile, kwakungukubulala umhlatselo, bawuhlukanise uvuleke, bahambe bangene phakathi kwawo, futhi khona-ke babengenalo iphepha. Iphepha lalisanda nje, eminyakeni embalwa edlule, laqanjwa yi—yimivi eyayakha izidleke zayo ngempuqumpuqu evela esihlahleni. Kodwa babengenalo

iphepha, kodwa babene...babeka onke amaphepha abo esikhumba nokunye nokunye ezikhumbeni, isikhumba sewundlu. Babesishuka, bese-ke bedweba lezizinhlamvu bese— bese benza...futhi babhale imibhalo yabo. Yonke imibhalo emidala yasendulo kuphakathi kokuthi yayisedwaleni noma esikhunjani.

<sup>93</sup> Ngakho-ke bakuthatha phakathi kwedwala noma isikhumba, futhi benza lesisivumelwano omunye nomunye. Base-ke behamba bengena phakathi kwalemihlatshelo, lezizicucu ezimbili zesilwane esifile, bese-ke behlakaza lokhu kabili, noma badabule kabili. Omunye wathatha owodwa, nomunye, omunye; futhi bafunga: “Uma sephula lesisivumelwano phakathi kwethu, imizimba yethu mayibe njengalomhlatshelo omele sona.” Niyabona ukuthi ngiqonde ukuthini na?

<sup>94</sup> Manje, wayenzani uNkulunkulu na? Wayekhombisa ku-Abrahama lokho Ayezokwenza esikhathini esizayo ngenzalo ka-Abrahama, okungukuthi wayengakabi naso. O, mfowethu, wayengakabi naso okwangaleso sikhathi, kodwa wayenesithembiso, futhi lesi kwakufana nokuthi sesenziwe. Amen.

Uthi, “Awu, isandla sami sikhubazekile.”

<sup>95</sup> “Ngiyinzalo ka-Abrahama. Angisasiboni isandla sami kanjalo. Kufana nokuthi sekwenziwe; UNkulunkulu wakwethembisa kimi. Sekuphelile. Akunandaba ukuthi isandla sami siyini, siyilokho uNkulunkulu akusho.” Leyo yinzalo yangempela ka-Abrahama.

Udokotela uthi, “Alikho ithuba lakho lokuba usinde.”

“Nkosi, kuthiwani ngalokho na?”

UBaba uyakhuluma aphenyule enhliziyweni yakho, “NgiyiNkosi ephulukisa zonke izifo zakho.”

<sup>96</sup> “O, dokotela, uyindoda ekahle, kodwa sekuphelile. Ngiphulukisiwe. UNkulunkulu washo njalo.” Lelo yiqiniso. Leyo yinzalo ka-Abrahama. “UNkulunkulu washo njalo. Sengiphulukisiwe.” Yebo, mnumzane.

“Ungadla okwamanje na?”

“Akwenzi mehluko, ngiphulukisiwe noma kanjani.” Niyabo? U-Abrahama walinda iminyaka engamashumi amabili nanhlanu ukuba lesosithembiso sifike, waqina ngaso sonke isikhathi.

<sup>97</sup> Singena emgqeni womkhuleko, sikhulekelwe. Uthi, “Awu, ngisenawo lawomajaqamba. Ngi—ngisazizwa kabi. Angisakwazi ukuhamba.” Inzalo ka-Abrahama! Inzalo ka-Abrahama iphika noma yini ephambene nakho, uma kwembulwa kuwe.

<sup>98</sup> Manje, angikaze ngiphulukise umuntu empilweni yami; kanjalo no-Oral Roberts, noma uTommy Hicks, noma ubani

omunye, kumbe noma yimuphi omunye umuntu ezweni owake waphulukisa umuntu. Ku...Uyabona uzama ukwenza umuntu abe ngothile omkhulu. “O, uMfowethu uS’bani-bani babeka izandla zabo phezu kwami. Whewu! Umelusi wakho unegunya elifanayo lanoma yiyiphi enye indoda, umakhelwane wakho, udadewenu ongumKristu, umfowenu ongumKristu, bonke be...noma ubani. Noma ubani unelungelo lokukukhulekela. IBhayibheli lathi, “Vumani amaphutha enu komunye nomunye futhi nikhulekelane.” Kunjalo, sonke. Niyabo?

<sup>101</sup> Kodwa sizama ukwenza enye indoda ibe nkulu kakhulu, futhi kusibize isigidi samadola, cishe impela, ukuxhasa uhlelo. Ungakutholi uphulukiswa. Ngokukholwa kwakho uqobo kuNkulunkulu okwenza ukuphulukisa. Uma nje ukukholwa Akusho lapha, Wavele nje waloba isivumelwano nawe. Ukunika uMoya oNgewele ukuba ube yisiqinisekiso. O he, yilokho-ke. Niyabo?

<sup>102</sup> Yingalesosizathu ngingathandi ukubeka izandla phezu kwabantu: omunye uthi, “UMfowethu Branham, wabeka izandla phezu kwami. Udumo kuNkulunkulu.” UMfowethu Branham wayengahlanganise lutho nalokho. Ningabeki izandla zenu phezu kwami, noma mina phezu kwenu. Beka izandla zakho kuYe ngokukholwa futhi ukukholwe. Kulapho-ke. Mm?

<sup>103</sup> Cela umelusi wakho ukuba akukhulekele. Umkhuleko uguqula izinto. Wenzani na? Awukuphulukisi, ukunika ukukholwa ukuba wemukele lokho osekuvele kwenziwe: ukuphulukiswa kwakho. Niyakuqonda na?

Isizathu ngo-Abrahama kufika u-Isaka, nakuba u-Isaka kufika uKristu. NgoKristu, uMhlatshelo ophakeme wenziwa. Zonke lezi ezinye kwakuyinzalo yemvelo, u-Israyeli, u-Israyeli, u-Israyeli, u-Israyeli. Kodwa ngoKristu wavula iveli kumJuda noma oweZizwe, umGrecki, oyisigqila noma okhululekile, owesilisa noma owesifazane, ukuze sonke

singene eNkazimulweni yeShekina, okwakungeyamaJuda kuphela, kodwa manje ingeyalowo othandayo, makeze, makeze.

<sup>105</sup> Leyo kwakuyiNzalo uNkulunkulu ayekhuluma ngayo. Wenzani ngaleyoNzalo na? WaMyisa eKalvari. WaMdabula wahlukana. Wafa ngaphansi kwezahllulelo, izahlulelo zobuNkulunkulu zikaNkulunkulu. Futhi ngosuku lwesithathu, uNkulunkulu wavusa umzimba waKhe wase ewubeka ngakwesokunene saKhe eZulwini, wase ethumela uMoya uphuma kulowomzimba ubuyele kithi.

<sup>106</sup> Manje-ke niyabona ukuthi Wayenzani na? Ihlelo na? Uma wethembele kulokho, ulahlekile. Yinye kuphela into eyoke i . . . Lapho lezo zivumelwano zihlangana ndawonye, lezo zinhlamvu zamagama, indlela ezazidatshulwe ngayo, zazifanele zihlangane okwesisila sejuba, lonke uhlamvu lwegama nalo lonke ucezu lokudatshuliwe, okudabukile, isikhumba semvu noma idwala kwakufanele kuhlangane okwesisila sejuba ndawonye. Akukho okwakungangena esikhundleni sakho. Kwakufanele kufane ncamashi nje ekuqinisekeni lokhu. Uma baletha esinye isiqephu futhi bazama ukusenza, e-e, sasingeke sihlangane naso. Kwakufanele kuhlangane ncamashi nje ngendlela okwakuyiyo.

<sup>107</sup> Futhi lapho ibandla lihlengiwe futhi livuka ekuvukeni . . . SinguMlobokazi kaKristu. Ngisho lokho ngenhlonipho yokuzithoba, ngethemba ukuthi sinjalo, ngikholwa ukuthi sinjalo: ngokukholwa sinjalo. UMlobokazi kaJesu Kristu uzofanele ube noMoya ofanayo *kuwo*, ukuthi enye ingxenye yesivumelwano owawunaso ngenkathi Ulapha emhlabeni. Niyabona ukuthi ngiqonde ukuthini na? UNkulunkulu wakuqinisekisa.

Bona imisebenzi yeNkosi yethu. Kanjani . . . kungukuthi—kungukuthi . . . O, ohlakaniphile, ofundile, impela, kodwa kude ngamamayela ayisigidi ezintweni zikaNkulunkulu. Niyabo?

<sup>109</sup> Waqinisa isivumelwano kuGenesisi isahluko 15. Niyakuthola lokho phandle lapho, ngamunye wenu manje na? UGenesisi isahluko 15, Waqinisa iZwi. Futhi khumbulani, lalalani manje, Akazange akuqinisekise kuye waze walalela uNkulunkulu ngokuphelele. Futhi Angeke akuqinise kuwe, uze unikele ngokuphelele yonke into.

Manje, ngifuna nikugcine lokhu engqondweni. Udadewethu omncane ongumAmish, noma umDunkard, umMennonite, noma ngabe kuyini lapho, niyakuthola, ngiyethemba.

Manje, Waqinisa iZwi. Manje, asihambe futhi...O, besingahlala nje lapha amahora, kodwa asinaso isikhathi.

<sup>110</sup> Manje, asiye kuGenesisi isahluko 17, kulungile, ngenkathi Emnika amandla okuqina. Manje kuGenesisi, isahluko 17, ivesi 1, uNkulunkulu wabonakala ku-Abrahama njengoNkulunkulu uSomandla. U-Abrahama wayeneminyaka engamashumi ayisishiyagalolunye nesishiyagalolunye ubudala. USara wayeneminyaka engamashumi ayisishiyagalombili-nesishiyagalolunye ubudala. Futhi kusukela eneminyaka engamashumi ayisikhombisa nanhlanu, noSara, enamashumi ayisithupha-nanhlanu, babekade belindele lesisithembiso; beya ngokuqina ngaso sonke isikhathi ukuthi uNkulunkulu wayezokwenza.
